

## Mrs. McMichael Resigns Position Following Four Years of Service

Culminating four years' service as assistant registrar, Mrs. Wanda McMichael has submitted her resignation to become effective this month. Portland, Oregon will be her new home, where she will join her husband who is attending law school there.

Coming to NNC from Everett, Wash., Mrs. McMichael has been active in campus events for ten years. She holds an AB in Mathematics, graduating as valedictorian of her class in 1946. During her junior and senior years she was listed in Who's Who in American Colleges and Universities and was selected as Outstanding Woman to receive the 1946 Lion's Club award.

Other activities included critic teaching in College High School, editing the Crusader and serving as Assistant Literary Editor of the Oasis. She was a member of Zeta Kappa Rho for three years and was active in Future Teachers of America club. One summer was spent in traveling for NNC with the Harmonettes ladies' trio.

Following her graduation she joined the faculty of College High School and two years later accepted her present position of assistant registrar. For several years she has edited the Messenger.

Mrs. McMichael's duties will be assumed by Mrs. Daphne McGregory, now employed in the Registrar's office.

## Chapel Programs Planned By I.R.C.

Highlight of the International Relations Club for the fall semester will be the co-sponsoring of the Northwest Regional Conference of IRC clubs with the College of Idaho and Boise Junior College, October 31-Nov. 1.

BJC will entertain approximately 120 college students from the Northwest for this conference. The meet will feature discussions of pertinent Asiatic, European and South American problems.

Speaking on "India and Pakistan, the New Rulers of Asia," will be Pres. T. P. Gainsborough, head of the American Academy of Asiatic Studies in San Francisco.

"Toward European Union" will be the topic presented by Louis de Gairingaud, Consul General of the French Embassy in San Francisco, who recently came here from Paris, France.

Howard Miller, NNC Associated Student Body President, will be master of ceremonies. Terry Yoda, program chairman for the IRC will arrange the portion of the program to be presented by our school.

## Academic Problems To Be Discussed

General academic problems will be discussed at the Dean's conference in Boise today and tomorrow.

Representatives from the liberal arts colleges in the state of Idaho will be in attendance. This year the division of social studies will be the object of discussion.

Dr. John E. Riley, Dr. Thelma B. Culver, Dr. Alvin Kauffman, Mrs. Florence Aller and Professors Sutherland and Sharp will attend the conference.

Dean Kerr, academic dean at the University of Idaho, will be in charge of the conference.

MRS. WANDA McMICHAEL

## Students Advised To Submit SSCAT Applications Now

Applications for the December 4, 1952 and the April 23, 1953 administrations of the College Qualification Test are now available at Selective Service System local boards throughout the country.

Eligible students who intend to take this test on either date should apply at once to the nearest Selective Service local board for an application and a bulletin of information.

Following instructions in the bulletin, the student should fill out his application and mail it immediately in the envelope provided. Applications for the December 4 test must be postmarked no later than midnight, November 1, 1952.

According to Educational Testing Service, which prepares and administers the College Qualification Test for the Selective Service System, it will be greatly to the student's advantage to file his application at once, regardless of the testing date he selects. The results will be reported to the student's Selective Service local board of jurisdiction for use in considering his deferment as a student.

## Wright Announces New KROK Staff

Paul Wright, manager of KROK, has announced the appointment of staff members for the year and a full schedule of activities.

Named as assistant manager is Ron Kirkpatrick, a sophomore from Walla Walla, Wash. Richard Grenier is the new business manager, assisted by Ron Beech. Dell Morgan will assume the position of ad writer and the chief announcer is Marvin Brunson, a freshman from Eden, Idaho.

"A schedule of programs will be posted each week," Wright stated, "and we want to urge students and faculty to listen in." Of interest also is a Campus News Broadcast every Thursday evening.

KROK operates on a carrier frequency of 740 kc and is on the air from 7:00 to 10:00 p. m. each evening. It is owned and operated by the Associated Student Body. Announcers chosen for the year include George Ferguson, Fred Rapp, Glen Gertson, Howard Arnold, Bill Vimont, Roy Kneeland, Emmett Hutchins, Paul Miller, Ron Moore and Melvin Palmquist.

## Campaign For Debt Reduction Tops \$21,000 Mark

Climbing beyond early expectations, subscriptions for NNC's debt reduction campaign passed the \$21,000 mark in the initial presentation of the drive this week. Nazarene churches in Nampa and surrounding cities contributed the first funds in an effort to rid the college of a \$50,000 mortgage by October 1, '53.

Heading the list of subscribers was College Church with \$12,146 promised. First Nazarene Church assumed \$3,102; No. Nampa \$866; Franklin Road \$535; Emmet Church \$701; and Boise First Church \$758. Previous pledges by Board of Regents members completed the total.

L. Wesley Johnson left this week for the North Dakota and Minnesota area where he will visit churches in the interest of the campaign. Dr. John E. Riley and Dick Tame, field representative for NNC, will travel throughout the states of Washington and Oregon during October and November.

## CLOSED NIGHT TO BE OCT. 17

The Athletic-Literary societies are making plans this week for the closed night program which will be held October 17. The winner of the closed night competition will be the society having the largest percentage of their total members in attendance. Only society members are counted.

