

# Could To Bring Spring Revival

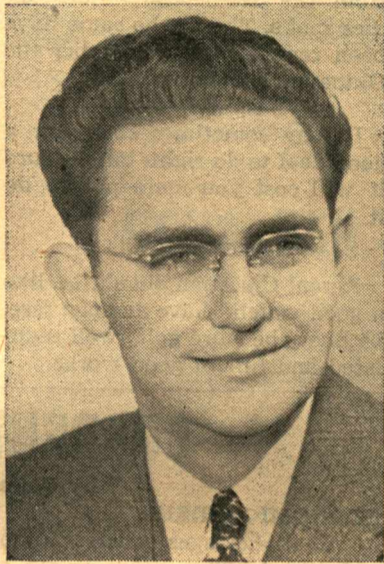

## Rev. A. Elwood Sanner Chosen New Theology Head; To Take Post in Fall

Rev. A. Elwood Sanner has been elected Dean of the Department of Religion of Northwest Nazarene College for the coming year. As well as supervising the department, he will also teach. Rev. Sanner is a graduate of Pasadena College, having received both Bachelor of Arts and Master of Arts degrees from that institution, and has also done graduate study in the Berkeley Baptist Divinity School.

For the past eight and a half years he has pastored San Francisco First Church of the Nazarene. Previous to that, he was pastor at Chico, California. Rev. Sanner has been very active in Young People's work and in the general work of the church in that district, and is highly respected as a preacher and leader among youth.

While attending grade school and high school of N.N.C., he lived in Nampa for that period of time. His father was teacher in the school and District Superintendent of the Idaho-Oregon District at that time.

Rev. Sanner is married and they have two girls, one 3 years old and the other seven. They will be moving to Nampa during the summer.

Rev. A. Elwood Sanner

## Jr. - Sr. Banquet Plans Are Formulated

The Junior-Senior banquet, originally scheduled for April 14, has been changed to April 21. Other plans are being formulated by the committees which include Jean Kirkpatrick, general chairman, Zola Alyea, decorations and favors, Jack Burke, time and place, Merle Burkhardt, invitations, Hurbert Herron, transportation, and Paul Kunkel, seating.

Junior faculty advisors assisting are Mrs. Swann, Dr. Aller and Miss McPherson.

## Debaters Practice For Linfield Tour

Naomi Williamson, Faye Strunk Paul Beals, Jack Burke, George Evans and Don Farrand, members of NNC's debate team held a practice debate recently with the College of Idaho in preview to the Northwest Speech Tournament to be held at Linfield College at McMinnville, Oregon, March 2 to 4.

Mr. Erwin Schwiebert, debate coach of the C. of I. accompanied Dennis Mullins, Bob Smith, Levon Boyenger, Mary Billingsley, Ann McMiller, Betty Eklers, Dorothy Cudd, Leroy Eklers, Patsy Houston, Peggy Thomas, Bruce Fallert and Ben Paxton on the trip.

These six students from NNC left Wednesday for McMinnville for the 20th Annual Intercollegiate Pacific Forensic Tournaments. Approximately 400 students from the Northwest will be there.

Professor Wilson stated, "NNC has entered into these debates since its beginning and has won various cups and honors." He also states that, one of the most enjoyable parts of the trip is the courtesy shown them by the Nazarene families in the city, by inviting the NNC students to their homes.

## 2nd Faculty Fine Arts Program

The second series of the Faculty Fine Arts program will be presented tonight, March 3, in the college chapel.

The concerto program will feature Mrs. Charlotte Edgar, Miss Elaine Carlsson, Miss Elva Meckling and Mr. Double E. Hill at the piano, and Mr. Charles Ross as baritone vocalist. The orchestral accompaniment will be furnished by Mrs. Alline Swann and Miss Ivallee Bolerjack.

The Art Department is to be represented by Prof. A. J. Finkbeiner who will present a finger oil painting.

(P. S.: Dean Wilson reports that as an aftermath of the meeting called April 26th, a band of fasting and prayer was organized and a great revival was witnessed in the dorm, with the hanging of the broom as a result.)

