Prof. A. Kauffman Has Requirements For Ph. D. Degree

Prof. Alvin H. Kauffman returned late Sunday from Boston where he completed all of his work for the Doctor of Philosophy degree. He spent three weeks in the Philosophy Department of the Boston University Graduate school fulfilling the necessary requirements.

Kauffman, co-head of the N. N. C. combined department of Philosophy and Religion, completed his dissertation (not disertation, as it was erroneously spelled—or misspelled—in the last issue) and then passed his oral examination on the paper at the Graduate School.

This dissertation, entitled "ELAN VITAL, NISUS AND CREATIVITY," is a study of three recent doctrines of the creative principal in the universe. It deals with his field of specialization which is the realm of Metaphysics. His degree will be officially awarded on June 2.

Third to Be Honored

(Dr.) Kauffman is the third Nazarene to receive his Doctor of Philosophy degree in Philosophy from the Boston University. One of the others is Dr. R. V. DeLong, former N. N. C. president and professor of philosophy. The second is Dr. Delbert Gish who was also on the N. N. C. faculty in the Philosophy department and served as assistant to the president.

Dr. Oscar Slifer of Nampa and Dr. John E. Riley and Prof. Charles E. Taylor of the N. N. C. faculty took charge of Prof. Kauffman's teaching duties during his absence.

Men's Club activities will be under the direction of George Mowry for the year 1952-53. The election of officers took place recently during the chapel program. Mowry is from North Platte, Neb., and will be a senior next year.

James Hurd will serve as vice president, while the secretarial and treasury duties will fall to Carl Bryson, a sophomore this year. Gilford Fitz was chosen program chairman for the new year and Dick Johnson will be Sergeant-at-Arms.

The Men's club is composed of the men students enrolled in the college and high school.

L. Johnson To Fly To Alaska Assembly

Mr. L. Wesley Johnson, business manager of the college, will leave today by air from Boise for Fairbanks, Alaska. He will be in Fairbanks over Sunday and will speak there in behalf of the college. Rev. T. Melton Thomas is pastoring at Fairbanks.

On Monday he will fly to Anchorage where he will attend the first assembly of the Alaska district of the Church of the Nazarene. The Alaska district was placed in our educational zone last September. Dr. Hardy Powers, general superintendent, will preside over the assembly. Rev. M. R. Korody is the pastor at Anchorage.

Mr. Johnson will be in Seward May 3 and 4 where Rev. Leonard Hopkins, a graduate of N. N. C., is pastoring. While in Seward he will be the speaker at a Young People's banquet where he will talk on the college.

Early this week Mr. and Mrs. Johnson drove to California to be with his sister who is critically ill.

Boone Memorial Church Is Scene Of Jr.-Sr. Banquet

The Boone Memorial Presbyterian Church in Caldwell will be the scene of the Junior-Senior banquet this year. The traditional event is scheduled for May 2.

Committee members working on banquet are Ray Gregory, James Hurd, Raymond Tate, Earlene Tapley, James Lais, Donna Homes, Beverly Woodbeck, Duane Poplin and the Junior class sponsors, Miss Elaine Carlson and Dr. Hanson.

According to Ray Gregory, class president, the theme and the speaker will not be disclosed until the night of the banquet.

Idaho-Oregon Group Will Arrive Today

High School juniors and seniors from the Idaho-Oregon District are visiting the College today. The first group arrived last night and approximately 75 are expected with the motorcade. Pastors of the various Nazarene churches on the District are with the group.

Tonight in the chapel, the A. S. B. will give a program designed to acquaint the visiting students with the various activities of the College.

FILE ACTIVITY FORMS

Roger Marks, who is in charge of student activity letters this year, announces that those wishing to apply must fill out the required form as soon as possible and turn them in to him or Chet Galloway.

Blank applications may be obtained in the Crusader office, the Information office or the Student Council office. Fifty activity points are required for a letter subject to the approval of the Student Council.

Seniors Will Take Comp. Exams Mon.

Next Monday in the R. T. Williams Library, graduating seniors will be taking their comprehensive examinations.

According to Dr. Culver the examinations will begin at 9 a. m. and will be from 3 an 6 hours in length. A comprehensive examination is required of each candidate for a degree and supplementary work may be required if results are unsatisfactory.

Dr. Culver further stated, "The purpose of such an examination is to ascertain the candidate's command of the major field, and recommendations regarding the ability of the graduating student to do graduate study are influenced by the quality of work done in the examination."

