## Miller Lectures End in Morning Chapel Service

REV. E. W. MARTIN

This morning's chapel hour marked the close of this year's Miller Lectures presented by Rev. E. W. Martin, pastor of Detroit's First Church of the Nazarene.

Rev. Martin has been speaking to the ministerial students each morning at 8 concerning various phases of pastoral work. His chapel messages have been of a devotional nature.

Before pastoring the Detroit First Church, Rev. Martin pastored at East Liverpool, Ohio. He has recently closed a Crusade for Souls campaign at Bethany, Okla. Rev. Martin is considered one of the outstanding leaders in the Church of the Nazarene.

Dr. and Mrs. H. V. Miller established this lecture series in 1943 in order to provide practical aid and advice to young people preparing for Christian service. Following Dr. Miller's death, College Church asked for the privilege of continuing these lectures in Dr. Miller's name.

Dr. Paul Rees, Dr. E. O. Chalfant, Dr. Mendell Taylor, Miss Bertha Munro and Dr. Paul Petticord are a few of the previous speakers.

## Spring Cleaning Day On Campus Set For Tuesday, April 21st

Classes will be forgotten and spring cleaning emphasized next Tuesday when students will turn out in work togs for the annual Campus Day, April 21.

Herb Geller and Marjorie Graves are co-heading the event, assisted by Carol Newgard and Louisa Arnold. The theme chosen will not be disclosed until the morning rally in the chapel.

"Rise and Shine" call will sound at 7:30 with breakfast at 8:00 and the group meeting in the chapel at 8:30. From 9:00-1:00 student sections will be working in every area of the campus, "spiffing" it for spring.

After lunch in the dining hall a ball game is scheduled. A park supper and eight o'clock evening program will conclude the day's activities.

## NNC Debate Team Wins Four of Six In Missoula Tourney

Debaters Lyle Starkey, George Pfenninger, Roger Marks and Bob Harmon traveled to Missoula, Mont. last week for a regional speech tournament. Both teams won four out of their six debates and participated in the semi-finals.

## Special Crusader Release Announces Faculty Changes for Coming Year

In a special release to the NNC Crusader, Dr. John E. Riley announced the following changes in the faculty for next year.

Dr. D. Shelby Corlett, well-known on the campus, will join the religion department. Dr. Corlett received his Th. B. from Pasadena College and the D. D. from Bethany-Peniel College. For 10 years he was general secretary of the Nazarene Young People's Society and for 12 years served as editor of the Herald of Holiness. For 10 years he has edited the Preacher's Magazine. During the month of February he was special speaker for the Holiness Crusade on the NNC campus.

"Dr. Corlett is a widely-known exponent, preacher and writer on the doctrine of entire sanctification," Dr. Riley said, "and we are indeed fortunate in making this addition to the faculty."

DR. D. SHELBY CORLETT

Reeves Added to Philosophy Dept.

Replacing Dr. Alvin H. Kauffman will be Mr. Marion F. Reeves. Mr. Reeves received the master of arts degree from Ohio State University, where he majored in philosophy and minored in psychology. He has also completed most of his residence work toward the Ph. D.

At the present time Mr. Reeves is attending the Nazarene Theological Seminary and will graduate this spring. During his college days, Mr. Reeves was active in campus radio programs, student council activities, the philosophy-speech clubs and lettered in basketball. He will teach philosophy and psychology. Mr. and Mrs. Reeves will arrive in Nampa this summer.

An addition in the Division of Social Science is Mr. Harvey J. Campbell, who will teach history. He received the master of arts degree from Colorado State College where he majored in history and political science. Minors include English, Spanish and history. Mr. Campbell will also assume some work in the field of English.

Mr. Campbell has had fourteen years teaching experience in grade and high school and two years' college experience. During his college days he worked as college adminis-

trative assistant. The new faculty member is married and has four children.

### Alumnus Returns to Teach

An NNC Alumnus, Miss Pat Davis, is returning to teach French and high school English. Miss Davis received her master's degree at the University of Washington. Since her graduation she has taught two years at New Meadows, Idaho and one year at the Seattle Christian School. Her undergraduate and graduate majors include English, French and education.

