FRIENDS

Dear Co-laborers:

Less than a year ago a Campaign was started to liquidate the indebtedness of NORTHWEST NAZARENE COLLEGE. The debt then approximated \$78,000.00. Interest has accrued at the rate of \$400.00 per month until at the present time the actual debt is over \$80,000.00.

It is marvelous how God has helped in the past few months.

Over \$75,000.00 is now underwritten conditional upon the securing of the entire amount.

Only about \$6,000.00 is needed to put the subscriptions over the top.

THOUSANDS of DOLLARS are in the hands of the Campaign Treasurer. None can be used until we receive sufficient to satisfy the creditors.

Shall we FAIL??? Or shall we finish the task?

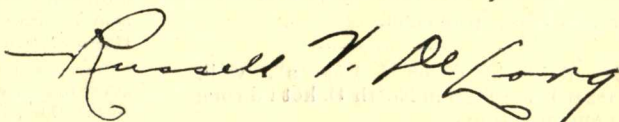

To put NORTHWEST NAZARENE COLLEGE out of debt will be the most glorious accomplishment ever experienced by our church in the Northwest.

Have you subscribed?

Can you be responsible for a portion of the last \$6000.00?

Can you send the cash AT ONCE?

Yours in His service,

President-Northwest Nazarene College

P.S. Don't fail. Send the money NOW.

COMMENCEMENT

May 26-May 30.

Saturday, May 26, Contest Literary Program

Sunday, May 27.

11:00 A. M. Baccalaureate Sermon

7:30 P. M. Annual Sermon

Monday, May 28 Music and Expression Recital

Tuesday, May 29 Academy Graduation

Wednesday, May 30 Commencement Address

Presentation of Degrees and Diplomas

You are invited to attend all of these programs and services.

Student Loan Fund

Mr. Ezra F. Stephens, famous orchard king, died recently. His death was a cause of sorrow to the student-body and faculty of Northwest Nazarene College. Mr. Stephens was greatly interested in Christian education and continually was doing something to aid either the administration or student-body.

It was altogether fitting and proper that he should remember our institution in his will. He did so in a practical way. The executor of the will is instructed to promote the interests of the Mary E. Stephens memorial revolving never-ending student fund which will amount to \$30,000.00. To build this fund several orchards are to be used and the returns to be added yearly to the fund. Within eight years the property will be disposed of and the proceeds will be directed into the educational fund.

This fund will enable many worthy students to receive loans and thus to complete their school work. Northwest Nazarene College is one of the five beneficiaries under this trust provision.

Mr. Reinholdt (from N. Dakota). well, at least it is green in North Dakota during the summer time.

Mr. Spencer (with a wicked grin) Yes, it is green in the summer, but all the green things come to Nampa to spend the winter.

As this goes to press God is wonderfully manifesting himself in our midst. At the Friday chapel service a dozen were forward and several got definite victory. Monday chapel was a time of praising God. For two periods the floods of divine glory swept over the student-body. Some testified, others wept, some shouted, others exhorted. Today at the chapel service God again came in a melting manner and half a dozen more hungry souls paid the price and settled to go through with God. A special service is announced for this evening. Will you join with us in prayer that every unsaved student may surrender before the school year closes

Entered as second class matter, November 23, 1921 at the Post Office at Nampa, Idaho, under the act of August third, 1921.

Accepted for mailing at special rate of postage provided in Section 1103, Act of October 3, 1917, authorized May 25, 1923.

SOON TO SAIL

During the past two've years Northwest Nazarene College has sent out many missionaries. In nearly every field there are to be found workers who have received their training at Nampa. The institution is becoming a school with a real world vision.

Within the next few months five more will join the ranks of N. N. C. missionaries on the foreign field: Miss Fairy Chism of the class of 1923 will sail from New York for Africa the latter part of June; Miss Florence Southwick of the class of 1924 will go to China; Rev. and Mrs. L. S. Tracy also of the class of 1924 will return to India; Miss Elsie M. Hazelwood will soon go to South America to aid in the work there.

Progress is being made on the new Nazarene General Hospital. At the close of the Bulgin Tabernacle Meetings here in Nampa, Dr. Bulgin gave a lecture on the subject, "Heroes in Homespun", in which he told many interesting incidents in the life of a North Carolina Tar-heel, as he calls the natives of that state. The proceeds of this lecture were given towards the purchasing of the lumber in the tabernacle for the hospital. The lumber in all will amount to about \$1,200 in value, which is indeed a great help to the new hospital. It is hoped that construction on the walls will begin soon.