High Standard Required

A high standard of work displayed in the candidate's major field through the comprehensive examination is also necessary for membership in Phi Delta Lambda, national honor society of the colleges of the Church of the Nazarene. Other standards set by the faculty are those of good character and a grade point average of 3.40 or above.

During the same hours of the senior comprehensives, students of the sophomore class will be taking the General Culture tests, including a test for competence in the use of English. Standard aptitude and achievement tests will also be available for students desiring to take them, irregardless of college classification.

Mrs. L. T. Corlett will act as monitor for the comprehensives and Prof. Tillotson is in charge of the lower division tests.

Voters Elect Miller New ASB Prexy; Other Officers To Be Chosen Today

Howard Miller, a junior from Mollalla, Oregon, was elected this week to fill the position of student body president for 1952-53. Miller gained the post by edging out Melvin Laws in the final balloting.

Elected to serve as publication editors next year were Earlene Tapley and Joe Keen. Miss Tapley will edit the campus newspaper, the Crusader, and Keen will head the college yearbook, the Oasis. Miss Tapley comes from Sallisaw, Okla., and Keen hails from Port Angeles, Wash. Both are juniors.

Elected to serve in the capacity of student manager of the campus radio station, KROK, was Paul Wright. Paul is a sophomore and comes from Grants Pass, Oregon.

354 Votes Cast

Three hundred fifty-four votes were cast, with four of them void, in this year's elections. This is by far the largest percentage of eligible voters to vote this year however; last year's poll total was 365.

President-elect Miller is majoring in Business Administration and is an ADP, having served his society as president last semester. An unusual coincidence lies in the fact that all four of the above mentioned new officers are members of the ADP society.

Primaries Held

Preliminary elections were held last Friday with three candidates vieing for the ASB prexy post. They were Melvin Laws, Jim Lais and Howard Miller. Laws is the present student manager of KROK, the campus radio station.

Lais is president of the SLA society and the Circle K club. Miller is the editor of The Crusader. All three of these who competed for the presidency spot have served on the student council this year. Lais was edged out in the preliminary voting.

Competing for 1952-53 Oasis editor in the primaries were Wanda Shockley, Bonnie McGraw and Joe Keen. Miss Shockley was defeated in the initial election.

In the race for next year's KROK manager, Paul Wright and Ross Carroll won over Richard Grenier in Friday's balloting. All three were on the KROK staff this semester.

Voting will be conducted at the polls today for the remaining student body officers for next year.

Nominations were made from the floor in chapel Wednesday for these candidates. They included nominees for the offices of vice president, treasurer, secretary, sergeant-at-arms, and also candidates for Christian Workers Band posts.

Student body president for this year, Chet Galloway, urges everyone to participate in their student government program by voting in the main hall of the auditorium today.

Vice Prexy Candidates

Those on the ballot for vice president of the student body are Jim Lais, Melvin Laws and Roger Marks. In the running for treasurer are Dick Ivester, Ray Tate and Lauren Sanders. On the ticket for secretary are Beverly Woodbeck, Mary Ann Renschler and Pat Wilkes.

Three College High juniors and one freshman will have their names on today's ballot for sergeant-at-arms. The juniors are Clarence Kinzler, Robt. Mittleider and Richard Lindeman. The fourth is freshman Gary Finkbeiner.

CWB Nominees Listed

Christian Workers Band officer candidates for president are Dave Witt, Dick Ivester and Jim Lais. For secretary, Geri Leih, Donna Krause and Helen Wick will appear on the ballot.

Nominations for treasurer for the C. W. B. were Lyle Starkey and Arlan Anderson. Those in the running for program chairman are Bonnie Painter, Duane Poplin and Mary Mattson.

Nevada-Utah Group Visits NNC Campus

Visiting the N. N. C. campus recently was a group of prospective students from the Nevada-Utah district. A total of 12 high school students from Salt Lake and Reno were in the group.

Rev. Wayne Burchart, pastor of the Reno First Church and Rev. Ketchum, Salt Lake City pastor, accompanied the group.

Prof. Charles Ross Directs NNC Choir In Concert At Nampa Christian Church

Art Students Take Sketching Journey

Three carloads of students and teachers from the N. N. C. Art Department are scheduled to leave next Friday for Elgin, Enterprise and Wallowa, Oregon. Prof. A. J. Finkbeiner and two other art instructors will accompany the 15 students making the trip.

