

Fall Revival Begins Oct. 29; Dr. Samuel Young Evangelist

Dr. Samuel Young, general superintendent of the Church of the Nazarene, will be evangelist for the fall revival at N. N. C. He will be speaking in the college chapel services and again each evening at 7:30

DR. SAMUEL YOUNG

p. m. beginning Sunday, October 29 to Sunday, November 5.

In preparation for the coming revival, early morning prayer services are being held each morning at 6:30 around the altar in college church. Special emphasis is being laid by other groups.

Dr. Young, former president of Eastern Nazarene College in Wollaston, Mass., was elected to the general superintendency in 1948. He is a graduate of E. N. C. and has received his Master of Arts degree from Boston University. The honorary degree of Doctor of Divinity was conferred by Eastern Nazarene College.

Dr. Young, as general superintendent in the church, has recently made a tour of Nazarene Missions in Central and South America as well as the British West Indies.

Before his election to his present position, Dr. Young was a pastor, District Superintendent of the New England District, and active on the General Board of Administration of the Nazarene Church.

First Fine Arts Program Tonight Will Feature Outstanding Students

The first musical program of the year featuring outstanding students from the School of Music will be held tonight at 8:15 p. m. in the chapel. Piano, vocal, and instrumental numbers will be furnished by talented college students, and everyone is cordially invited to attend.

This program is the first of many similar programs to be held during the year under the auspices of the Music club.

Other projects of the club include programs in which outstanding artists will be heard at different times during the year. These programs are offered in the interest of those who enjoy various phases of music, either vocal or instrumental. The senior recital in the spring is another project which is sponsored by the Music club.

A new idea to be worked out this year is that every month a special meeting will be held, and during this time students will be able to hear records of different types of music, including opera, outstanding pianists, vocalists and orchestras.

The Music Club, under the direction of the music instructors, is to be led this year by President Art Al-yea, assisted by Vice President Jim Carkhuff and Virginia Poplin. Evelyn Rutledge will fill the position of secretary, and Virginia Walton will act as treasurer.

Art-Camera Club Elects Officers

The first meeting of the Art and Camera Club was held last Monday at which time the new officers were elected and future plans of the club were discussed.

Rachael Cockram was chosen to fill the position of president; Norma Carter will act as secretary; Art Sullivan was elected treasurer; and Mary Freet was chosen program chairman. A vice president, who will be chosen from the camera club, is yet to be elected.

Future plans include the annual combined homemaking and art sale, which will be held around Christmas time, and an art exhibit of the work done by the various club members during the year. Several field trips are to be taken, and for some of the meetings, special outside speakers will be featured.

Students Approve Budget for Semester

Members of Who's Who in American colleges and universities were chosen, and the ASB budget was approved by the student body in balloting held last week. Ten students were selected for Who's Who honors from a list of 20 nominees submitted to the student body by a nominating committee composed of the student council and a committee from the administration.

Those selected for the honor will not be announced until their names have been approved by the Who's Who board.

The ASB budget for this semester was approved by the student body by an 86 vote majority. One hundred ninety-nine ballots were cast in favor of the budget and 26 were cast in opposition to it. Proposed budget:

Organization	Amount
Oasis	\$1,845.00
Athletics	645.00
Crusader	500.00
Forensics	225.00
Christian Workers	95.00
All societies	250.00
AWS	37.50
Men's Club	37.50
Seniors	40.00
Juniors	40.00
Sophomores	20.00
Freshmen	20.00
Specials	10.00
College high	100.00
13 Dept. Clubs	260.00
ASB Salaries	80.00
ASB Parties	220.00
Reserve Fund	250.00
General Expense	125.00
Total	\$4,800.00

Pfenninger Guides City YMCA Program

YMCA activities in the Nampa schools are being carried on this year by NNC students under the guidance of George Pfenninger, the newly appointed city YMCA director.