Glee Clubs Render Cantata

On Thursday evening, Apr. 5, the College Boys' and Girls' Glee Clubs rendered an Easter Cantata at the Nazarene church. The platform was beautifully decorated with white lattice work, lillies, ferns, and roses, which made a pleasing background for the girls' pastel colored dresses, and the boys, white trousers and blue coats.

The cantata was directed by Mrs. R. V. DeLong, and accompanied at the piano by Miss Orpha Presnall. We were highly gratified with the large attendance, for the church building was filled to capacity. On Easter Sunday, at 4:00 o'clock P. M. the program was broadcasted from radio station KFAU, Boise, Idaho.

Wonderful Prayer-meeting

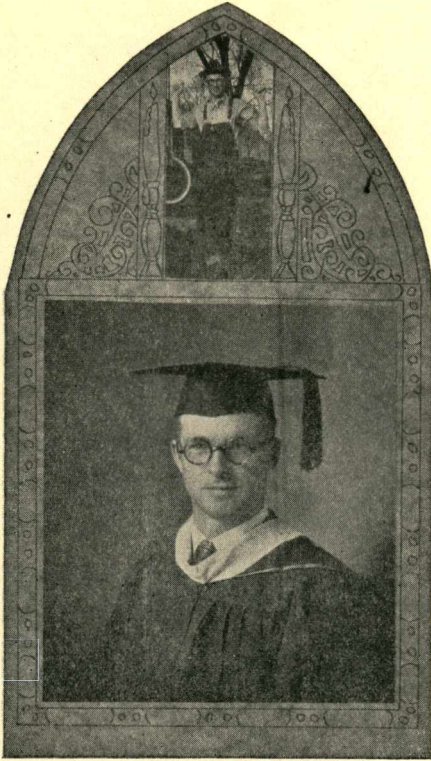

Recently a goodly number of the students remained after an Olympian program for prayer-meeting. It began at 9:15 and lasted until 11:30. It seems that the times at which the Lord blesses us especially are when we put forth a special effort to pray during the later hours of the night or early shades of the morning. The sun-rise service at the church was a continuation of God's special blessing.

DEBATING AT NORTHWEST NAZARENE COLLEGE

Under the leadership of Mrs. Newton our Expression department has brought much honor to our school. In the field of debate we have ability that can be classed with any other institution. Out of the six debates of the year we have been successful in five.

Another feature of our expression department was the recent Declamatory Contest, in which we participated. The two neighboring colleges—Gooding College, The College of Idaho—and Northwest Nazarene College each contributed three numbers, one oratorical, one dramatic, and one humorous. Not being able to accomodate the crowd in our college chapel we were enabled by the kindness of Rev. H. C. Kohr to secure the use of the local Methodist church for the occasion.

Our college was represented by those who had been successful in the local elimination contest, namely: Floyd Womack, oratory; Johan Johnson, humor; and Lettie Mylander, dramatic. We feel proud of our participants, and although no decision was given we are well pleased with their numbers. Not only did they make an excellent showing, but they also proved that we have talent to compete with the best in the land.

