Dear Young Friend:

In less than a month Northwest Nazarene College will open. Registration Day is set for September 22.

You should finish your education. Standards of education are rising so rapidly and competition is so keen that ten years from now the young person that has not prepared himself will find himself out of the running.

Procrastination is the thief of time. You have intended to enroll at Northwest Nazarene College for some time and finish your work. Will it be true that another Registration Day will go by without your name as an enrolled student?

If some difficulties confront you drop us a line and let us try to help you. If you need part time employment drop a line to the Student Employment Bureau.

The prospects for the year are excellent. Northwest Nazarene College is moving ahead. We are looking forward to the best year yet. We want you with us.

Remember Registration Day—September 22.

Yours in His service,

RUSSELL V. DeLONG.

certain that he is not given intellectual poison?

For a few hundred dollars you can enroll your child in an institution like Northwest Nazarene College and train him from the first grade in the Grammar School up and through College. You can give him excellent scholastic training, provide the best of young associates, safeguard his mind from intellectual poison and place him in an intense religious atmosphere.

The Bible says, "Train up a child in the way he should go and when he is old he will not depart from it."

Fill the sub-conscious reservoir of your child with good things. In the time of need he will have a reserve of strength against evil.

Registration Day at Northwest Nazarene College is September 22. Let us have the pleasure of enrolling your son or daughter on that day.

Yours in His service,

RUSSELL V. DeLONG.

**RADIO STATION R. M. C.**

Radio Station R.M.C. coming on the air operating with a frequency of 9999 kilocycles by authority of the Federal Radio Commission.

Ladies and Gentlemen of Radioland, we will bring to you this afternoon a brief survey of the Student-Get-Student Campaign of Northwest Nazarene College and how it is being carried on up here in the great "heathen" (?) country.

When the campaign was launched last May the Rocky Mountain Club organized with Mr. Orval Gentry as president and Campaign Director, and Miss Corlea Nees as district secretary.

So far as a club we have been right on the job! A number of inspirational rallies have been held and a number more are being planned. The people are very much aware of the existence of Northwest Nazarene College and a number are becoming enthusiastic about it. Our prospective students are rapidly increasing and we feel confident that the enrollment of the Rocky Mountain Club will be larger this fall. We're up and coming, folks!

From the reports we hear from several of the other districts we are having competition. Even though we are the "baby" district in size just watch our fire grow larger. An old Indian saying goes: "Big smoke; little fire." It would seem as if a forced draught was needed in several places in order to start just smoldering, smoking fires into a blaze again. Watch your smokestack!

Radio Station R.M.C. operating with a frequency of 9999 kilocycles, signing off the air at 6:00 p. m. Mountain Standard Time, with O. W. Gentry announcing.

for the different services of the camp.

Altogether we should say that our rally at Sawyer was an overwhelming success. The fruits of the same will be apparent on registration day. In the meantime watch N. Dakota work.

MILDRED I. SORENSEN,  
(Secretary of N. Dakota Club.)

### A CHALLENGE FROM THE IDAHO-OREGON DISTRICT

As the summer advances, N.N.C. students are found everywhere busily engaged. Some are working at various occupations earning money for coming school expenses. About a dozen are engaged in Vacation Bible School work throughout the district. Still others are spending a pleasant vacation visiting friends and relatives.

However, all the students everywhere are working on the Student-Get-Student Campaign. Competition is becoming keen with everyone at work for the greatest number of points.

In the different localities of the Idaho-Oregon District the students are putting forth real effort to win the banner for the home district. We shall soon see what these efforts shall bring forth. There is little doubt in our minds as to what the outcome will be, but there may be doubt in the minds of others. We of the Idaho-Oregon District feel confident that we shall soon remove these doubts for you. A word to the wise is sufficient. We appreciate competition. Please don't disappoint us. Now watch the Idaho-Oregon District go!

LEONARD L. EASTLY,  
(President of the Idaho-Oregon District.)

We understand that Laura Gates and Alice Gronewald are nurses at the Deaconess Hospital in Spokane, Washington.

Miss Lida Chism, a former student at N.N.C., was united in marriage with Mr. John Kendall on July 18th.

Nearly seventy-five young people attended the N.Y.P.S. Convention and Institute at the Payette Lakes, July 14 to 18.

The campus is improving in appearance, under the care of the Maxey boys.

Brother Smee arrived in Nampa July 17 and left the same day to join the Male Quartet on the Northwest District.

The annual Idaho-Oregon District Camp Meeting was held at Kurtz Park, Nampa, August 1 to 10. Rev. D. Shelby Corlett and Rev. Mrs. DeLance Wallace were the special workers. The camp was in charge of our new district superintendent, Rev. Earl C. Pounds.
