Curtain Goes Up Tomorrow On LSP-Oly Play

Members of the LSP-Oly play cast are shown above. Left to right, they are (front row): Ron Johnson, Vaneta Mabury, Dick Edwards, Raynette Pool and Barbara Gish; second row, Petey Montgomery, Myron Finkbiener, Connie Jo Nelson, Wes Peterson, Ruth Allen, Al Fisher and Allene Lund; third row, Robert Calkins, Art Sullivan, Ercil Bowman, Don Christenson and George Mowry.

Faculty Preaching Mission Starts Next Monday; Student Problems To Be Aired

Prof. M. A. Wilson will open the annual faculty preaching mission Monday morning in chapel. The mission will continue throughout the week with services held during each chapel period and on Wednesday, Saturday and Sunday evening.

Prof. Carl Hanson will bring the message Tuesday, Coach Lamont Lee will speak Wednesday morning and Mr. L. Wesley Johnson in the evening; Prof. F. C. Sutherland will deliver Thursday's address, Prof. Guy Sharp will speak on Friday, Prof. A. J. Finkbiener will preach Saturday night and Prof. Elwood Sanner will speak Sunday evening.

In conjunction with the preaching mission the student council will conduct a seminar on student problems. There will be four sessions which will be held in the chapel at 4:00.

The sessions will be headed by a student with selected faculty members composing a board of experts. Each session will be opened by a five minute talk from each faculty representative, answering questions which will be asked prior to the meeting.

Following the talks, the floor will be opened for questions from the floor which will then be discussed by the board. The presiding student will close each session of the seminar by summarizing the discussion.

The discussions will probably come under four general topics. They are The Bible and Science, Sanctification, Love and Marriage, and Philosophy of Life.

Harry Williamson, freshman representative to the student council, is chairman of the committee which is in charge of arranging the seminar.

He who does not believe in others finds they do not believe in him.

Kampus Kalendar

Nov. 23—Turkey Bowl 10:30 a. m. Union Thanksgiving service, College Church, 10 a. m. Thanksgiving banquet 4:30 p. m.

Nov. 23-24 — LSP-Oly play, "The Barretts of Wimpole Street".

Nov. 25—Basketball jamboree.

Nov. 27 - Dec. 3 — Faculty preaching mission. Student problem seminar.

Dec. 1 - 2—SLA-ADP play, "David Copperfield".

Dec. 4 — Eastern Oregon at NNC (gym benefit).

Dec. 4—Air Force recruiting team visit.

Dec. 5—Eastern Oregon at NNC (regular season opener).

Dec. 8 — Faculty Fine Arts program.

Swalm's to Provide Four Scholarships

Four \$125 scholarships will be given annually to NNC ministerial students through a fund set up by Mr. and Mrs. Paul Swalm, of Denver, Colo. The scholarships are being presented in honor of Mr. Swalm's father, a member of NNC's faculty from 1918-1922 and Chaplain Byron Lee, brother of Mrs. Swalm and a roommate of Mr. Swalm when the two attended college. The Swalms are graduates of the class of 1940.

The scholarships will be presented to juniors in the Department of Religion during the last chapel service held each spring. Students must be making approximately a "B" average and have made a definite contribution to the religious and spiritual life of the college.

Those in need of financial aid to enable them to complete their senior year will also be considered for the scholarships.

The scholarship winners will be selected by a committee consisting of President Corlett, Prof. Elwood Sanner and Prof. Lamont Lee.

ADP-SLA Production On Stage Next Week

Tomorrow night at 8:00 the curtain will ring up on the first of two society dramatic plays which will be presented this semester. Thursday's production, "The Barretts of Wimpole Street", was written by Rudolf Besier and will be presented by the combined LSP-Oly societies. It will be given on Friday night also.

The play stars Vaneta Mabury as Elizabeth Barrett, a crippled poetess who finds romance despite the opposition of her father, who is portrayed by Ron Johnson. Her lover, Robert Browning, is played by Dick Edwards.

SLA-ADP Play Dec. 17

The SLA-ADP societies will present "David Copperfield" on the nights of Dec. 1 and 2. The play, a dramatization of Charles Dickens famous novel, tells of the growing up of the timid and well-mannered child into a cultured and well-liked adult.

The setting of the play is in the home of his Mother in a village in England. David Copperfield as a boy is played by Paul Finkbiener and Dick Ivester portrays him as an adult.

Cast Listed

Marian Johnson and Norma Kastella are co-chairmen of the production. Jeanne Kirkpatrick is cast as Betsy Trotwood, an old-maid aunt; Mr. Dick, David's boss, is played by Glen Wardlaw; George Pfenninger plays the part of Mr. Macauber; Dave Burkhardt takes the part of Edward Murdstone.

Roger Marks portrays Uriah Heep, Marilyn McGraw plays Peggoty, Merilu Anderson is Clara Copperfield, Faye Strunk is Jane Murdstone, Sophia Jungert is Mrs. Macauber, Rosalind Pool plays Agnes Weckfield, Darlene Bradley portrays Jane and Tom Nash is cast as the stranger.

Gov. Robins Speaks In Chapel Program

Governor C. A. Robins was guest speaker in this morning's chapel program sponsored by the I. R. C. He spoke to the student body on the conditions in China which are influencing international relations.

I. R. C. delegates to the district International Relations convention returned this week from the College of Puget Sound at Tacoma where they met with representatives of other colleges in the Northwest.

Attending the convention from NNC were Ralph Miller, I. R. C. president, Naomi Bolerjack, faculty advisor, Evelyn Herron and Jim Rodgers.

The delegates were elected at the close of the last club meeting when Bernard Mainwaring, editor of the Idaho Free Press, spoke to the group and presented his views on the European situation and current events throughout the world.

