## "Tish" to be Presented Tonight

Shown here are members of the play cast for the society play "Tish."

### DR. LEHMNER TO SPEAK

NNC will be honored next week by having on our campus Dr. D. H. Lehmer, Professor of Mathematics and Chairman of the Department at the University of California (Berkeley) where he has been since 1940.

Dr. Lehmer received his doctor's degree in 1930 at Brown University.

He will present a series of four lectures on Monday, May 14 and Tuesday, May 15.

### Harold Harper Receives Award

Mr. and Mrs. Edward J. Harper received word this week that their son, Harold, has been awarded an assistantship at Michigan State University. Harold was graduated from NNC in 1950. He majored in history and completed the requirements for a certificate in secondary education.

After leaving NNC, he taught at Fruitland until he entered the army in 1951.

### PROF. JOHN DIX LEAVES NNC

Students and faculty alike will miss Professor John Dix next year as he leaves NNC to do graduate work at the University of Tennessee. Prof. Dix has been granted a leave-of-absence to begin work on his doctorate. He has been awarded a teaching fellowship at the southern university.

Prof. Dix came here two years ago and has established himself as one of the most respected teachers on the campus.

### CHOIR PROGRAM SLATED MONDAY

Members of the Crusader Choir will again present their program "Songs of the Seasons", Monday evening at 8 p.m. in the chapel. The price of the tickets will be the same as before: 50 and 75 cents for general admission and \$1.00 for reserved seats.

The program, which was directed by Mel Schroeder, was previously given May 5. Some of the outstanding features of the program were the barbecue scene for August, the January Winter scene, the graduation scene for June, and the patriotic scene for July.

Proceeds from the program go to the choir to help pay expenses for "Operation K. C."—the choir

"Curtain going up" and with this familiar call "Tish", the laugh packed comedy of Mary Rinehart, will get under way. This play is one of the author's most popular and outstanding works.

Tish, portrayed by Clarice Harmon, with her bosom friends, Lizzie, Mary Stroud, and Angie, Anna Rose Rives, plus an element of mystery and suspense combine to make the play a success.

A lovable but blunt and outspoken spinster, Tish, manages to get herself and her friends—Aggie who feels she is persecuted by all, and Lizzie, a victim of intense hay fever attacks—into one scrape and out of another. To Charlie Sands, Tish's charming young nephew, falls a lot of rescuing his well-meaning but often impetuous aunt. George Ortin plays the role of Charlie. Among those who come in contact with the dynamic Tish are Ellen Laighton, portrayed by Anne Knapp, owner and operator of the Eagle Hotel, and her loyal and courageous little friend, Callie Hopkins, done by Marva Lund; also meeting her, but not faring so well, is Luther Hopkins, Callie's hardheaded and hardhearted father, played by Bob Cantonwine.

Others are Bettina Trent, Pat Nichol, a most unhappy girl, Wesley Andrews, Donald Doane, an engaging young man, Denby Grimes, a picture magazine photographer, done by Dave Mitchell, and Dorice Gaylord, an affected model, played by Shirley Tindall.

Coming in for their share of laughs are Lem Pike, a typical boastful and romantic, at least in his own mind, sheriff; and Charita, Ruth DeWater, Ellen Laighton's Mexican maid servant.

Directors, Shirley Tindall and Clayton Martin, feel that the characters are well cast and that there is a high degree of enthusiasm and cooperation.

Curtain time for this production is 8:15 p.m. on both Friday and Saturday nights. Anyone wishing to secure tickets should see Phyllis Ellis.

trip to Kansas City where the Crusader Choir will sing at General Assembly.

## THE LAST INNING

Every student at NNC realizes that baseball season is in full swing, not only on the campus but nation-wide, for not too long ago the National and American Leagues started their play for this season. America is a baseball loving nation as I am sure we are all aware.

Let's take a little time here and compare the game of baseball with the "game" of a school year. The school year is composed of nine months while a baseball game is a nine inning affair.

Have you ever seen a team that started taking things easy in the ninth inning of an important game? That's not a very likely situation. The same idea could be applied to our last "inning" of this school year.

Although this game seems rather stiff at times, this the last innin' is certainly not for folks content with sittin', so let's not see anyone around NNC quittin'.

A game has often been won by the continual good playing of a team in the ninth so also have they been lost by errors, and by sorry decisions made in the final inning. NNC'ers, let's make every play count these last few days as a score toward the closing of a successful year.

"If a task is once begun  
Never leave it till its done.  
Be the labor great or small,  
Do it well or not at all."

## Think You Are Working Too Hard?

AMES, IOWA - (ACP) - There aren't as many people actually working as you may have thought. At least, not according to this survey included in the Iowa State Daily:

"The population of the country is over 160 million, but there are 62 million over 60 years of age, leaving 98 million to do the work. People under 21 total 54 million which leaves 44 million to do the work.

Then there are 21 million who are employed by the Government and that leaves 23 million to do the work. Ten million are in the armed forces, leaving 13 million to do the work. Deduct 12,800,000, the number in state and city offices, and that leaves 200 thousand to do the work. There are 126 thousand in hospitals, insane asylums and so forth and that leaves 74 thousand people to do the work.