The following have been selected to assist in the program: Bob Dempsey, college high school; Sam Long, college junior high school; Carl Thompson, Roosevelt grade school; and Joe Wright, Eastside grade school.

"Sleepy-Time Gal" Theme of AWS Party; Beards Appear As Stag Night Approaches

"For Girls Only!" That's the ultimatum delivered by the Associated Women Students' Council when they announced the plans for the A. W. S. party to be held Saturday night at 8:30 in Morrison dining hall. "So let the fellows have their Stag Party! We'll have fun and frolic over in our corner enjoying a time of peace and freedom for a change."

While the members of the Men's club are raising the roof and looking for female invaders, the women of N. N. C. will be participating in the annual Pajama party sponsored by the A. W. S. for the women students. Under the direction of Earlene Tapley, A. W. S. program chairman, a program of interest and gaiety based on the theme "Sleepy-Time Gal" is being planned. Rosie Lyon is in charge of entertainment, and prizes will be offered for the most unique, and also for the cutest p. j.'s.

Other committee chairmen are: Rachel Cockerham, decorations; Marilyn Hoidal, refreshments, and Mona Gowan, advertisement.

All the women students of N. N. C. are invited to attend the party. Off-campus women are especially urged to bundle up in their long coats and come over to Morrison hall to join the pajama parade.

It was also recently announced that the A. W. S. will have monthly chapel programs with outside speakers and films of unusual interest. The first program is being planned for October 24, stated Jean Kirkpatrick, A. W. S. president.

Olys Capture Closed Night

The Olys, with 67 per cent of their total society, have claimed first place in the Closed Night contest. Following the winners come the ADPs, SLAs and LSPs in that order.

Out of 164, the Olys had 108 present, the ADPs had 103 out of 183 for 56 per cent, the SLAs had 88 of 168 for 52 per cent and the LSPs had 75 of 168 for 44 per cent.

Influx of Talent Adds Zest to Band; Freshmen Show Great Promise—Jessie

Band Director Archie Jessie reports enthusiasm over the turnout of freshman talent for the college band.

"Cooperation by all those interested can produce N. N. C.'s best band," declared Jessie. Bill Randolph, Devert Herman, Eugene Nakada, Vern Fuller, and Herbert Geller are among the new additions to this campus musical organization.

Even with the additional talent, more musicians are needed, particularly in the woodwinds, reports Jessie. "The freshmen show tremendous promise but more upper class help is needed," Director Jessie said.

Band practice is held Tuesdays and Thursdays at four p. m. in the chapel.

Jessie reports that the band will be playing at all home basketball games as well as other school functions. They made their first public appearance of the season when the Northwest District Caravan visited Nampa.

Kampus Kalendar

- Oct. 20—Cascade at CHS (1:30) Fine Arts program.
- Oct. 21—Stag Night. A. W. S. party.

- Oct. 29-Nov. 5—Fall revival (Dr. Samuel Young).
- Nov. 3—McCall at CHS (3:30).

Hallowe'en Party To Be Held Oct. 27

"An the goblins will get you 'Effen you don't watch out!" "More spooks and goblins than you can shake a black cat's tail at," are promised to be found at the annual Hallowe'en party. Sponsored by the Student Council under the supervision of the Men's Club and the A. W. S., it will be held October 27 from 7:30 to 10 at various points on the college campus.

Joe Wright, president of the Men's Club, and Jean Kirkpatrick, A. W. S. prexy, state that each part of the party will be in charge of a different student group.

Hadley Hall girls will provide the "House of Terror". The senior class has charge of the Masquerade; providing opportunity to display costumes, judges to select the winner and prizes for those judged best. The freshmen are providing the refreshments. "This is only a part of the evening being planned," says Joe.

"Instructions for reaching various features of the party will have to be given later when details are more complete," Jean and Joe point out.