Members of the ADP-SLA play cast are pictured above. Left to right (front row): Rosalind Pool, Jeanne Kirkpatrick, Rosie Lyon, Marilyn McGraw, Merilu Anderson, Faye Strunk, Paul Finkbiener and Sophia Jungert. Second row, Marian Johnson, Glen Wardlaw, Tommy Nash, Dick Ivester, Dave Burkhardt, Roger Marks, George Pfenninger and Norma Kastella.

Annual Alumni Homecoming Coincides With Memorial Gym Benefit Struggle

Alumni Homecoming will be celebrated Dec. 4 and 5 with festivities sponsored by the alumni association and the NNC student council. The annual Homecoming gathering will coincide with the Memorial gym benefit basketball tussle between NNC and Eastern Oregon.

The two-day program will begin Monday morning with a special chapel service for the alumni. The remainder of the morning will be taken up with campus tours and will be followed by an alumni dinner which will be held at 2:00 p. m. in the dining hall.

A giant student-alumni pep rally will be directed by the cheerleaders at 4:00 either in the circle drive or in the gym and the opening day's activities will conclude with a special alumni party following the cage tilt.

The alumni will sponsor a special chapel service on Tuesday as the feature of that day's events.

Radio Station Nears Completion

Under the direction of Virgil Vail and the College High radio club, radio station KROK will begin broadcasting from studios in the High School building shortly after Christmas.

The station will be at 650 kilocycles and will have a broadcasting area covering the campus and its immediate vicinity. Federal regulations do not permit its range extending further without considerable additional expense.

The studio and most of the equipment was built by members of the radio clubs of the high school and college, headed by Rod Newmann and Curt Iyle. Included in the station is a carrier transmitter which will permit pickups from Central auditorium and other locations near by.

The station will broadcast in the evenings and will place its emphasis on a religious plane. It will also carry intramural sports activities and both college and high school home basketball games.

The pleasure of doing good is the only one that will not wear out.

C of I President To Speak Tomorrow

Dr. Paul Pitman, president of the College of Idaho, will be the main speaker at the annual Thanksgiving day banquet tomorrow afternoon. The formal affair is to be held in the Morrison Hall dining room.

Misses Ivalee and Naomi Bolerjack will provide dinner music for the occasion, which is sponsored by the Associated Women's Students of the college.

Others featured on the program will be numbers by the King's Men quartet, composed of Earl Embree, Butch Bloomquist, Quincy Angier and Kenny Hills; a solo by Miss Carol Sharp, and a reading. Lilburn Wesche will preside as toastmaster.

Many Vocations Open For Bio-Science Majors; Improvements Made In Dep't

Dr. Alvin Aller, head of the Biological Science department, asserted that many jobs are open to graduates of the Biological Science division.

Among the vocations offered graduates are: Teaching, medical doctors, bacteriologists, plant pathologist, entomologist, laboratory technicians, and technicians in Biological supply houses.

Courses Offered

Courses being offered in Biological Science this semester include: General Botany, General Zoology, Plantecology, Bacteriology, Comparative Anatomy, Anatomy and Physiology, Biology seminar, and Taxidermy. Dr. Aller, who received his Doctor's degree from Oregon State college, is instructor in four of the courses besides serving as head of the department. Bacteriology and Comparative Anatomy are taught by Dr. Rice; Anatomy and Physiology by Miss Keller, and Taxidermy by Pete Burkhardt. Next semester, "Natural History of Vertebrates" will be offered for the first time at NNC.

Last summer a fine improvement

Pictured above are members of the biological science department. Left to right they are (seated): Dr. Rice and Aaron Fulcher; standing: Ralph Unger, Frank Deffries, Paul Sutherland, Charles Zickefoose, Mark Roberts, Prof. Aller and Ivan Janosky.

was made in the laboratory with the construction of two cedar-lined cabinets. Approximately 2000 plant specimens are stored in these cabinets. In addition, one new dissecting microscope and four compound microscopes were obtained.

The biology laboratories are located in room 22 and 23 on the sec-

ond floor of the administration building. Majors in the Biological Science field are: Ralph Unger, Mark Roberts and Aaron Fulcher, seniors, and Frank Deffries, Charles Zickefoose, and Joe Dikes. Thirteen pre-medical students are also enrolled in Biological Science courses.

MANGUM MUSINGS...

By Marilyn Perkins

Suspense is rapidly mounting here as Capping day draws nearer and nearer for the preclinicals. Even the more confident "probies" have been frequently heard expressing their desire to know their future fate. All eyes are on Nov. 28, when a class of bewildered, capless "probies" will vanish and in its place will appear the confident freshmen of the class of '53.

Incidentally, all you friends of the "probies" know you're invited to attend their Capping service, don't you?

The hopes of several of Samaritan's student nurses were realized recently when definite plans were made for the organization of a nurses' choir. Under the able direction of Miss Naomi Smith, the choir is intended not only to boost the ward services at the hospital, but also to provide for several scheduled hospital services in various churches. To date the choir has appeared in services at Fairview, Franklin Road, and College churches, and at the Caldwell Youth-for-Christ rally.

Mrs. F. C. Sutherland and Mrs. J. B. Frazier were hostesses at a surprise birthday party given recently for Jeanne Johnson and Phyllis Pattee. The party proved that it pays the probies to be on hand when College Church is giving away Missionary Mothers.

And speaking of Phyllis, it seems that she and her roommate, Erna Mae Warkentin, have more to look forward to during the Thanksgiving season than Capping day. Word received from Pasadena indicates that two of P. C.'s favorite sons will not be spending

Air Force Recruiters To Visit Campus Soon

Members of a United States Air Force recruiting team will arrive here Dec. 4 to interview college students interested in officers' careers in the Air Force.