## ENC Pastor Delivers First Message Sun. Morning; Revival to Run Thru Week

Beginning Sunday morning, March fifth, Dr. J. Glenn Gould of Eastern Nazarene College will begin our spring revival here at College Church by delivering the opening message. Dr. Gould is one of the great men of our church. He has been a successful pastor for thirty years, pastoring at Baltimore, Maryland, Cleveland, Ohio, and elsewhere.

Dr. J. Glenn Gould

He has been executive secretary of the Dept. of Church Schools for several years, Editor in Chief of Church Schools Publications and Author of "The Whole Counsel of God" and many other publications. At present he is head of the Department of Theology ONC and College Church pastor.

Dr. Gould, who is originally from Ohio, is a graduate of Olivet Nazarene College. He received further training at Boston university.

The revival services, will be held March fifth to twelfth inclusive, with inspirational music beginning each service, under the direction of Professor Knighton.

As in previous revival campaigns, morning prayer meetings are held in College Church beginning at 6:30. All those that are carrying a burden for this revival are invited to attend these sessions of prayer around the altar.

A cordial welcome awaits you at these services, which begin promptly at 7:30.

## JANE EYRE CHOSEN SLA-OLY PLAY; TO BE GIVEN MAY 5

Preliminary tryouts have been held this week for "Jane Eyre," the play chosen by the SLA and Oly societies, to be given on May 5. Richard Conklin, SLA, and Eunice Lintz, Oly, are the co-directors.

## Notice To All Residents of Hadley

Hadley Hall needs a revival!

What is a revival?? Webster defines the word thus: "A renewed interest in religion, after indifference and decline; reanimation from languor or depression."

I repeat, with emphasis, HADLEY NEEDS A REVIVAL!!

We need a revival of the spirit that led to the Broom-Hanging!

We need a revival of Praying Polly and an execution of Garrulous Gertie and Critical Cora!

We need a quickening touch of the Holy Ghost!

We need to have the Lion of Judah break the chains of our petty whims, moods and sinful habits!

And so I say:

**Hadley needs a revival!**

**I need a revival!**

**Do you need a revival!**

Now the question is: How can we obtain this needed revival?

The answer is so well-known that we are prone to ignore it. God has a formula for revival, nonetheless, and IT HAS

NEVER FAILED YET.

Listen to this account of the famous "Haystack Prayer Meeting" which launched the American Foreign Missionary movement: "That summer (1806) the (Williams College Prayer Band) prayer meetings were held twice a week . . . One hot, sultry Saturday afternoon in August the group was unusually small . . . only five were present . . . as they prayed a heavy thunderstorm came up and they ran to a nearby haystack for shelter . . . Samuel Mills echoed the words destined to ring down through all the years since — "WE CAN DO IT IF WE WILL." And they did!"

Hadley Hall needs some haystacks!

Are you willing to give your time and effort? WE CAN

DO IT IF WE WILL!

On Tuesday night, April 26th, at 10 p. m. I am asking that all residents of this hall who are really interested in seeking God meet with me in the parlor. If you have a spiritual need in your own life, come! There is no time like the present to get right with the Lord. If you are willing to pray for others, come!

DO NOT COME: If you really aren't interested . . .

If you are lazy . . .

If you don't mean business . . .

DO COME: If you feel your need of God . . .

If you want to be a blessing to others . . .

If you want to end this school year with victory

### Much Ado About Mangum

#### ORCHIDS AND ONIONS

Orchids to the hospital staff members who so successfully planned and executed the arrangements for our Valentine party. From sending out the invitations to cleaning up the inevitable mess, the staff took complete charge, and the students really appreciated the chance to take time out to relax and have fun.

Joining the nurses for the evening were about 30 fellows from NNC. From what several of them have told your reporter, the party was apparently enough of a success to bear repetition in the near future.

Orchids also to Helen Gilmer editor, and to her assistants on the "Milestone" staff, who have just completed their work on this year's annual. Many long hours have been put in to make the 1950 "Milestone" an interesting record of the activities of the year, and we're all anxious to get our copies as soon as they get back from the printer.

Onions to me, too, if I don't hurry and get this to Kelly pretty soon. . . . ! 'Bye for now.