CHS PUBLISHES PAPER

The first edition of "Trojan Echoes," official publication of the College high student body, was published last Friday. The paper, which will be published each month, is edited by Lois Emerson. Ella Harris is sponsor of the Echoes and Lauren Bozarth will serve as advisor.

Feltar Main Speaker At First FTA Meet

Highlight of the first gathering of Future Teachers of America on the campus was a talk by James Feltar, College high principal. At the meeting held Wednesday, Oct. 11 in Chapman Hall parlor, he answered questions which had been submitted to him, on the general topic, "Problems of the Teacher".

Ralph Warfield, president, was in charge of the business session, in which the group elected delegates to represent NNC at the Teacher's convention which will be held in the spring. Arnie Zimbleman was chosen treasurer to replace Virgil Seward, who did not return this year.

Other officers of the club include Norma Kastella, program chairman, Lois Oberg, recording secretary, and Pat Adamson, corresponding secretary.

Beards blossomed at N. N. C. this week, causing the campus to take on a frontier appearance. Disappearance of smooth cheeks among college males was directly traceable to the stag night party which will be held in the Speech hall tomorrow evening.

Stag night, an annual event, is designed especially for men. No girls are allowed to attend while the evening is devoted strictly to masculine enjoyments. The program this year will feature Rod Newman and his guitar and Jim Carkhuff, as well as various other entertainment including the performance of a magician.

Beard growers are to reap their rewards when a prize is awarded the owner of the longest and best-trimmed whiskers. Besides the beard-growing contest there will be another award given the wearer of the evening's brightest sweater.

Any male refusing to grow a beard will be punished by the stag night committee. Usual penalty is the chalking of a bright colored beard on the offender. This punishment is also meted out to any girl trying to crash the party.

Home Ec Club Girls To Attend 'Shop'

"Enlarging the Scope of Home Economics Clubs" will be the theme of the Seventh Annual Workshop to be held at Idaho State College in Pocatello, October 20 and 21. Fourteen girls from N. N. C. have made tentative plans to attend.

In addition to four discussion groups, there will be other activities including a 'Howdy do Brunch', western singing, and a Chuck Waggon dinner.

Mrs. Edith Anderson, Home Economics instructor from N. N. C., will report to the Workshop of the meeting of the National Home Economics association she attended in Boston last summer. Eloise Shute, N. N. C. Home Ec club president, has been elected co-chairman of one of the discussion groups.

Morrison Hall Selects Council Members

Naomi Taylor, Faye Carper, Lois Herron and Merilu Anderson are the four upperclassmen that were elected to act on the dormitory council at Morrison Hall for the new school year.

Assisting these four girls are two sophomores, Naomi Williamson and Joyce Harris; one freshman, Bonnie McGraw; and Joy Tink, who was chosen to represent the academy. Also on the council by virtue of their office as assistant deans are Marie Lindsey and Erlene Tapley.

The first council meeting was held two weeks ago, at which time Nicki Taylor was elected chairman and Faye Carper, secretary. Under the supervision of Miss Helen Wilson, dean, these girls discuss various dormitory problems, take care of all business that may arise during the course of the year, and also have the authority to regulate study and quiet hours.

Living in Morrison Hall this year are 107 girls, including several teachers and office workers.

