Introducing Johannes Lalleman, Our Adopted War Orphan

His whole name is Johannes Lalleman, and he is just No. 24590 to the Foster Parents' Plan, but to us he'll be known as "Hans," our new brother.

A 14-year-old Dutch boy, Hans is now a war orphan. His parents, Willea and Johanna Niesien Lalleman, died during the war.

Hans and his sister, Hendrika, live with their grandmother, and they have three brothers and sisters who live with friends at The Hague.

Hans' grandmother has three small rooms, barren of even the necessities such as bedding, but the home is immaculate and Hans is a well-mannered, well-behaved boy.

Hans is tall for his years, 5 feet 8 inches and weighs only 114 pounds. He is a Boy Scout, likes reading, gymnastics and slow trifling works, reads a letter we have received from the "Foster Parents' Plan." "He has been through a great deal of tragedy and is extremely nervous. He is manly, obedient and devoted to his grandmother."

Hans is now attending a craft school, learning to be a baker, and is looking forward to the time when he can help his grandmother.

In addition to the \$180 which our student body is paying for helping keep Hans in school and seeing that he has proper food, clothing and medical care, we can send Hans letters and packages of food and clothing directly through the plan.

Hans birthday is November 28, and although any cards, letters or packages sent now will not reach him by that date, let us start in now to gather together things which we think Hans would like and need. It means a great deal to these orphaned youngsters to hear from their adopted family. So let's let Hans know we are thinking of him, starting now!

Library Committee Begins Survey

Functioning quietly behind the curtain of library administration is the group of faculty members called the Library committee. It is the deep-seated conviction of each member of this committee that the library of N. N. C. is actually the center of scholastic life on the campus. With this viewpoint, the Library committee has been motivated to initiate a program by which the library facilities of N. N. C. might be reconditioned and expanded to ameliorate existing needs.

Under the leadership of its chairman, Librarian Bittleston, the committee is making definite progress in the task of evaluating our facilities according to specific standards. This extensive study is being furthered by such guides as Shaw's *List of Books for College Libraries* and the *American Librarian Association Catalog*. The faculty members concerned in this project are cooperating splendidly for which the committee is very grateful. Through their efforts the committee can easily ascertain the overall status of the library which is necessary in determining the needs of the students and which is essential in preparing for inspections of the accrediting agencies.

At its last meeting, the committee began initial work on the

Fall Revival Begins Sun. With Dr. H. C. Powers

Missionary Project Underwritten

The missionary project for this year received its official presentation Thursday, Nov. 18, by Dr. Corlett.

The objective set forth, was to raise \$3,000. Two thousand of this was for the purchasing and remodeling of a building for a new church in Bridgetown, Barbados. One thousand dollars of this was for materials to build a new church in the Cape Verde islands. The work on this church is to be donated by the natives.

The amount received in cash and pledges payable May 31, 1949, amounted to \$3,186.

construction of a campus archives. Facilities will be installed to properly record all matters of a documentary nature which pertain not only to our college, but to our education zone and to our church in general. It is the purpose of the committee to resurrect every possible publication of the past which is related to the above interests. Our church and our college are young. When the time comes for the writing of a comprehensive history of these institutions, these archives, it is hoped, will perform a vital role. If this particular project be accomplished satisfactorily, room for expansion must be made available. This is one of the great problems, the library.

In order to facilitate the dispensing of newspapers, the committee has arranged for the installation of a newspaper rack. Two new newspapers will be added to the new innovation, namely, the San Francisco Chronicle and the Christian Science Monitor. To preclude the possibility of losing important and valuable, as well as irreplaceable, materials, the committee has requested the library staff to terminate its current policy of allowing periodicals to be taken from the library.

Prof. Ray Knighton, a member of the Library committee, recently represented N. N. C. at the Institute of Music Librarianship, held at the University of California, Berkeley. By his presence at the institute, N. N. C. was given publicity which, no doubt, will prove to be most helpful in the days to come. Through the contacts Prof. Knighton made with the eminent men in the field of musicology and the outstanding music librarians, as well as through the inspiration of the various papers given at the institute, the library of music department should establish the pace for the other departments of the college to follow.

