OLYs WIN FACULTY LOVING CUP

Combined Choir-Orchestra Presents Special Concert in Chapel Tonight

NNC's combined choir and orchestra will present a concert this evening at 8:00 in the chapel. James DeCoursey will be in charge of the orchestra and Miss Alline Swann will direct the choir.

The concert will be opened with a group of numbers by the orchestra. Selections include "Minuet" from Symphony No. 11 by Hayden, "Valse Triste" by Sibelius and excerpts from the Sixth Symphony by Tschickowsky.

Charles Ross will present a vocal number, "A New Heaven and a New Earth" from the Holy City by Gaul. He will be assisted by the college choir.

The choir will present the following numbers, "Beautiful Savior" by Christensen, "The Second Word" from "The Seven Last Words", by DuBois, with Wilbur Morgan as tenor soloist and James Carkhuff as baritone.

The program will be concluded with "Hail Bright Abode" from the opera "Tannhauser" by Wagner. The final number will be presented by the combined choir and orchestra. The concert will be open to the public.

National Assemblies To Present Exhibit

James Pitton's Science Wonders will be presented next Friday afternoon in the high school building under the sponsorship of the National School Assemblies program.

Pitton, who gained his M. A. in chemistry at UCLA has been in close contact with scientists who have worked with the Atomic Energy Project and with the cyclotron.

He will trace the story of the atom bomb, whose roots go back to the last century and were cultivated by scientists from several different nations.

Included in his program will be demonstrations of an atomic pile, models of the bomb, the search for uranium ore with black light, and of an actual Geiger counter and radio-active material.

Christian Workers Discuss Project

Discussion of the project for the coming year highlighted the first meeting of the Christian Workers' band held Tuesday evening. The meeting was under the direction of President Ray Bolerjack.

It was decided by the group to write the pastors within a 100-mile radius and offer to give special services either over weekends or in whatever form the pastors desired.

Prior to the business meeting, Phil Coe spoke to the group on the subject of evangelism.

Prof. Guy Sharp is sponsor of the band and other officers are: Merlin Hunter, vice president; Lois Oberg, secretary; Bill Miller, treasurer and Norman Van Slyke, program chairman.

The group will hold its next meeting on Tuesday and will meet each Tuesday thereafter.

Student Council Makes Appointments

Janette Pease was appointed by the Student Council to take charge of Wednesday chapel programs in council meeting last Monday. Appointed to take charge of campus day activities were Marilyn McGraw and Paul Sutherland.

The council also decided to have the art department make a poster announcing the coming Friday nite program. The posters are to be made and placed in front of chapel by Tuesday of each week. Howard Titterton was authorized to handle the matter.

Wednesday, the council, in cooperation with the senior class, sponsored the film "Pilgrim's Progress", a dramatic presentation of John Bunyan's book by the same name.

Ath-Lit Council Sets Play Dates; Scurlock, Ivester Chosen As Officers

Dates for the second semester society plays were set by the Athletic-Literary Council at their recent meeting. The ADP-Oly societies were assigned April 13 and 14 and the SLA-LSP play will be presented April 27 and 28. Judging will be done on the first night of each presentation, with the judges to be appointed at a later meeting.

Dot Scurlock was elected as secretary for the group and Dick Ivester was chosen to serve as treasurer.

Other business included canceling of the organ division in the music contest, since only two societies have organists, and replacing it with a girls' trio and men's quartet contest.

Dates for the intra-mural basketball tournaments were discussed and it was decided to allow only intra-mural athletes in the Mills-Cunningham tourney.

Carkhuff Wins LSP Vice President Post

Several vacancies were filled by the LSPs at their recent meeting. Jim Carkhuff was elected to the vice presidency of the society and three cheer leaders, Jo Ann Hutchison, Claudetta Martin and Ron Johnson were chosen by the group.

Gordon Belzer, newly elected president, presided over the meeting.

Hubbard, Jensen Fill SLA Vacancies

Chet Galloway, president of the SLAs, will be assisted by Lloyd Hubbard as vice president for this next semester. Kenny Hills was forced to resign from the office of athletic director due to work and Paul Jensen was elected to take his place.

Delores Lovett will be in charge of SLA plans for the Music Contest which will be held April 16-23.