YOU'RE BEAUTIFUL
By Dave Cook

How nice you look, you're as radiant as a saint—
At least I think you are under all that paint.
Your teeth are like stars—they twinkle so bright
But even more like the heavens—they come out every night!
Your eyelashes are long and such a beautiful black.
And you say they're OK—for ten cents a pack.
Those lips are so beautiful, so wonderfully soft
But they're colored too much, like a red barn loft.
And not only that, they are goeey and slick
From the stuff in that tube applied a half-inch thick.
You say I should smell your new perfume?
(It's supposed to be the scent of 'Love in Bloom'.)
Oh, it takes only a little behind one's ear?
But it smells to me like you bathed in it, Dear!
So that's what it is! A new hair do—
Any fleas in that maze will go cuckoo.
That is if they wander around your scalp
Without a program or compass to help. And . . .
If I'm not too personal, would you please explain
That case you hold with so much strain?
It could be possible you are leaving town;
But a bag like that would weight a train down!
It is really a purse? Well, quite a rig!
I would have known it at once if it weren't so big.
I hope I haven't hurt your feelings or pride
But if I hadn't said this you would have said I lied.
If you are ever beheld with your makeup off
You'll look a lot like B. Carloff.
Not that his looks don't make good money
But features like yours are worse yet, Honey.
Don't give up hope or feel too bad,
Cuz I know good looks are seldom had.
And that people like me and especially you
Have just one mug to take us through
To old St. Pete at the Pearly Gate
Who'll say, "With a map like that you'll have to wait."

I am sure that I have never found
A girl who was a natural blonde.
Unless it is the peroxide rinse
That makes blondes natural ever
since

If Heaven wants to rain, or your
mother to marry again, nothing can
prevent them.
Rotten wood cannot be carved.

Science majors and their professors are pictured above. Left to right: Ercil Bowman, Lyle Alloway, Prof. Ford, Prof. Emerson, Carl Stiff, Evelyn Gray, Paul Sutherland and Prof. Tillotson.

Physics Department Surges to Front With Addition of Profs and Equipment

(Editor's Note: This is the first of a series of articles featuring the various departments of the college. The next issue will feature the Home Ec department.)

Although it has been placed in the background for years, the physics department has now attained a prominent position in the college. The department is located in Room 7 in the basement of the Administration building.

Dr. Gilbert Ford, who received his doctor's degree from Harvard University, is the newly appointed head of the physics department. All of the physics courses offered are taught by Dr. Ford, with the exception of Survey of Physical Sciences, a new course being taught by Professor Emerson.

In previous years, only elective courses in physics were offered; however, starting this year, upper division courses are being given, thus making it possible for students to obtain a major in physics. Physics is required for mathematics, chemistry and pre-medical majors, and can be taken as an elective course. Courses being offered this semester are: Optics, General Physics, Survey of Physical Sciences and

Physical Chemistry. Next semester, Heat will take the place of Optics, which is a one-semester course.

Representing the Science department as the official club is the Marshall Science society, which includes a math-physics section. One of the projects of this section is the construction of a large wall-model slide rule to be used for class demonstration in the physics department.

There are three students taking upper - division physics: Harland Lutz, Evelyn Gray and Chester Wells. Harland Lutz will be the first to receive a major in physics from N. N. C.

Many opportunities are open to graduate majors in the physics field. These include: Teaching in high school and college, research work, including atomic physics, and laboratories of large commercial companies, engineering and physicists.

ATTEND HOMECOMING

Evelyn Herron and Janette Pease were recent visitors at the University of Idaho homecoming celebration. While in Moscow they were guests of Miss Edith Herron, an alumnus of NNC, who is taking graduate work at the University.

SUB ROSA

Well, another two weeks of school has elapsed with several items of interest being noted by yours truly. The first announcement we have to make is that Whitey Bullock has been reinstated as President of the Bench for the second consecutive year. That's what we like to see—consistency!! We understand that several freshmen are seeking the office of secretary.

To what jeweler did you take your ring to be cleaned, Loa Mockler? We were happy to see that he returned it to you in such good condition after its short absence.

We understand that the dining hall regulars enjoyed unexpected dinner music last Monday. Skip Wilcox, that was an exceptional job you did as unofficial toastmaster of the gaieties.

Woody Beukelman, I am your ardent admirer after the colossal performance you gave the other night in the SLA closed night program. Only one thing—I always thought two and two were five!

Also we hear that "Bubbles" Dean gave an exceptional treat to all the ADPs when he and his ballet team rendered a number to the tune of "Sidewalks of New York". Are your services available for hire, Carlyle?

Well, as the Reader's Digest says, "I'm as busy as a pair of teen-agers strawed to one soda", so I'll be moving along. See you next issue!

