CONTRALTO SET FOR JAN. 8

Lili Chookasian Listed For Civic Music Concert

Lili Chookasian, "radiant contralto," will be heard on Jan. 8, in the NNC auditorium. She will present the second concert in the series of Civic Music Association events for the year.

Described by Claudia Cassidy of the Chicago Tribune as "... a true contralto, authentic member of a tribe so rare as to be almost non-existent these days," Miss Chookasian is a Chicago girl of Armenian parentage.

Her career began when as a seventeen-year-old high school student she took part in a high school oratorio performance with such success that she was considered a vocal discovery and was given vocal lessons.

At nineteen, she auditioned successfully for an NBC "Hymns of all Churches" program, and soon she was heard on a daily network program. This led to her sensational open-air debut with the Chicago Symphony Orchestra in Grant Park.

Miss Chookasian has appeared in solo recitals in New York, Boston, Chicago, Louisville and other major cities. She commands a distinguished repertoire, ranging from the works of the Renaissance masters such as Guillaume de Machaut to the composers of the Classic-romantic period and our own contemporaries.

Nampa music-goers are already making plans to hear this soloist who has been described as having "the fervor of a dedicated musician plus a winning presence and rare personal charm."

Lewis Roberts of Nampa, well-known businessman and friend to Northwest Nazarene College, is president of the Civic Music Association this year.

Miss Wanda Rhodes Elected State Chairman at P. E. Conference

Miss Wanda Rhodes, instructor of physical education, was elected as the Idaho State Chairman of the Division of Girls' and Women's Sports of the American Association for Health, Physical Educa-

Christmas Dinner Served Dec. 15

Turkey and all the trimmings will be on the menu for NNC's annual Christmas dinner. This dinner will be served at 5:45 p. m. on Dec. 15 in Morrison dining hall.

Dr. John Riley will bring devotions on the Christmas story. On the program will be Prof. Marvin Bloomquist who will sing "Oh Holy Night," and the Collegianaires ladies' quartet. Christmas records will be played for the dinner music.

Special guests invited to this dinner are Dr. Thelma Culver, Miss Helen Wilson, Mr. and Mrs. Marvin Bloomquist, and Dr. and Mrs. John Riley and family.

FMB Chooses Earl Mostellers For Year's Project

Foreign Missionary Band members have chosen to help the Rev. Earl Mostellers of Brazil to build a library as the project for the year.

Scheduled speakers for the January meetings of this club are Dr. Bob Mangum and Mrs. Chester Hardcastle. At the last meeting, Mrs. Arthur Arnot, a missionary from Africa, spoke on her activities in that country.

Other recent guest speakers included Miss Wanda Rhodes and Dr. Francis C. Sutherland. Miss Rhodes told how the Bethany Nazarene College started a mission so that students could gain actual experience. Dr. Sutherland spoke on the subject, "The Value of Prayer."

Student Council Plans Homecoming

Homecoming activities are being planned this year by the student council. Co-chairmen for the home-

THE SOUND OF CHRISTMAS

By RALPH W. SEAGER

Our times have lost the humble Christmas sounds:
The bleat of sheep, the donkey's patient braying;
The amplifiers ring the bells so loud
We cannot catch the voice of Joseph praying.
The record player grinds the needle flat
And smothers out the breath of doves a-cooing;
The reindeer songs come mixed with rock and roll;
You'd never know the gentle cow was mooing.
Where traffic growls and silver whistles shriek,
That zephyr-wind—would that be angels, flying?
The aisles are jammed as cash clangs on the till,
And one Child's lost . . . yet no one hears Him crying.

Beta Chi Alpha Sets Up Christmas Scene Today In Front of Library

Members of Beta Chi Alpha will be setting up a Christmas scene this afternoon in front of the library. This scene is the club's project for this semester.

Practical demonstrations and ideas for the elementary school teacher serve as a guide in planning the programs for the art club's meetings this year.

Lorna Reed is president of the club; Phyllis Hickerson, program chairman; Marjorie Cox, secretary; Phil Stuchell, treasurer; sponsors are Misses Dorothy and Ruth Long.

Home Ec Gets Nod of Approval

Recently the home economics department of NNC was approved by the state board of vocational education as an institution for the training of vocational home economics teachers.

NNC is the only Nazarene College to have this approval. This approval means that work completed at NNC may be applied toward a master's degree at other institutions.

Careta Hammond, a sophomore from The Dalles, Ore., is a nominee for the second vice presidency of the national home economics department.

A new project for the home ec club this year is the operation of the snack bar in the student recreation center. Student council ap-

Honor Society Gives Christmas Vespers Program

Members of Phi Delta Lambda, national scholastic honor society of the colleges of the Church of the Nazarene, will present their annual Christmas Vespers program next Sunday.

The affair will be held at the home of Dr. and Mrs. John E. Riley at 3 p. m.

Guests of the sponsoring group will be members of Zeta Kappa Rho, undergraduate honor society, and students who are participating in the honors program this year.

According to Mrs. Geneva Bittleston, Phi Delta Lambda president, the program will feature the Christmas story in carols, Bible readings, and Makoto Harada will talk on a Japanese Christmas.

Refreshments will be served.

Sharon Johnson Named New Rec Center Director

Members of the Student Council this week named Sharon Johnson, sophomore from Osseo, Minn., as director of the NNC Recreation Center.

Resignation of Ed Hosford, present director, prompted the group's action. Hosford recommended the appointment of Miss Johnson.

Handel's "Messiah" Performance Set Dec. 14

Arnots Featured In Coming Chapel

Visiting chapel on January 8, will be Dr. and Mrs. Arthur Arnot of Bloemfontein, Orange Free State, Africa.

The Arnots are well-known in Africa where Dr. Arnot's father, Frederick Stanley Arnot, followed David Livingston in pioneer explorations of the interior lands.

Mrs. Arnot was a school associate of Dr. Thelma B. Culver who has described her as "one of the most wonderful Christians I have ever known."

Mrs. Arnot went to Africa as a missionary under the auspices of the International Holiness group. There she met Dr. Arnot who was a leader in the Fundamental Baptist mission.

The Arnots are now on furlough and are visiting in Nampa with relatives.

Mrs. Arnot will speak during the chapel hour. She will discuss the work in Africa.

Miss Washburn Back To Classes

Miss Marian B. Washburn returned to her classes Monday after spending three weeks in the hospital as a result of a fall on the steps in the Administration Building.

The NNC professor suffered severe back injuries in the fall and is still unable to meet all of her classes. Other members of the English department have been substituting for her in some classes.

