Students Who Plan To Take Selective Service Exam In April Must File Now

All eligible students who intend to take the Selective Service College Qualification Test in 1952 should file applications at once for the April 24 administration, Selective Service National Headquarters advised today.

An application and a bulletin of information may be obtained at any Selective Service local board. Following instructions in the bulletin, the student should fill out his application immediately and mail it in the special envelope provided. Applications must be postmarked no later than midnight, March 10, 1952. Early filing will be greatly to the student's advantage.

Draft Board Sees Results

Results will be reported to the student's Selective Service local board of jurisdiction for use in considering his deferment as a student, according to Educational Testing Service, which prepares and administers the College Qualification Test.

To be eligible to take this test, a student must intend to request deferment as a student. Second, he must be satisfactorily pursuing a full-time college course, and third, he must not have previously taken a Selective Service college qualification test.

Score of 70 Needed

Information released by Selective Service headquarters indicates that criteria for deferment as a student are either a satisfactory score of 70 or better on the test or satisfactory rank in class. To qualify in class rank a student must be in the upper half of the freshman class, the upper two-thirds of the sophomore class and upper three-fourths of the junior class.

Seniors accepted for admission to a graduate school satisfy the requirements if they stand in the upper half of their class or make a score of 75 or better on the test.

"38th Parallel" Is Shown In Chapel

"The 38th Parallel," filmed by Rev. Bob Pierce in Korea just before war broke out, was shown in chapel recently. Filmed less than two months before North Korea struck, the 45-minute film portrayed the different phases of life in South Korea.

Rev. Pierce was accompanied on his oriental tour by Gil Dodds, sometimes known as "Preacher" Dodds who holds the nation's record time on the indoor mile. While in Korea, Dodds competed in an exhibition track meet with native Korean runners who are world famous for their endurance on the track.

Huge rallies were held by the Youth for Christ troop headed by Pierce in all the principal cities of South Korea. One of the largest rallies was held in Seoul where newspapers estimated an attendance of 100 thousand people. Hundreds of people went forward at the end of the services in answer to the invitation extended to them by the touring evangelists.

Last summer Rev. Pierce again visited Korea filming his tour which has since been made into a picture and is available for showing.

Next Monday to Mark Annual Start Of Music Contest Finals In Chapel

Finals for the annual society Music contest will be judged next Monday, Tuesday and Wednesday with the LSPs and SLAs co-contenders for the first place spot.

The finals will be held in chapel with outside judges being brought in. The names of those who will be competing in the finals follow:

Radio station KROK, "The Voice of the Campus," is now being operated by the associated student body of N. N. C. The present broadcast schedule includes the chapel broadcast each weekday morning and evening broadcasts Monday through Friday from 7 to 9 o'clock.

Sunday evening church services from College Church will mark the beginning of each broadcast week. Station Manager Melvin Laws, with the help of the student council, chose his associates last week. Paul Wright was elected to fill the spot of assistant manager, with Cecil Thompson as his High School assistant.

Business Manager Ross Carrol and his assistant, Richard Grenier, were also recently elected. Chief announcer is Ronald Kirkpatrick who will probably choose John Stockett as his High School assistant. Chief engineer's spot will continue to be filled by Edward Manley, president of the College High radio club.

Manager Melvin Laws invites anyone who is really interested and willing to work to contact him or any of these officers for positions on the KROK staff. He further advocates that experience is not essential if the student is willing to learn and reminds the students that they will receive points toward an activity letter for their work on the radio force.

Spot ads are sold at the rate of 50c a spot which is about 25 percent cheaper than regular broadcast rates. These enable the station to be self-supporting but discs for their record library are largely obtained through donations, states Paul Wright. Anyone having records which they would like to see put to use on the KROK turntable may get in touch with any staff officer or take them directly to the studio in the High School building.

All members of the student body and faculty are invited to visit the studio any evening during broadcast time. If groups of more than four wish to look over the station layout, Laws asks that they check with him a day or so in advance.

Members of the Crusader staff will have charge of a 15-minute combination newscast - sportscast program each week.