Mr. Hays Johnson will return from leave of absence to head the department of Business Administration. He is completing his work for the degree of master of science in business administration, at the University of Idaho.

### Music Faculty Makes Additions

Changes in the music faculty include the return of Miss Ivalee Bolerjack who has been on leave of absence for the past two years completing an additional master's in counseling. She has been studying at the University of Oklahoma.

MISS HELEN WILSON

Miss Bolerjack taught at NNC six years before going on leave and has her master's degree in music. She will teach piano, music education and advanced music theory. During the time she has been studying at the University she has been head resident of one of the women's dormitories. Miss Bolerjack will act as head resident of Morrison Hall.

Mr. Wilbur Harris comes to us from Iowa. He will join the faculty to teach wind instruments and the band. Mr. Harris received his B. A. degree from John Fletcher, University Park, Iowa, with a major in public school music. Post graduate work was accomplished at the Chicago Musical College, Vandercook School of Music and the University of Minnesota.

### Harris Active in Music Field

The teaching experience of Mr. Harris includes fifteen years in the public schools, mostly band, orchestra and vocal; three terms on the teaching staff at Bemidji State, Minnesota, and John Fletcher Col-

## Seniors Begin Study For Comprehensives

Comprehensive examinations will be taken by seniors Monday, April 27 at nine o'clock in the R. T. Williams Library.

"Recommendations regarding the candidate's ability to do graduate study are influenced by the quality of work done in the comprehensive examination," says Dr. Culver. She also states, "The purpose of the examination is to ascertain the candidate's command of the major field."

The examination is required of each candidate for a degree in his major field. It will be oral or written and from three to six hours in length. Mrs. Elmer Bittleston will act as monitor for the examination.

At the same time, the sophomores will be given in the administration building under the supervision of Donald B. Tillotson, chairman of lower division.

## Judging of the Music Contest Finalists To Take Place April 20-23 During Chapel

Music contest finals will be judged during chapel hour Monday through Thursday of next week. To encourage interest and efficiency in church music, the music council voted to include in the competition church musician teams consisting of a song leader and an instrumentalist. Each team will open the chapel hour one of the four days.

Representing the SLAs will be Eleanor Matthiessen, song leader; Virginia Walton and Colleen Wooten, instrumentalists. Guilford Fitz will be song leader for the ADPs with Ginny Poplin and Bonnie Painter as instrumentalists. Clayton Martin, Oly, will accompany George Mowry. Beverly Lais, song leader; John Rankin and Carolemay Rapp, instrumentalists, will represent the LSPs.

Finalists in women's solos will be Darlene Gentry and Floradell McKay, ADPs; Connie Mitchell and Nancy Shimabakura, LSPs, and Eleanor Matthiessen, SLA.

## College High School Vote Swings Decision

With a record-breaking 93.7% turning out for student body election last Monday, college and high school students gave the nod to Dick Ivester to head college affairs next year and elected publications editors and KROK manager.

An infinitesimal margin of three votes separated the two top contenders for student body president, with Jim Lais polling 240 votes to the 243 cast for Ivester. This is the closest presidential race in the history of the school. The board of tellers reported a 25-vote lead for Lais in the college voting section, but high school preference for Ivester toppled the final decision in his direction.

### High School Challenges

Sidelight of the election race was the challenge thrown out by the high school, vying with the college freshman class in representation at the polls. Final figures showed that 99% of the eligible high school students voted, while the freshmen turned in a percentage of 95.

Lone contender Bonnie McGraw was chosen Oasis editor. Bonnie, a senior next year, worked extensively on the current edition of the year book. She is from Clackamas, Ore.

Noreen DeJong, a sophomore from Mitchell, S. D., defeated Art Manchester in the race for 1953-54 editor of the NNC Crusader.

New manager of campus radio station KROK is Marvin Emrich, a junior from Laramie, Wyo., who took the lead over Ron Beech.