Carolemay Rapp and Connie Mitchell will be in charge of several skits to be presented at the LSPs program, held in the chapel this year.

Every Oly will show up in his favorite head dress in Morrison Hall dining room with Dell Morgan in charge. Dick Johnson will be master of ceremonies.

Closed night activities for the ADPs and SLAs have not yet been disclosed. They will meet in the gym and speech hall respectively.

## First Bench List To Appear Monday

Today at 5 p. m. the first "Bench" will be composed by faculty members and will be posted Monday.

For the benefit of new students the "Bench List" is made up of students who have been reported by their teachers as doing unsatisfactory work in their classes.

According to Dr. Culver, those students whose names appear on the list are not allowed to participate in any intramural activity. Individuals listed, student officers and faculty sponsors are responsible for the enforcement of these rules.

Two D's, one F, or one Incomplete will place students on the "Bench" and removal is possible only after a week's time by correcting the deficiency.

Mrs. Geneva Bittleston is secretary of the Bench Committee.

## Kampus Kalendar

- Oct. 10—Bench due at 5 p. m. St. Theresa vs. CHS (here) 8:00 p. m. Initiation party.
- Oct. 15—IRC Chapel Program.
- Oct. 17—Closed Night. Cambridge vs. CHS (there) 2:00 p. m.
- Oct. 21-23—Speech contests.

## Idaho Leads States in 1952 Fall Enrollment With 142; Oregon Is Second and Washington Is Third

### Annual Sister Tea Scheduled Oct. 16

According to Lois Herron, president of the Associated Women Students, the Big-Little Sister Tea is being planned for Thursday, Oct. 16 from 2 to 4 p. m. in Morrison Hall parlor. This is the first AWS function of the year.

Other traditional activities sponsored by the group include the colorful pajama party, the annual Christmas Party, Heart Sister Week and AWS picnic.

Recently elected as secretary was Virginia Walton and Carolemay Rapp as assistant program chairman.

## Gov. Jordan Is Slated for Talk

Gov. Len Jordan will speak to the NNC student body at 9:40 a. m. Wednesday, Oct. 15 to present the Republican viewpoint in one of two political assemblies arranged by the college this fall. Mrs. Gracie Pfof, Democratic nominee for congress, spoke Wednesday this week.

The governor grew up in Wallowa County, Eastern Oregon. He played football and earned a Phi Beta Kappa key at the University of Oregon. His wife is a former dean of women at that institution. The Jordans moved to Idaho from Wallowa County in 1932. He was a rancher in Idaho County and later an automobile dealer in LaGrande. He also served in the Idaho legislature before his election as governor in 1950.

## Pfof Speaks On Election

In order to help the students become better informed and more interested in the coming presidential election, the International Relations Club has planned two chapel programs to present both party views.

Oct. 8, through the cooperation of the State Democratic Central Committee, Gracie Pfof, Democratic aspirant for the position of congressman from the First District, spoke briefly on the Korean situation, controversial Hell's Canyon and a few pointed remarks on the national platform.

Mrs. Pfof served Canyon County for 10 years as treasurer and has represented Idaho in the past three national conventions on the platform resolutions committee.

## Mowry To Act As Director of Band

George Mowry has been selected as director of the band for the coming year. Mowry, a former high school assistant band director, is planning a full calendar of events. Prof. Bulgin has been chosen as faculty sponsor.

Among the returning members of the band are David Cook, Harold Stickey, Eugene Nakada, Norman Crofford, Janet Hauger, Chuck Stewart, Louise Simmons and Dale Swinney.

Newcomers include Glenn Tombaugh, Ginny Poplin and Carolyn Ax.

Idaho again leads NNC students in total registration with 142 enrolled. Next highest comes from the state of Oregon with 99 and Washington rates third position with 79.

North Dakota edges Minnesota 20 to 18 for fourth place. Montana sent 13 students with 11 from California.

Other states represented are Wyoming, Michigan, Indiana, South Dakota, Kansas, Utah, Texas, Nebraska, Colorado, Iowa, Pennsylvania, Arizona, Missouri, West Virginia, Tennessee, Alabama, Ohio, Nevada and Kentucky.

Eleven students from a total of four foreign countries are also represented in the student body. The breakdown shows Canada with seven, Japan with two and Alaska and Peru with one each.

Figures released from the Registrar's office also reveal 21 church denominations represented. These include The Church of the Nazarene, Friends, Baptists, Free Methodist, Brethren, Congregational, Assembly of God, Church of Christ, Latter Day Saints, Methodist, Mission Covenant, Church of God, Baptist Temple, United Presbyterian, Christian, Missionary Alliance, Episcopal, Evangelical and Reformed, Evangelical United Brethren, North End Bible Church, Pentecostal and Pentecostal Holiness.

## Mrs. Voget Attends Business Convention

Mrs. Rose Voget is attending the Convention of the Western Business Education Association, in Salt Lake City this week end.