ATTENTION

All students will be required to display their student body cards at next Monday's basketball game with BJC. The ruling has not been enforced so far this season but will definitely be enforced for the final game.

This decision has met with the approval of the administration Gamma Nu Gamma and N club officers, student council and the athletic department.

Students who have not yet purchased their ASB tickets should see Paul Kunkel immediately as the enforcement ruling will affect all students from varsity players on down the line.

Students who do not have ASB tickets with them and with their name filled in will be required to purchase a regular game ticket at the window for the student price of 50 cents.

The ASB ticket must bear the student's name and under no circumstances is transferable to any other person.

"David Copperfield" Judged Best Play; Second Place SLAs Top Literary Dept.

Rolling up a grand total of 3,172 1/3 points, the Olympians captured the faculty loving cup for the first semester, edging past their nearest rivals, the SLAs by a 123-point margin. Paul Sutherland was president of the winning society.

The ADPs were a close third with 2,936 1/2 points, 12 less than the SLAs and 129 more than the last-place LSPs.

The Olys showed their power in the athletic field, rolling up enough of a margin in that department to offset the SLAs who were especially strong in the literary phase.

"David Copperfield" Wins

The SLA-ADP play, "David Copperfield", directed by Marian Johnson and Norma Kastella, took first place in the contest program, boosting the point total of those two societies considerably.

First place finishes in football, volleyball, girls' softball, girls tennis

and girls' ping-pong were instrumental in the Oly win. All told they rolled up 1,623 5/6 points in athletics. The LSPs were closest to them with 1,407 1/3 points, followed by the ADPs with 1,403 1/2 and the SLAs with 1,248 1/3 tallies.

The SLAs copped 1,000 points with the winning play and added numerous second place finishes in the literary field to take first in that department with 1,700 1/2 points.

However the Olys came through with firsts in the Jamboree, closed night and the poetry reading contest to close the gap with 1,548 1/2 points. The ADPs were right on their heels, largely due to the outcome of the play, as they rolled up 1,533 tallies. Trailing behind were the LSPs with an even 1,400 points.

All Sunday and Wednesday nite services will be broadcast direct from College Church starting at 7:30.

The following schedule for this month was released by Virgil Vail, director of the radio class.

7:30 p. m. Variety music.

8:00 p. m. Haven of Rest.

8:30 p. m. Showers of Blessing.

8:45 p. m. Devotional period.

9:00 p. m. Concert music.

9:30 p. m. Sign off.

Budget, Amendment OK By Student Body

Students approved the proposed budget for this semester and an amendment to the constitution in balloting held Wednesday.

Vote for the budget was 132 to 23, or a 128-vote margin. The amendment, which would permit a student to participate in intra-mural activities regardless of the number of semesters he had been enrolled in school, as long as he paid the full student body fee, met with slightly more opposition but won out by a 66-vote margin with 106 votes cast in favor of it and 39 against.

2ND SEMESTER BUDGET

600 @ \$8.00	\$4,800.00
Oasis	1,850.00
Athletics	675.00
Crusader	525.00
Forensics	240.00
Ath.-Lit. Council	250.00
AWS	37.50
Men's Club	37.50
Senior Class	40.00
Junior Class	40.00
Sophomore Class	20.00
Freshman Class	20.00
Specials	10.00
College High	110.00
Dept. Clubs 13 @ \$20	260.00
ASB Salaries	80.00
ASB Parties	220.00
Reserve Fund	250.00
General Expense	135.00
	\$4,800.00

Kampus Kalendar

- Feb. 16—Orchestra concert.
- Feb. 17—Nelson - Unger wedding.
- Feb. 19—BJC at NNC (last home game).
- Feb. 20—NNC at BJC (season finale).
- Feb. 23—National Assemblies program.
- Feb. 23-24—CHS invitational cage tourney.
- Feb. 26-27 — Mills-Cunningham tournament.
- Mar. 2—Senior music recital.

Art Enrollment Up 50 Per Cent

Students enrolled in the different art courses this semester total 241 not counting those from the grade school and Junior high. This means there has been an increase of 50% over last semester. Prof. Finkbiener related, "We intend to maintain this enrollment with extensive advertising this summer so there will be approximately the same amount of students in the fall semester as there are in the spring."