Heart Sister Week Climaxed By Party

Breakfast in bed, polished shoes, new shoestrings, blouses pressed, rooms cleaned and treats of every description were just a few of the many kind acts evidenced during Heart Sister week at N. N. C. The campus has fairly teemed with excitement as approximately 150 girls went about secretly from Tuesday through Thursday accomplishing their deeds.

The week is sponsored each year by the Associated Women Students but this semester marked the highest participation of any year. Of special interest was the large number of faculty and off-campus students engaging in the affair.

Activities were climaxed Thursday night as the A. W. S. members met in Morrison Hall dining room for the Heart Sister party. Naomi Williamson arranged the program and served as spokesman for the A. W. S. Council. She was assisted by Bonnie Painter and her crew of "Vampires." Special numbers were presented by Patricia Wilkes and Ila Mae Van Notric.

Decorations of the traditional red and white were in charge of Elaine Zellmer, Clararose Cullen, June Loveall and Mona Gowen. Freda Worth, Virginia Walton and Mary Ann Renschler presided at the valentine box and presented the self-made valentines of every size, shape and fashion to the girls revealing the identity of their heart sister.

Receiving special attention was the huge box given to Head Resident Ruth Mack containing a live chicken to "add to her brood." Muriel Klein and Velta Jones arranged the refreshments of punch and cookies, which closed Heart Sister week for another year.

Geo. Washington Hews Cherry Tree

By Nolye Vinski

Heading a huge political machine at the time that Washington took over the presidency was Cherry Branche—the first woman political organizer. Due to her machine's deep rooted policies, its branching structure, and uniform saps, it was affectionately called the Cherry Tree.

Truly, George Washington was out on a limb. But, as soon as he was officially inaugurated he proceeded to sever this support and promptly reached the bottom of things.

Secretary of State Bean Hatchetson had a sharp head and, in spite of being hard to handle, his cutting efforts were deeply felt by the Cherry Tree machine. President Washington was ever grateful for these hard swung assaults and he displayed his gratitude by throwing the first political party. (Ed. note: A good time was had by all.)

DEVOTIONAL THOTS ON . . .

Purity Means Power!

By Dave Taylor

Pentecost was two-fold in its result. To those who were assembled in the upper room having the baptism of the Holy Ghost meant purity and also power. So many times we emphasize purity and fail to realize that as the result of purity there is power thus making the result of entire sanctification 2-fold.

Jesus realized this fact, for in the first chapter of Acts we find these words spoken by Him: "ye shall receive POWER after that the Holy Ghost is come upon you . . ."

In the first place the Christian that has been to the upper room in his experience and has had the infilling of the Holy Spirit finds within him power for spiritual victory in his own heart and life. There is a certain overcoming power that accompanies heart purity. The Holy Ghost baptism provides an inner bulwark that gives us victory in the time of battle. When temptations sweep down over one there is power in purity to cause overcoming victory.