Every Thursday the five members of the Library committee convene to discuss pertinent problems of this bulwark of academic activity. The primary objective is a well-equipped library to adequately serve the needs of a growing and progressive institution. By the full cooperation of all, these aims will soon be accomplished.

Dr. Hardy C. Powers

Evangelist for the fall revival, November 28 to December 5, will be Dr. Hardy C. Powers, general superintendent of the Church of the Nazarene.

Prior to his election to the general superintendency in 1944, Dr. Powers served many years as pastor in various sections of the United States. For six years he was superintendent of the Iowa district.

In his administrative duties he travels extensively in supervising and planning the extension of the work of the church in foreign fields as well as in the United States and Canada. In a recent trip of this nature he visited the mission fields of the church in Africa. This was preceded by a tour of the work in Central and South America and the British West Indies. On a recent trip to Japan he visited leaders on several of the islands and interviewed General Douglas MacArthur on the future of the work there.

In addition to his work as general superintendent, Dr. Powers is also sponsor of the Nazarene Young People's Society, a worldwide fellowship of the young people of the church. It is this organization that is largely responsible for the opening of the Church of the Nazarene in Australia.

Dr. Powers has visited N. N. C. several times and in June, 1942, he delivered the commencement address at which time he was conferred an honorary doctor's degree.

'Messiah' to Be Broadcast Dec. 5

Two of "The Messiah" soloists and a chorus will be featured on the December 5 college broadcast from radio station KDSH, Boise. Charles Ross, baritone, and Mrs. Eugene Chaffee, contralto, will be the featured soloists. The program will originate from the KDSH studios and will be one of a series of Sunday afternoon programs which will feature N. N. C. students throughout the school year.

The chorus will be under the direction of J. Raymond Knighton, who is the director of "The Messiah," an annual event which is given at the Central auditorium here in Nampa every December. Alline Swann, dean of the school of music, will be the accompanist for the Dec. 5 broadcast.

Speech Tourney Winners Speak In Chapel Service

The speech tournament which was held November 16-19 concluded with the winners of Bible reading, humorous reading and orations speaking in chapel. Pat Morris, an ADP, carried away the debate honors and Norma Kastella, an SLA, came in second. The declamation contest included: Humorous readings, with Annie Zimbleman, an ADP, first, and Eunice Lintz, an Oly, second; Bible reading, Delores Bloomquist, an ADP, first, and Jeanette Kobbs, an Oly, second; Shakespeare, Marvin Bloomquist and Bette Harding, SLA's, first, and Stanley Nordine and Paul Beals, SYA's, second; oration, Alice Johnson, an ADP, first, and David Bloom, SLA, second; impromptu, Glen Dayton, SLA, first, Harlan Mills, Oly, second; and extemporaneous, Paul Vandal, an Oly, first, and Oletha Bonner, SLA, second.

I. R. C. Delegates To Attend Conference

The Northwest Nazarene College International Relations club will send four delegates to the Northwest Conference of International Relations clubs to be held at the University of Oregon in Eugene Dec. 3-4. About 200 delegates from 30 schools in Oregon, Washington, Idaho, Montana, British Columbia, and Alberta are expected to attend the two-day conference on international affairs. The conference, as well as the clubs, is sponsored by the Carnegie Endowment for International Peace.

The topic for the conference will encompass problems of American and Canadian foreign policy as they relate to the United Nations, Europe, the Far East, and Latin America.

The main speaker will be Dr. C. Easton Rothwell, vice-chairman of the Hoover Institute and Library on War, Peace and Revolution of Stanford university.

Delegates from Northwest Nazarene college will be Clarence Barrows, Deloris Bloomquist, Paul Kunkel and Bill Griffin.

A. S. B. Budget Approved; Increase In Student Body Fee Proposed

Monday, Nov. 15, the student body voted on the proposed budget for the first semester of the school year, 1948-49. With a total of 133 votes cast, 124 voted for and 9 against the budget.

With the amount of \$7 being collected from each student and a total of 681 registrations, the total income for the semester was \$4,767.00. The expenditures for this amount are shown in the following chart:

INCOME:			
681 registrations at \$7.00 each			\$4,767.00
EXPENDITURES:			
Major organizations	\$5.78		\$3,936.00
Oasis	\$2.50	\$1,702.50	
Athletics	.80	544.80	
Crusader	.70	476.70

For These We Are Thankful

By ROY RAY

Oh, God, our God, we feel that we are truly a most favored people. We feel that truly our lines have fallen to us in pleasant places. For all that Thou hast given and done for us, we are thankful.