Delta Kappa Gamma Elects Miss Allison

For her contribution in the field of education, Miss Ethel Allison has been elected to the exclusive Delta Kappa Gamma honor society.

The organization is composed of outstanding teachers from throughout the United States and is a national honor society.

An NNC alumni, Miss Allison began teaching here in 1944, having received her M. A. from the University of Washington. She later took graduate work at the University of California and Columbia University.

Corlett to Speak At U. of Idaho; Parrott Visits East

President L. T. Corlett has been chosen to serve as one of the speakers at the annual religious emphasis week at the University of Idaho and will leave Saturday, Feb. 24 to take part in the three day campaign.

He will also speak at the Moscow Nazarene church and this Sunday will journey to Twin Falls where he will speak in the Nazarene church there.

Meanwhile Prof. Les Parrott, Dean of students, left early this week for an extensive tour of the midwest. He will visit churches in the interest of the student loan fund and for the solicitation of students.

Prof. Parrott will hold several zone meetings on the district and will show pictures of the college to high school groups who attend the zone meetings. He will also contact many of them personally.

The trip is part of the administration's plan to counteract the decrease in enrollment due to the present world crisis.

Students Express Views On Etiquette; Decide N. N. C.'s Could Be Improved

The question has arisen as to whether N. N. C.'s etiquette would improve if instruction should be given regularly in the Dining Hall or some other appropriate place.

The Crusader decided to get the students' viewpoints of the subject. The following are their opinions:

Arthur Sullivan: "There is a need for it, and it would probably help some."

Jo Sanders: "It should be incidental in the home training but seeing a lack of it I think it would be a good thing to have a class such as this because it would probably help some students who need help along this line."

Charles Zickefoose: "It is obvious by the manners displayed by some of those who eat in the dining hall that we should have this type of program."

Lack of Manners Cited

Claudetta Martin: "Since there is a considerable lack of manners on the part of both the boys and the girls in most respects, a class of this type is definitely needed."

Bonnie Painter: "Yes, I am in favor of it, since it seems that so many of us act like we lack such training. Old fashioned courtesy and manners are sadly neglected around NNC."

Evelyn Herron: "We should be ashamed of ourselves to need a class such as this so badly. This type of training is grade school stuff. Nevertheless, from observations, some people need it badly. Shame on us."

Fowler Expounds

Don Fowler: "It shouldn't be necessary to have a class of this nature in college. One who has reached the college age shouldn't have to have such a class. But, nevertheless, such is not the case. I would suggest that the subject should be dwelt upon in chapel; then it would take in the whole student body. Chances are the ones who need the class wouldn't show up for it, for the ones who need the class are the uninterested, at least as far as social etiquette is concerned."

(Editor's Note: From the tone of some of the above statements it would seem as though NNC has degraded into a state of raw heathenism. It really isn't as bad as some people on the campus would have everybody believe. We agree that our manners could be improved, but for the several hundred outside readers who are totally unfamiliar with our campus or college activities, let us hasten to add that NNC is still a pretty nice place to go to school.)

Marriages

NELSON-UNGER

Miss Connie Jo Nelson, daughter of Rev. and Mrs. A. F. Nelson, and a senior at NNC, will be married to Ralph Unger of Whitefish, Montana, also a senior, tomorrow night at 8:00 in College church.

POOL-GALLOWAY

Miss Raynette Pool, NNC freshman, and Jim Galloway, a junior at NNC, were married early this week in the First Nazarene church at Portland, Oregon. Both the bride and groom are from Portland.

Engagements

Mr. and Mrs. O. A. Perkins of Butte, Montana, announce the engagement of their daughter Marilyn to Harland Lutz of Nampa. Marilyn, formerly an N. N. C. student, is now a student nurse at Samaritan Hospital, and Harland is a senior at N. N. C.

Strictly . . . for Guys

TALL TALK

So you have a date with that gal you've been eyeing for several days. Wonder what to talk about?

Find out her interests (vice versa for the girls, too). Good leading questions right at first are her home state, hobbies, how many in her family, ad infinitum. Be sincerely interested—if you aren't she can tell.

