Seniors, Alumni, Honored

By Kay Van Allen

Today marks a gala occasion on the campus of NNC for we are welcoming some 80 "new" seniors and a number of alumni who have come back "home" for Senior Investiture and Alumni Day.

Senior scrapbooks will contain programs from an Investiture Service marking the appearance of the Class of 1956 in academic garb for the first time. Morris Weigelt, Vaedictorian, and Berdena Martin, salutatorian, will come in for their share of the book as will Don Edwards, and Joy Tink, musicians. Senior Reflections by Wendell Poole, class president, and the investiture address by Dr. Albert F. Harper will make up an important part of the memories for this year's class, also.

And there is more yet to come.

At 12:30 p.m. seniors and alumni will be honored by Dr. and Mrs. Riley at a President's Luncheon. At 4 p.m. the Crusader Choir and the NNC band will present a musical program in the college auditorium.

7 p.m. will mark the Alumni Banquet in Morrison Hall dining room with Dr. Albert F. Harper as special speaker. Rev. Edward L. Dowd, alumni president, will be master of ceremonies and will lead in honoring the classes of '26, '36, '46 and '56.

Dr. Thelma Culver, last year's "Alumnus of the Year", will announce the winner of the award for this year.

The concluding event in a memorable day will be the concert by the NNC Treble Choir at 8:30 p.m. in the college auditorium. Deloris Bloomquist Waller directs the choir. Tonight's concert will be the final choir appearance at NNC for Joyce Wheeler, graduating senior.

5:30 p.m. The attire will be semi-formal. The tickets will be sold for off-campus students on Friday afternoon for \$1.00.

Carrol MacIntosh and his group made a trip to the Methodist Church in Adrian, Oregon, for the evening service of last Sunday. The Young People's service was a panel discussion of the advantages of attending a Christian college. Johnny Million brought the evening message on making decisions.

Miss Tapley Does Outstanding Work

Earlene Tapley, Crusader editor in 1953, has been commended for outstanding work in the personnel office at Greenville Air Force Base in Mississippi.

Miss Tapley is one of three civilian employees who have been commended by Col. John H. Chick, base commander, for their effective encouragement of the Air Force Suggestion Program at the base.

Miss Tapley is executive secretary of Incentive Awards Program at GAFB. Her citation as released to the press reads as follows:

"Miss Tapley was commended by the Base Commander for her outstanding achievement in making improvements in the GAFB Suggestion Program which have contributed to this base having the highest increased participation of all bases in the Flying Training Air Force in the second half of 1955."

Miss Wilson, Crusader advisor, said today that there is a possibility that Miss Tapley will visit the NNC campus during Commencement this year.

Thoughts at Investiture

When he had first come there was nothing but loneliness. He was hundreds of miles from home, and home was mountains and trees and swift running streams. The campus was a bleak, cold, frightening thing. He would attend classes with the other people, but he was alone.

He longed for Christmas vacation. Finally it came and in a flash was past. He was back in school. The ground was cold and frozen and the cold seemed to fill him completely. Time passed slowly, imperceptibly. But finally summer vacation came.

He was back the next year, and for two more years after that, and with each year the campus changed. The cold of winter would come but it would not hurt for he knew that warm spring would follow.

He saw a teacher who believed in what he was teaching and doing. The teacher helped and encouraged him, and the campus changed.

He saw a gentle man and a great tragedy. He saw the love and greatness that remained in spite of it, and the coldness began to melt.

He saw a church, and many people, and he was a part of them. And the loneliness left.

After four years he left, but he would never forget the college. In years to come he would think of it many times. He would be passing through the state and he would stop off and drive out to the campus. Not for any business or because he had to, but because he wanted to, because he longed just to be near it. It would be changed. New buildings would be there and the old ones would have disappeared. The teachers he knew would be gone. The large tree and the bench where he used to sit would be torn down to make way for a new road. The college would be stranger to him but it would never again be cold.

Dr. A. F. Harper Visits NNC

We are honored today in having Dr. Albert F. Harper, Executive Secretary of the Department of Church Schools, on our campus.

Dr. Harper has been called a "triple alumnus" of NNC. He graduated from the grade school in 1921, the high school in 1924 and the college in 1928. And in 1945 his alma mater conferred upon him the honorary degree of doctor of divinity.

Following his graduation from NNC, Dr. Harper went to the University of North Dakota where he obtained an M.A. He continued graduate work at the University of Washington where in 1934 he obtained his Ph.D. He was elected to membership in Phi Beta Kappa, national honor society, at this time.

In 1929 Dr. Harper returned to NNC where he spent 12 years as a member of the faculty. In 1935 he was appointed dean of the col-

leg. In 1945 he was nominated for his present post of service by the Board of General Superintendents and elected by the General Assembly. He was re-elected in 1948 and again in 1952.

Student-side, Dr. Harper was prominent in academic, social and literary life at NNC. He served on the Oasis staff for three years and edited the book in his senior year. Dr. Harper has done much writing since then. Included among his writings is a history of NNC written at the time of the Silver Jubilee of the college.

In his present position Dr. Harper supervises the general promotion of religious education activity and is editor-in-chief of church school periodicals including over 30 separate publications ranging from weeklies to annuals. His book, "The Nazarene Sunday School" is now in its sixth printing and has sold over 12,000 copies.

(Incidentally, Dr. Harper has two sons. One of them is preparing to enter college. We understand that he is a top basketball player. Coach Hills . . . !

NNC vs. Mt. Home

The Crusaders overcame a 9-4 deficit Tuesday afternoon to edge past Mountain Home Air Force Base 10-9 in a non-conference baseball tilt. Starting hurler for NNC was Ed Crawford who was replaced by Don Kinyon followed by Daren Flynn who took over the pitching duties in the third to finish off the game.

Mountain Home had counted seven big runs in the third frame to take a commanding lead but the Frazier men continued to swipe away at the airman pitching.

The baseball team will be gone today and Saturday for they are in Ogden, Utah, where they will play a three game series with Weber JC. Let's hope that they return to the campus with three more wins to add to their string of victories.

This week I consulted the armed forces, and I had such good luck that I decided to try the city of Boise, too! I now have the following to report.

The Church of the Nazarene in Kuna, Idaho will be the scene of an impressive ceremony this evening, April 27, for Doris Hawk, a freshman at N.N.C., and Bob Downum, of Kuna, (and a member of the armed forces) will be united in matrimony.

Another similar ceremony will take place this evening in the Central Assembly of God Church in Boise. This will feature Donna Jean Nine, a former student at N.N.C., and Edwin F. Jones of Boise.

April 25 Mrs. C. W. Murray of Eugene, Oregon announced the engagement of her daughter, Donna Jean, to Doyle Mitchell, of Boise. Donna is a senior this year at N.N.C., and Doyle is attending Boise Junior College. No definite wedding date has been set.

Tips on Taste

What is Politeness?

One of the first rules of courteous observance is to be polite. Many of us cherish a mistaken notion as to what politeness really is.

John Wolcott Phelps says: "The essence of politeness consists of so conducting ourselves, in word and manner, that others may be pleased both with us and with themselves." We could stop right here since this sums up perfectly the real meaning of politeness. However, let us take a common example.

If a door is open and there is a draft that annoys you, to rise and close the door is simply a selfish commonplace act. However, if you are not disturbed by the draft and you rise to close the door because you notice that it is disturbing to someone else in the room, this is politeness and fine consideration.

Someone has said, "Politeness is actuated by a spirit of service and fellowship."