Nominations were made in Tuesday's chapel hour for vice president, treasurer, secretary and sergeant-at-arms of the ASB and offices in General Missionary Society and Christian Workers Band.

Those nominated were: Vice president, Norman Stueckle and Rod Newman; treasurer, Jack McEvoy and Roger Weber; secretary, Bernice Egger, Sam Scammon, Lois Tracy, Floradell McKay and Bertie Graham. Gary Finkbeiner, Roger Hitchcock, Glen Hughes and Ronnie

## Investiture Speech To Be Given By Dr. Alvin Kauffman

Commencement exercises are officially opened at the Investiture program which has been set for May 4 at 8 p. m. in the college auditorium.

Dr. Alvin H. Kauffman has been chosen to deliver the address and Dr. Thelma B. Culver will give the charge. Dr. Gilbert Ford will speak on the significance of investiture.

Marshals from the junior class are Bonnie McGraw and Carlton Bryson. Others on the program include Rev. Eugene Stowe, Dr. Carl Hansen, Lauren Sanders, Virginia Walton and Marvin Bloomquist.

Dr. and Mrs. Riley will honor the graduates and their husbands or wives at a reception in Morrison dining hall following the program.

## "Why Should I Graduate?"—A Question Arising in Many Minds

(Ed. Note: The following guest editorial was written by Rev. Edward L. Dowd, president of the Alumni Association and former ASB president. He is now pastor of the Church of the Nazarene, Newport, Ore.)

My little one and a half year old daughter recently graduated! Yes, only a few weeks ago she was graduated from her white high chair with the locking tray to mother's red kitchen stool. Now she eats from the table with those who are older. The other day I asked her during lunch if she would like to go back to the high chair. In her little mind there was a sense of accomplishment in outgrowing the confinement of the high chair, and the freedom enjoyed on the red stool is carefully guarded by improving those eating habits.

The student may face the question, "Why Graduate?" Pressures may develop and grow which obscure from the student's view that high goal, graduation. Financial need, military draft, physical weariness, social slight, or academic failure may be the contributing factor which raises the big question. Sometimes a combination of factors brings such stress upon the student that a cap and gown seem to him a far distant vision quite unrelated to the problems of today.

### Let's Take Stock

But let us take a little stock. Surely there are some concrete reasons for graduating, for completing the course laid out. In the first place, that feeling of completion is in itself a deep satisfaction. Just to know the particular feat is accomplished, finished, surmounted, passed by, gives the mind a wonderful lift. I was reared in hilly country, and have felt a warm rush of exuberance rise within me when I had at last put my feet on the summit of the highest hill. On the way up I was often deceived by a little knoll, and would think it surely must be the top. But each little knoll would be the foothill to another, and another. I had finally to determine to surmount the last knoll above the lower ones, not to be deceived into satisfaction on a mere foothill. Like climbing to the hill's summit, graduation will be worth the struggle, for the sense of inward achievement is a gem no man can steal.

### Graduation Gives Perspective

Graduation will give the student a new perspective. He will testify with Josiah Holland that "we rise by the things that are 'neath our feet, by what we have mastered of good or gain..." How much better and farther can one see from hilltop than from the hillside or the valley? Meeting an accepted standard of completion in education helps one to "see life steadily, and to see it whole." A Christian academic atmosphere adds clarity to the vision of life. At any point of ascent in study the student should see farther into the Christian atmosphere. How much more so in the view from the summit—graduation!

The student who graduates proves his preparedness in his chosen field of study. He is a man with credentials. He has something to offer the world from the standpoint of experience. His colleagues look on him as one who has satisfied his examiners.

The NNC alumnus qualifies himself with a foundation for future service to God and man. This is the "plus factor" of completing the course in Christian atmosphere. A Ph. D. in science stood in my pulpit a few Sundays ago. He is a Christian layman whose pastor informed me of his love for Christ and his zeal for his church. It was to my interest that he commented about our Christian college at Nampa. He lamented the fact that he had never attended NNC, and stated that since graduation he had wished many times that he had studied in the atmosphere of Northwest Nazarene College.