Once you find out what she's really enthusiastic about it should be easy sailing from then on.

DON'T expect all girls to know the latest football standings and high ranking players. Sports, talked about in moderation, are OK but unless she's vitally interested in them she may get bored after a steady diet of nothing but sports, SPORTS and more sports.

Mutual tastes are a great aid—unless you are both interested in many of the same things you won't be dating long, anyway.

—Asbury Collegian.

MANGUM MUSINGS...

By Marilyn Perkins

H-m-m-m, here it is February, the month of Valentines, cupid, and parties. All three have been much in evidence around Mangum Hall recently. The past few days, designated as Heart Sister week, proved to be much fun for both givers and recipients of each little daily remembrance. Climaxing the week was the Valentine party on Thursday night given for the student nurses and friends by the hospital staff.

But speaking of Cupid, and I did mention him in passing, he hasn't confined his activities around Mangum Hall to the holiday season. Since my last column (which I'll admit wasn't in the last issue) there have been two weddings and two engagements to occupy the interests of certain M. H. residents.

S'pose you're already heard, but just to keep it in the record, I'll announce that Doris Jean Mahl has been wearing Archie Jessie's ring since the hospital Christmas party on Dec. 18; that Julia Cox has been Mrs. Wes Kellom since Dec. 22, and that Vivian Foltz and Bob Somerville were married Jan. 26. For announcement of the other engagement, look elsewhere in this issue. Incidentally, judging from certain initials I've seen here and there, plus other evidence, I'd say other announcements might possibly be forthcoming.

But, lest you think nurses' activities include only social life, work and studies (we do get around to the latter two, occasionally) let me mention some of the recent highlights of our spiritual emphasis at Mangum Hall. During our recent annual week of prayer we were privileged to hear Rev. Leslie Parrott preach five stirring messages on practical Christian living.

Spring Weather Plus Lovebug Causes Parlor Class to Lose Many Members

This is a notice for all students who meet regularly in Morrison Hall Parlor after the evening meal. The weather has been becoming more spring-like every day and I have been informed that already some of those enrolled in the course have moved to the park for advanced instruction. This change is not due until later in the season but will be permitted until further notice from the instructor of the course.

City Accommodating

I am sure everyone will appreciate the courtesy which the City of Nampa has extended to the Spring Session of this class. At the present time we know there are at least two new street lights placed in the park thus completely illuminating two formerly dark areas.

The class extends its heartiest congratulations to its former regular members who have now found it possible to withdraw to private homes while waiting for another. One of the homes now being used temporarily is the Sharp residence. For further particulars see Carol. (I think the quota for this section has been reached—hasn't it, Cliff?)

In the past few weeks we have lost or graduated quite a number of students but always a new number is ready to take their place. We always welcome new members (at least, 'til the sofas are full), but please, no unescorted visitors! I might add that the parlor is a very safe place to be confidential, for

only one time during the past week has a recorder been found behind a sofa.

Strictly . . . for Gals

CONVERSATION SHY?

Silence may be golden—but when the "cat gets your tongue" and keeps it all evening just when you have a date with that special heart-beat, things are in B A D shape!

Maybe Mother Nature didn't endow you with an especially witty or brilliant mind, but don't try to imitate anyone else's technique. It would be a total flop—be yourself. And if you are constantly striving for something witty or intellectually above your head you can't be natural.

Don't Be Catty!

Find out his interests and hobbies. If you don't know much about them, admit it. He'll be in his glory telling you all about his special brand of interest—whether it be snakes, poetry, fishing or the like.

Lines too thinly disguised can be boomerang dynamite. Fellows DO talk, remember, and compare. If you just must use a line don't make it obvious. One gal in a large university who was a hit with the men used as her stock question, "What are you planning to do when you graduate?" They felt she was really interested.

And that is the key to good conversation—genuine interest!

CRUSADERS MEET BRONCOS IN FINAL HOOP GAME MONDAY

Basketball bows out for NNC's varsity cagers Monday and Tuesday nights when the Crusaders collide with Boise Junior college in a home and home series.

Monday night the final home game of the year will be played in Central Auditorium and Tuesday the Broncos and Crusaders move to Boise for the grand finale as far as NNC is concerned.