Major J. V. Hardy, here to make advance arrangements for the interview, said that those interested will have an opportunity to learn about the various officer training programs and the requirements and processing procedure.

The team will set up headquarters at Chapman Hall for the day and will explain three types of training: Aviation Cadet Pilot Training; Aviation Cadet Navigator Training and Air Force Candidate School.

To be eligible for any of the training programs, men and women must be between the ages of 20½ and 26½, American citizens, be in good physical condition, have high moral and personal qualifications and have completed at least two years of college.

Students who enter any of the training and for any reason fail to complete the work, are returned to civilian life.

the holiday at P. C. Hm-m-m-m.

Of course I can't sign off without saying congratulations to Norma Lamb, who recently became the recipient of this season's most beautiful "sparkler", to Bill Wood, her lucky man, and to Helen Wilson, who had the honor of announcing their engagement at NNC last Friday night.

To get the most for your money, patronize our advertisers. They are your best friends.

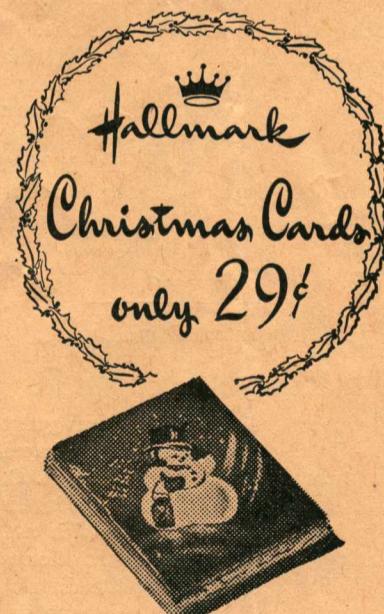

Hunger is cured by food; ignorance by study.

FMB Members Cite Project of Year

Members of the Foreign Missions Band have chosen as their project of the year the purchasing of religious records for Terry Yoda's father, to use in his church in Japan. The records will be played over the loud speaker on the church, thereby reaching many who would not otherwise hear the gospel.

Those wishing to contribute to the project may do so by contacting the club president, Dan Jackson, or other members of the organization.

"Adventures with Christ in Africa", a 45-minute film, was viewed by over 160 people at the last meeting. It depicted the life of a missionary in Africa and the everyday activities which surrounded him.

Whatever your taste, you are sure to find a card that says "Merry Christmas" just the way you want to say it—in our large collection of Hallmark Cards in Cello-Pacs.

"News Mit Der Letter"

Sept. the two,
States of the United.

Mein Dear Cousin Hans:

I now take my pen and ink in hand un write you mit a lead pencil. We don't lif where we used to lif; we lif where ve moved. I hate to tell you, but your dear old aunt died on New Years day fifteen minutes in front of five. Some people think she had population of der heart. The doctor gave up all hope when she died; her breath all leaked out. She leaves a family of two boys, two cows and two calves. They found ten dollars sewed up in her bustle; it was an awful lot of money to leave behind. One of our neighbors is awful sick; he is just at death's door, and the doctor thinks he can pull him through. Your brother Gust took our dog Fido down to the saw mill the other day to have a fight. He run up against one of them big circular saws, and he only lasted one round. All the Schmidts family got the mumps, and they are having a swell time. Your uncle says if you don't pay him pretty soon he will cut off your head and throw it in your face. I just graduated from college, and I took up elecution and physical torture. I learned to be stingy-grafer too. I got a job at the liffery stable taking down hay for the horses. Hans Kratz was sick and the doctor told him to take something, so he went down the street and took a watch from Iky Cohen. Iky had him arrested, so the lawyer got the case and Hans got the works. We have 300 chickens now and a fine dog. The chickens lay six eggs a day and the dogs lays behind the stove. They just performed an operation on Mr. Ofenback between the dining room and the conservatory. People is dying around here what never died before. Well, Hans, I wish we were closer apart; I feel awful lonesome since we are separated so far together. Hoping you will write sooner, I remain here,

Your Cousin Max.

P. S.: I have the ten dollars what I owe you, but I closed up the letter alredy, so I won't get it in.

—Selected.

Advice To The Lovelorn

with Dr. Q. Pidselper

Dear Professor Q. Pidselper:

time for my date, I was frankly quite impressed.

I'm a little bewildered by the actions of a certain girl whom I and several other fellows enjoy dating.

For instance last Sunday evening I had a date to escort her to church. I didn't think it too strange when I saw her in church

Sunday morning with a fellow or when she left for an automobile ride immediately after dinner with a different boy, but when she left after the evening cheese sandwich with a third young man and didn't return until ten minutes before

Please tell me, professor, is this an unusual occurrence or is it merely the modern trend?

Sincerely yours,
"The Voice of Many"

My Dear "Voice":

I'm inclined to believe that the condition which you mention is perhaps slightly extraordinary. The young lady in this instance is undoubtedly very talented and popular judging from her striking success in this particular field. Furthermore, I'm positive that nothing that I could say would in any way improve her technique or add to her charm.

So my only advice to you as well as to other interested young men is to just patiently wait your turn with these popular girls but remember you will have to step lively to "beat the Rapp."

I remain,

Yours truly,
Professor Q. Pidselper.

EDITORIAL

What's Happened To Our Manners?

NNC used to be a school where high cultural standards were maintained and the students were proud of it. But what has happened to us this year? Suddenly the reputation and high standards which NNC has built up over the years seemingly have been tossed out the window.

Within the past few weeks some of the most uncouth happenings have occurred, some of which even a high school student would be ashamed.