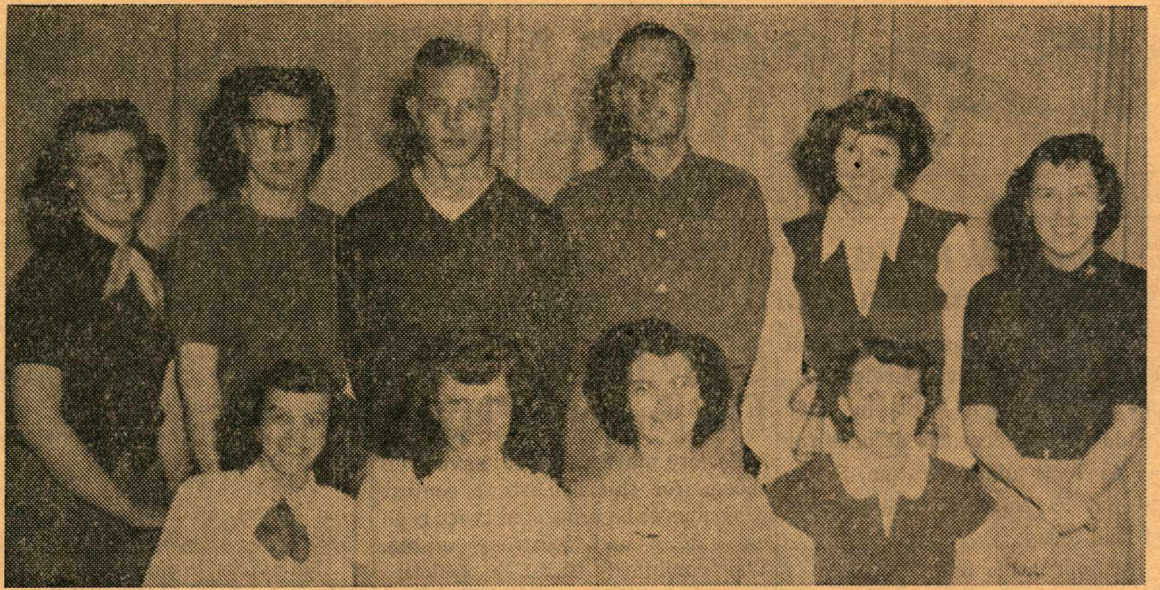

There is another way in which purity means power also. The disciples following Pentecost went out to evangelize a whole world and point men and women everywhere to Christ. They found in having pure hearts power to conquer for God. The reason so many young people are ineffective as Christians is because they have failed to tarry for a clean heart and in this way have deprived themselves of power for service.

Thank God for the power of Pentecost. Is your life a power for God? Do you have personal victory on the field of battle? Are you of service to God and the Church? The secret to power is purity. Purity means power.

George's first attempt to uproot the Cherry Tree's politics revealed it to be an exceptionally knotty organization. Egar J. Hooper headed the clean up committee appointed by the first party. However, the job was ultimately completed by George and his man-Hatchet. (Man-hatchet: "Bigger than, but resembling a shingle-hatchet,"—Knowa Weptstir.)

Cherry Branche made an excellent whipping post for the organization and was therefore dealt many stinging blows before she fell. She finally conceded, however, that the "Tree must die. George and Hatchetson had at last completely split up the Cherry Tree. (Ed. note: This created the first government surplus — Cherrywood Toothpicks.)

Second Semester Students Pose for Oasis

Pictured above are some of the second semester students enrolled at N. N. C. They are Donna Krause, Betty Ervin, Julian Hagood, Earl Barnum, Le Dora Jensen, Naomi Williamson, Betty Bell, Lettie Potts and Beulah Frey. These are the students who were present for their Oasis photograph and constitute only about 25 percent of the new students.

Bethany Leads The Sunday School Race For First 4 Weeks

Bethany is slowly creeping ahead in the annual Sunday School contest between the smaller College Church Schoolers and the mighty Bethany challengers as they go into the fifth Sunday of competition.

Percentage scores for the two groups now total 37 percent for the Bethanyites and 29.6 percent for the local group. According to recent statistics gleaned from a college-wide survey, however, Bethany is scheduled to slack off in her efforts. The Nampa scholars, by taking advantage of this news release information, can be enabled to rapidly avenge their earlier losses suffered at the hands of the Okies.

Sunday School Supt. Harper collaborates with College Church Pastor Riley in making the statement that, "if the total enrollment of College Church Sunday School will file through the three campus dormitories on their way to Sunday School each Sunday, taking care to pick up the numerous student stragglers, our percentage of increase for the rest of the contest will astound the Bethany students into a veritable stalemate."

It is rumored that the N. N. C. students have already made plans to act on this suggested strategy. If this grapevine tip is correct we feel safe to predict victory for the College Church Crusaders and utter defeat for the Oklahomans.

Revised Dorm Rules Set Up By Chapman

New rules and regulations are now in effect in Chapman Hall which portray an attempt by the dorm council to suppress excess noise and commotion during quiet hours. The new plan was accepted by inmates of Chapman during a recent dorm meeting.

New quiet hours in the dorm run from 8 p. m. throughout the night on Monday to Thursday of each week. Beginning time is extended to 11:30 on Friday and Saturday nights. The rules are planned to keep noise and disturbance to a minimum.