Handel's great oratorio, the "Messiah," will be presented at 8 p. m. Dec. 14 in College Church. This performance will be the 24th annual presentation of the "Messiah" in Nampa.

Prof. Warnie Tippitt, director of the NNC Crusader Choir, will direct the 150-voice choir, accompanied by Mrs. Alline Swann on the organ, and Mrs. Ruby Sanner on the piano. Prof. John Eby will direct a 25-piece orchestra.

Soloists

Soprano solos will be sung by Pansy Martin, a 1958 graduate of NNC, now teaching in the public schools in Idaho Falls. Mrs. Sharon Transue Hubler of Caldwell will sing the contralto solos. Mrs. Hubler has appeared in the oratorio before and has been featured in other musical productions in the Boise Valley.

Baritone numbers will be sung by Prof. Marvin Bloomquist of NNC. Bloomquist is an alumnus of NNC and received his master's degree in music from the University of Minnesota last year. At present he is directing the choir of Nampa's First Christian Church.

The Rev. David Albright, well-known Nampa tenor, will complete the roster of soloists. Rev. Albright has been a soloist in the Nampa production before.

The churches of Nampa unite each year for the presentation of the "Messiah." It is under the co-sponsorship of Northwest Nazarene College and the Nampa Ministerial Association.

History of Oratorio

Handel composed this great oratorio in 1741 in the unbelievable space of 24 days. The work had its first performance in Dublin, Ireland, in 1742.

The first London performance occurred in the following year. As the singers began the stirring "Hallelujah Chorus," George II was so inspired that he rose to his feet. The audience, too, stood up and remained standing until the chorus ended. Since that time standing for the "Hallelujah Chorus" has become the custom for the audiences at performances of the "Messiah."

Nampa music-goers are already making plans to hear this soloist who has been described as having "the fervor of a dedicated musician plus a winning presence and rare personal charm."

Lewis Roberts of Nampa, well-known businessman and friend to Northwest Nazarene College, is president of the Civic Music Association this year.

Miss Wanda Rhodes Elected State Chairman at P. E. Conference

Miss Wanda Rhodes, instructor of physical education, was elected as the Idaho State Chairman of the Division of Girls' and Women's Sports of the American Association for Health, Physical Education, and Recreation at the physical education conference held in Boise recently.

The association prints the rules and guides for individual and team sports. One of its main objectives is to promote official rules and desirable practices for officiating individual, dual, and team sports.

MISS WANDA RHODES

As chairman of the state division, Miss Rhodes reports that they are striving to promote desirable practices and standards for girls' and women's sports. Some of the specific duties of the state division are to promote sports officiating clinics, to cooperate and promote sports days and play days for high schools, and to sponsor intercollegiate activities.

Goals of Group

The goals for the coming year are to get more qualified women officials into the program, to promote high school competition, and organize a new Women's Officiating Rating Committee at Pocatello.

Miss Rhodes also is the chairman of the Southwestern Idaho Board of Women Officials. A basketball rating clinic was held at the NNC gymnasium Dec. 6 for women interested in obtaining national officiating ratings in basketball.

from Africa, spoke on her activities in that country.

Other recent guest speakers included Miss Wanda Rhodes and Dr. Francis C. Sutherland. Miss Rhodes told how the Bethany Nazarene College started a mission so that students could gain actual experience. Dr. Sutherland spoke on the subject, "The Value of Prayer."

Student Council Plans Homecoming

Homecoming activities are being planned this year by the student council. Co-chairmen for the homecoming committee are Larry Hull and Jim Nevin.

Under this new set-up, the responsibility of homecoming activities will be delegated to more clubs.

The tentative date for homecoming has been set for the basketball game Jan. 24 against College of Idaho. This game will be played in the Nampa High School gymnasium.

NNC Member of New Association

Westminster College at Salt Lake City, Utah, College of Idaho at Caldwell, and Northwest Nazarene College have now incorporated as the Intermountain Colleges Association, Inc.

"The purpose of the I.C.A. is to enlist the financial aid of business and industry in these six states (Idaho, Wyoming, Nevada, Utah, Arizona and New Mexico) in support of the four-year, degree granting, fully accredited, non-tax supported college of this area."

It is one of forty state and regional organizations throughout the nation recognized by the Commission on Colleges and Industry of the Association of American Colleges.

Circle K Ready For Applications

Circle K is now considering applications for new members. All male members of the associated student body having completed one full semester of school are eligible. This includes those students who will complete one semester in January, 1959.

All applications should be given to one of the Circle K officers by the end of the semester. The officers are Larry Hull, president; George Harper, vice president; and Ed Hosford, secretary.

Chosen as this year's theme for Circle K is "Enlightened Fellowship."

Recently the home economics department of NNC was approved by the state board of vocational education as an institution for the training of vocational home economics teachers.

NNC is the only Nazarene College to have this approval. This approval means that work completed at NNC may be applied to ward a master's degree at other institutions.

Careta Hammond, a sophomore from The Dalles, Ore., is a nominee for the second vice presidency of the national home economics department.

A new project for the home club this year is the operation of the snack bar in the student recreation center. Student council approval was given for this undertaking at its last meeting.

Limited Student Loans Available

Student loans provided by the National Defense Education Act have been approved by the Board of Regents of Northwest Nazarene College. The funds will be limited. They will be divided by states and then by colleges on the basis of enrollments.

Each institution will then be responsible to divide its share of the funds to the students on the basis of scholarship, need, and preference for education, science, mathematics or modern foreign language students.

A small amount of money will probably be available for the second semester.

Professor Donald B. Tillotson Receives Science Fellowship

Prof. Donald B. Tillotson has been awarded a National Science Foundation Science Faculty Fellowship. This grant is for 12 months graduate study in mathematics at the University of Kansas at Lawrence, Kans.

The study will begin in June, 1959. He will take courses in analysis, algebra, probability and statistics.

The purpose of the study is to provide additional background for lecturing of undergraduate math and to provide a basis for research in algebra and probability.

Mr. Tillotson attended a summer institute for mathematics teachers sponsored by the National Science Foundation at the University of Kansas last summer. Prof. Tillotson has been on the NNC staff since 1943.

A graduate of Eastern Nazarene College, Mr. Tillotson received his master's degree from Boston University. He did graduate study at the University of Pittsburgh.

ston, Phi Delta Lambda president, the program will feature the Christmas story in carols, Bible readings, and Makoto Harada will talk on a Japanese Christmas. Refreshments will be served.