A few weeks ago some of the residents of one of the dorms disobeyed a ruling by the college president, apparently just to spite his ruling.

In chapel programs, whistles and catcalls have greeted the conclusion of outstanding programs. A hearty applause indicates pleasure, but whistles and catcalls indicate only a poor background on the part of the individual.

In the dining hall, last week, students didn't have enough sense to stand up when the school song was sung and the same evening college students, going to a holiness college, displayed their complete lack of intelligence by applauding after a religious song.

During special numbers, on several occasions, members of our student body have had the outright rudeness to make fun or pull some prank which evoked laughter, embarrassing not only those about him but the singer as well.

Some of the boys either don't know how, or are too impolite to pull a chair out for a lady, while many of those who do don't know how to do it properly.

Practically everybody in the dining hall eats too fast and many of the students leave before all those at their table are through eating. Often napkins are thrown around following the meal and, besides all that, some of our students don't have any manners to begin with.

Probably the greatest sin of all is the complete lack of respect for authority some students have shown. When a person is placed in charge, regardless of his age or rank, he should be obeyed to the letter.

Most of these infractions are matters of sheer personal stupidity on the part of individuals. However, some of them require a mass remedy.

To prevent disturbances in the dining hall, announcements and other post-meal activities should be stepped up, thus preventing idle moments between the conclusion of the meal and devotions. Dress up nights every night or practically every night would help considerably in improving table and dining hall manners.

To aid in general etiquette, the Crusader will publish etiquette rules in its next issue.

But this is mostly a matter of individuals. If we don't or won't wise up, it will be only ourselves and nobody else that we hurt.

Scribe Recalls First Thanksgiving, Decides Pilgrims Were the Luckier

By comparing our Thanksgiving like in-laws into the kitchen to the Pilgrim's Thanksgiving, I help get the cranberries ready for serving. She can be thankful she was fortunate in having only one tribe of Indians as guests for their Thanksgiving dinner. We have seven or eight tribes of in-laws and

all of their red faced little savages as guests to our dinner. The Indians' manners probably weren't so good but they at least kept their arrows where they belonged — wrapped up in a napkin affair. Our guests' errors are all on the table cloth. Of course, spots on the table cloth just help to make us more thankful—thankful that the spots aren't on the rug.

Too Many Squaws

Thanksgiving dinner is a big occasion and there is always plenty of help in the kitchen but I doubt that Priscilla would have appreciated 15 or 16 squaws crowding for the week of Thanksgiving.

AVIATION CADETS

Get On Top Stay On Top!

WITH A YEAR
OF THE WORLD'S FINEST
AVIATION TRAINING IN THE
U. S. AIR FORCE

Yes, sir—it takes a full year's training as an Aviation Cadet to earn your commission as an officer and pilot in the U. S. Air Force. But that commission is worth its weight in gold.

And when you strut those wings and bars for the first time you can be sure that you've had the finest instructors and training equipment that any flying man ever had . . . that you are ready and able to carry out any mission assigned.

For the Air Force believes being a good pilot is just one of the qualities necessary . . . you must make a good officer as well . . . capable of commanding the respect of superiors and subordinates alike . . . capable of assuming and discharging the responsibilities of your office . . . capable of being an officer of the U. S. Air Force.

"...a full year's training"

"...earn your wings"

"...get going fast"

So...
FIREWALL IT!
NEEDLE IT!
CROWD THE MACH!

In jet-pilot language that means . . . GET GOING AND GET GOING FAST! Your take-off point is the Aviation Cadet Selection Team which will soon visit your own college campus. See if you can qualify. If you can . . . you're on the way up to the top. First stop . . . aviation cadet training school. First pay . . . \$105 a month for one year with all clothing, food, medical and dental care provided free. First commission . . . 2nd Lt. in the U. S. Air Force Reserve. Beginning salary close to \$5,000 a year. You've got a top job and with your training and experience you'll stay on top.

**Get on Top . . . Stay on Top . . .
with the U. S. Air Force**

Your U. S. Air Force
Selection Team will be here:

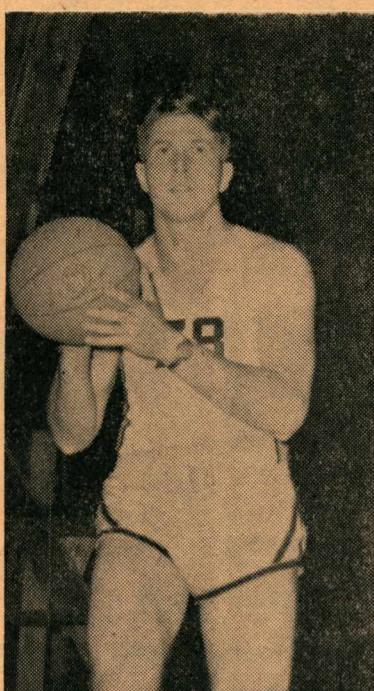

Monday, December 4
9:00 to 4:00

CRUSADEERS LIFT CAGE LID DEC. 4

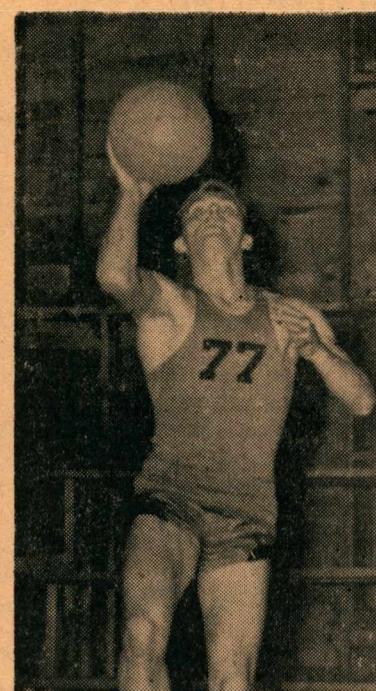

RALPH UNGER

MERL ILES

CARLYLE DEAN

MILLARD REYNOLDS

WOODY BEUKELMAN

Touted Mountaineer Quint Meets NNC In Memorial Gym Benefit Tussle

Eastern Oregon College of Educator, boasting one of their strongest cage crews in history, will inaugurate NNC's basketball season two weeks from next Monday when they battle the Crusaders in a special benefit attraction at Central Auditorium.