Onions, did I say "onions?" Yes, Onions to the sleepy ones who like to awaken themselves (and everyone else in the west

### Five States Meet to Consider Teacher, Prof. Standards

Utah, Colorado, Idaho, Wyoming, and Montana were represented at the N. E. A. conference for the consideration of teacher education and professional standards, reports Dr. Culver, representative from N.N.C.

Teacher-training education institutions, personnel from various state departments of education, as well as representatives from various state education associations were present. Trends in teacher education are definitely toward a five-year program for all teachers. Other trends show that a strict scrutiny will be made of the teacher training institutions as to the capability of their program.

On March the eighth a follow-up conference of the Idaho representatives will take under consideration the problem of teacher education and professional standards in Idaho. Dr. Culver and Miss Allison will be the N.N.C. delegates to the conference.

### Reward

By Howard C. Zimmerman  
Graduate: N. N. C.—1948

I walked along o'er life's highway,  
Aloof from the souls who repine,  
And envisioned upon the horizon,  
That transcendent palace of mine—  
I was building, while living,  
From the timbers of deeds I had done:  
Rising with marvellous beauty  
In the radiance of life's setting sun.

I watched it more closely as nearer—  
Yet nearer my last summons came,  
But saw that what I had envisioned,  
Was nought but an unfinished frame.

Oh the boards and nails lay ready—  
But no one had fastened them on,  
And oh how the need was sore pressing,  
But the hour and the workman were gone!

Who's fault is this? I then questioned;  
And only my echo replied.  
MINE was the hand or inactive—  
That turned the "Good Builder" aside.

### Girls Only Want a Date?

By Lecil Brown

With so much talk about research work going on I have taken upon myself the responsibility of trying to find the answer to one of B. P. C.'s most puzzling problems. Being a first hand observer of the situation I have been disturbed over the great number of unescorted, but beautiful "belles" on the campus. I do not pose as an authority on the subject of "wooing" but permit me to add, very modestly, that 19 years of graduate work in the field (I'm a candidate for the third degree) provides me with some casual acquaintances with the problem. Rather than present the reasons why this is so, I prefer the more positive approach — that is — a few hints as to how you may be more successful in your attempts to capture some unsuspecting jerk.

1. You should provide an ideal "setting" for him to ask for a date. A boy likes an audience when asking for a date. If you are popular, you will have at least a dozen girl friends. Be sure that you remain with them at all times thus making it convenient for him.

2. Now that you have been asked, don't minimize the value of publicity. Take a whirl through the dorm, pound on all doors, throw your roommate in the bathtub and inform everybody that you have a date for the snake charmer's banquet Saturday night. The more successful you are in terrorizing this section of the universe the more he will like you.

3. I fear this honorable publication cannot allow too much space here so the third and last rule is to tell everything you did on your date. If he flexes his muscles thirteen times while standing on the corner of Main and Robinson that should be reported over the P. A. system, (preferably about 5:15 a. m.). Tell how many beats your heart skipped when "Romeo kissed me good night the eighth time."

These smile suggestions will make him come crawling back to you for more dates.

### Have You Heard This One ???

Eminent foreign psychiatrists were being taken around a French insane asylum. In the corridor they met one of the patients.

"Why," one of the specialists asked him, "do you remain huddled up in this corner all alone, scratching yourself?"

"Because," replied the madman, "I am the only person in all the world who knows where I itch."

A guest at a hotel was complaining to the proprietor: "Your lunch was terrible. I nearly lost my appetite."

"So? What was the matter?" "Well, I found a hair in the ice cream, a hair in the honey, and a hair in the applesauce."

"You did! now; that's funny. I can understand how the hair got in the ice cream; it came from shaving the ice. And the hair in the honey probably came from the comb. But what gets me is the hair in the applesauce. I bought the apples myself, and they were Baldwins."

### World Missionaries Speak to F.M. Band

Rev. Ira Taylor, our Nazarene missionary to Peru, showed his pictures of that country to over 100 students who gathered for the Foreign Missions Band meeting last week.

It was a real thrill to see and hear about Nazarene Christians in Peru, both in the lowlands and in the Andes. "Inglesia Del Nazareno," is the sign which Nazarene churches in South America have. Rev. Taylor said that quite a few of these native churches are now or are fast becoming self-supporting. Rev. Taylor is soon going back to the field of labor and he and Mrs. Taylor would appreciate our prayers.