Sharon Johnson Named New Rec Center Director

Members of the Student Council this week named Sharon Johnson, sophomore from Osseo, Minn., as director of the NNC Recreation Center.

Resignation of Ed Hosford, present director, prompted the group's action. Hosford recommended the appointment of Miss Johnson.

Miss Johnson is the daughter of the Rev. and Mrs. Ed Johnson of Osseo. A home economics major, she plans to enter food research or social work in home economics.

During her high school years she was president of Youth for Christ and was active in Sunday School work. At present she is chief secretary for the College Department of College Church Sunday School. She has also held secretarial positions in Mangum Hall and Lambda Sigma Pi Society.

MISS SHARON JOHNSON

Christmas Recess Starts Dec. 17

Christmas recess begins at 4 p.m. Dec. 17. Classes will resume at 7:50 a.m. on Jan. 5, 1959.

Semester examinations will be given Jan. 19-22. Semester and bench grades will be due at 5 p.m. Jan. 23.

WCTU Sponsors Oratorical Contest

According to Miss Helen Wilson, professor of speech, NNC students have been invited to enter an Inter-Collegiate Oratorical Contest sponsored by members of the Women's Christian Temperance Union.

Preliminary contests will be held in each of Idaho's colleges with the state contest scheduled for some time shortly after Easter. Prizes of \$50, \$30 and \$20 will be given in the state contest.

The Idaho winner will be eligible to compete for a national award of \$150.

According to Miss Wilson the orations must be written on the general topic of beverage alcohol and its attendant evils. Orations must be between 1,000 and 1,200 words and must show evidence of adequate research.

Any student who is interested in learning more about the contest should see Miss Wilson as soon as possible.

SNEA Elects Delegates To Attend Meet

At the regular monthly Student National Education Assn. meeting held Dec. 2, SNEA members elected delegates to attend the Idaho Education Association assembly to be held in Boise March 13-14, 1959.

Those elected were Minnie Humphrey, Carol Grey, Barbara Urwin, and Bill Leggett. Elected as alternates were Joan Ogburn and Alice Graham.

sponsorship of Northwest Nazarene College and the Nampa Ministerial Association.

History of Oratorio

Handel composed this great oratorio in 1741 in the unbelievable space of 24 days. The work had its first performance in Dublin, Ireland, in 1742.

The first London performance occurred in the following year. As the singers began the stirring "Hallelujah Chorus," George II was so inspired that he rose to his feet. The audience, too, stood up and remained standing until the chorus ended. Since that time standing for the "Hallelujah Chorus" has become the custom for the audiences at performances of the "Messiah."

The "Messiah" consists of Biblical excerpts telling of the birth, sacrifice, and resurrection of Christ, drawn from the Psalms, Prophets, and the Gospels. It is considered one of the most glorious musical manifestations of Christian faith.

Dr. Riley Voted To Association

Dr. John E. Riley, president of Northwest Nazarene College, returned recently from Portland where he was re-elected to a three-year term as a member of the Higher Commission of the Northwest Association of Secondary and Higher Schools.

Dr. Riley attended the meeting of the Northwest Assn. in the Oregon city. While at the meeting he reported on his visit as a fraternal delegate to the meeting of the North Central Association of Secondary and High Schools in Chicago.

Holiday Activity Includes Caroling

Student-council sponsored dorm caroling commenced at Mangum Hall at 9 p.m. last night. Mangum Hall residents caroled to Hadley Hall, then picked up the Hadley residents and proceeded to Chapman Hall.

Upon addition of depth and interested fellows, the group caroled to NNC's vista village, Vetville. The carolers then assembled at Morrison Hall where, after a short concert, more altos and sopranos joined the group.

The entire group progressed to the residence, the home of Dr. and Mrs. John E. Riley. Terminating in Mangum Hall parlor, a program of Christmas songs was presented by the Chapman Hall minstrels and two quartets.

Warming refreshments capped the evening of Christmas music.

MR. DONALD TILLOTSON

Mrs. Tillotson and their two daughters, LaDonna and Carol, will accompany Mr. Tillotson to Kansas.

"I feel this is a wonderful opportunity to continue my training under stimulating teachers," states Mr. Tillotson.

★★ *Editorial Comment* ★★

WHERE ARE YOU GOING?

By JACK WRIGHT

This is one of those questions that is profoundly simple and simply profound. Life has been compared to a game which everyone must play. There are no substitutes, no time outs and no retirements. You either win or lose. At birth the Great Umpire calls, "Play ball." The final out in your last inning is death.

There is a formula which I believe, if kept, will assure you of winning the game of life.

1. **DESIRE:** Mere man cannot defeat a burning desire. A burning desire to be and to do. No one is ever defeated until defeat is accepted as a reality.
2. **WORK:** Genius is the capacity for hard work. Lose yourself in your work. Make each day count.
3. **DEFINITE MAJOR PURPOSES:** God seems to throw Himself on the side of the man who knows exactly what he wants, if he is determined to get just that.
4. **FAITH:** Faith is the chemical mixed with prayer that gives one direct communication with divine intelligence. Cardinal Gibbons said, "I have lived 86 years. I have watched men climb up to success, hundreds of them, and of all the elements that are important for success the most important is faith.

Let us so live that we can say with Paul, "I have fought a good fight, I have finished my course, I have kept the faith."

Christmas Did Not Just Happen

By WILMA FUCHS

Christmas was not a happenstance—
 It completed a plan,
 Designed eons ago by One
 Who knew the needs of man.
 Behind the nativity scene
 A hidden message lies,
 Fulfillment of promise to us—
 As well as Three Men Wise.
 Back to the trek of the Wise Men,
 Directed by a star,
 Man is shown a path to follow
 To heaven's gates ajar.
 'Twas in this greatest miracle
 Future hope was avowed,
 No, Christmas did not just happen,
 Christmas was made by God.

By JIM FRANKLIN

World Events Pass In Review

Communism

This past year has been a turmoil between the East and West Forces. Europe, to a certain extent, has seen the lessening of Communistic influence in France, Italy, West Germany and some of the smaller countries. In France and Germany, recently, the Communists have suffered overwhelming defeats at the polls.

On the other side of the picture were the riots during Vice President Nixon's visit to South America, the coup d'etat in Iraq, the shelling of Matsu and Quemoy, and now the threat of another blockade of West Berlin.

The Berlin situation has been intensified to the place where it has made the United States and Britain squirm. The West Berliners are a very determined people and their newly re-elected mayor, Willie Brandt, is truly an example of resistance for them to follow.