But 62 thousand of these are bums or others who will not work so that leaves 12 thousand to do the work.

Now it may interest you to know that there are 11,998 people in jail, so that leaves just two people to do all the work. And that is you and me, brother, and I'm getting tired doing everything by myself.

SO LET'S GET WITH IT!

## Last Telecast Of the Year

## College High Scores Wins

The Trojan nine have been quite successful this past year scoring wins over both Jordan Valley and Greenleaf.

Last Thursday at Jordan Valley with Don Olmstead carrying the pitching load the College High squad squeezed past the Jordan Valley boys 2-1. Olmstead whiffed nine, and Manley, who relieved him in the final inning struck out three more for a total of 13.

Playing their final game of the season Tuesday afternoon the Trojans defeated Greenleaf Academy 6-4. Olmstead again pitched and was relieved by Manley in the ninth.

## LIBRARY

Miss Lois Herron is attending the Idaho State Library Association Convention which is being held in McCall. Librarians from the entire state will be attending this meeting which lasts from Thursday to Saturday.

## Sports

### NNC Takes First At Boise

Competing at the Bronco stadium last Saturday the NNC thin-clads gained a total of 65 points to top both BJC and C of I. The Boise Broncos had 55 points while the C of I team had an unimpressive 22 points.

Don Constable and John Finkbeiner proved to be the heart of the NNC attack. Constable turned in three first places by taking the high hurdles, low hurdles, and 220 yard dash. His 25.6 clocking the lows was a new NNC record.

Finkbeiner did the 880 yard run in 2:04 and also took the quarter with a 51.1 time. Harry Maine, NNC distance runner took both the one and two-mile races. The three fellows, Constable, Finkbeiner, and Maine, accounted for better than half of the Crusader points.

NNC also took a first place in the mile baton battle.

### Girls Intramural

High scores and unique plays have characterized the diamond sport of spring softball thus far in girls intramural. The season has progressed to the half-way point and we find the team standings are:

ADP	3	0
OLY	2	1
LSP	1	2
SLA	0	3

Some good hitters have developed on each of the four society teams. Doing the mound work for each of the societies is: Oly, Beulah Marshall; LSP, Muriel Parsons; SLA, Ruth Burkhardt; and ADP, Martha Hopkins.

### Girls Tennis Team To Meet C of I

Lois Morgan was elected last Tuesday by the team as this year's team captain. Lois, the only senior on the team, is an English major from Nampa.

The girls will be meeting C of I there, next Monday. In two previous meets the Crusader girls have defeated the C of I team and will be hoping for their third victory Monday.

Playing the number one spot this year has been Betty Richardson, a sophomore from St. Paul, Minnesota. Betty's experience includes last year and this year on the tennis team. Her major is education with a minor in physical education.

LaDonna Nafziger, the only team member with high school experience, has been playing in the number two position this year. LaDonna played with the Nampa High team her senior year.

The other returning member from last year's team is Jo Wilcox. Jo, an education major from Nampa, has been playing tennis during her three years of college.

The other four members on this year's team are beginners this year. They are Vi Jahn, a sophomore from Grande Ronde, Oregon, who has played a singles position much of the season. Roxie Hull, a sophomore business major from Ontario, Oregon; Norma Phillips, an elementary education major from Lewiston, Idaho; and completing the team is Shirleene Wallace, also a sophomore, from Pasco, Washington, who is working on a speech major.

When speaking of the tennis team, Miss Rhodes, team coach, said, "I feel the girls have done well considering that most of them are beginners in tennis, and I expect to see the girls develop into a much stronger team next year."

### SLAs Ahead In Boys Softball

The SLAs took the lead in Society boys softball Tuesday by turning back the LSPs 10-3. The SLAs scored in every inning. Cliff Oleson pitched for the SLAs and received credit for the win. His team-mates stood behind him well with only 2 errors.

The Olympians pulled into a tie for second place with a 3-2 win over the ADPs in the first game of the day. The Olys got no hits but they scored two runs in the first inning on an error and five walks.

### TRACK SQUAD GOES TO OGDEN

As most of you have probably noticed the track and tennis fellows are missing from the campus. They are in Ogden today, where they are participating in the Intermountain Conference track meet and tennis tournament. There are eight schools competing in these events.

They scored the third run in the third inning as George Dillon walked, stole second base and came home on an error in the outfield.

## Tips on Taste

### THINK BEFORE YOU SPEAK

Tact, which is merely "appreciation of other peoples sensibilities" tops the list of social graces.

Tactfulness does not mean insincerity. There is a way in which we can tactfully disagree, and by so doing even change the opinion of our opponents.

A few rare persons are born with innate kindness; but tact, like etiquette, takes effort and training. It means trying to culti-

vate the habit of paying attention and making the effort to find the pleasant or encouraging side of truth.

To be tactful is to be likable.

### HIGH SCHOOL TRACK

The Trojan track squad will be traveling to Adrian Monday night to compete in a Class B meet. About 11 schools are expected to participate.
