Crusader Choir Gives Program

Pictured here is the fifth avenue scene from the Crusader Choir pageant, "Songs of the Seasons."

"Songs of the Seasons," a program sponsored by the Crusader Choir, will be presented tomorrow evening in the chapel at 8 p.m.

This musical program will feature each month of the year and the songs that are associated with these months. The numbers will be performed by members of the Crusader Choir.

A preview of the program was presented in chapel Wednesday when Don Oleson and Dee Freeborn sang, "Little Red Schoolhouse."

Tickets, which cost \$.50 for general admission and \$1.00 for reserved seats, have been on sale all week. The proceeds of the program will go to the Crusader Choir to help pay their expenses to Kansas City, where they will attend the General Assembly.

A variety of songs will be given, from Autumn Leaves and April Showers, to Prayer of Thanksgiving and Halleluiahs Chorus. Quartets, trios, solo numbers, and readings are a part of the pageant.

An unusual feature of the program will be the many scene changes and colorful costumes. Here is just a sample of the costumes: western dress, pilgrims costumes, and Dutch and English costumes.

The choir has spent many hours in preparation for this pageant. Tomorrow evening they will present a polished and entertaining program. You are invited to attend. It will be an enjoyable evening that you will not want to miss.

Jr.-Senior Banquet

N.N.C.s graduating seniors will be the honored guests at the Junior-Senior Banquet to be held tonight at 7:30 p.m. in the Hotel Boise.

As is the custom, the theme of this annual affair, which is sponsored by the junior class, will be kept secret until the banquet.

After the banquet, movies will be shown in the chapel. Dorm hours have been extended to 1 a.m. for junior and senior girls.

All juniors and seniors and their wives and husbands, as well as all faculty members, were invited to the banquet.

The complete cast is as follows: Tish, Clarice Harmon; Lizzie, Mary Stroud; Aggie, Anna Rose Rives; Charlie Sands, George Orton; Ellen Leighton, Anne Knapp; Luther Hopkins, Bob Cantonwine; Callie Hopkins, Marva Lund; Sheriff Lem, Roy Harris; Charita, Ruth DeWater; Bettina, Pat Nichol; Wesley, Don Doane; Dendy, Dave Mitchell; Dorice, Shirley Tindall, who is also the SLA play director.

FTA Has Meeting

About 90 members of Future Teachers of America attended the F.T.A. Buffet Snack held Tuesday, May 1, in the dining hall. The theme was "Building Youth Today". Decorations were centered around a May Day background, complete with a maypole, baskets, and flowers. Colored slides were shown by Dr. Culver in connection with her speech on her trip last summer to Germany and Switzerland. Seniors were the guests of honor, and after Larry Bunts proposed a toast to the seniors, each senior responded by telling his plans for the immediate future and by reading a short selected proverb. Election of next years officers was held, with the following results: president, Bob Willard; vice-president, Bill Armstrong; recording secretary, Doris Miller; corresponding secretary, Phyllis Martin; treasurer, Lora Jane DeLashmutt; program chairman, Helen Franklin; historian, Carolyn Simmons.

CWB ELECTS PRESIDENT

The second annual CWB banquet, held Wednesday, May 2, remains only in the memories of those many members and friends who attended. Dr. Riley spoke on the theme "Living for Jesus." Jim Ridgeway was the Master of Ceremonies for the evening.

The year's retiring president, Dick Ramsey, made the presentation to Dr. Riley and the Christian Workers Band of a picture that was painted by an inmate of the State Penitentiary. The picture was painted on behalf of all the inmates in expression of their gratitude to the musical groups that went to the Penitentiary.

Dick announced the officers for the coming year as follows: President, Dee Freeborn; Vice-president, Allan Rodda; Secretary, Phyllis Martin; Program chairman, Marilyn Murray; Treasurer, Carrol McIntosh.

These new officers were voted on at a recent meeting of CWB.

In Your Patience Possess Ye Your Souls

Failure has knocked at many doors and gained entrance because of a lack of Patience. All things in life which are worth having, are worth waiting for. We don't find Solomon's temple built overnight, and neither were the Jews led out of captivity overnight. Instead they dreamed and prayed daily as they carried the heavy brick, under the vigil watch of the Egyptian task-Masters. They were convinced in their mind that somewhere beyond the dark abyss of their present state the sun was shining. Their patience, prayers, and tears came up to God and he delivered them, **but not overnight.**

The stammering, stuttering tongue of Moses was not developed into one which conversed with the Pharaoh of Egypt overnight. Moses began in a basket, not a mansion, and by his patience God appointed him to lead the Children of Israel out of captivity.