MANGUM MUSINGS...

By Marilyn Perkins

FLASH!!! The true identity of Ima Real Ketch, (alias Betty Marsh) was revealed recently when she let it slip in her letter to Dr. Q. Pidselper (see last Crusader) that she cum frum Kintuky. At least there's one nice thing about having Fort Thomas' gift to Samaritan Hospital around. Hearing Betty talk makes it easier for us to read the peekulyar spelin in thee Advise to thee Luvlorn Kolum.

Your reporter begs a thousand pardons for failing to note an important news item in the last issue. Had I mentioned then that the second half of the senior class was scheduled to go to Colorado on affiliation Oct. 6, perhaps Basil Fritch could have arranged for his recent illness to come upon him a week sooner. Sorry, Basil!

Incidentally, anyone particularly interested in any of the seniors who affiliated March through October may get sick any time now. Most of them are back on duty as of this week. Check with your reporter for further particulars.

Not all the nurses seen quivering in their oxfords lately have been preparing to go on night duty. Some of them have been reading the posters the preclinicals have put up advertising the big all-hospital Halloween party which they will be giving soon.

And speaking of posters reminds me of the campaign posters which constantly remind us that Student Body officers will soon be elected. With Helen Harper and Erma Johnson vying for the presidency, and other top-notch candidates competing for the lesser offices, this contest promises to be most interesting.

Before I close, let me say congratulations from all of us to Samaritan Hospital's No. 1 "RED"-headed terror and his bride-elect. (Anyone around N. N. C. who keeps his eyes open will know who I mean.)

Foiled

Boy sees girl
For Friday date,
Changes mind—
Decides to wait.
Boy sees girl
She'll go, "surely"
Girl tells boy—
"You're two weeks early."
Boy sees girl
Asks for date,
Girl tells boy—
"You're too late."
Boy sees girl
"What's the use?"
They've always got
A dumb excuse."

Starting lineup for College High's Trojans in this afternoon's battle with Cascade is pictured above. They are: (linemen) Lewey Collins, Leon Doane, Junior Thompson, Ira Stiles and Lorris Benedick. In the backfield are (halfback) Bud Bold, (quarterback) Jerry Williamson and (fullback) Floyd Johnson.

Trojans Out to Even Record Today Against Strong Cascade Grid Club

Coach Elmore Vail's College High Trojans will be out to even their season's record this afternoon when they tangle with a favored band of Cascade gridders in Bulldog bowl at 1:30.

The Trojans, who dropped a 26-7 decision to Greenleaf last week, have been working on down field blocking and pass defense during the past week. Vail asserted that his gridders were improving in the blocking and tackling department, but added that his lads could show more improvement in the fundamentals.

Starting for the CHS squad in today's contest will be Pete Rothenberger and Lorris Benedick at ends; Ira Stiles and Leon Doane at guards; Junior Thompson at center; Jerry Williamson at quarter; Floyd Johnson at fullback and Bud Bold at halfback.

Olys Forfeit Despite 35-7 Victory; ADPs Recover Lead, Trim SLAs 9-6

Football season is definitely here. If you are in doubt ask some of the boys who were on the line the past two games. There are more fellows with sore muscles than there are on the bench.

In the season opener last Monday the Olys, showing a powerful passing attack, overwhelmed a good LSP team by a score of 35-7. The score does not indicate the evenness of the two teams. Leading the red and white attack was Reynolds, ably assisted by Wilcox. Each scored two touchdowns with Hellenga scoring the other. The LSP touchdown was scored on a pass from Edwards to Herman. Despite the win the Olys forfeited the contest because of the use of an ineligible player.

The next game, Tuesday, found the ADPs coming from behind in the fourth quarter to eke out a 9-6 win over the powerful SLA nine. The ADPs took a 2-0 lead in the second quarter when a bad LSP pass from center sailed over the end zone line for an automatic safety.