Have 14-13 Record

The orange and black cagers will enter Monday's tilt with a 14 won and 13 lost record and if they split the series, they will post the best record in the past two years.

A double triumph would boost their average to the best in the last four or five seasons.

In the first series of the season between the two fives, each team took one decision, NNC winning in Nampa and the Broncos taking the Boise tilt. Since then the Boiseans have chalked up a mediocre record whereas the Crusaders, after a poor start, have been rolling in high gear. They have lost only two of eight home contests and have captured the last four in succession.

Totten Leads BJC

C. W. Totten and Dwight Winslow have been the big scoring factors in the BJC offensive. Totten is a slender guard from Coeur d'Alene and Winslow is a bruising center who gained fame for his 86 yard touchdown dash in the Little Rose Bowl last fall.

For the Crusaders, forward Mel Iles, with a 10.5 average, has been the most consistent scorer. Carlyle Dean, Millard Reynolds and Woody Beukelman have also been capable point-getters while the fifth member of the starting five, Captain Ralph Unger, has been outstanding defensively and in playmaking.

Skip Wilcox and Myron Finkbiener have both turned in top performances especially on the last road trip and are certain to see action. Other reserves slated for duty during the final series are center Ron Weatherford and guard Curt Beukelman.

PATRONIZE YOUR ADVERTISERS. THEY ARE THE ONES WHO PAY FOR THE PIX WE ARE ABLE TO PUT IN THE PAPER.

Hills	21	17	17	11	.648	15	45	2.0

Total points: NNC 1,738; opponents 1,583. Average per game: NNC 64.4; opponents 58.7.

Crusaders Split With Seattle Pacific

An unpredictable Crusader basketball quintet journeyed to Seattle between semesters and gained an even split in a two-game series with Seattle Pacific college.

The Falcons, boasting one of their best teams in years, had held powerful Seattle University to a four-point victory just the week before.

SPC took a close 57-53 triumph on the first night, but in the second tilt the Crusaders had things pretty much their own way as they waltzed off with a 53-35 verdict. It was the best defensive effort of the year for the Nampans.

The first contest was a nip and tuck affair all the way, not being decided until the final minutes. The Falcons threw a zone defense against the visitors in the second half and that proved to be the difference.

Bud Bylsma led the Falcons in scoring with 15 points. He was a demon on the boards and played inspired ball all the way.

For the Crusaders, big Carlyle Dean rung the bell for 16 counters, four field goals and eight of 12 charity tosses.

The second game saw the NNC quintet break SPC's zone defense wide open. Led by Iles, Reynolds and Woody Beukelman, they ran up a 29-21 lead at the half, then poured it on to double the difference in the second half.

High man for the Crusaders was Iles with 12 followed by Reynolds with 11. High for the Falcons was Bradley with 13.

First game box score:

WILLIAMSON IS CHAMP

Lois Williamson, Oly, copped first place in the first semester girls' ping-pong tournament. Second spot went to Merilu Jensen of the SLAs and third place was won by Ardis Manley of the LSPs.

Naomi Williamson, another Oly, captured fourth place in the meet.

Olympian Girls Are Still Undefeated

Girls' Basketball Standings
Wed., February 14

	Won	Lost
Oly	2	0
LSP	1	1
ADP	1	1
SLA	0	2

The Olympian girls took up where they left off last semester by rolling on undefeated. They walloped the SLAs 34-9 and trimmed the LSPs 15-9 to take sole possession of first place. Sanders paced the SLA conquest with 11 tallies and led scoring in the LSP win with eight.

The LSPs and ADPs tied for second and third with one win and one loss each. The LSPs gained their triumph at the expense of the ADPs with a hard fought 16-15 decision. Hutchison paced the winners with ten points while Liddell of the ADPs had six.

Earlier the ADPs had squeezed out a 30-27 win over the SLAs in a thriller. Liddell and Hopkins were high for the ADPs with 18 and 12 points respectively. Rice with 13 and Rutledge with ten paced the losers.