The Crusader Boosters club, sponsors of the tilt, will turn over all net proceeds to the Byron Lee Memorial gymnasium fund. All seats sell for one dollar and the game is not included on season passes. The following night the same two clubs tangle in the regular season opener.

First Game Is Test

For Monty Lee's Crusaders, that opening tiff will be a test encounter since the orange and black has only five lettermen back from former years. However several freshmen have shown promise in practice and the Mountaineer series may determine whether they can fill the gap left by the departure of such stalwarts as Whitey Johnson, Fred Fowler, Jack Jamison and others.

At forwards Lee is expected to open with steady Merl Iles, high scorer last year and a junior who stands 6'1" and tips the scales at 185, and either Woody Beukelman or Bud Baska.

A senior, Beukelman has lettered for the past three years, is 5'9" tall and weighs 155 pounds. Baska has been unable to play college ball because of a knee injury suffered during pre-season practice in his freshman year. He is a 6'1", 175-pound junior.

Dean Returns

Carlyle Dean, 6'4", 215-pound junior, has the pivot spot completely sewed up. Dean lettered for the Crusaders two years ago and last year was varsity center at Whitworth.

Ralph Unger, the tricky 5'9" senior is a cinch to open at one of the guard posts. Unger will be after his fourth varsity letter and will be starting his fourth year as a regular guard.

Reynolds Back at Guard

Teaming with him will be Millard Reynolds, a junior, who paced the team in scoring during the latter part of last season. The speedy 5'10" flash has switched back to a guard position after operating out of the forward post last year and will likely set the pace in NNC's fast-breaking attack.

Reserves Listed

Myron Finkbiener, a 5'11" freshman, will stand by for reserve duty at guard along with Loyd Hills, a graduate of last year's junior varsity and Curt Beukelman, formerly of College High.

Devert Herman, a freshman from Sidney, Mont., will back up Dean at the pivot post while Skip Wilcox, a first-year man, and Ron Weatherford, a senior, will see duty at the forward positions.

BUD BASKA

LSP, Perennial Basketball Champs, Look Strong Again This Hoop Season

Basketball champions for the last six semesters, the LSPs will enter Saturday's jamboree tilt against the SLAs with five veterans back from last year. Three of them have been regulars on the blue and white squad for the past three years.

Pacing the defending titlists is Glenn Hopkins, the diminutive sharp-shooter who has been the team's leading scorer since they started their string of successive championships in 1948.

Veterans Pace Team

Guard Doug Powers and center Lilburn Wesche have also seen starting action for the past three seasons while Howard Johnson and

Jim Galloway performed on the club last year.

These five, along with Harry Williamson, Arlan Anderson, Loyd Smith and others in reserve will attempt to stretch the unprecedented string to seven in a row.

Powers, Wesche and Johnson have been the mainstay of the club on the backboard while Hopkins and Galloway utilize their speed to set up fast break opportunities. It will be on this combination of rugged backboard play and lightning-fast scoring thrusts that the defending champs are basing their hopes of repeating.

JAMBOREE PAIRINGS

7:00 Oly girls vs. ADP girls.
7:45 LSP girls vs. SLA girls.
8:30 LSP boys vs. SLA boys.
9:15 Oly boys vs. ADP boys.

King Basketball will begin its reign for another season Saturday night when all eight society cage teams see action in the annual basketball jamboree.

A wide-open race has been forecast in both girls' and boys' divisions which were won by the Olys and LSPs respectively last semester.

In the girls' section the Olys, with Lois Williamson returning to lead them are favored, but the return of Jo Ann Hutchison to the LSPs, the addition of Jessie Rice to the SLA sextet and the improved strength of the ADPs indicated a four-way battle right down to the wire.

Although the LSPs won the boys' crown last year they have been picked to finish second behind a potent SLA five.

The Olys may prove to be the dark horse entry in the race since they are of fairly unknown power, while, on paper at least, the ADPs appear headed for the cellar.

Player Losses Hinder ADP Hoop Chances

Chances for a winning cage crew appear slim for the ADP boys this semester. Practically the entire starting lineup from last season is gone, with only Dave Burkhardt returned from the 1950 regulars. Athletic Director Ron Weatherford will build his team around the husky forward using several of last year's reserves as well as some promising newcomers.

The loss of Clarence Olson and Curt Beukelman to the jayvees and varsity, respectively, further hampered the hopes of the blue and gold.

Prospects for the club include Howard Titterington, Don Fowler, Francis Sutherland, Howard and Russell Miller and Dan, Joe, and Paul Wright.

The Miller brothers will give Burkhardt considerable help in working the backboard while Dan Wright and Titterington should add to the scoring punch.

Against the Olys Saturday, however, the ADPs will definitely be ranked as the underdogs.

A girl admires the tone of a bachelor's voice when there's a ring in it.