Why become an alumnus? Why graduate? These questions will find their answer in the student according to his passion to achieve, his craving for wisdom and understanding, his urge to qualify among the best, and his determination that nothing shall prevent his life of Christian service from becoming full-robbed toward God and his fellow men.

### ENGAGEMENTS AND MARRIAGES

Mr. and Mrs. J. Roach Roberts, Wickenburg, Ariz., announce the engagement of their daughter, Jane, to Mr. James Woolbright. Both are former NNC students. No wedding date has been set.

\* \* \*

Mr. and Mrs. W. G. Hardman announce the engagement of their daughter Geraldine, to Gordon D. Beeson. Gerry is a freshman and Gordon is a member of the junior class.

\* \* \*

Miss Avon L. Bailey and Bud Bold were married during Easter vacation. Both are members of the freshman class.

\* \* \*

Miss Audrey Shute recently became the bride of Wayne Personette. Both have attended NNC and are now enrolled at Idaho State College.

\* \* \*

Mrs. William Horning of Selah, Wash. announces the engagement of her daughter, Maxine, to Mr. Delbert Conrad. April 24 has been set for the wedding date. Maxine attended NNC first semester.

\* \* \*

Mrs. Edna G. Moore of Oregon City, Ore. announces the April 25

wedding of her granddaughter, Rosie Lyon, to Quincy Angier. Both are former NNC students.

### Class of 1970

Mr. and Mrs. Morris Chambers, Yakima, Wash. announce the arrival of Virginia Joy on Feb. 27. Mrs. Chambers will be remembered at NNC as Donna Arnold.

\* \* \*

Mr. and Mrs. John Bullock, Mr. and Mrs. Verdene Cochran, Mr. and Mrs. Merlin Hanson and Mr. and Mrs. Don McBride have also had additions to their families. Congratulations!

## STUDENTS SPEAK...

SCHOOL SPIRIT  
By Carlton Bryson

Good school spirit is something which every school wants, but not every school has. We, here at NNC, have good reason to be proud of our school spirit. But at the same time, we would be wise to take a

self-evaluation, feeling our pulse as it were, seeing in what ways it would be possible to realize an improvement. Before we can do this, however, we must first ask ourselves, just what do we mean by good school spirit? Just what does it involve and include?

First, we might mention a few things school spirit is not. It is not a noise or mere enthusiasm or exuberance, not merely that element present in a pep rally or after a victorious basketball game. These are factors, to be sure, but good school spirit is more than just these spasmodic displays of emotion. School spirit is not just tradition, although such definitely has its unique place.

I believe the essence of good school spirit is to be LOYAL—loyalty to the purpose of the school and to its program. Webster, incidentally, defines school spirit as "enthusiastic loyalty." I should like to point out several ways in which good spirit and true loyalty express themselves.

1. There is a diligent desire to be educated, a searching after truth. This is paramount.

## Race Segregation Poll Shows South Split On Question

(ACP)—College students overwhelmingly disapprove of enrollment policies which discriminate against Negroes, according to the Associated Collegiate Press National Poll of Student Opinion.

Students from all sections of the country were asked: What is your opinion of college policies which state that Negroes may not enroll there? Here are the results:

|            |             |
|------------|-------------|
| Approve    | 17 per cent |
| Disapprove | 76 per cent |
| No opinion | 5 per cent  |
| Other      | 11 per cent |

Students in the South are more evenly split on the question, but show a clear-cut majority against segregation. Here's the comparison between North and South:

|            | N.  | S.  |
|------------|-----|-----|
| Approve    | 5%  | 35% |
| Disapprove | 90% | 53% |
| No opinion | 4%  | 7%  |
| Other      | 1%  | 5%  |

Students who approve of segregation often point to equal but separate school facilities. "Equivalent schooling can usually be provided elsewhere," says a freshman at Agnes Scott College, a girls' school in Atlanta, Ga.