—GEORGE TAYLORSON

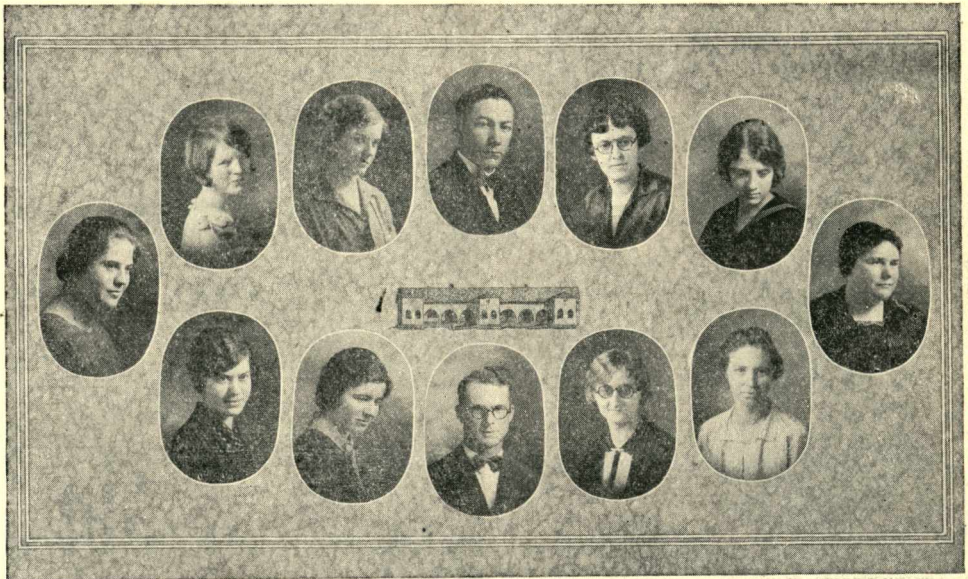

The Out-of-debt-campaign which was begun last June, bids fair to be one of the signal victories in the life of N. N. C. Bro. Henson and Pres. DeLong have gleaned the field for the golden sheaves from two to three times with very encouraging results. We hope to announce by the next issue that the old mortgages have been burned.

The appearance of the campus and buildings has been greatly freshened by the unique work of industrious students, on our annual Campus Day, April 9. Committees were appointed for the various types of work, and a prize was offered for the committee doing the most efficient work. The prize was divided between the Girls' Dorm Committee and the Map Committee.

The baseball schedule is progressing very satisfactorily. The A. D. P.'s suffered a slight defeat at the hands of the S. L. A.'s. In turn the A. D. P.'s won an overwhelming victory over the Olympians.

Anticipation is rising high as the new and more beautiful Oasis is about to be distributed.

TEACHER TRAINING

One of the outstanding assets of Northwest Nazarene College is that certification is given two-year students and graduates by most of the States which comprise the Northwest Educational Zone.

Students who have completed two years of college work with at least twelve hours in Education are granted State Elementary Teachers' Certificate and graduates with a major in Education are granted High School Certificates.

The excellence of the department is due in part to the work of Prof. Coral O. Young. Prof. Young has been with the Institution for three years. Prior to coming here she taught for many years in State Normal Schools.

Another feature that adds greatly to the advantages of our Institution along educational lines is the Training School. We maintain a Grammar School with approximately 75 students, and this affords an excellent opportunity for our prospective teachers to get some practical experience before accepting any permanent teaching proposition.

At the present time there are a score of our former students making a success of teaching. Several are High School prin-

cipals, several are High School teachers and many are teaching in the lower grades.

This year the Institution has inaugurated a special Certificate for two-year students who meet the specified work. We urge all students to complete the four years work but for those who find it impossible to do so we suggest that they enroll for the two-year certificate.

ANNOUNCEMENTS

Baccalaureate Sermon—May 27 A. M.

Annal Sermon—May 27 P. M.

Expression and Music Recital—May 28.

Academy Graduation—May 29.

Commencement Address—May 30.

Fall Opening—September 18, 1928.

Strengthened Faculty

LET US ENROLL AT LEAST 65 NEXT YEAR

APPLIED ARTS

Applied Arts

One of the most attractive features of the school is the Department of Applied Arts. Miss Jacobson is wonderfully qualified to be the head of this department. This is demonstrated by the type of work being done by the students in the different classes. Each year an exhibit is given and it is impossible to describe the beautiful pieces of work shown. The greater per cent of the department consists of young ladies but a few young men also enroll. The work of this department is of real practical value and also adds a cultural touch to any individual taking any of the courses.

Friday the 27th of April, everyone enjoyed a holiday from school activities. The respective classes enjoyed picnics at some of the most picturesque landscapes in Idaho. Mountain climbing was the main diversion of the day, and wiener roasting the evening.

Upon April 12, the Home Mission Department of the College held its General Assembly in the chapel. At this time the people of the local churches and school-houses to which the students have been going, sent in delegates. Sunny Slope had a represen-

tation of twenty, while the others were smaller. Reports from the various places were made, all of which were encouraging, as they echoed with notes of progress. A district superintendent was again chosen to carry on the work. Brother Ray Miller was re-elected to that office. The visiting friends from these places expressed their appreciation of the work being done by our young people, and sincerely hoped that their ministry might continue.

Mr. Gudmonson, (In English I, discussing modern gallantry). "Men are not more chivalrous today because the women are too independent."

Miss Dooley: "I suppose then, Mr. Gudmonson, you would have the women more of the clinging type?"

Mr. G: "Well, er-yes." (And his neck grew red.)

Monday evening, April 30 the annual banquet of the Academy Seniors was held at the Dewey Palace Hotel. All reported a very delightful evening.

After various new rulings, threats, penalties, and other means of attaining a quiet library, the librarian states that he agrees with James 3:5-8, in that "The tongue can no man tame."