Mrs. Voget is secretary and treasurer of the Association, and will be a panel member in the sectional meeting on typewriting Friday afternoon. The panel is headed by Dr. Bruce I. Blackstone from the University of Idaho. He is chairman of the business education department. Other panel members are Lavere J. Wadley, American Fork High School, Utah; Eugene J. Kosy, Central College of Education, Ellensburg, Wash. and Hazel Mary Roe, Boise Junior College.

Featured speaker at the convention will be Dr. Robert R. Aurner, well-known business lecturer, consultant, and author. Dr. Aurner is an active writer and lecturer in the fields of communication, distribution and marketing. He was president of the American Business Writing Association, and in 1945-46 was the Dean of the College of Commerce, Biarritz American University, France.

The Western Business Education Association is affiliated with the National Organization of Business Teachers of America. The meeting is being held jointly with the Utah Business Education Association as hosts.

## NOTICE

Nominees for Who's Who in American Colleges and Universities will be voted on today. The ballot boxes are located in the hall of the Administration Building.

## The Faculty Speaks

By Dr. Alvin H. Kauffman

It is your duty and mine, not only as citizens, but as Christians, to cast our ballots on November 4. To show that this statement is true is the purpose of these remarks. I hope that every person who reads them will follow the admonition whether or not he agrees with the argument.

If you fail to vote, these are the only reasons you could give:

1. I think the world is ideal and doesn't need changing. This reason is contrary to facts and is, therefore, unacceptable.

2. I think the world is so bad that it can't be changed. This reason is unscriptural, and so must be rejected.

3. I think my vote wouldn't make much difference; it wouldn't be missed. This reason is unintelligent because absent votes are silent ones. It likewise is not worthy of acceptance.

4. I don't see any candidate worth voting for. This reason is visionary. No candidate is or ever will be ideal. Again we must reject this as unacceptable.

5. I am not living where my legal residence requires that I vote. This is not a valid reason, since absentee ballots are available to all registered voters. It reflects carelessness.

6. I have not taken the time to register. This is a selfish reason. We always find time to do those things we want badly enough.

Now it should be clear by all that Christianity—at least the kind to which we believe—is clearly opposed to that which is contrary to facts, a violation of scripture, unintelligent, visionary, careless and selfish. Therefore, if any of these has been your reason for not voting, the un-Christian nature of your failure to vote may be plainly seen.

DR. ALVIN H. KAUFFMAN

However, if there are any who are still unconvinced of the Christian obligation to vote, let me remind you that failure to cast one nevertheless—one for the force of totalitarianism. Our government was founded upon the Christian principles of freedom, equality, and respect for the worth of the human individual. If less than all of the citizens vote, then those who are elected to not represent the will of all the citizens. This situation represents movement in the direction of totalitarianism or the direct opposite of democracy and the Christian principles which we claim to uphold.

Therefore, let us firmly resolve, if we have not done so already, to cast our ballot in this all-important national election. This is no minor matter. We should take it seriously, prayerfully, and vote our true conviction as though our soul and the world depended upon it, which well they might!

## Initiation From A Freshman's Eyes

Oh, my aching feet! My toes have been curled under constantly since five this morning trying to take my size twelve tennis shoes with me over the campus.

My eyes ache, too, of course. They were open pretty early this morning. I tried to keep them closed at first but a peek at the Frosh boys' hair brought them wide open with a start. Charles Sheets looks the best with his green hair contrasting his red eyebrows.

I'll be so glad when I don't have to sing "Victory is sure for our college..." with my makeup cracking and my knees aching. I wish I could ride my horse like Sheila Marvin, hers doesn't always "step" in irrigation ditches like mine does.

I guess we girls aren't as bad off as Leon Doane. He looks so funny cutting grass with scissors while hobbling around with his legs tied together.

Honestly, I think Bob Worthington's beard is awfully cute. Why doesn't he wear one all the time?

I've always thought Marion Witten was a smooth dresser but she even looks cute in burlap and a perverted skirt. Maxine Horning looks okay with the Frosh fad—an omelette coiffure. And then there's me!

Bob Cantonwine doesn't need to wear boxes on his feet—they look like boxes all the time.

I'm pretty worried about lunch. How can anyone eat with one arm in a sling and the other hand in a glove?

They tell me Harry Williamson is the leading vulture. Others we'll be looking out for next week are Gaylon Oliver, Louisa Arnold, Norman Crawford, Phil Peterson, Mary Wing, Doug Peterson, Bonnie Painter, Howard Smith and just any soph. Retaliation will come!

I guess that's about all the talking I can do now, I have to sing the school song to Cass Mosteller for the eighth time!

—A Freshman Girl.

## Seniors Break Preceding Records; Make Successful Get-Away On Annual Sneak

For the first time in the history of NNC, the seniors were able to make a successful get-away on their annual sneak from the slumbering juniors.

The seniors left Nampa shortly after two Monday morning and met outside of Caldwell. The time of waiting proved to be one of anxiety as 3:10 came and Dr. Hansen's car hadn't arrived. Everyone remembered how innocent juniors had followed them around all evening, staying up much later than usual. However, Clary Olsen, and not the juniors, was to blame. Clary doesn't possess an alarm clock.