For the right to live in a state of freedom, for the right to choose our way of life, for the right to live without fear of the government or of others, for the right of equality—for these we are thankful.

For the gifts of Thy bountiful hand—food in sufficiency, water which quenches our thirst and provides its life-giving qualities, clothing which keeps us warm, a shelter over our heads which not only provides safety, but comfort as well—for these we are thankful.

For the privileges which are ours—the ability to claim our rights and gifts, the privilege of having our sins blotted out because of the atoning blood of the Saviour, the privilege of having carnality purged from our hearts, the privilege of knowing that "moment by moment I'm kept in His love," the privilege of approaching an Almighty God in prayer, the privilege of being able to expect not only a hearing of God, but an answer to our petitions as well—for these we are thankful.

For the responsibilities which are ours—that of sharing with others our gifts and our privileges, the responsibility of loving our neighbor as ourselves—for these we are thankful.

Because of these inalienable rights which Thou has given us, because of Thy gifts to us, because of our privileges, and because of our responsibilities to Thee and to others, because we can pray this prayer—for these we are thankful.

On November 17 the student council approved a proposal to increase the student body fee to \$8.00 for the second semester of this year. This proposal was made in order that the organizations may receive a larger allotment, and to provide for financing of new organizations in the immediate future. After presentation to the student body this proposed amendment will be voted on by the students on December 8. Ken Sulston, A. S. B. president, said, "By increasing the student fee just \$1.00 we will be able to give all organizations a more substantial allotment and increase the efficiency of campus activities."

THE LOWDOWN

From THE EDITOR

In this issue we are introducing Johannes Lalleman, our Dutch war orphan. We will be receiving letters from him and we have the privilege of writing to him. Through this adoption plan we are able to make a personal contact with Johannes. We would like every student to take an active interest in this project because it is a personal matter. If we can help build up a friendship between Europeans and ourselves we will be helping the cause of peace.

We intend to read all letters received from Johannes to the students and give them an opportunity to help him. Beyond other help in a material way it would not be out of order to also pray for him that God will help him in a spiritual way.

Student Body Budget

After listening to the proposed budget for this semester, several students remarked that they did not know that our money went to so many places. Some even expressed surprise that we were able to support as many organizations as we do under the present allotment.

When drawing up the budget, the council was faced with the problem of giving money to more organizations with no increase in money. This year there are at least four new organizations all of which are appealing for money. In order to give them the money they need it was necessary to cut the allotments to other groups who could no better afford to take a cut. As all student activities are supported out of the student body fee, the student's seven dollars does not go too far. After examining the situation, the student council proposed that the student fee be raised to eight dollars or an increase of one dollar from the present fee. It requires a constitutional amendment to do this so on December 8 the student body will have an opportunity to go to the polls concerning this matter.

Anyway one belonging to organizations on our campus can readily see that all organizations are suffering from lack of funds. By increasing the fee every group supported by the student fund will benefit from the increase. Classes, societies, publications, athletics, forensics, and minor organizations will all receive part of the increase. Therefore if the student body approves the proposed increase in fees we will be helping our student activities to become more efficient.

What's Your Opinion?

By HANNAH SCHMIDT

Question: What do you think of the Bible Verse a day posted on the bulletin board?

- Wallace Rose:**
A very good idea to make known great promises of God and to keep a good scripture for daily meditation.
- Doris Cook:**
A very fine idea. Sometimes when I'm discouraged and I happen to read the Bible verse it is just what I need to help me with a trial or temptation.
- Glen Paul:**
A splendid plan.
- Dean Galloway:**
It's a very good idea if adhered to by all of the students.
- Shirley Campbell:**
It's an inspiration and a good way for the students to learn the scriptures.
- Charles Tolson:**
I think this Bible verse a day is very helpful in one's life. Many of us, sorry to say, don't seem to have time to memorize it though we do read other scriptures.
- Herb Ketterling:**
A very good idea. When waiting for classes I can always meditate and realize more the meaning; and what the Bible really contains.
- Oleta Bowden:**
I truly believe that the best scriptures of the Bible have been listed for our own good. I have often turned to some of them for strength and I'm sure that others have done the same.