Asia has seen the advance of China toward a more truly Communistic way of life than Russia has ever seen. Mao is striving for the place where each individual will become nothing but a small cog in a giant mechanism of a world power. Everyone works who has completed his education. Women are kept together in one dormitory while men are separated in their own dormitory.

What is known as the "Saturday Night System" is in effect. This means that husband and wife may be together on alternate Saturday nights. The goal is that there will be "no such thing" as a family in Red China.

The Chinese Communists refer to the U. S. as a "paper tiger." "A tiger which must be attacked again and again."

U. S. Integration

The integration problem has been another big item in the news this past year. All of the bad effects won't be realized for some five to ten years yet. "Bad effects" would include: the propaganda the Communists will be using against us; the hasty marriages brought on by ex-students who had "nothing else to do;" and students planning to go to college who had a year of their education juggled and disrupted by their stubborn parents.

I would urge the reader to read the article "80 Days Without Public Schools" in the Dec. 1 issue of

Your President Speaks . . .

Merry Christmas, Happy New Year

By JERRY HULL

The old saying states, "That it is a sign that one is getting old when he begins to look back." I will twist the phrase around to say it is a sign that the year is growing short when we begin to look back.

But as I have looked back reviewing the activities of this year, it is possible to have an optimistic attitude. The few years that I have been on the Council, I am sure that none of the past presidents have had a more cooperative group of Council members with which to work.

I would also like to wrap a big "thank you" in Christmas gratitude and say how enjoyable it has been to serve as your president this year. It almost seems as if everyone has gone out of his way to help sharing the responsibilities of these past school months. I would like to return the favor in a small way by wishing everyone the the merriest of Christmases and the happiest of New Years.

Just a reminder to all of the students—remember that your influence is not only your own any more. For as the great majority of us will be leaving campus this vacation time we will be representing not only ourselves but NNC as well.

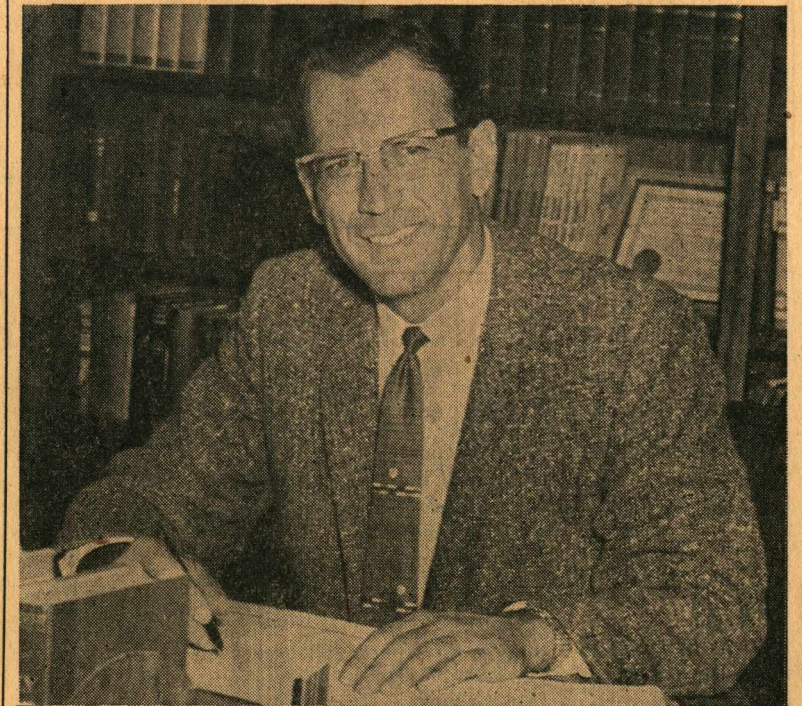

The "old high school buddies," the people in the home church and our families are all going to be anxious to know what we have learned and about all of our activities; but what they will remember the longest is the influence we have made on them personally and as a representative of NNC.

I extend to each of you my prayers and ask that God's richest blessings may rest upon each of you this Christmas season.

BOTANY

There should be no monotony
 In studying your botany
 It helps to train
 And spur the brain
 Unless you haven't got any.
 It teaches you, does botany
 To know the plants and spotany
 That grow on earth
 And what they're worth
 And why some spots have notany.
 You learn from reading botany
 Of wooly plants and cottony
 And learn just why
 They live and die
 In case you plant or potany.
 You sketch the plants in botany
 You learn to chart and plotany
 Like corn and oats
 You jot down notes
 if you know how to jotany.

Across the Pastor's Desk . . .

HOME FOR CHRISTMAS

By REV. EUGENE STOWE

Is anyone on the NNC campus thinking of anything else than about that big trip home for Christmas?

Really, there would be something radically wrong if you weren't. If there is any time in the entire year when home ties should pull hard at our heartstrings it should be at Christmas time. Misunderstandings and petty problems are easily forgiven and forgotten when—

- . . . the sound of Christmas carols begins to fill the air;
- . . . The sight of brightly decorated Christmas trees catches the eye;

. . . the memory of the blessed Christmas story gladdens the heart.

Be is ever so humble, that house you call home begins to assume the proportions of a mansion as you anticipate going home for Christmas. Just to get to see that swell Mother and Dad of yours and those brothers and sisters is reward enough for the long trip home. And two weeks of "home-cooking" won't be hard to take, either!

Yes, you'll enjoy going home for Christmas. But here's something else you may not have remembered. As you go home, you go as a personal representative of NNC. Oh, you won't have a memorized college speech to give, but you'll speak for the school just the same. Having spent a semester, a year, or longer at NNC, you are now a product of this institution. The folks at home will judge the college by what you are. You'll be on the witness stand before three groups:

1. **Your family.** They'll be anxious to see if what you've been writing home is really true. If you've testified about new spiritual victory in your life, they'll be expecting to see a change in you. They'll be looking to see if their investment in your college career is really paying off. Your attitudes around the home will speak volumes as to the value of a Christian education. And they should see some signs of maturity in you. College students are expected to have "put away childish things."

2. **Your church.** In the last analysis, NNC is either sold to the home church or sold "down the river" to it by you. Few of its members will ever hear Dr. Riley or Mr. Johnson give a school talk at district assembly. Even fewer will ever hear the Crusader choir in concert or have the basketball team for a service. The membership forms its opinion of Northwest Nazarene College by observing you. That's quite a responsibility, isn't it? What do you suppose they'll think of the college if you "sleep in" in Sunday morning instead of getting out to Sunday school? How will they appraise the value of your education at a holiness college if you refuse to sing in the Christmas cantata or cooperate with other activities? You may actually be the difference between your home church paying its educational budget in full, raising its Matching Fund, or helping to build the new buildings which NNC needs and/or that church "dragging its feet" in its support of the college. Quite a responsibility, isn't it?