"Negroes have their own colleges where whites may not enroll," says an engineering junior at The Citadel, Charleston, South Carolina.

A sophomore at Gustavus Adolphus College, Minn., comments, "The sooner we realize Negroes are human and will act human if treated in such a way, the better it will be for all."

A male education student at Southeastern Missouri State Teachers College thinks "mixing" would be "uncomfortable for both white and colored races." But he adds, "I

2. There is an eagerness and enthusiasm to participate in the school program, both in and out of the classroom.

3. Kindness, politeness and respect replace rowdiness and mere prankishness.

4. There is a feeling of friendliness. The Golden Rule is practiced.

5. There is a willingness to cooperate among students and teachers to accomplish worthy ends.

6. There is a respect for the rights and privileges of others.

7. There is a respect for authority.

8. There is a thoughtful effort to eliminate noise where it is a detriment to the general welfare.

9. There is pride in good work and at the same time a desire for greater accomplishments.

10. Self-control is evident and super-imposed control is decreasing.

11. The concepts of democracy are appreciated and practiced in school organization and procedures. STUDENTS VOTE IN SCHOOL ELECTIONS.

12. There is a high regard for school property. Students are thoughtful of cleanliness and orderliness.

13. Good sportsmanship prevails. Opponents are respected, but a desire to win is still vitally present.

These main factors may be summarized by saying that good school spirit and loyalty are characterized by an emphasis upon justice and right rather than upon personal rights. What do you say? Let's all work together even harder to boost our school spirit in such a manner that it may more than ever be in harmony with our concepts of Character, Culture and Christ.

STOP! YOU'RE KILLING ME!

By Campus Lawn

Dear Students of NNC:

I want to live and be healthy, but you're not giving me a fair chance. Thousands of persons drive by here every year and naturally I want to look as beautiful as possible. I eat lots of chlorophyll to make myself bright green, and drink oodles of fresh water regularly. Nearly every day I take a sun bath to get those extra vitamins. Just about the time I get a good healthy start in life, you begin walking right across my face. It hurts! It crushes me! I am dying by inches! What I can't figure out is what those sidewalks are for. Looks to me like you are just too lazy to take those few extra steps. Why not give me a break? I can really look swell if you'll just quit tramping me in the ground.

I appeal to your sense of pride, your better judgment. Please give me a chance from now on by walking on the sidewalks, not on me; otherwise, I'll not be lawn for this world.

Thanks, I knew you would cooperate.

### LIGHT QUESTIONS

By Professor Kil O. Watt

1. Do you know that NNC's electric light bill is about \$7,000 a year?

2. Do you realize that this amount could be reduced \$1,000 annually if all the students and faculty would cooperate?

3. Students, is there any reason why you should leave your lights burning and your radio running when you leave your room?

4. Faculty, have you arranged for someone to flip that switch when your class is dismissed and the room vacated?

5. Do you believe in the Golden Rule? Then you will do your part in assisting this economy program.

Let's start cutting costs today; Lights out, please!

When Theba Gold was graduated from a small high school in Texas, she had a little talk with her teacher. "Where would be the best place to study PE?" asked Theba. The teacher named the University of Oklahoma.

So Theba went to Oklahoma. One day, back home on vacation, she called on her old teacher. "And how are you doing at Oklahoma?" the teacher asked. "You know, you're the first girl from your school who has ever studied petroleum engineering."

"Oh," said the astonished Theba, "I'm afraid we've had a misunderstanding. To me PE means physical education."—(A. C. P.)

### Eleven Attend Meet At College of Idaho

The Ricks College track squad more than made up for the six points separating them from first place in last year's NNC Invitational meet to score in 15 of the 16 events in the annual competition last Saturday at Bulldog Bowl and far outdistanced the defending champion Crusaders of NNC.

By taking nine points in the first event, the mile run on the brilliant showing of Max Brown, it was only a question of whether NNC would be able to pull from fourth place after eight events into the runner-up spot.