Varsity cagers are pictured above; reading from the bottom up they are: Woody Beukelman, Curt Beukelman, Ralph Unger, Loyd Hills, Millard Reynolds, Myron Finkbiener, Ron Weatherford, Devert Herman, Merl Iles, Skip Wilcox, Bud Baska, Carlyle Dean, Trainer Earl Satchell and Coach LaMont Lee. Manager Jim Lais was absent.

Confident Elevens Poise For Bowl Tilt

Turkey Bowl Brawl Set for Tomorrow; Fans May See Blood If Lee Has Any

That battle of blood, the Turkey Bowl, will get underway tomorrow morning at 10:30 on the Nampa high school practice field with both elevens guaranteeing their followers a triumph.

Coach George (Wolf) Baska of the Battling Bohunks asserted in an exclusive interview that "... With Powers and Lee in their usual rare form, we'll murder those bums." LaMont Lee, who earned all something-or-other honors as a lineman for Weybelow Normal back in 1857, added that he was "going to turn Jim Mowry into the biggest pile of hamburger since Grant took Richmond."

Powers Ready

Powers, who spent the last four days honing up his shoulder pads has been looking great in practice, according to a communiqué released by Mrs. Powers last week.

The great Bohunk fullback is completely recovered from injuries sustained in last month's game between the fourth and fifth grades of Melba grammar school.

Meanwhile Carlyle (no brains) Dean and Dave (Smiles) Burkhart, head mentors of the Bruising Bums, have been brushing up on several

thought of facing Lee was frightening. "It ain't his size," said Mowry, "it's the thought of having to look at that face every time I get up to the line of scrimmage."

Former lineman, Arnie Zimbelman, who vowed to make hamburger of Powers last year but wound up in a pool of catsup, has switched to the backfield. He will start at either wayback or drawback with Basil Fritch handling the other position.

Edwards Too Kind Hearted

Rumors have prevailed throughout the past few days that the Bums were trying to find Charles Atlas Edwards in order to strengthen their passing attack. Bones earlier refused to play because he "didn't want to hurt anybody."

Unfortunately Howard Johnson sneezed in bed last night and the force blew Edwards against the radiator. As yet, searching parties have been unable to locate all the pieces (of either Edwards or the radiator).

Pfenninger Blows Off

Back in the Bohunk camp, Baska's ace center, Lightning Fast George (Romeo) Pfenninger, asserted he was "tremendously unimpressed" by the fat slabs on the opposing team. Pfenninger, who has been consistently running the length of the field in four hours, pointed out that with the exception of Dan Wright, the

murderous plays of their own.

Don Fowler, who has refused to reply to charges that he is a direct argument for the theory of evolution, is expected to spearhead their terrific line. Another star upon whom Dean and Burkhart are relying heavily, is LaMont Lee, who is trying to play for the other side.

Lee "Frightening"

Jim Mowry, the frail, 220-pound Bum fullback, has admitted that the

Despite their vicious appearance the above lads are actually members of the NNC student body. They will be seen in action tomorrow when that great gridiron classic, the Turkey Bowl, gets underway. The tilt is also known as One Fowl game, Mud Bowl, Blood Bowl, Battle of the Bulges and "Get some string, Mother, 'cause I'm fallin' apart."

Olys Trip ADPs 12-7 in Final Game To Take Touch Football Championship

FINAL STANDINGS

	W	L	T	PF	PA
Oly	5	1	0	84	15
ADP	4	2	0	55	49
LSP	2	3	1	26	64
SLA	0	5	1	32	79

The Olys closed out the society football campaign by winning a hard-fought contest with a potent ADP team by a score of 12-7. This gave the Olys undisputed possession of first place and left the purple and gold in second.

Both Oly scores came via the air lanes with Reynolds throwing and V. Johnson receiving. The ADP score was on a pass from Unger to Dan Wright.

Earlier in the week the ADPs defeated the LSPs 13-0 and the LSPs defeated the SLAs 6-0.

Bums are "just a bunch of big, overgrown, blubbery baboons."

Despite the terrific furor aroused by the oncoming battle of the century, Bill (Baby Shoes) Miller, tackle for the Bohunks, and George (hello, girls) Mowry have continued their quiet way of slurping up all the food in the dining hall, thus saving wear and tear on the garbage cans.

Johnson Strong

Another lad who is expected to be very offensive is Richard (shoulder

V. Johnson, Galloway Marked To Lead Olys

Although not expected to have a very powerful quintet this year, the Olys figure to prove troublesome in the oncoming race. They are generally rated as the dark-horse entries and could slip into the lead if the LSPs and SLAs knock each other out of contention.

In Dean Galloway and Volney Johnson, the Olys have a pair of tall, experienced lads who are both capable of controlling the backboards besides dumping in their share of points. Galloway and Johnson hold the key to success for the red and white.

Aiding these two mainstays are a number of substitutes back from previous society play. They include guards Paul Sutherland and George Mowry, and forwards Art Sullivan, Dale Lilly and Rod Newman.

ders) Johnson who has refused to take a bath for the last five months in anticipation of the fracas. He has been assigned to guard the water bucket, replacing LaMont Lee, who has had the job for the past 27 years.

Biggest noise in the Bums camp last week was that old pro, Lloyd (I love life, so please don't tackle me, LaMont) Hubbard. Rumors have persisted that he sat on a tack and has been a howling success ever since. Whether anyone will be able to get to the seat of his troubles remains to be seen.

(NOTE: We picked on the above guys because we knew they would take it in the same vein it was given. Seriously they're the type of fellows that make going to NNC fun.)

SLA Casaba Quintet Rates Favorite Role

Strengthened considerably by the addition of two members of last year's varsity, the SLAs have taken over the favorite role in the boys' intramural basketball race.