3. **Your community.** No doubt you'll be meeting lots of old friends in your home town. There'll be those who are home from other colleges.

Let us so live that we can say with Paul, "I have fought a good fight, I have finished my course, I have kept the faith."

Christmas Did Not Just Happen

By WILMA FUCHS

Christmas was not a happenstance—
It completed a plan,
Designed eons ago by One
Who knew the needs of man.
Behind the nativity scene
A hidden message lies,
Fulfillment of promise to us—
As well as Three Men Wise.
Back to the trek of the Wise Men,
Directed by a star,
Man is shown a path to follow
To heaven's gates ajar.

Prof. Byers Heads Business at NNC

By RUTH OLIN

Although he was born in Oklahoma and raised in northeastern Kansas, Prof. Marvin E. Byers is happy with his home in Nampa. He prefers teaching business to working in business as a career because he likes young people. Prof. Byers is head of the business department, chairman of the Division of Applied Studies, and is the sponsor for the Future Business Leaders of America Club at NNC.

"I teach with a piece of chalk in my hand," he stated when asked about his style of teaching. He also thinks the overhead projector has great possibilities, and he is already using it as an additional teaching aid. Prof. Byers had NNC in mind for some time before he actually accepted a position on the faculty here.

Three years before he arrived he had his first interview with Dr. Riley between trains on a Union Pacific platform. He is now in his third year at NNC. He taught eight years at the University of Wyoming and also taught summers at his alma mater in Emporia, Kan., as a visiting teacher.

He met his wife, June, while at-

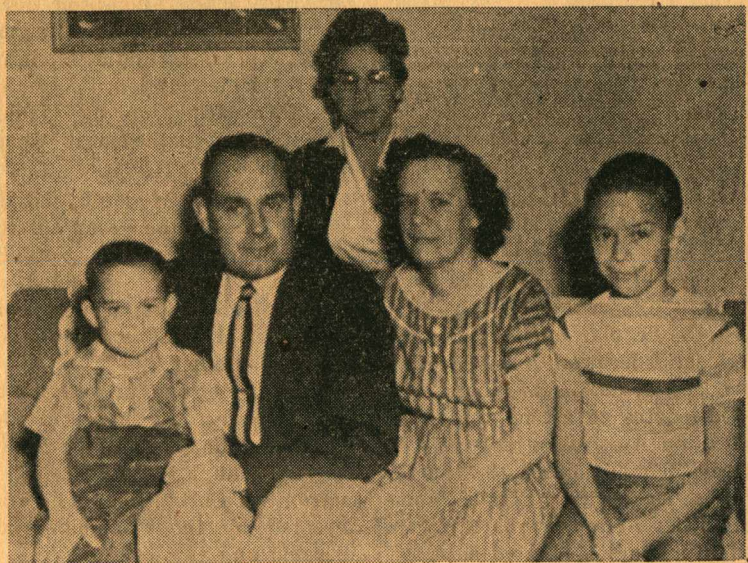

tending Kansas State Teachers College in Emporia and they now have a daughter, a junior in College High, and two younger boys.

Photographer in Navy

During the war Prof. Byers was an aerial photographer for the Navy and served most of his three years in and around the Philippines. Photography is still his main hobby although he enjoys watching a good game of football or basketball. For his own exercise he believes tennis is all right.

This scholarly dark-haired son of an evangelical minister is an avid reader of historical fiction or just plain history. In his own field of accounting he is about half-way finished with his work toward a doctorate degree.

The scripture verse that promptly came to his lips as one that has been a special help to him, particularly during the war, is found in Isaiah 26:3: "Thou wilt keep him in perfect peace, whose mind is stayed on thee: because he trusteth in thee." Prof. Byers exemplifies the Christian life that could well be followed by those students who come under his influence.

Prof. Byers and his wife, June, with their children, Danny, Bonnie and Joe.

The Chinese Communists refer to the U. S. as a "paper tiger." "A tiger which must be attacked again and again."

U. S. Integration

The integration problem has been another big item in the news this past year. All of the bad effects won't be realized for some five to ten years yet. "Bad effects" would include: the propaganda the Communists will be using against us; the hasty marriages brought on by ex-students who had "nothing else to do;" and students planning to go to college who had a year of their education juggled and disrupted by their stubborn parents.

I would urge the reader to read the article "80 Days Without Public Schools" in the Dec. 1 issue of Newsweek Magazine on page 23.

Missile Development

Our country has, as of Nov. 29, a missile capable of delivering a nuclear war-head over 6,000 miles in half an hour. The Pioneer III shot last week reached an altitude of 66,654 miles. It was considered a success by the Cape Canaveral experts.

Cupid's Corner

By RUBY KEATING

Cupid was the incentive for several parties and celebrations during the Thanksgiving season.

Kraft-Bramson

The engagement of Miss Ethel Kraft to Mr. Phil Bramson was revealed at an engagement party given in Casper, Wyo.

Miss Kraft is the daughter of Mr. and Mrs. Emil Kraft of Canby, Ore. Mr. Bramson is the son of Mr. and Mrs. Ed Bramson of Casper. A summer wedding is being planned.

Baker-Martin

Mr. and Mrs. J. D. Baker of Boise, Idaho, announce the engagement of their daughter, Rosetta, to Mr. Brad Martin, son of Mr. and Mrs. Jack Martin of San Jose, Calif. No wedding date has been set.

Klein-Wilson

Mr. and Mrs. Willis Klein of Walla Walla, Wash., announce the engagement of their daughter, Janice, to Mr. Jim Wilson, son of Mr. and Mrs. Lewis Wilson of Roseburg, Ore.

A summer wedding date has been set.

Alexander-Kratzer

Mr. and Mrs. Lloyd Alexander of Nampa announce the engagement of their daughter, Thelma, to Mr. Ron Kratzer, son of Rev. and Mrs. Raymond Kratzer of Nampa. Both are 1958 graduates of NNC.

The couple have not set a wedding date.

The Thanksgiving banquet was the setting for the engagement announcements of two young couples.

BOTANY

There should be no monotony
In studying your botany

It helps to train

Unless you haven't got any.

It teaches you, does botany

To know the plants and spotany

That grow on earth

And what they're worth

And why some spots have notany.

You learn from reading botany

Of wooly plants and cottony

And learn just why

They live and die

In case you plant or potany.