By placing in all but five events, the host ran up 44 1/6 points behind Rick's 60 2/3. The rest of the six school field followed with the College of Idaho third, scoring 28 points with the help of R. C. Owens, Eastern Oregon fourth at 22 5/6, Weber of Ogden fifth with 16 1/3, ten of them scored in the javelin throw, and Boise Junior College with two.

#### Owens Takes Cup

The great Negro star of College of Idaho, R. C. Owens, took the cup for an outstanding individual performance in the opinion of the coaches. Taking first in two events, the 100 yard dash and the 220 yard dash, fourth in the 220 yard low hurdles, and sharing in the three points gained by C. of I. for second in the 880 relay, Owens finished with 14 1/4 points for high point honors. Only Wayne Aller shared in more first place ribbons. He took the highest honors in the broad jump and ran in both the 880 relay and the mile relay which NNC won handily. Brown and Hamblin of Ricks and West of EOCE were the only others to take firsts in two events. Brown won the mile and two mile runs, Hamblin the 220 and 440 yard dashes, and West the 120 yard low hurdles and the shot put.

#### Four Records Broken

Four records were broken in the meet, two of them remaining to the credit of the same school that previously held the records. Bruce Koerner of NNC cut half a second off the record of Jim Lais who ran a 2:08 half mile in 1951 and set the new mark at 2:07.5 minutes. The 880 yard relay team of NNC con-

sisting of Aller, Rich Powers, Floyd Johnson and Jim Gilson cut .2 of a second from the 1:35.4 set last year. Aller has been on the relay team both years. Eastern Oregon's West set both the other records, hitting a 16.2 in the 120 yard high hurdles to nip a tenth of a second off NICE's Ron Chadwick's mark of 16.3, and adding 2 feet 6 1/2 inches to the shot put record set in 1951 by NNC's Carlisle Dean.

### Society Softball Needs More Life

This semester's girls' softball games started after vacation with the Olys against the LSPs in the first game and the ADPs and SLAs playing the second game. The Olys won the first game by forfeit, 7-0, while the ADP-SLA game tied in the third inning with the ADP team surging ahead to a 12 to 10 victory in the fourth inning.

The second set of games went to the ADPs and SLAs. The Olys forfeited the first game to the ADP team while the SLAs won a 20 to 1 victory over the LSPs. With two out of four games being forfeited, looks like the girls need a little more society spirit. Final standings at press time were:

|           | W | L |
|-----------|---|---|
| ADP ..... | 2 | 0 |
| SLA ..... | 1 | 1 |
| Oly ..... | 1 | 1 |
| LSP ..... | 0 | 2 |

### Olys, LSPs Tie In Spring Opener

They say Spring is here, and with it comes softball. In the season's opener last week the LSP and Oly men fought to a deadlock in the time allotted. Bob Worthington of the LSPs started the season with a bang by knocking a homer on the first pitch. The Olys then came back with a barrage, but the score was knotted at 11-11 when the final gun sounded.

#### SLAs Nudge ADPs 5-3

The SLAs collected two runs in the second, one in the third, and two in the fourth as they defeated the ADP men, who scored their three runs in the final frame. Bryson of the SLAs was the winning pitcher, Russ Miller suffered the defeat.

#### ADPs Trounce LSPs

The mighty ADP men slashed out a 14-2 defeat to the LSPs last Monday. Aided with two home runs by Russ and Howard Miller and the fancy fielding of Buster Earlywine,

the ADPs had little trouble in stopping the LSP men. Russ Miller of the ADPs went the route and was credited with the victory. Bob Anderson of the LSPs was the loser.

#### SLAs Edge Olys 4-3

The SLAs, now in full control of first position, edged the Olys by one run in their second game of the season last Monday. The SLA men were ahead 4-0 going into the last inning when the Olys came alive and scored three runs but they were unable to squeeze out another and the final score then stood 4-3 in favor of the SLAs. Vince Seely of the SLA pitched a masterful game and received the win. Losing pitcher was Doane of the Olys.

lege. He has also given private instruction over a period of twenty years.

