## Hello Motorcaders!

It's nice to have visitors. The best kind are those you know. Old friends. People from home. People you know and like and want to see again. That's the kind of visitors we have this week. Young people—men and women who will soon graduate from high school, and their pastors and parents.

We are glad you are here.

Maybe NNC is a stranger to you. Maybe this is your first visit here. If it is you don't need to worry. For each one of you there are friends here. You will meet them now. They will smile and say hello and they will be your friends—for today, and for the years to come. If you decide to attend NNC they will change from a casual acquaintance of a few days to friends you will know and remember for life.

Like the people, the college is just a casual acquaintance now. We hope that the college and the people become your friends for four years—four short years filled with excitement and adventure.

Not everyone here is studying for the ministry. Here you have freedom to follow many varied types of study.

But here you also have an added plus. Something not to be found in many other colleges. You have God. You study and learn about Him. You have prayer before class and you have special meetings. You are with those who believe as you. And if you are alone you learn and watch and decide for yourself if you need a friend, whom we call Jesus.

College costs money, but not as much as you might think. Many of the students work their way through college with no outside assistance. We believe in college, that it is good and worth while, and we hope you attend some college next fall. If you do decide to attend this college we will be pleased, but more than that, so will you.

Just a two day glimpse, that's all you have, but we hope that glimpse will last for a summer, for a fall and a school year.

You are the life of the college. Try us for a year and see if you like that life. **You won't be disappointed.**

## CAMPUS DAY IS SUCCESS

"Rakes, mops, hoes"—and the Crusader Telecast was under way.

Directors for this star-studded production were Duane Stueckle and Bill Jackson. With all channels coming in on their proper wave frequencies, the annual face lifting for NNC got under way when breakfast was served at eight o'clock in the dining hall.

After a brief meeting in the Chapel, each group adjourned to its respective place where it was proved that at least once in a while brawn is better than brain. Under the able direction of the various leaders the students put in four hours of good hard work.

After the "come and get it" call, odd jobs were finished up. When the last job was done, the OLYSLAs met and were defeated by the ADP-LSPs in hardball game.

Wednesday evening an outdoor supper was served in Kurtz Park.

Another campus day became history with the concluding number of the faculty-student talent program. "The Greatest Show on Earth."

## "Tish" to be Given

The SLA and Olympian societies will present the play, "Tish" by Alice Chadwick, on May 11 and 12.

The play is made up of three novels about the adventures of "Tish," and centers around the activities of three spritely old maids, "Tish" Carberry, Lizzie, and Aggie Pilkington.

Directors Clayton Martin and Mack DeWater announced that the following people will make up the cast:

"Tish," Clarice Harmon; Lizzie, Mary Stroud; Aggie Pilkington, Anna Rose Rivers; Charly Sands, George Orton; Ellen, Ann Knapp; Charita, Ruth De Water; Bettina, Pat Nichols; Dorice, Shirley Tindall; Lem, Roy Harris; Wesley, Don Doane; Luther Hopkins, Leon Doane; Mr. Grimes, Dave Mitchell; Cally Hopkins, Marva Lund.

## IRC HAS ELECTIONS

The International Relations Club nominated and elected their new officers for the coming school year last Tuesday at their regular monthly meeting. Those elected were: Meridee Love, president; Makoto Harada, vice president; and Rosemary Kunkel, sec.-treas. A proposed constitution was submitted for approval. The constitution will serve as a steering guide for the club.

## NEW CATALOG COMPLETED

The new, revised 1956-57 College catalogue is now ready for distribution, Paul Kunkel, Assistant Registrar, said today.

Featuring a new cover design, several pages of photos, and some curriculum changes, the new catalogue will be distinctly different. Each student may sign for his copy, Kunkel said.

## TESTS GIVEN TO STUDENTS

Seniors and sophomores spent the better part of Monday taking tests for fourth year Comprehensives and second year Cultural Aptitude tests.

The purpose of the Comprehensives is to ascertain the candidate's command of his major field. This examination is required of each candidate before a degree is possible in his major field. The tests were oral or written and from 3 to 6 hours in length.