Loose Ends

One night there was a great deal of noise on the third floor of Morrison. First there was a pitter-patter then a clump-clump. Finally we got so curious we had to see what was happening. What do you think we saw—a mouse being chased by eight girls on third floor. Guess what happened? It took a trap to catch the poo mouse.

Vi Leighton tells this true story of mice in Hadley hall. "A little mouse scurried into our room last night and after a lot of screaming and wild scrambling, chubby little Patty was well balanced on the head of the bed and Loa Mockler perched precariously on the back of the davenport." Fine way to receive company, I'd say. Then there's Marilyn Perkins who practically catches mice bare handed.

Now, over in Chapman they try to keep their mice a secret, but it is rumored that when Hubert Hendricks saw a mouse, he jumped on a chair and screamed. Dean Hart, thinking something terrible had happened, hurried to his rescue but when he saw the mouse in the middle of the floor making faces at Hubert, he too jumped on a chair and screamed.

It seems that Hisa Horiuchi is still playing pranks. She was trying to prove to Joe Harper that a hair swims, but her hand slipped and Joe got quite wet. If anyone is interested in seeing a hair swim, please see Hisa; she will be glad to demonstrate.

Society Notes

SLA

The mighty SLA's continue the battle against the tough opposing forces and fight for the rewards in store for the victor.

One might make lofty predictions about who will be the grand winner, but if Dr. Gallup could make a mistake, then we know wrong conclusions are possible.

Only if each member of the society does his best, the SLA's will be in front when the final count is taken.

LSP

The LSP's are looking forward to having a champion basketball team. The competition is going to be tough, but Hubert Hendrix with his fancy hook-shot and his culottes is going to be a big factor in the LSP victories.

Oly's

Have you noticed something flashing by? It's not jet propulsion; it's not a new Nash; it's the Oly girls! Not only have they won first place in baseball and tennis, but they are well on the way to victory in the realm of volleyball. Even now they are planning for the future by practicing basketball.

ADP

So far this semester we have really been working for the "loving cup." The job is only half over but enthusiasm has mounted much higher than at any time last year. Every member is determined to do his best to help win that cup, and with everyone cooperating in the future like they have been in the past, I'm sure we won't miss our goal.

Trojans Roll Up Four Wins, One Defeat As Grid Season Closes

Playing football for the first time in their history, the Trojans of College high school came through with flying colors as they pounded out four victories while suffering only one defeat.

The Red and White rolled over St. Teresa academy of Boise in their first two games. The score of the first tilt was 25-0 and the second, 26-0. In New Meadows the Trojans hit their only snag, losing the game 50-22.

They bounded back to take Greenleaf 32-13 and in the last battle of the season really displayed their power in rolling over Donnelly 44-0.

Gene Thompson, Clarence Olsen, Chester Wells, Howard Johnson, Dick Edwards and Doug Holly played their last football game for the Trojans in the Donnelly clash.

After building a successful football team in one year, Coach Elmore Vail has turned his attention to basketball. Both Coach Vail and his team are disappointed in that they will not be permitted to compete in tournaments this year.

The team is short on reserves but with added experience should develop into a smooth working aggregation after a few games.

Societies Await Judges' Decision As Plays Are Completed for Semester

By DOROTHY EDWARDS

The ADP-LSP production of "The Calamity Kids" and the SLA-Oly production of "I'll Be Seeing You" kept the halls of the Ad. building resounding with hilarious laughter for two consecutive Friday nights.

The outstanding performance of Pat Morris, the matronly Mrs. Haskins; Hubert Hendrix, the sissified gum chewer, and Jim Carkhuff, the persistent, tight-fisted bachelor, contributed toward making "The Calamity Kids" a howling success.

Elizabeth Hammond did an excellent piece of acting as the calm, efficient Mrs. Alcott while

Eunice Lintz's interpretation of the pessimistic, superstitious Belinda kept the audience teetering on the edges of their seats as they watched the production of "I'll Be Seeing You."