Lloyd Hubbard, 6'2", 185-pound center and Chet Galloway, 6' forward, will team with guards Paul Jensen and Kenny Hills, and forward Whitey Bullock in providing the SLAs with a potent starting quintet.

Jensen paced the club in scoring last year and both Bullock and Hills were regulars on the squad. Against the LSPs Saturday they will likely employ a fast attack with Jensen and Hills leading the way.

Hubbard, Galloway and Bullock give them three six-footers in the front line and should enable the challengers to practically dominate the backboards.

Sign on a college student's door: "If I am studying when you come in, please wake me up."

Burkhart Sparks Cross-Country Team To Third Place; Smashes Record With First Place Finish At ISC Meet

Elected by the student body as yell leaders for 1950-51 were Mona Gowan, Rosalind and Raynette Pool and Bev Bailey.

Galloway Revives Lettermen's Club; Members to Select Tip-Off Candidates

"To be or not to be" debated college N club members before arriving at the conclusion that there will be no fall initiation of new members. The athletes elected officers for the coming year and discussed ways and means of reactivating the dormant lettermen's club. It was decided that initiation would not be renewed until

next spring since almost all of the present members are uninitiated.

Officers elected included Chet Galloway, president; Art Sullivan, vice president; Carlyle Dean, secretary and Woody Beukelman, treasurer. Elmore Vail and Prof. Ford will sponsor the organization.

Committees were appointed by Galloway to decide upon the nominees for tip-off queen and to discuss means of increasing sales of basketball season tickets.

"We were slowly starving to death," said the great explorer, at the boarding house table, "but we cut up our boots and made soup of them."

"Sh-h-h! Not so loud," exclaimed a fellow-boarder. "The land-lady might hear you."

Bob Burkhart, speedy freshman, sparked the NNC cross-country team to a third place finish in the Armistice day meet at Idaho State College. Running the rugged four mile course in 21:35, Burkhart smashed the old course record to finish first in a field of 28 runners. Harriers from Wyoming and Utah were entrants, including Skyline Eight champions, but big names meant little to the Crusader freshman who took an early lead and kept it all the way.

Burkhart's glittering performance was the major factor in the third place finish of the Crusaders who came in behind Wyoming and Utah. Cook, Lais, Marks and Newman rounded out the NNC entries and finished in that order as a team.

Wyoming, winner of last year's meet, also finished far ahead of other schools' entries as three Cowboys placed among the first five finishers.

Utah edged NNC for second place with the host school, Idaho State, a poor fourth. Rudy Rojas, great ISC runner, was hampered by an injured heel and failed to place among the first ten runners.

Bitter cold combined with a sharp wind should have held course times down, but instead a red hot race developed which saw the first three finishers break the old course record. The new record held by Burkhart, is a full 27 seconds faster than the mark set last year by Rojas.

Jayvees to Undergo First Test Soon; To Employ Double Post and Fast Break

Trojans Open Dec. 5; Prospects Look Good

Eagle high school will be the first opponent for College High's basketball squad this year. The two fives will clash Dec. 5 in Central auditorium.

Coach Elmore Vail termed prospects for the coming season as "good", pointing out that the club should improve with experience since most of the players are new.

Returning from last year's team are Mose Rothenberger, Arnie Van Hess, Ira Stiles, and Lauren Nichols. The traveling squad of ten men will be picked from the above four men and Ed Manley, Leon Doane, Darrell Reisch, Jerry Williamson, Bud Bold, Phil Blum, Floyd Johnson, Duane Olson and Paul Lawrence.

Two other lads who have looked good in the first week's drills are Clarence Kinzler and Curt Lyle, but they will not be eligible until next semester.

The Trojans will play approximately 18 games during the regular season and will close out the year by sponsoring the College High invitational tourney.

Vail plans to use a set style of offense with a double post and a man-to-man defense with possible variations into a semi-zone. However during the past week he has spent most of the practice sessions on fundamentals.

The Trojans closed out their grid season two weeks ago by shellacking Midvale 85-33 in a wild struggle. Previously they had racked up their fourth win in seven starts by bouncing St. Teresa, 39-6.

Floyd Johnson and Bud Bold led the team in scoring over the season while on defense, Lawrence and Reed drew praise. Manley, Stiles and Doane were also outstanding.

Coach Bob Kiel's junior varsity will get its first test under fire soon and Kiel expressed confidence that his cagers would give a good account of themselves.

The junior Crusaders, all but two of whom are freshmen, will feature a fast starting five which will employ a double post with a three-man weave out front similar to the offense used by Eastern Oregon.

Kiel added that he intended to exploit the fast break to the fullest extent by placing his fastest men out front on defense.

The probable first five for the early part of the season will find Jim Mowry and Clarence Olson at the pivot spots and George Fitch, Herb Geller and Bud Hibbard operating the weave. Olson and Hibbard are the only sophomores on the squad.

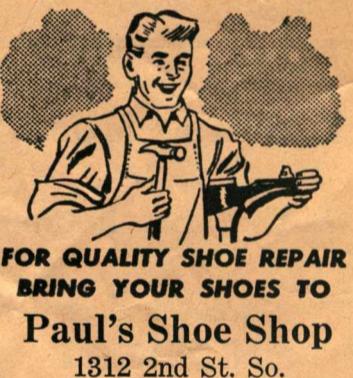

In reserve, at the pivot spots, Kiel will use Bill Miller and Ray Woolbright. Both are freshmen without previous experience, but they have been showing definite improvement and may edge into the starting picture.

Gordon Beeson, Julian Hagood, Lee Muffet and Bob Burkhart have been alternating at forward positions in the weave while Glenn Knapp, Bill Richards and Tommy Nash have been handling the reserve guard spots.

especially towards the latter part of the season, while Benedick, who performed at the safety spot, was considered as the best all-around defensive man by most of the opponents.