NNC (53)	Pos.	(57) SPC
Iles (12)	f	(8) Lindgren
Reynolds (12)	f	(15) Bylsma
Dean (16)	c	(9) Bradley

Seventh Mills - Cunningham Tourney To Open Feb. 26; LSPs, SLAs Favored

Semi-finals in the seventh annual Mills-Cunningham tournament will be played off Monday, Feb. 26 with the LSPs battling the ADPs in the opener and SLAs clashing with the Olys in the nightcap.

The next night the losers will meet at 7:00 in the consolation game and the winners will tangle at 8:00 for the trophy. Should either the Olys, SLAs or LSPs win the tourney they will gain permanent possession of the award. Each of the three societies has won two meets and the first team to take three titles wins the trophy.

Should the trophy go out of circulation another one will be presented the school by Harry Mills and Bill Cunningham, co-sponsors of the meet. The Mills-Cunningham award was presented to the school by the two local business men in order to increase interest in the intramural program. Following the championship tilt the sponsors will present the trophy to the captain of the winning team.

Co-favorites for the title are the LSPs and SLAs, who have met three times this season in a trio of hair-raising thrillers. The SLAs notched a 19-18 win in the first meeting, but the LSPs staged a last minute spurt to gain revenge in the second encounter with a 34-22 win. The SLAs came back to take the rubber game of the set 36-35 in three overtimes.

Despite their poor showing to date, either the Olys or the ADPs could pull a surprise before the tournament smoke has cleared.

The Olys should be stronger for the meet since Dean Galloway, Volney Johnson and Gordon Beeson will be added to their club. Meanwhile the ADPs have shown improvement in their last few games and should be potent, especially with the return of Dave and Bob Burkhart, both of whom missed the last tilt.

Trojans Battle Kuna Tonight; End Season Monday at Central

College High's Trojans journey to Kuna tonight to seek revenge for an earlier defeat, and then they tackle Jordan Valley Monday night in Central auditorium for their final game of the season.

Elmore Vail's Trojans dropped their fifth decision in 15 tilts last Friday as Greenleaf spoiled the C. H. S. Tip-off game by edging out a 55-51 decision.

Nina Smith, College High senior was crowned queen by Ira Stiles, president of the CHS lettermen's club. Princesses were Joy Tink, a senior, and Neva Thompson, a junior. Theme of the evening was "Sweetheart Coronation" with gym decorations under the direction of the Pep club sponsored by Miss Gwilet Larson.

LSPs Trip Olys

Led by their high-scoring center, Lilburn Wesche, the LSP basketball five rolled to an easy 53-25 win over an improved Oly quintet in the first game of the second round of intra-mural play.

The blue and white raced to an early lead and never relinquished it, leading 30-8 at halftime.

Wesche tallied 12 points in each half, all on field goals, to chalk up a total of 24 points for the evening. Geller and Hopkins followed with 12 and 10, and both played an excellent floor game, setting up numerous tallies.

Leading the Oly attack was Volney Johnson with 10, followed by Beeson with seven.

LSP (53)	Pos.	(25 Oly)
Hopkins (12)	f	(4) Newman
H. Johnson (4)	f	(2) Beech
Wesche (24)	c	(10) V. Johnson
J. Galloway (3)	g	(7) Beeson
Geller (10)	g	(2) Hansen

GENERAL MISSIONARY SOCIETY SHOWS FILM

"Now I See" was the title of the film shown yesterday in chapel and sponsored by the General Missionary society. Nicki Taylor, program chairman, said, "There will be several other films shown this semester as well as other interesting programs."

N Club Slates Spring Initiation

"Another initiation" was the bad news that new members of the N club received following the latest meeting of the lettermen. Carlyle Dean, Dave Burkhart and Ralph Unger were appointed to the committee to devise proper ways and means of initiating the newcomers. It was decided that the N Club would conduct two initiations each year, one in the spring and one in the fall. No member will attain full status in the organization until he has undergone the hazards of the initiation ceremonies. Discussion was also held on plans for a special project for the group. It was suggested that the club build a new baseball dugout but no definite action was taken.

By Tom Kelly

Going into the fourth Sunday of the great David and Goliath Sunday School contest finds the rock that David is throwing getting bigger—but kinda slowly. That spear that Goliath has aimed at David is approaching its mark too fast for comfort. As a result, it's time to awake!