In the third period the SLAs went ahead on a long pass play that found Jim Mowry connecting with Chet Galloway.

Behind 6-2 the ADPs showed they still had what it takes by scoring an early fourth quarter touchdown. The scoring play was manufactured by a Titterington-to-Dave Burkhart pass. The former flipped an aerial to Weatherford for the extra point.

Hard line play featured the game with Mowry and Bradshaw shining for the SLAs and Dean for the victors.

Frosh Coach Sees Potential Strength

Frosh Coach Bob Kiel completed his second week of freshmen cage practices as his charges prepped for their opening game which is slated for late next month.

Kiel was well satisfied with the performance of the newcomers, asserting that they were the best crop of freshmen players in the history of the school.

Although definite dates for the games this season have not been set the frosh will play tilts with C. of I. jayvees, BJC jayvees, several independent teams throughout the valley and possibly at Gooding and Bend, Ore.

Among the performers who have displayed outstanding ability in early sessions are Myron Finkbiener, Nampa High alumnus; Skip Wilcox of Seattle, Curt Beukelman of CHS and Herbert Geller of California.

LSPs in Upset

By scoring five runs in the first inning the LSPs pulled the upset of the season in edging out the ADPs by a 5-3 score.

Edwards proved to be the batting hero by slamming out a three-run homer in the first frame.

ADPs Blank SLAs

With the ADPs playing flawless ball in the field and Weatherford chucking two-hit ball, the purple and gold notched their third win in

Undeclared Oly Girls Take Softball Title

FINAL STANDINGS

Oly	6	0
LSP	4	2
ADP	1	5
SLA	1	5

Marching through their season undefeated, the Oly's took first place in girls' softball. Copping second place were the LSP's who crushed all their opposition except the Oly's.

Tied for the tail-end positions were the SLA's and ADP's who split even in a series between them.

The Oly's cinched top spot by thumping the SLA's 24-5, 8-5, and the ADP's 12-8. Lois Williamson pitched the champs to all three triumphs. Leading hitters for the Oly's were Naomi Duncan, Naomi Williamson and Jo Sanders.

The LSP's moved into 2nd place by trampling the ADP's 18-3, 16-2, and trimming the SLA's 16-11.

By virtue of a 21-12 decision over the ADP's, the SLA's gained a tie for third with the losers.

Girls' volleyball got under way Monday evening as the Oly's pinned a 36-29 defeat on the LSP's. The winners held a narrow 16-14 lead at half-time but surged back in the second half to gain their victory.

ADPs Cinch Crown

Led by their slugging first sacker, Carlyle Dean, the ADPs wrapped up the 1950 softball title by scoring a 6-3 decision over a determined LSP nine.

Dean clouted a tremendous home run into deep center field to drive in three runs. He later scored another run to account for four of the six tallies.

Olys swamped the SLAs 10-4 in the final game of the season last week.

The win made it possible for the Olys to tie the SLAs for third place and evened their series at one game apiece.

Philosophers Name Theme for New Year

Paul Kunkel, president of the Philosophy club, has announced that the first meeting will be held next Monday, October 23, at 8:15 p. m. in the dining hall. The theme to be used this year will be, "The Christian Attitude". Plans are that other departmental clubs will be guests at these monthly meetings. Other officers are Gene Hovee, vice president; Pauline Rinehart, secretary; Guilford Fitz, treasurer; Dale Swinney, program chairman, and Professor Kauffman, sponsor.

SOS GET TRAMPOLINE

A trampoline has been loaned to the S. O. S. club for use in their body building class by the Nampa City Recreation center. Thirty-three members are enrolled in these bi-weekly meetings. The club has instructors for their weight lifting and tumbling classes. Gordon Mitchell, president, has extended the invitation for more young men to join the Tuesday and Thursday turnouts which are held at 9:00 p. m. in the college gym.