The decision of the judges will not be disclosed until February, when the faculty loving cup is awarded to the winning society.

College High News

Correction. Please . . .

It was reported in the last edition of College High News that the senior class placed second in the contest at the high school party; actually the seniors placed first.

High School Mixed Chorus Organizes

The high school mixed chorus, under the direction of Prof. R. J. Hughes, has been and will be very active this year. The officers chosen from the class of 38 members are: President, La Vaun Pearce; secretary - treasurer, Glennajean Frazier; attendance recorder, Myron Finkbeiner; social committee, Charlene Olson, Edith Webb, Dick Edwards and Howard Johnson; pianist, Wilma Manley; librarians, Marilyn Miller and Jeanne Conrey.

Of the many appearances scheduled for the year, one of the favorites is the annual spring music festival to be held out of town again this year. A concert will be presented at an evening program in the chapel previous to the festival which will present the numbers to be given at the spring festival.

Junior Girls Inaugurate T. W. I. R. P. Season

A lively turnabout party was sponsored by the girls of the junior class in Kurtz park, Nov. 9. Each junior girl asked one of the boys in the class to be her partner, assuring him that all expenses would be paid.

Prof. and Mrs. Sharp, chaperones of the group, seemed to enjoy the party as much as the students.

Games were played and a wein-

er roast climaxed the events of the evening.

When the party was over and the boys were passing out of view, the girls could hear them singing, "I don't want her, you can have her, she's too bold for me."

Organize College Hi Pep Club

Everyone on the campus of N. N. C. knows that the College Hi has pep! They decided to organize their pep and under the able direction of Miss Larson have written a constitution for the Pep club.

Members of the girls' physical education class have become charter members and from them have been elected the following officers: President, La Vaun Pearce; vice president, Bernita Dean; program chairman, June Knapp; secretary, Glennajean Frazier; treasurer, Betty Brown.

Twelve new members were taken in at the last meeting. An initiation party is being planned for them.

The Pep club plans to sell pop, candy, popcorn and pom-poms at all College Hi games.

Members of the Pep club have purchased white V-neck sweaters and red skirts which will be worn to all games.

Ski Club Organizes

The Ski club held its first meeting in the recreation room of Chapman hall Monday, Nov. 8. Officers elected were: President, Wes Johnson; vice president, Wayne Johnson; secretary-treasurer, Mary Lou Anderson; and program chairman, Dick Friesen.

Prospects of a trip to the mountains soon were discussed and new members were given a brief picture of possible activities for the year. Wes Johnson told of the awards which may be given to those who attain a certain degree of skill in skiing during the season. Merle Bozarth was named head of the award committee.

Many members of the club can not ski, but all hope to learn during this season. Wayne Johnson gave members some advice on how and where to get equipment with the least expense.

Basketball Jamboree Friday Launches Society Slate; LSPs Favored to Win

Society athletic directors have been getting their teams lined up for the annual basketball jamboree which will officially launch the 1948-49 basketball campaign. Following is a consensus of each squad.

ADP boys: Athletic Director, Tiny Bellamy reports that no definite lineup has yet been made, but a smooth working five is anticipated. Lauren Sanders will possibly pace the attack with Clint Clark, Doug Alexander, and Don Chavis giving valuable assistance. The hopes are high for a good team all season.

ADP girls: A good spirit has already been shown with one practice and a good team is a certainty. Athletic Director Pat Johnson gives the following as possible starters: Bernita Dean, Wathene Fitch, Dot Edwards, Mary Alice Miller, Jean Kirkpatrick and Pat Johnson.

LSP boys: Defending champions and winners of last year's Mills-Cunningham trophy, they will have last year's starting lineup of Glen Hopkins, Doug Powers, Lilburn Wesche, Rod Smith and Willis Beers back again along with Johnny Loeber, Elmore Vail, Hubert Hendrix, Jim Galloway and others.

LSP girls: Vi Leighton, athletic director, expresses hope of a good team. Possibilities for a good share of the floor play will be Jo Ann Hutchinson, Ardis Manley, Verna Everist, Mary Atwater, Vi Leighton, Bernice Ruman and others.