Nature sketchings will be done by the students on the field trip. Sunday, May 5, services will be conducted by the group in each of the three towns mentioned. Practice in chalk drawings will be obtained by the art majors at these services.

Last Tuesday five students and Prof. Finkbeiner traveled to the Piute Indian Reservation in Nevada. Pictures were sketched in the natural habitat of the Indians on the reservation. Work was also done in the Steens mountain area of Nevada.

Students making the trip were Ralph Conaway, Ray Hudson, Art Sullivan, Louise Simmons and Jo Clocksene.

N. N. C.'s Crusader Choir, under the direction of Prof. C. Ross, presented a concert of sacred music Sunday night. The concert was held in the First Christian Church of Nampa.

Soloists for the program were Velta Jones, Mary Jo Robertson, Delores Lovett, Marvin Bloomquist, Estelle Schroeder, Quincey Angier, and Don Fowler.

For the first group, Mr. Ross selected "Sheep May Safely Graze" by Bach and "How Lovely Is Thy Dwelling Place" from Brahm's Requiem.

The girls sextet, composed of Delores Lovett, Jessie Newman, Beverly Woodbeck, Virginia Poplin, Marian Johnson and Mary Jo Robertson, sang, "Lift Thine Eyes," by Mendelssohn.

The concert was concluded with "Unfold Ye Portals" from "The Redemption."

An offering was received for the payment on a grand piano for the Christian Church.

Members of the N. N. C. choir and Christian Church choir were honored by a reception held at the church following the concert.

Campus Day Ends With Eats, Talent Show, Ball Game

Annual Campus Day activities last week closed with a supper in Kurtz Park followed by a Talent Program in the chapel. The planning of the program was in charge of Bonnie Painter and Arlin Anderson.

Included on the "Amateur Hour" type program were numbers by several local student "talenters." Evelyn Rutledge sang a minstrel number complete with costume. T. C. Leckie played a number on the piano. Milton Gudmundsen sang and accompanied himself at the guitar.

Barbershop harmony, Crusader quartet style, was also on the evening's agenda. Marvin Bloomquist, Quincy Angier, Kenneth Hills and Bob Johnson comprise the foursome. Gary Finkbeiner played a number on the marimba.

Smith Wins Pie Eat

Howard Smith slurped his way to victory in the pie-eating contest while the crowd roared "smear it on." Two films were also shown during the evening.

Earlier in the day, NNC was defeated by BJC, 9-2, on the newly-cleaned diamond.

Lauren Sanders and Laura Falk, co-chairmen in charge of the Campus Day activities, stated, "We wish to express our appreciation for the work accomplished."

Three of the outstanding jobs, according to judges, were Morrison's Patio, Mrs. Riley's "Green Thumbs" and the Crusader office. Mrs. Riley's understudies erected a pair of rose trellises in front of the Speech hall.

Members Honored At H. Ec. Banquet

Juanita Anderson, June Holly and Leah Goebel were honored at the Spring Banquet held recently by the members of the Home Economics Club. The three girls are majors in the Department and will be graduating this year.

The dinner was prepared, planned and served by club members. Featured on the program were Bernice Egger and Audrey Shute in a duet and "Epilogue From A Diary" by Elsie Miles, giving the prophecy for the senior girls.

Following the program, election of officers for next year took place. Lois Tracy was chosen to succeed Leah Goebel as president and Audrey Shute will plan the programs. Sales chairman will be Eunice Broadbent and Doris Holmes is the new secretary. The remainder of the offices will be filled next fall.

Ode To A Prof's Crosley

(Author Withheld)

I've vowed my jalopy must never look sloppy
Although its lines are outmoded.
With cleaner and polish I strive to abolish
The spots where the paint has corroded.
I work like a trooper to make it look super,
This car I'm determined to coddle,
But after I'm finished, my vigor diminished,
I still have a small yellow model.

Lovett Presents Soprano Recital

DELORES LOVETT

N. N. C.'s School of Music presented Delores Lovett, soprano, pupil of Charles Ross, in her senior recital last Friday evening in the College auditorium. She was accompanied by Joy Tink, Virginia Walton, organist and pupil of Elaine Carlson, assisted Miss Lovett.

Featured on the program were songs by French, Italian, German and American composers. Miss Walton played Arioso, and the Prelude and Fugue in F Major by Bach; Berceuse, Kinder, and The Cuckoo by D'Aquin.