Another striking example of patience is found in Noah, the Evangelist who won only 7 souls in 120 years of earnest preaching. Give up? **Never!** God had called him to warn the evil people of his day of the flood that was coming, and nothing short of that would have delivered Noah and his family from the flood waters. Yes, even Noah would have perished had he not waited upon the Lord.

Yes, all things which are worth having are truly worth waiting for. God's eye is scanning the world today for people who are willing to wait patiently upon Him even if they never win the approval of man. Occasionally the eye of Christ will find a soul who is willing to wait. In the past some of those who were willing to wait were Dwight L. Moody, Charles Spurgeon, and Bud Robinson. Many there be who will vow to God that they will follow tho the night be dark, but few there be who will follow when the rays of light have dimmed to the place that the songs have died away and the shouts are no longer heard.

Just as Christ spoke to Peter and James, he is speaking today. His eye still is looking eagerly for one who has patience enough to wait. Do you have the patience to wait? If so, God has a field that needs harvesting that has never known the blade of a cycle. Will you answer his call through patience? "But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint."

Mr. McNaught at work on the campus of NNC

McNaughts Take Pastorate

Mr. and Mrs. McNaught plan to leave the staff of NNC at the end of this school year. The first of June they will move to Boise where he will pastor the Emanuel Church of the Nazarene.

Prior to his work at NNC Mr. McNaught pastored ten years in the Nazarene church. Due to ill health he had to retire temporarily from the ministry. Now, since his health has improved, he plans to go back into the ministry.

Mr. McNaught is a familiar sight around the campus. In the fall he could always be found sweeping the leaves from the

lawns. On cold winter mornings he would be out shoveling snow from the walks, and in the spring time his power mower could be heard traveling over the lawns. Two things NNC will miss: his work and his wonderful Christian personality.

Mrs. McNaught will be missed in Morrison Hall where she has provided guidance and friendship as dorm mother. Her earnest desire to help the girls of NNC and her prayerful Christian life will be an inspiring memory always.

We pray God's best and finest for the McNaughts and their family as they go away from us.

Mr. McNaught said that he "enjoyed the past few years around the college immensely, especially the fellowship with the students, faculty and staff."

Art Exhibit Is Planned

Work from all classes in art will be on display May 5th through May 11th in the Fine Arts Building. The exhibit will be open from 2:30 to 5:00 Sunday, during regular school hours for the remainder of the week, and from 7:00 to 9:45 p.m. on May 7th. The students and public are invited to observe classes Monday night. The types of work being displayed include oil painting, water color, chalk, drawing, art methods projects, lettering, design, composition, and silk screen. This will be the final student exhibit of the year and is representative of work from approximately ninety students.

The exhibit during the last week in May will feature the work of Clarice Harmon in the library. The art faculty will have a display in the Fine Arts Building.

Frosh-Soph Picnic is Today

After much debate in a joint session of the two classes, Black Canyon Dam was decided upon as the destination for the Freshman-Sophomore picnic this year.

In the afternoon recreational activities have been planned under the direction of Buddy Loyd. All the girls who are officers for either the freshman or sophomore class are on a committee in charge of food.

After supper some special numbers have been arranged for by Tom Nees. Acting as chairman for this event were John Finkbeiner and Bob Brooks, class presidents.

NNC Track Team Takes Second

NNC thinclads took second place in a three-way meet at Bronco stadium Wednesday afternoon, with 53 points. Outpointing them by 6 for a 59 total was the Boise Junior Colleg team while the C of I men collected 30 points.

NNC had two double winners with John Finkbeiner taking the 440 and 880 while Harry Maine won both the one and two-mile runs.