Rev. Patee, a missionary from China, recently spoke to the group presenting the present urgent needs of the Chinese people.

Yesterday, Rev. John Paulson from the Netherlands East Indies spoke. Those who came have been requested to remember the Okinawa Box Work.

It may sometimes cost you a good deal to do right, but be sure it will cost you more not to do it.

A real Christian should be like a good watch—have an open face, be busy, be pure gold, well regulated and full of good works.

### Wonder Words

By RAY MIX

**MANUSCRIPT**—from the Latin words manus scriptum, hand written. In ancient times all books were copied by hand usually by monks. With the advent of printing, the word came to mean an author's copy of his work from which the printed copies are made — MANUSCRIPT.

**CHAPEL** — from the French chapelle, a short cloak. The small building where St. Martin's cloak was preserved as a precious relic came to be called capella, whence the name was applied to similar places of worship — CHAPEL.

# Crusaders Finish With 12-13 Record

A five game losing streak at the end of the season cost the Crusaders a .500 season as they wound up the 12 wins and 12 defeats. Three of the five defeats came at the hands of BJC's Broncos by scores of 60-51, 52-46 and 59-58.

In the final tilt with the Broncos which ended the season, the Crusaders over came a 10 point deficit in the last seven minutes to take a 58-57 lead with 30 seconds to go. But Grande substitute forward, stole the ball and crashed in the winning bucket for the Boiseans.

Several desperation shots by NNC in the last 20 seconds missed fire and the Broncos wound up on top. Iles and Reynolds led scoring with 17 and 15 points each. Hubinger topped BJC with 15 tallies.