DR. THELMA B. CULVER

## Freshmen Advice From Dean Culver

Certain honors can be attained by the students of NNC if they set their goals early in the semester and at the beginning of their college career.

Undergraduate honors go to those students carrying a regular academic load who maintain a grade point average of 3.50 to 4.00 They earn high honors for the semester or year. Those who manage to make 3.00 to 3.50 will earn honors and students earning either or both, first and second semester will be entitled to honorable mention at the annual commencement.

Graduation honors go to the graduating students who have a grade point average of 3.00 but less than 3.50 for their entire course. They graduate cum laude. Those receiving 3.50 but less than 3.80 will be graduated with high honors (magna cum laude). Students receiving a grade point average of 3.80 or above will be graduated with highest honors or summa cum laude.

In addition Zeta Kappa Rho membership goes to those who maintain a GPA of 3.40 or above for two consecutive semesters. This is the local honor society.

Membership in Phi Delta Lambda is the supreme test of your scholastic ability. It is the national honor society of the colleges of the Church of the Nazarene. Students who complete their college courses with a four-year grade point average which ranks them among the upper 15 per cent of college graduates are eligible for permanent membership in the society upon vote of the faculty. Standards set by the faculty include good character, grade point average of 3.40 or above and a high standard of work displayed in the candidate's major field through the comprehensive examination.

So, freshmen, hitch your wagon to a star, study hard, keep your goal in mind and we'll see all of you in Phi Delta Lambda!

Gary Finkbeiner: Friendly atmosphere.

Pearl Tromberg: Activities you can take part in.

Roger Hitchcock: Helpful and friendly teachers.

Roger Johnson: Spiritual atmosphere.

Judy Kirschner: Swell kids.

Upon arrival at Shore Lodge the seniors ate breakfast and began a day crammed with activities. Of course, Miss Carlson had a shorter day than the rest since she spent an extra hour at the breakfast table.

Dr. Hansen played golf during the day. Later in the evening he gave an inspirational message at the campfire.

A number of the seniors seemed to thrive on shuffleboard. Don Fowler and Duane Poplin were seen playing past midnight. Don, probably for the first time in his life, was late for lunch Monday noon. Louise Simmons, Jim and Bev Lais became shuffleboard addicts also.

Elna Funk made a hilarious addition to the party when she went on her first horseback ride. Saddleburns proved to be the downfall of Jo Clocksene, Lois Becker, Donna Holmes, Bruce Koerner and Charles Thornburg.

Golfing was popular with a number of the fellows. Seen on the green were Clayton Garner, Gordon Garlie, Herb Myers, George Mowry, Dale Swinney and Lauren Sanders. Lauren is still looking for ten hamburgers he lost Tuesday afternoon.

Ray McGregory's chief occupation was throwing dead fish at innocent bystanders, and collecting dimes and nickles. Everytime he came around, we reached for loose change.

Eleanor Matthison and Janet Hauger spent a good deal of their time visiting friends.

Mistaking the door handle for the window roller left Mary Moore in quite a breezy position. Later learned that she found out it is a mighty long way from McCall to Shore Lodge when you "hoof it."

Terry "Shutterbug" Yoda went around scaring people with flashbulbs.

Ginny Poplin and Evelyn Gray kept Earlene Tapley and Elna Funk in suspense by their "expert" handling of the oars over rocks and sunken pipes. Virginia Walton sank a raft along with her other nautical escapades. Others who felt the call of the waves were Butch Bloomquist, Terry Yoda, Pat Wilkes, Apphia Koch and Don Fogelsonger.

Dave Witt and his faithful car ran a trial smoke screen on the trip around the lake. It was highly successful.

Inventors of the double-barrel-live-rubber-spool-gun, namely Clary Olsen and Howard Miller, proved to be "dead-eyes." For proof see the tails on their red caps.

Juanita Pate couldn't lay down her duties as assistant dean. She even went so far as to see that Miss Carlson's bed was comfortably coated with cracker crumbs.

Fred Rapp was seen picking up nickles for a strange woman who was playing the slot machine. He looked rather fetching down on his hands and knees.

It was discovered that John Rankin had his wild fling in the dining room when he ordered a T-bone steak.

It was a tired but happy group who were met by the juniors at Northside party Tuesday evening and were escorted to the dining hall for a "special treat" of chiliburgers.

## ENGAGEMENTS AND MARRIAGES

Mr. and Mrs. H. H. McBee, Nampa, Idaho, announce the engagement of their daughter, Beth to Mr. Floyd Johnson. Beth is attending CHS and Floyd is a member of the freshman class.

\* \* \*

Mr. and Mrs. H. I. Gardenhire, Hutchinson, Kansas, announce the engagement of their daughter, Doris, to Mr. Robert Calkins. Doris is a former student of NNC and Calkins is a member of the junior class.

\* \* \*

Mr. Robert Dempsey, '52 graduate, now of Kelso, Wash. and Mrs. Lenora Keel, were married July 27, with Rev. Leslie Parrott, former dean of students, officiating.

\* \* \*

Mr. and Mrs. Paul Morefield of Albany, Oregon, announce the engagement of their daughter, Pauline, to Gene Foster, who is stationed in Japan. Pauline is a member of the sophomore class. A wedding date has not been set.