Breaches of rules subject the guilty party to a fine of 50 cents for the first offense with the amount increasing 50 cents each time until a maximum of \$5.00 is reached.

At the end of nearly three weeks under the new system, dorm council president, Jim Lais, says that the council is well pleased with the results of the new plan. He mentions that less than five tickets have been written for offenses and popular sentiment seems to sanction the new system.

WRIGHT-GAUSE

Mr. and Mrs. Marvin Gause of Cataldo, Idaho, announce the engagement of their daughter, Jo Ann to Paul Wright, son of Rev. and Mrs. L. Dow Wright of Grants Pass, Oregon.

No definite wedding date has been set by the couple who are both students here.

Melody in "F"

Feeling footloose and frisky, a feather-brained fellow forced his fond father to fork over some farthings, then fled far into a foreign field, where he frittered his fortune, feasting fabulously with faithless friends and flirting foolishly with fickle females.

Finally, fleeced of his fortune by his fellows-in-folly, and facing famine, he found himself a feed-flinger in a filthy farmyard. Fairly famishing, he fain would have filled his frame with foraged food from the fodder fragments. "Phooey, my father's flunkies fare far fancier," the frazzled fugitive feverishly fumed, frankly facing facts.

Frustrated by failure, filled with foreboding, and freighted with fear, he fled forthwith to his family. Falling at his father's feet, he floundered forlornly. "Father, I've flunked, and fruitlessly forfeited family favor . . ." But the faithful father, forestalling further flinching, frantically flagged the flunkies to fetch forth the finest fatling and fix a feast.

The fugitive's fault-finding frater frowned on this fickle forgiveness of former folderol. His fury flashed, but fuming was futile. "Such filial fidelity is fine," the farsighted father figured, "but what forbids fervent festivity? The fugitive is found! Unfurl the flags. With fanfares flaring let fun and frolic freely flow. Former failure is forgotten, folly forsaken. Forgiveness forms the foundation for future fortitude."

(Forged and fabricated from Luke 15:11-32).

Junior Yellster

Danny Defferies

If you are sometimes in doubt as to whether the little tyke with the cheerleader squad is an undergrown college student or the yell leader's mascot, we will settle your minds once and for all. Danny Defferies, three-year-old son of Mr. and Mrs. Frank Defferies, is the mascot of the NNC yell team.

Danny proves to be a very present help in time of trouble. The yell leaders are continually doing their utmost to produce a better response from the cheering section and if the interest slackens it's their duty to boost the enthusiasm.

That's where Danny comes in. His presence with the yell leaders creates an active interest in the yells and helps to build up the needed spirit. Nice going, Danny!

Members of Gamma Nu Gamma met at the Harmony Cafe recently for their annual breakfast together. Pins were presented to the associate members and plans made for second semester activities. Through the sponsorship of the Club, a girls coaching team has been formed to teach and develop an interest in sports which will be used after leaving school. Another project chosen by the girls is to provide lights and a scoreboard for the school tennis courts. Miss Wilson spoke five times during the convention on "The Challenge of Christian Living." Special music was provided by a trio from N. N. C. composed of Estelle Schroeder, Rosie Lyon and Virginia Poplin. Dr. Culver was guest speaker at the LaGrande, Oregon, Sunday School convention last week. She presented the aims and objectives of the Sunday School and the basic methods of teaching. The rally was sponsored by four Nazarene pastors, Roscoe Pershall, Dean Galloway, Walt Lanman and Dutch Goering, all N. N. C. graduates.

C. H. S. To Present Student Led Plays

Three plays will be presented by the College High dramatics class in the near future. Miss Helen Wilson, instructor of the class, has announced the plays are being directed by members of the class. "The Tarnished Witherspoons" was chosen by Darrel Riesch. Gladys Fred will direct "Christopher's Death" and Leon Doane is directing "The Cue He Knew." Due to vacancies created earlier in the year, College High recently elected two new members to the Student Council. Clarence Kinzler is the new Vice President of C. H. S. and Eleanor Gustin was chosen as treasurer.