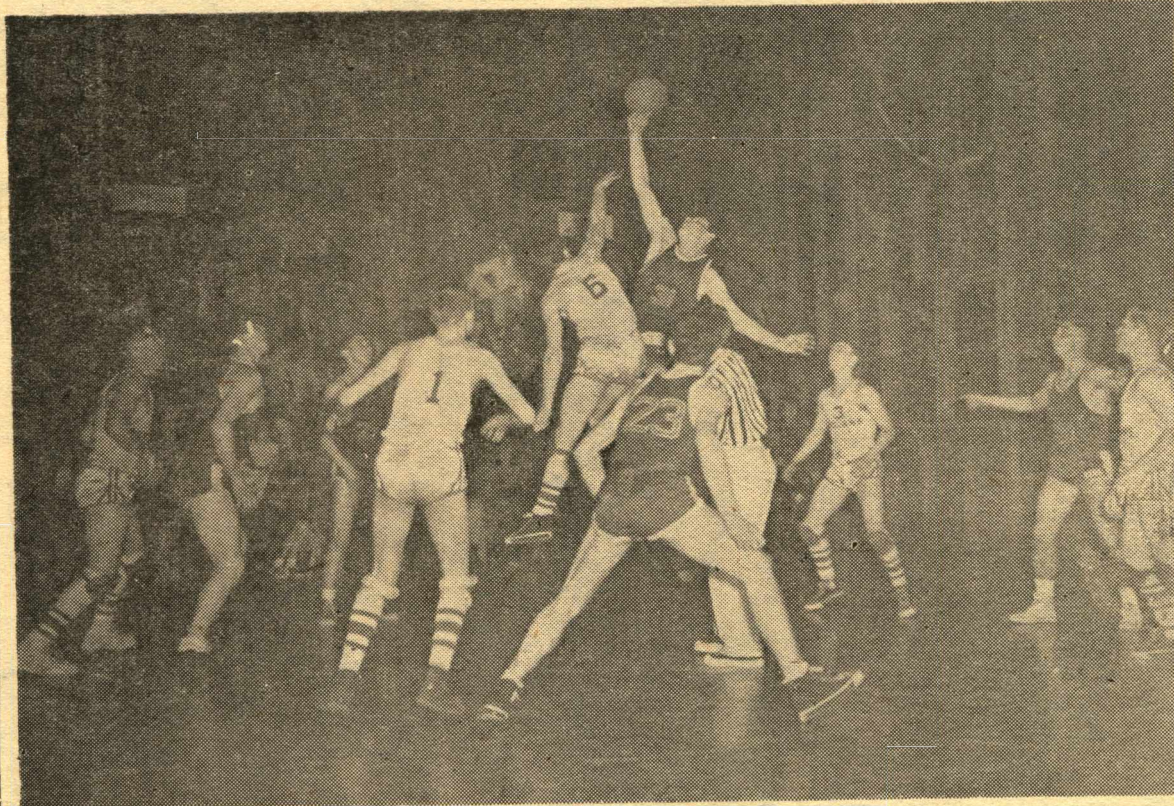

The Broncos led all the way in posting their 52-46 win over the locals. Reynolds topped the Crusader scoring column while Martin and Reed were best for the winners.

Southern Idaho took two victories from NNC winning the first 51-46 and the second 65-53. The Panthers held a 23-21 lead at the half in the first tilt and staved off a late NNC rally to win. Waite and Bell set the pace for the Panthers with 15 and 13 tallies. Iles with 11 and Reynolds and Jamison with seven each topped the losers.

In the second struggle the Panthers broke open a close battle late in the second half to surge on to their victory. Okleberry and Wallace each hit 14 pines to pace scorers. Reynolds hit 11 tallies to lead the Crusaders.

The Broncos took the final home game of the season from the Crusaders by cutting lose with a late rally to win going away. The lead see-sawed throughout the first half changing hands 15 times before the Broncos came out with a narrow advantage at intermission.

The Crusader apologies for inadvertently printing Jenny Frazier's name as Glenna Jean and for aligning Hubert Hendrix with the ADPs rather than the LSPs.

# Nampa JV Nip CHS 46-39 in Title Tilt

Nampa's JVs overcame a third quarter deficit to nip College High's scrappy Trojans, 46-39 in the championship game of the first annual Invitational High School basketball tournament held last week in the College gym

Trailing 34-31 going into the final frame the JVs hit a hot streak, and with Dean and Becktold carrying the brunt of the scoring burden marched to their final edge.

The tilt was a see-saw struggle up until the final period with the JVs on top at the first quarter stop, 11-7 and the score knotted 19-19 at halftime.

Beukelman with 16 points and Williams with 13 paced the Trojans. Williams teamed with Harry Williamson in sweeping the backboards throughout much of the game. Dean and Becktold with 10 tallies each led the JVs.

Two Trojans, Beukelman and Williams, and two JVs, Dean and Becktold, were named to the tourney all-star team. Williams was chosen as the outstanding player of the meet.

The Trojans advanced to the finals by butchering St. Teresa 47-29. CHS jumped to a 10-0 lead at the first quarter stop and were never pressed in rolling to their winning margin. Beukelman hit 21 points to lead the Trojans offensive.

The JVs had little difficulty in trimming Greenleaf in the other semi-final encounter despite 17 points by Greenleaf's Don Emry.

## LSPs Trim SLAs 46-45 To Cinch Boys Crown

### Boys' Final Standings

LSP	6	2
SLA	5	3
ADP	4	3
OLY	0	7

The LSP's won a hair-raising 46-45 victory over the SLA's to break a first place deadlock and win the second semester championship. Johnson with 17 points led the winners, who were playing without the services of three of their regulars. The SLA's,

minus their ace, John Cramer, were led by Jensen and Bullock.

This semester's title marks the fifth time in the last six semesters that the LSP's have paced the Boys' basketball division.

In the Mills-Cunningham tournament the SLA's came up with the cup, however, bumping off the LSP's 39-36 in the semi-finals and trimming the ADP's handily in the finals. Cramer was the big gun for the SLA's in both games while Olson paced the ADP's who advanced to the finals by edging the Oly's.

### Girls' Final Standings

## Olympians Win Girls' Title by Edging ADPs

The Olympians took top honors in second semester basketball by edging past the defending champion ADP's. The LSPs broke even in six tilts to take third place.

In the Long - Hibbard - Wesche tournament, however, the ADPs upset the champs 33-28 to win the trophy.