## BOTANY

By Berton Braley

There should be no monotony  
In studying your botany  
It helps to train  
And spur the brain  
Unless you haven't got any.

It teaches you, does botany  
To know the plans and spotany  
That grow on earth  
And what they're worth  
And why some spots have notany.

You learn from reading botany  
Of woolly plants and cottony  
And learn just why  
They live and die  
In case you plant or potany.

You sketch the plants in botany  
You learn to chart and plotany  
Like corn and oats  
You jot down notes  
If you know how to jotany

Your time if your allotany  
Will teach you how and whatany  
Old plant or tree  
Can do or be  
And that's the use of botany.

## Letter to the Editor

A bunch of us ex-NNCites are mighty curious about the activities over at Alma Mater so we decided to subscribe to the campus chronicle. Enclosed find \$1.00. If the subscription rate is more than that don't feel a bit embarrassed to dun us for the rest because five of us are paying to pass it among us.

I surely do miss NNC and I'm going to be back as soon as I can, to finish my dab of education.

(Name withheld for obvious reasons.)  
Kelso, Washington.  
(Ed. Note: We billed him for \$5.)

## Trojan Talk

### "WHAT I LIKE MOST ABOUT COLLEGE HIGH SCHOOL"

Richard Lindeman: Spiritual emphasis and Christian fellowship.

Ed Manley: Christian atmosphere.

Nadine Seward: Art classes.  
Beth McBee: Religion and prayer before each class.

Shirley Orchard: Christian teachers and atmosphere.

Evelyn Sharp: Christian atmosphere.

Jenny Volk: Good cooperation you get from everyone.

Keith Wright: Understanding teachers.

Iris Stockwell: Friendly kids and Christian atmosphere.

Thelma Alexander: Devotions at the beginning of classes.

Betty Coffman: Friendly Christian atmosphere.

Joyce Conrath: Friendly atmosphere.

Florene Cooke: Christian atmosphere.

## Greenleaf Take 37-14 Win Over College High

Paced by the long gains of half-back Bob Chess and the passing of Dean Stands, the Greenleaf academy came from a 7-6 first quarter deficit and a close 19-14 third quarter advantage to thump the College High Trojans 37-14. The Stands to Hull pass play clicked three times for touchdowns in the final quarter while one was called back for a penalty. The brilliant running of Chess was a highlight throughout the entire game as he continually ripped off big gains to cut deep into CHS territory.

His shortest gain of the day brought the Grizzlies a short-lived 6-0 lead with five seconds remaining in the first quarter, a one-yard run around left end. But that five seconds was all the time the Trojans and Clarence Kinzler needed as the fleet right end took the kick off on his own thirty and dashed around his would-be tacklers for a 70-yard touchdown romp. A pass from Wells to Manley was good for the extra point and CHS had a 7-6 lead.

### Nichols Intercepts Pass

Two intercepted passes quickly set up the play that gave Greenleaf the lead which they kept until the final gun. After receiving the kick-off, Stands attempted a long pass which was intercepted by Nichols. Trojan Quarterback Mac Wells also tossed a pass to his own 45; it was intercepted by Lamm and returned 21 yards to the Trojan 19. On the first play from scrimmage, a pass from Chess to Stands was good for a 13-7 lead. Again in the second quarter, the same situation arose. A Wells pass was intercepted on the visitors' 40-yard line. On the first play, Chess passed 10 yards to Stands on the mid-field stripe who went all the way for the winning score.

### Wells Scores

Through the third quarter, it appeared that College High might regain the lead as they scored before two minutes had elapsed. From his own 30, Raymond Ax tossed an 8-yard pass to Wells who raced down the right sidelines 62 yards to the striped zone. Kinzler took a pass over center for the extra point.

On a play from scrimmage after the Grizzlies received the kickoff, a bad pass from center enabled College High to gain possession deep in enemy territory. After four tries they found themselves on the 10-yard line, inches short of a first down. The good fortune which gave the losers hope of their first victory of the season as Greenleaf was forced to punt. Safety man Mac Wells, tired from steady play, fumbled the ball and Greenleaf recovered on the CHS 28 yard line.

From then on it was all Chess and Stands as they clicked for three game-clinching scores and a 37-14 victory.

The score by quarters:  
College H. S. ....7 0 7 0—14  
Greenleaf ..... 6 13 0 18—37

The lineups:  
Kinzler re Hull  
Nichols rg Lamm  
Doane c Jeffery  
Manley lg Houston  
Goodman le Pierson  
Wells qb Chess  
Miller hb Clem  
Ax hb Stands

## DORMS ELECT COUNCILS

Hadley and Chapman Halls have now organized for the year. Councils have been formed and some plans laid for dorm projects.

Recently chosen members of the dorm council of Hadley Hall are Hansine Arneson and JoAnn Cook, freshmen, Mary Fredericks, sopho-

## Track Men Whip Into Shape For Moscow Meet

Coach Monty Lee's iron men of 1952, the cross country boys, have been enjoying perfect weather and are swiftly getting into shape for the stiff competition expected from the University of Idaho on Oct. 18, only one week away.