New recruits for staff positions on the Oasis, college yearbook, were interviewed and selected at a recent meeting called by Jim Galloway, editor.

Gordon Belzer has been appointed assistant to the editor by the Student council. He will fill the position vacated by Ray MacGregory and will guide the organization as editor next year.

Pauline Rinehart, literary chairman; Ralph Miller, business manager; and Lynn Witherall, photographer, will serve as heads of the supplementary departments.

Galloway asserted, "With a more experienced staff and a good start already, the outlook for the year is very bright."

Lynn Witherall will be assisted by Chet Wells and Eugene Eitzen. Ralph Miller promises, "The advertisement section will be 'livened up' with school life pictures."

Present plans indicate that the year book will be approximately the same size as that of last year.

Business Club Plans For Outside Speakers

President Bill Harris of the Business Club presided over the opening meeting Thursday night.

Suggestions were made to have speakers from some Nampa and Boise business concerns to talk or give a demonstration on the latest equipment or ideas, and plans for ordering instructive films were considered.

ASB to Elect Cheer Leaders for Year

Yell leaders for the 1950-51 Crusader basketballs will be chosen by the student body early in November, according to Dean Galloway, ASB president.

Those desiring to try out for the position must file their names with the president within the next two weeks. Election will follow a special pep rally which will be held at a date to be announced later.

Church Gives Magazine

Franklin Road church, pastored by Bill Griffin, last week presented Chapman Hall with a year's subscription to Life magazine. An estimated fifty per cent of the Franklin Road NYPs is composed of NNC students and Rev. Griffin, who is a senior at NNC, was formerly student dean at Chapman Hall.

SPEECH CLUB MEETS

Spencerian Speech Club members elected officers at their first meeting, held Thursday evening, October 5, in the Speech Hall. Selected as prexy was George Pfenninger, with Carolemay Rapp and Glen Wardlaw chosen as debate and declamation managers, respectively. Jessie Rice was named secretary and Fred Rapp will serve as treasurer.

The group listened to records of scenes from Macbeth and laid tentative plans for future meetings.

IRC Features Special Chapel Speaker; CPS to Hold General Fall Conference

Chapel program on Friday, Oct. 27 will be sponsored by the International Relations Club and will feature a special speaker who will talk on current world affairs.

The annual fall conference of the general I. R. C. will be held at the College of Puget Sound in Tacoma, Wash., with student delegates attending from all Northwestern colleges including British Columbia. Club advisor, Professor Sutherland, asserted that a very cordial invitation has been received by our college requesting the attendance of our delegates and he urged all those interested in Foreign Relations to contact Ralph Miller as soon as possible.

Library Adds Large Supply of New Books

"During the past six months the R. T. Williams library has purchased approximately \$700 worth of books to be added to the various departments of the college," announces Mrs. Elba Corlett, librarian.

"Among this group are 130 pamphlets which discuss most any career a student might be interested in entering. They are printed reports of comprehensive surveys, conducted on a nation-wide scale, with the aid of leading authorities in all fields of profession. Published by the Chicago Institute of Research, these booklets assist the student in choosing a career by pointing out qualifications needed and giving a general view of activities in each field."

Science Society Plans Group Projects

After looking at a display of last year's projects the members of the Marshall Science Society were called to order by President Paul Sutherland. The other officers were introduced as follows: Vice President, Loyd Smith; Secretary-Treasurer, Chester Wells and Program Chairman, Evelyn Gray. Sponsors elected are Dr. Aller and Dr. Ford.

The club is divided into three groups for work on projects—the Math-Physics group, under Chester Wells, plans to build a large classroom slide rule and various math models; Ercil Bowman plans to direct the chemistry groups in the building of an atom, while Loyd Smith, chairman of the biological division, has not made any definite plans as yet.

The next meeting will be held on Thursday evening, October 26, at 7 p. m. Ercil Bowman and the chemistry section will be in charge of the program, which will include a film and demonstration.