Active in Music

Both students have been very active in the music department. Miss Lovett has been one of the soloists in the annual presentation of the Messiah the last two years, and she has been featured as the soprano soloist in the college choir of which she has been a member her four years of college. She is a member of Zeta Kappa Rho and Mu Upsilon Sigma.

Miss Walton is a junior in the School of Music. She has held the offices of secretary and treasurer of Mu Upsilon Sigma, and was winner of the Gretzinger organ cup last spring.

'Fountain of Youth' Girl Expires At 79

According to the daily press, Actress Fannie Ward, the "fountain of youth" girl, who reached old age still looking young, passed away at 79. Doctors said she suffered a stroke.

Her efforts to stay young made her an international celebrity, for over 50 years. Trim and pretty, Miss Ward often attributed her youthful looks to a secret facial treatment learned from a French actress.

When she was nearly 40 years old, she successfully played the role of a 14-year-old girl.

Even though Christian women do not possess the secret facial treatment of the French actress, they personally know Him with Whom is "the fountain of life." (Psalm 36:9) He has lifted the light of His countenance upon them and given them peace—even at the prospect of old age.

They have His unfailing promise: "Even to your old age I am He; and even to hoar hairs will I carry you." (Isaiah 46:4) And, the best is yet to come! They can say in the language of the Apostle John—"It doth not yet appear what we shall be; but we know that, when He shall appear, we shall be like Him; for we shall see Him as He is."

PHILOSOPHY STUDENT'S PRAYER

Our basal units which are (?) in metaphysical objectivity,
Hallowed be thy terminology
Thy ontological concept be realized;
Thy volitional causality be expressed:
As in metaphysical objectivity, so in cosmological reality.
Give us this semester a passing grade and forgive
Us our errors as we read only in English.
Lead us not into incoherence but deliver us from dogmatic irrationality,
For thine is the world ground, the omnipotence, and the being Greater than which nothing can be conceived;
For infinity and infinity. Amen.
—Danny Pyles.

DEVOTIONAL THOTS ON . . .

The Certainty of Christ's Return

By David Taylor

In the 14th chapter of John is recorded one of the most wonderful promises in the whole Bible. It is a promise that has brought peace to those in soul conflict, joy to those in sadness, encouragement to those in discouragement. It is a promise that portrays the certainty of the second coming of Christ. The promise, "I will come again . . ."

The return of Jesus is one of the most certain things in life. Death is certain for every person. Just as certain as death is the coming of Christ to this old sin-cursed world. Christ's return is a fact upon which one may place his plans and hopes. It is a definite and established fact.

It is a certainty because the Bible, which is the inspired word of God, proclaims it over and over again. Many times within the pages of the Eternal Book the truth of Christ's coming is expressed. The Bible is true. The very fact that the Holy Bible tells us that Christ is coming makes it an established fact.

Another reason for the certainty of Christ's return is that Jesus Christ Himself said that He would return. In one place He said, "Heaven and earth shall pass away but my word shall not pass away." The second coming of Christ is a definite and certain truth because Christ promised it.

These are dark and terrible days in which we live. Many are filled with fear and anxiety. There is something though that holds the Christian believer steady. Christ is coming.

Let us Christians hold steady during these days for Christ is coming soon. It's an established fact. He may come today. He may come tomorrow. We do not know when but we do know that He IS coming.

Crusaders Win First of Double-Header Over E.O.C.E., 6-4, Drop Nightcap 6-4

NNC's horsehide crew finally got on the victory trail when they won the opener of a twin bill with Eastern Oregon to snap a four-game losing skein. The Crusaders won the game 6-4 with a five run surge in the sixth inning which overcame a 3-1 EOCE lead. Ivester's triple and Detwiler's two-bagger were the big blows of the inning.

Lauren Sanders, who relieved the starter, Duane Poplin, in the fifth was credited with the win while Gene Fox suffered the defeat.

In the nightcap the Mountaineers came back in the seventh inning with two tallies to break a four-all tie and win by an identical 6-4 margin. Moore's long triple spelled the difference in that frame.

Rod Newman went the route for NNC and was charged with the defeat. Bob Green, who relieved starter Joe Miller in the fifth, gained the victory.

Previously the locals had been snowed under by BJC twice 10-2 and 11-1, and lost a pair to College of Idaho 6-3 and 15-1.