Good news was received by the squad this week when it was learned that outstanding freshman runner Paul Fouch will not be limited by an operation some time ago. It was feared that he could see only limited action but doctors report no ill effects.

Several fast times have been turned in in the two mile and four mile time trials. Burkhart leads the way with a fast 9:46 in the two mile. Besides Burkhart and Fouch, others who have been showing up well and will bolster the squad considerably are Gordon Beeson, Bruce Koerner and Paul Ralphs. Also running these preliminary time trials are John Prince, Stan Kern, Rich Powers, Roger Marks, Harold Bollinger, Gale Maxey, Eddie Wiebe, Winton Miller, Don Morgan, Len Back and Harold Stickney.

An excellent new obstacle course has been laid out in Lakeview Park. As described by Burkhart, it is rugged, new and challenging. Bridges to cross, stiff hills to climb, swamps to wade through, obstacles to jump over, sharp turns, a very complicated course is what awaits the runners at the beginning of the long four mile journey. Besides Lakeview Park, running is alternated between Bulldog Bowl, Kurtz Park and the golf course.

This afternoon, a rugged four mile time trial will be held. This is expected to be an all important test and will determine to a certain extent the squad which will travel to Moscow next Saturday.

## Experience Marks Junior Varsity Basketball Squad

The Junior Varsity basketball squad has turned out for the first meeting of the year with many promising, experienced men.

Leading the team is all-stater Mickey Dean from Nampa High who will probably be promoted to varsity work. Others expected to be out to greet Coach Dan Wright include Darrel Reisch, tall Dan Holloway and Leon Doane, all graduates from last season's excellent College High team. Frank Earlywine, from Salem Academy, and Paul Bynum, transfer from Olympic Junior College, have also turned out. Among many others will be Bob Cantonwine and Harold Weber from Walla Walla. Both have played in their city league with success and Cantonwine has seen some action with Walla Walla High School which last year won the state championship.

Wright will have an excellent group to work with and all are looking forward to a long, hard schedule.

more, and Eunice Broadbent representing the upper classmen.

As one of their projects for the year, the Hadleyites are planning to sell candy bars in order to buy a hot plate for their kitchen.

Bob Burkhart was chosen chairman of the council for Chapman Hall with Roger Weber, Lyle Starkrey, Carlton Bryson and Russell Miller serving as members.

## Society Softball

### Softball Standings

At the end of the first round of play in boys softball, the Olympians and the ADPs appear in the same situation as they were during first semester last year, tied for the top spot. The SLA girls are taking over the superiority showed by the LSPs last year with four straight wins and only one more needed for the first semester title. The boys are in a three-way tie with the SLAs horning in on the pie.

Boys—	Won	Lost
OLYS .....	2	1
ADPs .....	2	1
SLAs .....	1	1
LSPs .....	0	3

Girls—	Won	Lost
SLAs .....	4	0
ADPs .....	2	2
LSPs .....	1	3
OLYS .....	1	3

### SLAs Swamp ADPs

Betty Miralles tossed her third victory of the season as the undefeated SLA girls swamped the ADP team 7-3 Monday afternoon at Kurtz Park. The game's first batter, Cass Mosteller, scored the first run in the first inning to take a 1-0 lead only to see the ADPs go ahead 2-1 in their half.

A five-run outburst in the second assured them of victory and at least a tie for the league crown. One more win in the remaining two outings would give them the title.

The line-ups:

SLAs	ADPs
Mosteller .....	Hopkins
Cook .....	Tracy
Miralles .....	Gentry
Heppel .....	DeJong
Volk .....	Klohn
Horning .....	Liddell
Peckham .....	Phillips
Fisher .....	Bassett
Kaufman .....	Holmes

### Olys Defeat LSPs

Olympian girls came from behind with four runs in the bottom of the first inning last Monday to defeat the LSPs 5-3 and take their first softball victory of the year after three straight losses. Three of the first four girls to the plate, Oldencamp, Lewis and Armstrong, scored, followed by Lorrie Mack who crossed the plate with the winning run. Winning pitcher, Margaret McClung, scored an insurance run in the second inning while Mary Ellen Everest and Sharon Finkbeiner did the scoring for the losers.

The Olympian fielding showed a big improvement over that of the first round, particularly on third base where Dell Morgan roams around.

The line-ups:

LSPs	Olys
Reed .....	Oldencamp
Everest .....	Tate
Finkbeiner .....	Lewis
Wing .....	Armstrong
Urwin .....	Morgan
Slack .....	Mack
Schulz .....	Pool
Manley .....	McClung

## College High To Meet St. Teresa Tonight At 8:00

The improving College High Trojans will risk an enviable record tonight at Bulldog Bowl when they take to the field to meet the Saints from St. Teresa Academy of Boise. The Trojans boast a clean slate of victorious clashes in all sports in which these two teams have met in the past few years. Tonight they will be trying their hardest to add another to that string and at the same time, claim the first victory in the 1952 football season.

Coaches Elmore Vail and Roger Wilcox will be expected to field the same starting line-up which has been showing improvement in the last two games. It will include Kieth Goodman and Clarence Kinzler at ends, Ed Manley and Willis Nichols at guards, and Donald Doane to complete the line at center.