Mr. Harris has also been active in conducting and participating in bands, orchestras, operettas, church music groups and has had extensive vocal experience.

Another returning alumnus is Mr. James Carkhuff, who will teach voice in the music department. His plans include graduate work at the University of Oregon this summer.

**Leaves of Absence Granted**

Leaves of absence have been granted Miss Helen G. Wilson and Mr. Double E. Hill.

Miss Wilson will attend the University of Oregon and will complete the degree of master of arts in general education. She will return to NNC in the fall of 1954 to teach in the division of Arts and Letters.

According to Dr. Culver, dean of the college, Miss Wilson will be particularly interested in integrating the areas of writing and speaking. Long range plans for Miss Wilson include the sponsorship of the NNC Crusader and intramural speech activities.

Mr. Double E. Hill, assistant dean of the School of Music, will be working toward his doctorate. He plans to attend the University of Illinois. Upon his return he will become Dean of the School to replace Mrs. Aline Swann, who is giving up her administrative work at that time to resume full time teaching.

"There are some vacancies yet to be filled on the staff of College High School but I feel we have made some fine provisions for the vacancies and staff of both college and high school. We are looking forward to securing a number of fine doctorate within the next few years to fill strategic positions on the faculty," Dr. Riley stated.

**Complete Plans For 1953 Summer School**

Dr. Thelma B. Culver, dean of the college and director of the summer session at NNC announced today that plans for the summer session are complete and the summer school bulletin is now available to all who are interested.

Courses offered include extensive selections in education and basic courses in English, history, mathematics and science leading to the baccalaureate degree. Limited selections are available in psychology, sociology, library science, home economics and Bible.

Teacher education at NNC is a four year program which includes a strong background of liberal education, a carefully planned program of professional work qualifying the prospective teacher to state certification and entrance into graduate school. Those who must plan to teach on pre-professional or provisional certificates will be assisted in making their limited professional experiences as meaningful as possible.

A faculty of eight members will conduct class during the session which begins on June 8. The faculty includes Miss Ethel G. Allison, Mrs. Geneva Bittleston, Dr. Thelma B. Culver, Miss Pat Davis, Mr. Guy E. Sharp, Mr. Francis C. Sutherland, Mr. Donald B. Tillotson and Mr. Virgil W. Vail.

Registration will be on June 5 and the morning of June 6.

Some people don't seem to have much use for folks they can't use.

The more you loaf, the smaller your roll.

Most Americans are so restless they don't feel at home at home.

Some folks distrust those who flatter them and dislike those who don't.

**Four To Attend Education Meet**

Four members of NNC's Future Teachers of America have been selected to attend the delegate assembly of the Idaho Education Association, which will convene at Boise on April 24 and 25. Included in the group are Carolemay Rapp, Carlton Bryson, Joe Keen and Lois Herron.

On Friday, April 24, Dr. Thelma Culver will give the main address, entitled, "Let's Make Teaching a Profession."

**Dedication of New Home Ec Building Set for May 3rd**

Dr. Hugh C. Benner, general superintendent, will deliver the dedication address of the Home Economics building May 3.

At a cost of about \$30,000 the grade school building has been rebuilt, brick-veneered and completely refinished and refurnished. It has a 4,000-foot floor space with a 5-unit modern kitchen, a large sewing room, two lecture rooms, four offices, a lounge and several other rooms for storage and utility.

Time for dedication ceremonies has been set for three o'clock. Open House is from 3:00 p. m. to 5:00 p. m.

**Fete Business Club Grads At Banquet**

Nine graduates of the Business Department will be honored at the annual Business Club banquet April 20 at 7:00 p. m.

The honorees receiving special recognition are Lois Becker, Earlene Tapley, Ray Tate, Ray McGregory, Howard Miller, Herb Meyers, Don Mesman, Fred Rapp and Don Fogelsonger.

Plans for this annual affair are being directed by Bonnie McGraw and Mrs. Rose Voget. A local business man, W. R. Chapman, has been scheduled for the main speak-