Marquette Accepts Paul Sutherland

Paul Sutherland, a NNC junior, was notified this week that he has been selected for admission to the Marquette University School of Medicine, at Milwaukee, Wis.

The requirements for admission are two-fold. The prospective candidate must maintain a high average in his pre-medical course, including certain required subjects, and also pass the medical colleges admission test.

A limited number of students who meet these requirements are then admitted to the various medical schools.

Paul is the son of Prof. F. C. Sutherland, head of the department of History at NNC and a missionary to China from 1936-1941, and is following the footsteps of his two brothers, David and John, both of whom graduated from Marquette.

Paul has been active in extra-curricular activities during his college career. He has been Student Council representative, treasurer of the Olys, and member of the cross-country team. This year he is president of the Olympians and of the Marshall Science society, and was recently elected to Who's Who in American Colleges and Universities for 1950-1951.

Juniors Select Program Chairman

At the last meeting of the junior class, a program committee was elected. Dick Friesen was chosen as chairman of the group and his assistants will be Merilu Anderson, Daphne Wells and Paul Sutherland.

Duties of the committee include planning of class parties and the junior-senior banquet.

Marshall Scientists Begin Year's Projects

Work on the various projects of the Marshall Science Society will be started next Thursday evening at the regular meeting. The various sections will be meeting at that time.

The biology division, which is the largest, will be working on several projects. They plan to imbed the following items in plastic: Seahorse, seashell, two beetles, ear of dogfish injected with latex. They also plan to construct several microscope lamps, to make some chromosome models, to prepare mammal skulls for mounting and to disarticulate and to articulate two bull frogs.

The math-physics division is planning to make a five foot slide rule for classroom use. They are also going to make a high voltage Tesla coil.

Parrot and Corlett To Attend Confabs

Prof. Les Parrot will leave early next week to speak at Minnesota Preachers' meeting on Nov. 29, 30, and Dec. 1. On Dec. 3 he will speak at Minneapolis First Church and will return to Nampa on Dec. 6 following a trip to Michigan where he will visit the Zondervan Publishing Co.

Prior to his journey to Minnesota, Parrot will visit Portland where he is scheduled to speak at the Portland Youth-for-Christ meeting in Civic Auditorium this Saturday.

Dr. Corlett, who returned from a series of meetings in Canada yesterday will go to Spokane early in December to attend a meeting of the Accrediting association of Northwest Colleges.

Timothys Elect Johnson, Burkhardt; Sanner Speaks

Volney Johnson was selected by members of the Timothy club to serve as vice-president of the organization and Meryle Burkhardt was elected to the secretarial post. Prior to the business meeting of the club, Prof. Elwood Sanner spoke to the group following which refreshments were served.

Prof. Wilson, Mrs. McMichael Attend Northwest Registrar's Convention

Prof. M. A. Wilson, registrar, accompanied by his wife, and Mrs. Wanda McMichael, assistant registrar, traveled to Portland recently to represent NNC at a convention of the Pacific Collegiate Registrars' association. Prof. Wilson served on the registration committee for the gathering.

"One of the subjects under discussion was the relative merits of the three and four point systems

for computing grade point averages. "At present, NNC employs the three-point system, but is considering a change to the four-point system which is used by most colleges in the Northwest," reported Prof. Wilson.

The entire final session was devoted to discussion of the problems of veteran enrollment, selective service postponements and possible future deferments.

Prof. Alvin Aller to Speak at Boise Valley Natural History Society Soon

Carolmay Rapp Wins Bible-Reading Event

Carolmay Rapp took first place for the LSPs in the first semester Bible reading contest held recently. Naomi Williamson captured second for the Olys and George Pfenninger copped third place for the SLAs. Fourth spot went to another LSP, Jim Carkhuff. Judges for the final contest were Profs. Sutherland, Parrot and Sanner.

The poetry reading division of the speech tourney will continue at a later date.

Faculty Prepares Fine Arts Program

The first in the series of the traditional Faculty Fine Arts programs is to be held Friday night, December 8, in the college chapel. All members of the Fine Arts faculty will be featured in various instrumental and vocal selections.

Several of the selections of the evening are as follows: Ivalee Bolgerjack will be featured at the piano; James McCoursey at the violin and Archie Jessie at the baritone. Vocal numbers will be presented by Warren Franklin and a piano ensemble featuring Elaine Carlson, Lucille Wilson, Margaret Wilkes and Rose Sanner will be one of the numbers of the evening.

Churches To Present Messiah December 10

The annual performance of the Messiah will be held Sunday evening, December 10 in the College Church under the direction of Professor Charles Ross, and will be witnessed by all the churches in the Nampa area.

Featured soloists will be Carol Sharp, soprano; Dolores Lovett, alto; Richard Lindblom, tenor; and Butch Bloomquist, bass. Miss Elaine Carlson will be heard at the organ, and Lucille Wilson at the piano.

The vocal group consists of approximately 200 voices, including college students and some townpeople from the various church choirs.

Rehearsals have been in progress since the second week of school. Prof. Ross expressed a desire for anyone who had previously sung in any performance of the Messiah to join the group.

Debaters To Return From Tournament

Five debaters left last week and will return tomorrow from Los Angeles where they entered the annual Western Speech association tournament at George Pepperdine college.

The debaters were accompanied by their coach, Prof. M. A. Wilson, who will also attend the Western Speech Teachers association meeting in Santa Barbara.

Students going on the trip were Bob and Jack Burke, members of the senior men's team; Dave Draper and Melvin Palmquist, junior men's team, and George Pfenniger, one-man debate.