Ed Manley injured his knee in the Council game two weeks ago and it has been bothering his play considerably. He will not be expected to return to full strength before the season ends. The bad leg has weakened the pass defense and they have been working primarily on a remedy for two weeks.

Manley, although starting in the line, switches to the backfield and has done a good share of the passing in recent games. Starting in the backfield positions will be Mac Wells at quarterback and Raymond Ax teaming with Ellis Miller at the half.

No advance information has been received on the Saints, but they will field a strong team with a half-back who has caused trouble for the Trojans in three sports last year. St. Teresa lost to Greenleaf, last week's CHS opponent, by one touchdown, 13-7, while College High succumbed 37-14.

Game time will be 8:00 p. m.

## ADPs Take Honors In Women's Golf

ADPs took top honors in the women's golf this semester with all three entries placing.

Earlne Tapley took first place with Lois Tracy coming in as a close second. Both are ADPs. Sheila Marvin brought third place honors to the LSPs and Virginia Phillips, another ADP, took fourth position.

Others participating in the competition were Elna Funk (LSP), Lois Cramer (Oly), Jean Wells (SLA) and Ardis Manley (LSP).

Mrs. Rose Voget and Vi Leighton, GNG officials, acted as caddies and scorekeepers.

## NNC All Stars Defeat Northwest District Ball Club

Jim Jandreau, former all-around prep star in Oregon and for Pasadena College, pitched four innings of excellent relief work and powered two long home runs but his teammates failed to score enough runs as NNC defeated Northwest District Friday afternoon, 12-8.

Jandreau entered the game in the second inning trailing 1-0 when the first man to the plate, Lauren Sanders, doubled and scored from third on a ground-out by Wilcox. Embree put the Nampans into the lead, scoring from third on a ground-out by Maurer.

In the bottom of the fifth, Crowe and Slaniker scored on a single, double and an error to give the visitors their only lead, 3-2. It was short-lived, however, as Jandreau walked Johnson and Finkbeiner to start the sixth after which Dennis loaded the bases with a bunt single. A successful triple steal was executed and Finkbeiner then stole home to give the hosts a lead which they never relinquished.

Before the inning ended, three more runs had scored, Dennis on an overthrow to second, Welch on a ground-out to first, and Sanders on a long home run into the irrigation ditch in deep center field.

In the sixth, Jandreau walloped his second home run of the day, a two-run blast off winning pitcher Russ Miller.

Ard, who started the game for the Northwesterns, returned to the mound in the seventh and promptly served up a home run ball to Mickey Dean.

### Third Motorcade Donates Food

State and city dignitaries joined with NNC officials in welcoming the third annual motorcade from the Northwest district. The group, escorted to the NNC campus by a parade of 150 cars, arrived last week, bringing food and visiting high school pupils.

The caravan was met at west city limits and official greetings were extended by Dr. John E. Riley, who introduced Lt. Gov. Edson Deal and Mayor Preston Capell. Short speeches were also made by L. Wesley Johnson; Dr. E. E. Zachary, district superintendent from Spokane; Rev. D. R. Peterman of Yakima; Rev. J. D. Johnson of Coeur d'Alene; and Howard Miller, ASB president.

Members of the motorcade took part in two days of special programs which included a music program on the night of their arrival, a special chapel service, talent program and guided tours of the campus.

In addition to the truckload of food, the visitors presented to the college a check measuring two feet by six feet, in the amount of \$6,142.48, made in payment of the district educational budget. Dr. Riley accepted with the remark, "This is in reality the 'biggest' check NNC has ever received—both in size and amount."

### Future Teachers Attend Convention

According to those in attendance, the highlight of the 3rd District Convention of the Idaho Educational Association was a speech given by Dr. Frank O. McIntyre entitled, "A Better Mouse Trap Is Not Enough." Dr. McIntyre is a member of the California Teacher's Association.

A number of students representing the E. E. Angell Chapter of NNC attended the two day convention in Boise, Sept. 25-26. At last report the membership drive for the local chapter was 45. For a number of years NNC has had the largest membership in the state.

### FIELD TRIP TAKEN BY MARSHALL SCIENCE UNIT

Twenty-five members of the Marshall Science Society participated in an all-day field trip last Saturday.

At the Boise air terminal the group inspected weather instruments and watched the ascension of a radio balloon. A visit was made to Gowen Field's air control tower and to the CAA communications office. Also visited were the state health department laboratories. At the capitol, the group viewed the mineralogical displays and bird exhibit.

On the way to Idaho City the club stopped at Lucky Peak Dam to watch construction.

The evening meal was eaten as a picnic supper at a forest camp site. Ardith McCann and Steven N. Wilson were in charge of arrangements. Loring Beals is the president. The club is named for Charles V. Marshall, a long-time professor of science at NNC.

### CIRCLE K BEGINS WORK ON MORRISON CHAPEL

Saturday marked the beginning of construction work on Morrison Hall's prayer chapel. The chapel is this year's project for the men of the Circle K club.