You sketch the plants in botany

You learn to chart and plotany

Like corn and oats

You jot down notes

if you know how to jotany.

Your time, if you allotany

Will teach you how and whatany

Old plant or tree

Can do or be

And that's the use of botany.

—Berton Braley

Kirschner-Freeman

The engagement of Miss Judy Kirschner, daughter of Mr. and Mrs. H. Kirschner of Seattle, Wash., to Mr. Al Freeman, son of Mr. and Mrs. E. J. Freeman, Seattle, Wash., was announced.

Miss Kirschner is a 1958 graduate. An August wedding date has been chosen.

Williamson-Sullivan

The engagement of Miss Mary Williamson, daughter of Mr. and Mrs. C. E. Williamson, of Greybull, Wyo., announced her engagement to Mr. John H. Sullivan, son of Mr. and Mrs. John N. Sullivan of Vancouver, British Columbia. John attended NNC last year.

Wedding plans are indefinite.

Woodbeck-Lund

Mr. and Mrs. C. A. Woodbeck of St. Paul, Minn., announce the engagement of their daughter, Marilyn, to Mr. Gary Lund, son of Mr. and Mrs. Oscar Lund, Kinear, Wyo. Both are former students of NNC.

A spring wedding is planned.

Pywell-Young

Mr. and Mrs. Percy Pywell of Zurich, Kan., announce the engagement of their daughter, Florann, to Mr. Harry Young, son of Mr. and Mrs. Clarence Young of Star. A fall wedding is being planned.

be looking to see if their investment in your college career is really paying off. Your attitudes around the home will speak volumes as to the value of a Christian education. And they should see some signs of maturity in you. College students are expected to have "put away childish things."

2. **Your church.** In the last analysis, NNC is either sold to the home church or sold "down the river" to it by you. Few of its members will ever hear Dr. Riley or Mr. Johnson give a school talk at district assembly. Even fewer will ever hear the Crusader choir in concert or have the basketball team for a service. The membership forms its opinion of Northwest Nazarene College by observing you. That's quite a responsibility, isn't it? What do you suppose they'll think of the college if you "sleep in" in Sunday morning instead of getting out to Sunday school? How will they appraise the value of your education at a holiness college if you refuse to sing in the Christmas cantata or cooperate with other activities? You may actually be the difference between your home church paying its educational budget in full, raising its Matching Fund, or helping to build the new buildings which NNC needs and/or that church "dragging its feet" in its support of the college. Quite a responsibility, isn't it?

3. **Your community.** No doubt you'll be meeting lots of old friends in your home town. There'll be those who are home from other colleges. You'll see some with whom you went to high school or worked. They, too, will form their estimate of NNC by seeing you in action. If you exhibit Christian consistency and a healthy enthusiasm about NNC you can "make believers" out of them. Don't forget it, a satisfied customer is still the best advertisement for anything.

So, have a good trip home and a very happy and profitable Christmas, and we'll be seeing you back here "next year" with a good report of your witnessing for Christ and the college!

MEET YOUR HEADS

**DR. GILBERT C. FORD
HEADS PHYSICS DEPARTMENT**

By RUTH OLIN

"You don't have many girls in your classes, do you?" I queried. "No, I don't," came the deliberate reply illuminated by the inimitable grin of Dr. Gilbert C. Ford. The girls who do venture to sign up for one of the six classes in physics which Dr. Ford now teaches should be classed among the unusual and certainly above the average in interest.

I wonder if any of the fellows in those six classes know that their instructor was once a sergeant in the U. S. Army Engineers. They have, no doubt, heard of some of the other places he has worked in connection with his field of knowledge.

These include the radiation lab at the University of California, the atomic energy plant at Oakridge, Tenn., the National Bureau of Standards in Washington, D. C., and most recently the physics department at the University of California. He states that this is his ninth year here at NNC and that he came the same year that Prof. Sanner joined the faculty.

The state of Kansas again enters the picture as the birthplace of one of our faculty. This time a Christian couple in Hill City, Kans., were the parents of their only child who is now our Dr.

**Miss M. Marsh
Earns M. A. Degree**

Miss Marian Marsh, former Nampa public school teacher, received her M. A. degree in elementary education at Colorado State College this week.

Miss Marsh is the daughter of Rev. and Mrs. O. E. Marsh of Nampa. She earned her A. B. degree at Northwest Nazarene College.

The Nampa woman will continue her studies at the Colorado institute throughout the coming school year. She has been admitted to the Specialist in Education Program where she will pursue advanced graduate work with Dr. Marian Jennings, director of the college's reading clinic.

Miss Marsh recently made a study of reading deficiencies which culminated in her writing a term paper on "Diagnosing Reading Deficiencies in the Elementary School."

Miss Marsh will return to Nampa next September and will join the faculty of Northwest Nazarene College in the department of education.

She plans to spend the Christmas holidays in Nampa with her parents.

**Choirs Present
Christmas Sings**

Crusader Choir will sing "Beautiful Saviour" by Christiansen during the chapel hour on Dec. 15. On Dec. 16 the Male Chorus will present a Christmas program.

Crusader Choir is directed by Prof. Warnie T. Tippitt. Prof. Marvin Bloomquist is director of Male Chorus.

Treble Choir, directed by Mrs. Deloris Waller, was featured during the chapel hour Dec. 10. Yesterday they sang on KBOI television as featured guests of Bonnie Wallis' program, "Woman's World."

The numbers they sang included "Cantate Domino" by Hassler, Tchaikovsky's "When Jesus Was A Little Child," "Christmas Candle" by Elinor Warren, "Sing Noel" by Knighton and Seth Bingham's "The Christmas Child."

Pupils of Mrs. Alline Swann presented a recital of Christmas numbers Dec. 8. Pre-high school pupils gave a program for their parents at 4:30 p.m. At 7:30 p.m. the high school pupils were featured, with college students following an hour later.

The college program featured Jackie Watson, Selma Myhre, Kathy Pershall, Barbara Bosley, Florann Pywell, Sharan Perkins, Barbara Kiel, Sharon Satrum, Ellen McUne, Dave Mattson, Anna Mae Maurerle, and Naomi Croford.

**Mrs. Gundersen,
David Rinker Win
National Notice**

Mrs. Lorrain Gundersen, a sophomore from Nampa, and David Rinker, sophomore from Hastings, Nebr., have been notified that poems they wrote have been accepted for publication in the Annual Anthology of College Poetry.

Mrs. Gundersen's "Indian Camas" and Rinker's "He Tries to Sing" were submitted for national judging by Miss Marian Washburn, their English professor.