# N. N. C. Students Take Project To Save Historic Monument

## History of Idaho Class and Student Council Present Rock Creek Church

Historic Rock Creek Methodist Church will be saved for future generations as a monument to the Old Oregon Trail Pioneers if the students of NNC have their way. Plans were formulated in chapel this morning to send letters to those in charge of preserving this church.

In 1852 Rock Creek Church was erected in the Willamette Valley half way between Woodburn and Molalla. It was known as the Free Methodist church at that time and in 1920, when services were discontinued, the Nazarene church of Molalla, Oregon carried on until 1929 with old time memorial services being held once a year.

### Historian Writes Objection

W. W. Morrison, eminent Old Oregon Trail historian, heard that plans were being made to sell the church property. He immediately wrote to newspapers in the surrounding communities telling them of the background of the church and pleading for its restoration. In a letter received at this desk from Morrison it stated that, "From letters received in Portland alone, there are many getting behind the project, and we believe it will be saved, and will become a shrine in later years for the Oregon people, and those of various denominations will have the privilege of gathering there once a year for an inspirational service. If they allow this building to be torn down, or hauled away; it would be the same as tearing an authentic chapter of Oregon's history out of the books, and throwing it in the Columbia River."

### 17 Graves to Each Mile

He continued by saying, "A few paltry dollars may be realized now by the sale; but did you ever stop to think what it cost the pioneers to build the Empire of the Northwest? Thirty-four thousand graves by the wayside is a pretty good estimate — 17 graves to each of the 2000 miles bear silent witness of the tears strewn along every foot of the way—hundreds and hundreds of graves unmarked."

Students have become interested in taking part in this urgent appeal to preserve this church and have written to various individuals who are planning the program of restoration. They are: Editor of the Portland Oregonian; Thomas D. Yarnes, 1414 SE Tacoma Street, Portland; Rev. Orval Whitman, Oregon City; Editor Walter May of the Oregon City Enterprise; Editor of the Woodburn Independent, Woodburn, Oregon; Editor of the Molalla Pioneer, Molalla, Oregon;

and to the editor of the Oregon Statesman, Salem, Oregon.

### Rock Creek Church Today

"Today, Rock Creek church lies 'finisher,' drowsing in the Oregon sun. It is protected on the east by the sheltering circles of a huge pine tree, rising like a guardian high above it. It is located in Clackamas county about half way between Woodburn and Molalla. The traveler who cares to go there may reach it by leaving Highway 99 south of Barlow, and driving about seven or eight miles south on the Monitor-Barlow highway, turning east on adirt road just before crossing a large wooden bridge. The church is not far from the highway.

The lock is gone from its doors. Many of the window panes are broken, and the shutters are falling apart. Time, the sun and rain have loosened the faded shingles, and is fast erasing the once white coat of paint on its sides.

The chimney, too, is old and weather-worn, and some of the bricks have crumpled and fallen from the top, making it look ragged against the sky. Patches of Grey and brown weeds cover the once beautiful churchyard, and the iron pump is rusting away with the years.

The west windows look out upon an old cemetery almost hidden beneath a leafy shelter of tall, green foliage.

## NEWS BRIEFS

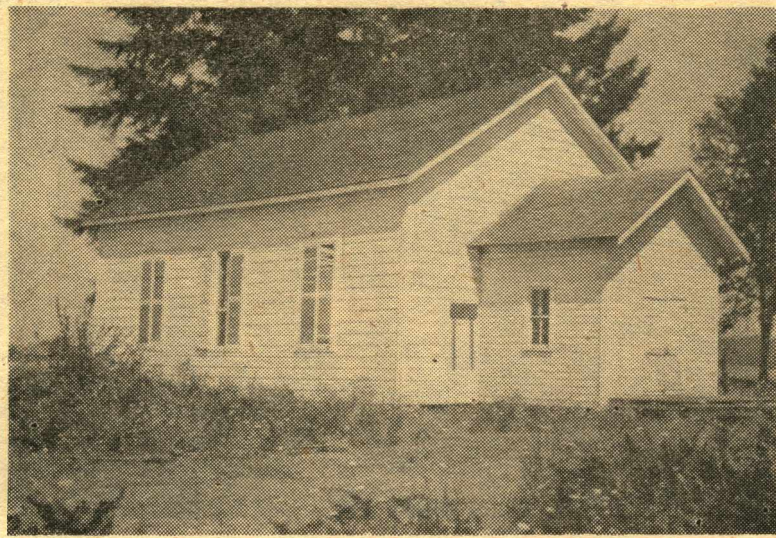

One young lady missed around here the past week was Miss Hostetter—she has been home with the flu. Glad to see you back on the job again!