Vince Seeley, foreman, reports that labor is being donated by club members. When completed, the chapel will be furnished with a wall-to-wall carpet, an altar, pulpit and three pews made of Philippine mahogany. The approximate cost is estimated at \$650. This is being raised through the selling of NNC hats, corsages and contributions.

In cooperation with Dean Taylor, members of the Circle K serve as ushers during the daily chapel hour. They also serve as a reception committee to all groups who visit the campus. During the recent Northwest District motorcade, various members of the group conducted guided tours of the campus.

The local organization is headed by Rod Newman. Norman Stuckle is serving as vice-president; Sam Scammon, secretary-treasurer and Dick Ivester, Jim Lais, Ray Tate and Howard Miller, board members.

### Class Officers, Sponsors Named

Classes met last week for election of sponsors and remaining class officers. Results of the senior election were as follows: Secretary, Donna Holmes; vice president, Charles Wilkes; treasurer, Ray McGregory, and chaplain, Don Fowler. Dr. Hansen and Miss Elaine Carlson will continue to act as sponsors.

Named as sponsors for the junior class were Miss Wanda Rhodes and Dr. Alvin Aller. The sophomore class elected Mr. Tom Kelly and Mrs. Florence Aller as sponsors. Remaining class officers named were Muriel Ivester, secretary, and Harold Stickney, chaplain.

Rev. Eugene Stowe was chosen as sponsor for the freshman class. Also selected by the class were Max Erwin, treasurer, and Wendell Poole, chaplain.

### HOME ECONOMICS CLUB

Lois Tracy, president of the Home Economics Club, has announced a full program of activities. The first event of the year will be the Idaho Home Economics Association Convention in Boise, Nov. 7 and 8. Representatives from all the college clubs in the state will be present.

Traditional activities of the club include selling refreshments at student body parties, participation in the art exhibit, and sponsoring a banquet for the seniors in the spring.

Co-sponsors for the group are Mrs. Alvin Aller and Miss Wanda Rhodes. Other officers chosen for the year are Audrey Shute, program chairman; Eunice Broadbent, sales chairman and Doris Holmes, vice president; Jessie Newman, secretary; Doris Rice, treasurer; Aphie Koch and Aleene Moulton, refreshment committee.

### Christian Service Organizations Make Plans for Semester

According to President Bob Burkhardt, the General Missionary Society is launching a project to secure enlarged photos of every project undertaken by the society since its founding. These pictures will then be displayed in a trophy case.

Other officers of the society are: vice president, Rod Newman; secretary, Lois Becker; treasurer, Herb Geller and program chairman, Duane Poplin.

### Foreign Missionary Band

The Foreign Missionary Band, a closely related organization, is under the leadership of Bob Calkins. The other officers are: vice president, Shirley Shultz; publicity chairman, Guilford Fitz; prayer request chairman, Eleanor Matthesen.

They have had Polly Taylor, a missionary's daughter from Peru, her pet monkey and Dean Galloway, an outgoing missionary, as guests.

A special feature of the F. M. B. is a radio program over KROK at 7:00 p. m. Thursday evenings.

### Christian Workers Band

Seventy-five students attended the first meeting of the Christian Workers Band. Officers elected for the year include: President, Dave Witt; vice president, Dick Ivester; secretary, Donna Krause; treasurer, Lyle Starkey, and program chairman, Duane Poplin.

In order to function more effectively, the Band is divided into four main groups. Their purpose is to sponsor week-end services, furnish music for revivals, and general out-point work.

### Mu Epsilon Sigma Elects Officers

Mu Epsilon Sigma was recently organized for the school year '52-'53 at the home of Mrs. Alline Swann, Dean of the School of Music.

Butch Bloomquist was chosen as president and Clayton Martin as his assistant. Helping them are Ginny Poplin, secretary-treasurer; Virginia Walton, social chairman, and Floradell McKay, publicity chairman.

### Gamma Nu Gamma Publishes Booklet

"Gamma Nu Gamma" is the title of a booklet published by the members of GNG and edited by Vi Leighton. The booklet will be off the press this week and will be given to all new students.

"We want to acquaint freshmen girls with the activities and requirements for membership early in their college life," commented Mrs. Jessie Newman, president of the group.

Returning members of the club this year are Jessie Newman, Virginia Walton, Lois Tracy, Betty Miralles, Lois Herron, Connie Mitchell and Ardis Manley.

### Business Club Holds Organization Session

Plans for the Business Club will be formulated Oct. 13 by the cabinet members according to Ray McGregory, president.

At the first meeting, held last week, 36 interested students were informed of the activities and purpose of the Club. Florence Sauter, Jack McEvoy and Bernice Egger were presented complimentary gifts from the Idaho Typewriter Exchange.

Other officers for the year include Herb Myers, vice president; Sam Scammon, program chairman and Bernice Egger as secretary-treasurer.

### Art Club Meets

Ray Hudson was elected president of the Art Club and Ed McDowell has taken over the duties of treasurer. Chet Downing was chosen secretary.

Prof. Finkbeiner, faculty advisor, has announced tentative plans for a three-day field trip this fall.

Two major exhibits of Art will highlight the year. The first is the annual pre-Christmas exhibit scheduled for Dec. 8-12.