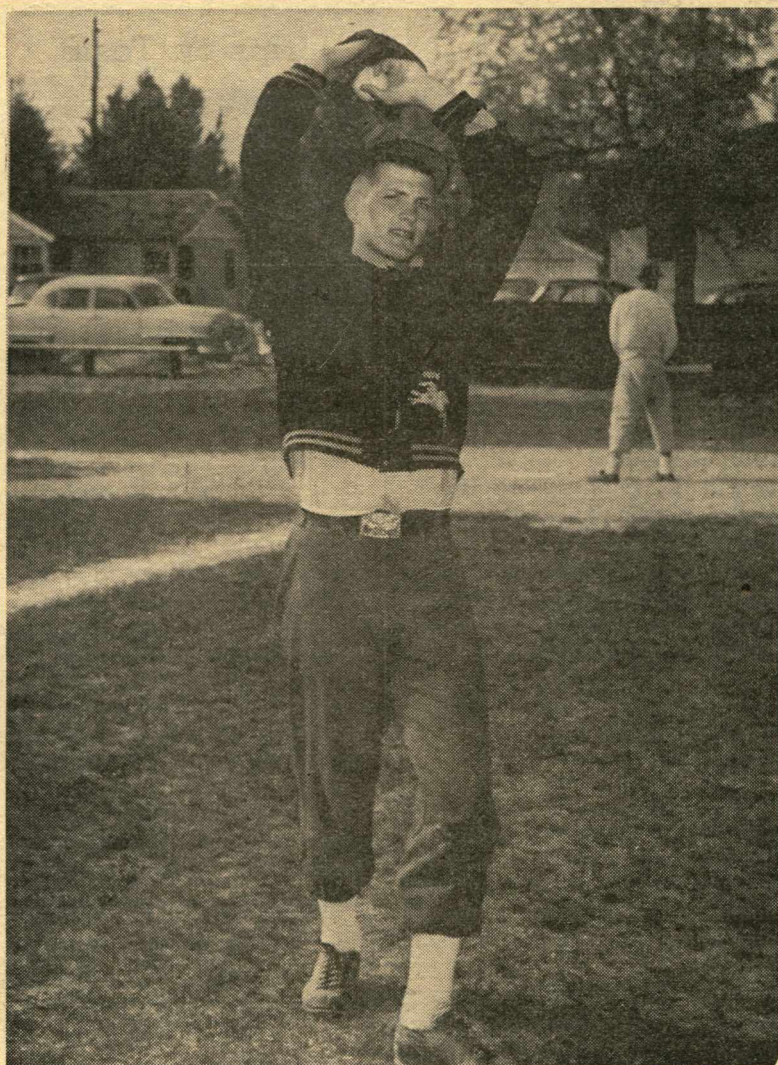

Don Constable took first in the low hurdles and the mile relay team grabbed another first.

The three teams will meet again on Saturday at 10 a.m. at the Bronco stadium for another triangular meet.

Last Saturday, April 28, the NNC track team outpointed C of I 84½ to 50½. Due to the cold windy weather along with bad track conditions the times and distances were unimpressive.

Don Constable and Don Hartwig joined John Finkbeiner in taking two blue ribbons apiece. Finkbeiner placed first in the 440 and 880 while Constable turned in the winning times in the 220 and low hurdles. Hartwig took his ribbons in the high jump and broad jump.

When that one great score comes against your name, it doesn't matter whether you won or lost but how you played the game.

Cecil Campbell warms up in practice.

Crusaders Down BJC 5-0

In a unique game played Tuesday afternoon the Crusaders shut out BJC 5-0 in a clash at the Bronco field. Campbell did the hurling chores for the NNC nine taking his fourth win of the season against no losses.

On separate occasions both teams managed to load the bases with none out and neither could score in that particular inning. Another mixed-up event of the afternoon was in the sixth inning when the Crusaders pulled off what looked like a triple play, but the umpire ruled otherwise. More or less climaxing the day was in the ninth inning when Peppley knocked a long drive to right-center. Both BJC's center fielder and right fielder raced in to make the catch. The resulting head-on collision left both players resting peacefully on their backs while Peppley jogged on home.

Ben Clauser nicked the BJC hurler for a homer in the second with none on. Other Frazier men crossing the plate were Dean, Morgan, and Peppley.

Don't Be Afraid To Say "No"

Wanting to be popular is natural. It is also natural to go along with the crowd, do what others do and think what they think. This is quite the right thing to do in matters of non-importance . . . But when you hear that inner small voice whisper, "Don't do that! It's wrong," then it is time to say "No", and stick to it. As for permanent popularity - it does not really belong to the sheep after all.

In college, in society, in politics or anywhere else, the person who "follows the leader" against his

standard of ideals is only defeating his own purpose to achieve success.

Don't be guilty of elaborating on the whys and wherefores of your convictions. If asked to explain your stand, however, be truthful, uncritical and as brief as possible.

Such people never lose the confidence of their friends.

INTRAMURAL

Softball is going on full speed now in both the boys and girls divisions of the intramural program. Two games have been played in both sections.