The students received notification from Mr. Dennis Hartman of Los Angeles, secretary of the National Poetry Assn., sponsors of the anthology.

According to Hartman, the anthology is a compilation of the finest poetry written by the college men and women of America, representing every section of the country. Selections were made from thousands of poems submitted.

Mrs. Gundersen is president of the Idaho League of Women Voters.

**MEN'S CLUB
TO DISPLAY
SCHOOL BANNER**

Men's club has selected as a project this year a school banner to be displayed at all basketball games. This banner will be used at all home basketball games to designate NNC's cheering section.

**Mrs. Ramona Kern
Has New Position**

Word was received this week by Mrs. Florence Aller, head of the home economics department, that Mrs. Ramona A. (Lloyd) Kern has been appointed to the position of Claims Examiner in the Bureau of Old Age and Survivors Insurance of the Social Security Administration.

Mrs. Kern will be working in the Kansas City Payment Center in Kansas City, Mo. She received a degree from NNC in 1956.

Phyllis Pond

Phyllis Pond, a 1957 NNC graduate, writes that she is teaching home economics and physical education at Connell High School in Connell, Wash.

Mary Shaffer

Mary Shaffer ('50) writes from Pasadena College where she is directing the girls' athletics and teaching art. She travelled in 11 European countries by Volkswagon the summer of 1957.

Carolyn Simmons

News comes from the United Air Lines executive officers in Chicago that Carolyn Simmons ('57) graduated from Stewardess School in Cheyenne in August and is now based in Seattle, Wash.

**Baby Boy Born
To Earl Emersons**

Word has been received in Nampa of the birth of a son, Michael Lauren, to Mr. and Mrs. Earl L. Emerson of Inglewood, Calif.

Mr. Emerson is a grandson of Eugene Emerson, the founder of Northwest Nazarene College. The baby's paternal grandparents are Mr. and Mrs. J. Calvin Emerson of Nampa.

Both Earl Emerson and his wife, the former Darlene Gentry, are graduates of NNC. Mrs. Emerson is well-known in music circles in the Boise Valley for her appearances as soprano soloist in "The Messiah."

Emerson writes that the baby was delivered by Dr. David L. Messenger, NNC alumnus, and that he was dedicated by the Rev. Ralph W. Hertenstein, pastor of the Church of the Nazarene in Inglewood and a graduate of the NNC Class of 1919.

The Emersons are making their home in California while Mr. Emerson pursues graduate work in science at the University of Southern California.

**CWB Sponsors
Various Activities**

Arrangements have been made with the Nampa State School Superintendent for a Christian Worker's Band group to visit there each week.

A group will also be sent to the Boise Rescue Mission to help Mr. Bradshaw who is in charge of the mission.

Every other Sunday evening after church, CWB sponsors a fire-side sing in Morrison dining hall. These are informal meetings with various singing groups presenting special numbers.

This idea originated in the Religious Life Committee. This committee is under the direction of Rev. A. Elwood Sanner and is composed of four students and eight faculty members. The function of this committee is to study critically the religious life of the campus and to make recommendations to the President for improvements and further developments.

Any group or person wishing to sing at one of these fireside meetings is asked to contact Gordon Olsen or Al Jones.

Two Moody Institute films, "God of the Atom," and "Prior Claim" were presented recently in the NNC chapel by the CWB group.

**Teachers Attend
Physics Meet**

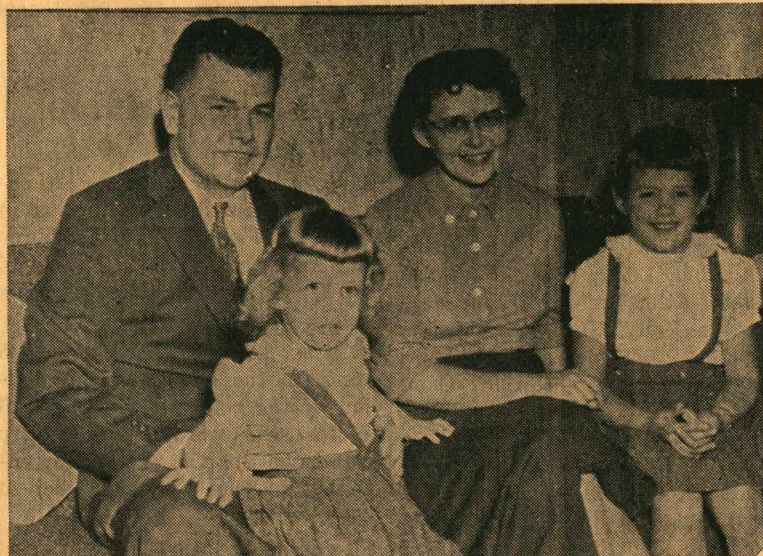

Dr. Gilbert C. Ford and Virgil W. Vail returned recently from Idaho Falls and Arco where they attended a symposium on radiological physics sponsored by the Atomic Energy Commission.

Both men are on the faculty of the science department of Northwest Nazarene College.

Representatives from colleges and universities of the Northwest attended the symposium. After a day of discussion the group was taken on a tour of the National Reactor Testing Station at Arco.

The two Nampa professors were greeted by Harry Maine, graduate of 1958, whom they found operating a 175 Megawatt Reactor at the testing station.

Two other NNC graduates, John Prince and Helen Bogle Ong, are pursuing graduate work on fellowships granted by the Atomic Energy Commission.

Dr. and Mrs. Ford at home with their two daughters, Valerie and Gail.

Ford. It was their influence that helped him to become a Christian at 17 years of age.

Family

While attending the Nazarene Church in Washington, D. C., Dr. Ford met his wife, Norma. They now have two small daughters, Gail and Valerie. The mere mention of their names produces the inevitable fatherly twinkle in the blue eyes of this handsome 6'3" professor.

Unlike most of the other faculty

MEET YOUR HEADS

**Professor A. Elwood Sanner Is
In Process of Writing Textbook**

By RUTH OLIN

Prof. A. Elwood Sanner, head of the department of religion, is a living paragon of a man who loves his work. Though he starts each day early, he finds it hard to quit at the end of it. His wife, Ruby, also keeps herself very active teaching piano and music theory as well as helping out in the many positions as piano accompanist. If 15-year-old Evelyn Louise and 11-year-old Patricia Ruth follow in their parents' footsteps, they too will find little time for leisure.