Oly boys: The Olympians are anticipating a fine working cage crew. With good material and practice they feel that they should go to town this year. Manager Whitey Johnson submits the following as a few of those who will

participate, Dean Galloway, Glen Embree, Harold Long, Mike Williamson and Wes Lawrence.

Oly girls: "A good squad is expected" reports Glenna Bellamy, athletic director. Many of the girls have shown an interest and possibilities for a smooth working team are good. Here are a few of the players: Roma Mitchell, Mary Shafer, Joanne Burkhart, Barbara Kononen, Betty Griffith, Betty Wright and Esther Kincaid.

SLA boys: John Cramer, athletic director, believes that a winning season is in store for the SLA's. Kenneth Hills, Merle Isles, Wayne Likens and Lloyd Hubbard are a few who will comprise the team.

SLA girls: June Tock, Mary Lou Anderson, Sheila Bailey, Norma Carter, Rachel Shaw and Norma Chapman are some of the girls who take part, reports Athletic Director Millie Becker.

Varsity Cagers Ride Rough-Shod Over J.V. Quintet in Practice

Behind a sharp-shooting, fast-breaking offense NNC's varsity cagers tuned up for their Dec. 6 opener by drubbing a scrappy jayvee quintet 91-36 Thursday.

Although several rough edges remain to be smoothed out, noticeably in their set offensive, the varsity had little difficulty in disposing of their opposition.

Gaining most of their points on fast breaks and long shots the victors broke a ten all tie easily in the game and drew away steadily. Jack Jamison, Dean and Cramer paced the varsity with 13 points each. Hubbard and Alexander caged 10 and 9 for the junior varsity.

Thirteen cagers saw action for the varsity and all displayed excellent form for this early in the season. The work of Dean and Cramer on the boards and the passing of Jamison and Unger were especially outstanding.

Tub Thumping

Football reigns at NNC this week with the annual Turkey Bowl game tomorrow. This contest used to be known as "one fowl game" but is now called simply one bloody mess, or to be more apt, several bloody messes.

Despite reports to the contrary rumors persist in circulating to the effect that Don Carpenter, local butcher's boy, is planning to run a cow into the lineup as full-back.

Little Donald reasons thusly, if ordinary halfbacks come out of the line looking like powdered hamburger, why not cows. So if you see a bull moose being piled up at tackle, don't holler "Yea, Powers," just grab a spoon and start shoveling.

While football reigns, basketball is heir-apparent as the season officially gets underway with the Basketball Jamboree Friday. Society basketball should be at its best this season. In fact, informed sources, who refuse to be quoted, point out that talent is so plentiful that neither Dutch Geohring nor Dave Alexander will be high-point men for the ADP's this year.

These sources add, however, that Dutch, also known by such monikers as "Squirmin' Herman," "I used to be fat but Hitler scared me" and "Bemedaled but not Befuddled," has been attempting to get into shape by driving his car around the track three times a day.

This may sound easy—it is. Dave Alexander, better known as Dave Alexander, is purported to have worked so hard that he has overtrained himself. As a result his usually pea-sized brain has been reduced to the b-b variety. Fortunately, the difference is unnoticeable.

Looking Around

By ROMA MITCHELL

Curves or angles? At least I didn't know I had so many muscles until they all started to ache. But regardless, the girls have made a good impression on sports this year.

To start it off, the Oly girls were victors in softball defeating the SLA girls in a championship game. All the societies had a good turn-out this year. New talent was discovered on every side.

Volleyball is not quite decided yet. So far it is more or less a three-way tie with the Oly's, ADP's and SLA's. The LSP's seem to be relaxing at the bottom.

Minor sports, golf, tennis, and shuffleboard help add up the points. Mary Wesche of the LSP's took the golf tournament, Mary Shaeffer, Oly, the tennis singles, and Marge MacGillivry, an ADP, the shuffleboard.

So far, every team has had basketball practice preparing for the Basketball Jamboree, Friday night. Your guess is as good as mine as to what is going to happen. In fact, one may be very much surprised at the outcome. Who knows? But one thing, we won't have that deadly Becker-Kitzmiller set-up to compete against.

Jamboree night is important! Everything counts—games, enthusiasm, sportsmanship, decorations and yells. Let's put up some keen competition for the other side.