At the same time, the Sophomores were given tests in the Administration building, under the supervision of Donald B. Tillotson, Chairman of the lower division.

## Communist China Abolishes Rickshaws

Peiping Radio announced last week that the last two rickshaws in Shanghai had been sent to the museum.

The radio said that the 7,000 rickshaw pullers in the port city when the Chinese communists took over in 1949 had become automobile drivers, skilled workers, farmers or inmates of homes for the aged and homeless.

## INVESTITURE

Next Friday, April 27, will be a "red-letter day" for all seniors; for when they march in the Investiture procession at 11:00 a.m., it will mean that everything is in order and they are on their way to graduation! Dr. Albert Harper, General Secretary of the Department of Church Schools of the Church of the Nazarene, will present the investiture address. Dr. Harper is a former professor and dean of NNC.

The procession will be led by the highest ranking junior man and woman. The valedictorian and salutatorian of the Senior class will be announced officially by Dr. Thelma B. Culver.

## Band Uniforms Purchased by NNC

Blue and Gold are the colors of the band uniforms purchased by the Music Department for the NNC band. There are 80 uniforms of different sizes in which to choose from. Thursday the 40 band members were fitted in the new uniforms, in preparation for their first appearance Thursday evening, when they marched for the visiting motorcade.

Professor Eby, commenting on the new uniforms said: "They look like an excellent value."

## NNC Splits With BJC

After the rhubarb had cleared away last Friday afternoon both NNC and BJC held precious league victory. The Crusaders took the opener 7-6 behind the pitching of Cecil Campbell and the Broncs won the nightcap 4-2.

In the hard-fought first game, Campbell baffled the Boise bats for three innings while his teammates were piling up a three run lead.

The determined Broncs went to bat in the bottom of the fourth and managed to tie the score at 3-3. Both teams then went scoreless until the sixth when BJC added two more. But NNC promptly took back the lead in their half of the same inning making the score 6-5. The Broncs fought back in the seventh with a tying run but NNC broke up the tie making the final score 7-6.

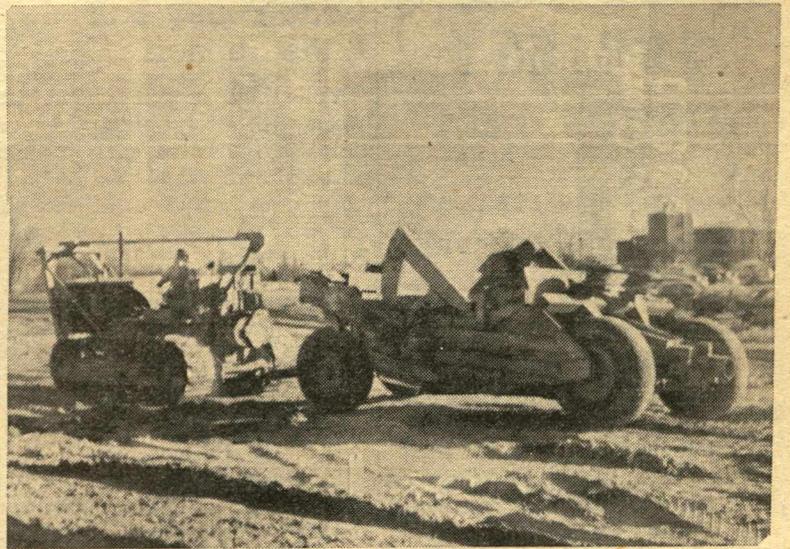

The second game went scoreless until the third inning when the Broncs made one run. NNC came back in their half of the third, however, to tie up the score at 1-1.

The tie was short-lived as the Broncs came back with one more in the sixth. Outfielder Brooks in the bottom of the sixth came to bat and knocked a solo homer tying the game again.

Boise recovered in the seventh and landed the two game-winning runs. The final score was 4-2.

## High School Track Goes to Boise

The high school track squad will be traveling to Boise to take part in the BJC Invitational for high schools. Last year approximately 30 schools participated in

The new NNC track field is shown here under construction. When completed it will have the widest track in Idaho.