SLAs DOWN ADPs

Although the SLAs played their opening game short handed they were able to out-last and defeat the ADPs 8 to 5. Singles by Ken Derkatz, Whitey Bullock and Glenn Knapp, along with two errors by the ADPs accounted for five SLA runs in the first frame. In the third inning Knapp led off with a triple to left field and scored on Silvan Miller's infield out giving the SLAs their sixth score. The seventh and eighth runs came in the fifth inning as Derkatz singled and scored on Knapp's double who in turn scored on a single by Bullock.

Bunching singles by Doug Peterson, Floyd Wright and Howard Miller gave the ADPs their first two scores in the second inning. Again in the third frame singles by Russ Miller, V. Cochran and Howard Miller gave the ADPs three more tallies and their total of five.

LSPs FORFEIT

Inability to field at least seven players cost the LSPs their first two games. The blue and white presented the Olys with their first win by virtue of a forfeit and repeated the process in their second contest with the ADPs. The losses landed the LSPs in the cellar of the boys' softball league.

Olys, LSPs Win In Wild Scoring Spree

Leading all the way, the Oly girls copped their first softball win of the season by defeating the SLAs 14-6, while the ADPs lost to the LSPs 16-12. This second win for the LSP team, after a 9-5 victory over the Olys last week, places them in first place while the ADPs' 6-5 win over the SLAs gives them a second place tie with the Olys. However, this season's winner is still unpredictable with the teams providing more competition this semester.

Olys Defeat SLAs To Lead Softball

A home run in the last of the fifth inning with two men aboard, gave the Olys an eight to six win over the SLAs and handed them first place in the boys softball race. The SLAs drew first blood in the initial frame when Hubbard walked, stole second and scored on Arnold Rodger's single to right field. In the second inning the SLAs continued their scoring as Ken Derkatz and Merl Iles got free passes and scored on singles by Bryson and Rodgers giving the green and white a 4-0 lead. Striking back in the last of the second inning the Olys got two runs on a single by Crofford and a home run by Rodger Wright. In the third frame, Skip Wilcox led off with a single, stole second and third, and scored on a home run by Bob Johnson.

In the top half of the fourth inning the SLAs again took over the lead by scoring two runs on three walks and a couple of infield hits, but in the Oly half of the fourth, Bob Johnson whittled the lead to one run with a home run in left field.

Skip Wilcox held the SLAs scoreless in their half of the fifth inning but in the bottom of the fifth, Bryson, who relieved Seely because of injuries, was greeted with singles by Wright, McEvoy and Reynolds to fill the bases. After Wright was picked off third base, Wilcox got his game winning homer, giving the Olys an 8 to 6 victory.

NNC Women Begin Instruction in Golf

Future women golfers of N. N. C. began their training last week at the Broadmore golf club of Nampa. Mr. Dick Olson, a professional golfer, is instructing the fourteen women who are reporting each Saturday morning for the lessons.

Those participating are Violet Leighton, Lois Tracy, Marian Washburn, Gwilet Larson, Elna Funk, Olive Briggs, Naomi Williamson, Joy Tink, Carol Johnson, Jean Wells, Earlene Tapley, Virginia Walton, Wanda Shockley and Rose Voget.

Arrangements were made with the club by G. N. G. The golf tournament will be held at the Broadmore course this year and is scheduled the latter part of May.

Captain Art Sullivan's magnificent one-man showing paced NNC's Crusaders to an upset triumph in the third annual NNC invitational college track meet. The locals won with a total of 64½ points with Sullivan chalking up 20 of them.

Second place honors went to Ricks with 46 1/6 points, Eastern Oregon had 41, Weber 16, C. of I. eight and BJC three and one-third.

Brown Receives Award

Max Brown of Ricks received the outstanding performance award as he bettered two meet records. He set a new mile standard with a run of 4:36.9 and bettered the two-mile mark with a time of 10:25.8.

Leading individual scorers were Sullivan of NNC 20, Jim Frazier of NNC 11½, Bob Burkhart of NNC 11, Jensen of Ricks 11, Brown of Ricks 10 and Arlan Anderson of NNC 8¼.

Other new records were in the 220 low hurdles, Sullivan, 26:2; high jump, Proffitt, EOCE, 6 feet; and mile relay, NNC, 3:42.6. Anderson was .1 off the century dash mark, Burkhart was .6 away from the 880 record, Frazier was .2 from equaling the 440 record and Jensen of Ricks was 8½ inches short of the shot put standard.