Hadley Hall girls are battling between floors to find out who will win there and also both of them are fighting to beat Bethany. Good cooperation, girls, keep it up!

Over at Morrison the girls have divided up into Gardeners — five groups working to find which one is the Master Gardener, with Sunday School being one of the major factors of the best garden and gardener.

The boys in Chapman are a little slow in getting their start, but with the Dorm council behind the Sunday school—things will really be hopping around there on Sunday morning. More power to 'em!

Our cumulative percentage total up to date is Goliath (Bethany) 56 per cent, David (N. N. C.) 47 per cent, which gives us a gain of one per cent over last Sunday. Seven Sundays to go! Minimum average of 806 to make! Top goal of 1,050 to break all existing records! What is the answer???? One hundred per cent dorm attendance plus all off-campus students! We can and we will make it! See you in Sunday school.

Ford Addresses Group On A-Bomb

Dr. Gilbert Ford, professor of physics at NNC, presented the basic ideas of the atomic bomb and related items of personal experience from his work in the research field at a combined meeting of the Marshall Science society and the Philosophy club.

Dr. Ford has taken work at the University of Colorado and has had considerable experience in the atomic field at the university and at the Oak Ridge atomic bomb project.

Following the address, Dale Swinney led the joint group in a discussion on the Christians' attitude toward the use of the atomic bomb for fighting purposes.

IES Manager Speaks To Business Club

Mr. Thomas Welsh, manager of the Idaho Employment Service, was special speaker at the monthly meeting of the Business Club last Thursday evening.

Mr. Welsh, who has been connected with the Employment Service for the past 13 years, told of the facilities available through the Employment Service and the job opportunities in this area.

SLAs Score Easy Win

A tall SLA five ran up a 21-11 lead then coasted to a 41-33 win over the ADPs in the second game of inter-society basketball.

With rangy Lloyd Hubbard leading the way the first five ran up a sizeable margin then let the substitutes take over. Hubbard led all scorers with 11, followed by Bul-

Girls to Celebrate St. Patrick's Day With Morrison Hall Garden Show

HOME EC CLUB REVEALS 2ND SEMESTER PLANS

Plans for the Home Ec club have been announced by President Eloise Shute. They include a picnic to Silver City, another Meryle Norman demonstration, an International Harvester demonstration of the freezer, and a spring style show which will be held in conjunction with several other campus and off-campus organizations.

In addition to a punch bowl set, the Home Ec club has been able to purchase a set of sherbet glasses through the sale of candy and cookies in the dorms.

OFFICE SURVEY CLASS CONDUCTS INTERVIEWS

Students enrolled in Miss Rose Voget's office survey class have been interviewing Nampa's leading business men during the past few weeks to get their views on "What you think the beginning office worker should know".

In addition, ten other questions are asked along the same line.

"Business men are cooperating very well," Miss Voget asserted, in referring to the progress of the survey thus far.

St. Patrick's Day, March 17 has been set as the date for the first annual Morrison Hall Garden show. The show will not only be a social event but will conclude the Morrison Garden contest with the announcement of the winner.

The Dorm has been divided into five sections, or garden plots, and over each plot a Head Gardener and assistant gardener have been appointed.

The Gardens and their big sprouts are Mary's Marigolds, presided over by Mary Freet and Evelyn Rutledge; Bev's Begonias, directed by Bev Bailey and Allene Lund; Hisa's Hollyhocks, tended by Hisa Horuichi and Jo Clocksene; Gerry's Geraniums, headed by Gerry Proudfit and Jo Keller and Evelyn's Evergreens, managed by Evelyn Gray and Floradell McKay.

The gardens will be inspected periodically by Caretaker Wilson and Custodian Tapley for evidence of blight, dry rot, cut worm, hook worm, Chapman Hall worms, night crawlers, pig weeds, choke weeds and garden mallow.

Cultivation of the gardens began Monday and will continue until 8:00 a. m. March 17.

SUTHERLAND WINS

Francis Sutherland, ADP, captured the boys' ping pong tournament by edging out Oly Millard Reynolds. Third place was nailed down by Ron Weatherford, ADP, and fourth place went to Kenny Nybakken, Oly.

lock with ten. Dan Wright paced the losers with eight.