## NNC Invitational Well Represented

Eight track teams participated last Saturday in one of the best performances in NNC Invitational history. A total of nine records were broken with only eight being officially entered in the books due to a disqualification.

NNC Crusader, John Finkbeiner, finished with a powerful kick to clip more than four seconds from the old half mile mark of 2:03.1, out-distancing the field in a fine 1:58.7 clocking.

First place went to the powerful ISC Bengals with a total of 112 points. Second place to Ricks, Whitman, EDCE, Weber, C of I, NNC and BJC followed in that order.

Records toppled in the pole vault, mile run, two mile, 880 run, high hurdles, low hurdles, 220 yard dash, and the 440 yard run. The present record of 10 flat for the 100 yd. dash was tied and the mile relay time was not recorded as the winning teams were disqualified.

Our track team will be traveling to LaGrande this weekend to take part in the EOCE Invitational and as you leave, fellows, all the NNC students wish you the best of luck.

## GIRLS TENNIS TEAM TRIUMPHS

The girls tennis team has been quite successful in its journeyings the past week by defeating both the BJC and C of I teams. Last Friday at BJC with a strong seven the Crusaders topped them 4-1.

Wednesday afternoon meeting stronger competition the NNC girls downed the C of I team 3-2. The results included:

Singles: Hill over Betty Richardson, 6-4, 6-2; LaDonna Nofziger topped Adams, 3-6, 6-4, 6-3; and Nicholson defeated Violet Jahn, 6-4, 6-3.

Doubles: Lois Morgan and Roxie Hull over Burbidge and Ramsey, 6-1, 6-4; Betty Richardson and Violet Jahn over Ahrews and Bee, 6-0, 6-3.

this event.

The Trojans will be entering seven events. Trojan men include: Wayne Dahl, Larry Hull, Jerry Hull, and Phil Frisk.

## CHS Baseball

Melba defeated the College High at their home diamond last Tuesday afternoon with a 8-4 victory.

Melba's pitcher struck a phenomenal batsmen over the seven inning span, averaging better than two per inning. CHS got one of their hits in the third with a timely single by Jim Jackson and with the help of Mustang errors brought in two runs. A homer in the sixth inning by Don Olmstead accounted for another Trojan score.

LSP	2	4

In looking back over the season some of the players that contributed much to their teams successes were: ADPs, Caroly Parsons, Nancy McConnell, Betty Richardson; SLAs, Vi Jahn; LSPs, Phyllis Martin, Lenore Heiserman; and OLYs, Niel Riley and Peggy Wood. The Olys were hindered by the illness of two strong players, Lois Morgan and Ruth DeWater.

#### A Gentleman offers His Arm

When do I take his arm?  
When do I offer her my arm?

A lady never takes a gentleman's arm unless he offers such assistance. In accompanying a lady **anywhere** at night, however, whether down the steps or when walking a distance, a gentleman **always** offers his arm. It is not only courteous but helpful to that one who is walking in stilt-healed sandals on a dark pathway.

Miss Post offers some helpful suggestions, fellows, when offering your arm to a girl. When he offers his arm, he says, "Will you take my arm?" or perhaps, "You'd better take my arm!" or "Wouldn't it be easier if you took my arm along here?"

Otherwise the only occasions on which a gentleman offers his arm

### TV Features Nine-to-Five Club

The Nine-to-Five Club will be featured on television this afternoon, April 20, at 2:30 on the KBOI Bonnie Wallis show. Jean Wilson and Mrs. Rose Voget will be the cooks for the day, and Phyllis Hartley, club president, will talk about Nine-to-Five Club activities.

National Secretaries Week will be observed by Nine-to-Five Club April 23-28. At the luncheon on Wednesday, April 25, the special speaker will be a representative of the Boise chapter of National Secretaries Association. If you are a member of Nine-to-Five, plan now to be at that luncheon.

### GNG MEMBERS LEAVE FOR RESORT

Friday evening approximately fifteen GNG members will be leaving for Zim's Resort for their annual trip. After rest and relaxation they will be returning to the campus Saturday evening.

This was one of the items of business discussed at the last meeting of the GNG, Thursday, April 12.