Mayor Preston Capell presented the trophies. LaMont Lee was host coach and Dean Lewis was meet director.

TEAM LOSES AT ISC

The Crusaders didn't have the manpower to keep up with Idaho State and Ricks in a three-way meet at Pocatello, and wound up in third spot. Frazier picked up a first in the quarter mile with a time of 51 seconds flat and the NNC half-mile relay team copped first with a time of 1:36.1.

Frazier also took second in the 220 and third in the 100 while Art Sullivan picked up a second in the low hurdles and Bob Burkhart came in second in the 880.

BUSINESS DEPARTMENT SPONSORS ACTIVITIES

Students enrolled in the Office Machines Class were given a demonstration yesterday of the Sunstrand 10-key adding machine and the Electric Underwood typewriter by Mr. Carr, a representative of the Underwood Company.

Seven members of Prof. Hayes Johnson's Business Law class attended a trial in Caldwell earlier this week. The group made an informal report to the other members of the Business Law class. Those attending were Gene Clark, Fred Rapp, Gene Nakada, Harry Little, George Fitch, Howard Miller and Ray McGregory.

SHEPHERDESS CLASS

"The Preacher's Wife as a Hostess" was the topic of discussion at the recent Shepherdess class meeting on April 21. Other discussions included the different types of occasions at which she might be a hostess, planning church affairs, such as group meetings and parties, and entertaining strangers and sudden visitors.

Featured on the program were impromptu speeches by the seniors and Wade Gustin, magician from Caldwell. Ray Tate served as master of ceremonies.

Members of the Crusader Choir will travel to Ontario, Ore. to open the annual Music Festival Sunday, April 27. On Sunday, May 11, the choir will travel to the Mountain Home Air Base.

Other events scheduled by the music club are a student recital on May 7 at 4 p. m. in the chapel.

May first, orchestra conductor Walter Cerveny will give a violin sonata recital. Mr. Cerveny graduated from Yale University with a Masters degree in violin.

Also on the program were three numbers by the College High girls trio. Two instrumental solos were given, one a piano solo by Shirley Orchard and the other a number on the marimba by Gary Finkbeiner.

CIRCLE K

Plans are underway for a formal banquet of the Circle K club scheduled for next month. Dick Ivester is in charge of the committee planning the dinner and program.

Correction

An error slipped by the editor and proofreaders, who evidently aren't foolproof, in the last issue of The Crusader. It was erroneously stated that the Circle K Loving Cup to be given to N. N. C.'s top Departmental club would be given each semester. Instead the plan is set up on a yearly basis and will be presented each May. The cup will be given for the first time this year.

Thelma B. Culver To Hed Altrusans

Dr. Thelma B. Culver was elected last week to be president of the Nampa-Caldwell Chapter of the Altrusa club.

The Altrusa club is a national organization composed of women who hold executive positions in diversified business and professional pursuits. The distinguishing feature of membership in Altrusa is that only one representative of each particular occupational classification of business or profession can hold membership in the local club.

The Nampa-Caldwell chapter has a membership of 30 women, of which Dr. Culver has been a member for the past six years. She served as program coordinator last year.

Oly Day Marked By Fete in Kurtz Park

Last Tuesday the first annual Oly Day in the history of N. N. C. was held. A flash of red and white was seen on the campus as the Olympians donned their colors.

During the chapel hour they participated in a pep rally at their regular meeting. The Oly society members were present at the E. O. C. E.-N. N. C. baseball game with a cheering section in the afternoon.

An evening at Kurtz park, highlighted by refreshments, films and a variety program rounded out the day. George Mowry, Oly president, presided at all gatherings.

Hartzler Speaks On Social Work

Mr. Wilton Hartzler visited the campus last week on behalf of the American Friends Service committee. Mr. Hartzler spoke of the opportunities for students to live and work in areas of social, economic, racial and international tension. Students working in such areas help build community clinics, operate a playground, or perform some other needed service to the community.

"A war-born community without social organization in California, an inter-racial day nursery in St. Louis, are sites of work camps offered again this year by the Friends Committee," says Mr. Hartzler.

Organized in 1917 by the Religious Society of Friends (Quakers) to carry on relief and post-war reconstruction in Europe, the Committee has gone into areas of social and economic tension all over the world.