"Miss Davis has rendered excellent service in putting out the Messenger, and I am well pleased with her work," said Dr. Corlett who asked for a statement on change of Messenger editors.

Miss Olive Lawrence has taken over co-editorship with Professor Kauffman, while Miss Eunice MacPherson is in charge of circulation.

### Taylor-Johnson Nuptials Sat. Nite

Miss Dorothy Taylor, daughter of Mr. and Mrs. Harold Taylor of Portland, Oregon, will become the bride of Wayne Johnson, son of Rev. and Mrs. L. Wesley Johnson, tomorrow evening, March 4, 1950. The ceremony will be performed in College Church of the Nazarene by Rev. John E. Riley, assisted by Rev. Johnson, father of the groom.

## Patricia Bollerjack Wins National Piano Guild Award, Mrs. Swan Announces

Word has been received here by Alline Swann, Dean of NNC School of Music, that Patricia Bollerjack has been awarded a gold medal; winner of first place rating in the first recording competition prompted by the National Piano Guild with headquarters in New York City and Austin, Texas.

The contest, held in the fall of this school year, required a complete record to be made by the

student pianist entering the contest. One side was to be a recording of Bach and the other side a recording of Chopin.

Patricia Bollerjack, possessor of a Junior Collegiate Diploma in the National Piano Guild since the guild festival conducted on NNC campus last Spring, entered the Prelude of Bach's Second English Suite for piano, and Impromptu in A Flat Major by Chopin. Mrs. Bollerjack is a pupil of Alline Swann, and has received several awards in piano during the past year.

### Thrush-Edwards Reveal Intentions

February 17, Mrs. Edna Thrush of Grants Pass, Oregon, announced the engagement of her daughter, Margaret, to Ira Edwards, son of Mr. and Mrs. G. W. Edwards of Magnolia, Iowa.

(Editor's note: At the first of the year the student council and the newspaper set the policy of not printing any gripes unless they were signed. However, due to the number received on various things around the campus, those deemed important will be printed in the Crusader, along with any comment necessary.)

## SOCIETY NOTES

N.N.C.'s four literary societies recently completed electing the remaining officers for this semester. The ADP's elected Bernice Schmidt as secretary, Joe Wright as vice president, Archie Jesse as treasurer, Shirley Arthur as girl's athletic director, Clarence Olson as boy's athletic director, and Wallace Rose as chaplain.

Paul Jensen was elected as athletic director of the SLA society, upon resignation of Lloyd Hubbard.

Whitey Johnson was chosen as vice president, Paul Shafer as sergeant at arms and Paul Sutherland as treasurer for the Olympian society.

The LSP's elected Lois Herron secretary, Marilyn Hoidal as girl's athletic director and Glen Hopkins as boy's athletic director.

### ADP-LSP PLAY 'HARRIET' TO BE PRESENTED APRIL 28

"Harriet," by Ryerson and Clements, has been tentatively chosen as the LSP-ADP play to be presented on April 28. Evelyn Herron, ADP, and Pauline Hastings, LSP, are the directors. Try-outs will begin the first of next week.

of the enlarging work and infrared flash photography.

### Art Club

N.N.C. art students were honored by having Mr. Point of Nampa High school give them new points of interest. Monday night he spoke to them and showed some of his students' oils, pastels, and charcoal paintings; also pen and ink sketches.

Mr. Point is a graduate of Greeley, Colorado State Teachers college. Previously, he has taught in California and other towns in Idaho.

### I. R. C.

Arlene Swardstrom, secretary of the International Relations Club, reports that they had a very appropriate film shown in their meeting last week. The name of the film was "One World or None" showing the power of the A-Bomb. They also talked of the H-Bomb and its influence on the world.