Prof. Sanner was not a newcomer to NNC when he arrived in the fall of 1950 to accept a position on the faculty. His folks brought him to Nampa from Kansas when he was seven years old. The college grade school was the scene of his graduation from the grades. It was during this time that his father served as district superintendent in this area.

Later Prof. Sanner, along with his three brothers and a sister,

concerned with that type of work. A combination of providential circumstances in the fall of 1949 made it unmistakably clear to me that the Lord was leading this way. I am very happy in this work and I feel I am pursuing the same work I was before from a different point of view."

Working on Textbook

Helping to write a new textbook is an outside assignment which Prof. Sanner considers a privilege and an honor. The title of this book will be "Exploring Our Christian Faith." This will be the textbook for all required doctrinal courses in Nazarene colleges.

In addition to his position as head of the department of religion here at NNC, Prof. Sanner is chairman of the Religious Life Committee, sponsor of CWB, and co-sponsor of the Collegiate Ministerial Association. He also belongs to the National Association of Biblical Instructors and is chairman of the Board of Ministerial

Dr. and Mrs. Ford at home with their two daughters, Valerie and Gail.

Ford. It was their influence that helped him to become a Christian at 17 years of age.

Family

While attending the Nazarene Church in Washington, D. C., Dr. Ford met his wife, Norma. They now have two small daughters, Gail and Valerie. The mere mention of their names produces the inevitable fatherly twinkle in the blue eyes of this handsome 6'3" professor.

Unlike most of the other faculty members who live close to the campus, Dr. Ford and his family prefer the wider open spaces as seen from their neat brown and white bungalow just outside of Nampa. Amateur radio, photography and hunting would consume more of Dr. Ford's time if he had it to spare.

Tests and Lab

Dr. Ford has always been interested in Christian education and he feels it was definitely the Lord's will for him to teach in a Christian college. He reluctantly admitted that his salary would be higher in other places but he feels that his Christian influence is more important. As a teacher he believes tests are essential and gives "more than usual." However, he also believes that the learning experience in laboratory work is of equal importance.

Up to this point, my interview with Dr. Ford correlated beautifully with my shorthand notes, but when I posed the question about the title of his doctor's research, my pencil could produce no scratchings for the answer: "Mass Spectroscopy." Dr. Ford sympathetically explained that this was the field of nuclear physics.

Dr. Ford paints a promising future with many opportunities vocationally for the fellows whose talents are directed into the field of physics. As far as the girls go, if anyone could impart the understanding of physics to one of us, it would be Dr. Ford.

Bulletin Boards Planned By Missionary Council

Plans for setting up two bulletin boards in the main hall of the administration building are being made by the general missionary society council.

These bulletin boards will feature the projects of the society, a map of the world with Nazarene missionary work pictured on it, and a temporary board emphasizing current missionary topics.

What Benefit Is Seen In "Messiah?"

What benefit do you see in repeating Handel's "Messiah" each year?

Mr. Warnie T. Tippitt, director of music: "It is the type of music that grows on you. The more you hear it, the more you come to appreciate and love it. It isn't like some of the hit tunes that are popular for a few weeks or months and then pass on.

"It has so become a part of the Christmas season that it wouldn't seem like Christmas without it." Rev. H. H. Tromburg, College Church member: "The first time I heard it, it was novel and I couldn't follow the sequence of its meaning. The second time it seemed repetitious to me. But with each succeeding hearing, it has gained sentiment and meaning. I am sold on it now. I consider it a very important part of Christmas."

Mrs. Florence D. Aller, head of home economics department: "To me it's just like reading the Bible. You don't expect to get everything out of it the first time you read it, but as you become more familiar with it, it gains meaning. The 'Messiah' comes deluxe because it's cast to music."

Ed Hosford, sophomore student: "It inspires me more each year as I participate in it, knowing it to be one of the greatest examples of religious music ever written."

Prof. Marvin Bloomquist, music professor: "Repeating the 'Messiah' each year gives everyone the opportunity to listen to a good oratorio. It adds to the traditional Christmas music. It also gives our school the opportunity to participate in something really big every year."

Edna Cramer, senior music major: "You can't get too much of a good thing, can you?"

Morrison Hosts Chapman Hall At Christmas Party

Chapman Hall men were guests of Morrison Hall at Morrison's annual Christmas party held Dec. 10 in the dining hall.

Special guests included the personell committee of the college, Mr. Warnie Tippitt, Mr. Elmore Vail, and Miss Helen Wilson. Mom and Pop Geller and Mrs. Harold Volk acted as host and hostesses.

Light refreshments were served consisting of hot apple cider, tuna burgers, and Christmas cookies.

at the end of it. His wife, Ruby, also keeps herself very active teaching piano and music theory as well as helping out in the many positions as piano accompanist. If 15-year-old Evelyn Louise and 11-year-old Patricia Ruth follow in their parents' footsteps, they too will find little time for leisure.

Prof. Sanner was not a newcomer to NNC when he arrived in the fall of 1950 to accept a position on the faculty. His folks brought him to Nampa from Kansas when he was seven years old. The college grade school was the scene of his graduation from the grades. It was during this time that his father served as district superintendent in this area.

Later Prof. Sanner, along with his three brothers and a sister, were moved to California where they completed their higher education, Pasadena College being one of his alma maters there. One of his brothers is Rev. Harold Sanner, who is pastor of the First Church in Portland, Ore.

Prof. Sanner feels that a college education is a valuable asset to every young person, and girls should not drop out of school in order to help put their husbands through. How this can be accomplished in view of financial problems that face many today was not answered by the professor, but I would not doubt that he could.

Graduated From NNC

In answer to the question as to why he chose to come to NNC, Prof. Sanner replied:

"Although I studied primarily to be a preacher and was so actively engaged, I have always been interested in education. Years ago Dr. L. T. Corlett asked me to consider teaching. At that time I turned him down, but as the years went by, I became increasingly

feel I am pursuing the same work I was before from a different point of view."

Working on Textbook

Helping to write a new textbook is an outside assignment which Prof. Sanner considers a privilege and an honor. The title of this book will be "Exploring Our Christian Faith." This will be the textbook for all required doctrinal courses in Nazarene colleges.

In addition to his position as head of the department of religion here at NNC, Prof. Sanner is chairman of the Religious Life Committee, sponsor of CWB, and co-sponsor of the Collegiate Ministerial Association. He also belongs to the National Association of Biblical Instructors and is chairman of the Board of Ministerial Studies for this district of the Church of the Nazarene.

Favorite Hobbies

Outside of the classroom, this blue-eyed professor enjoys watching just about any sports event, but prefers swimming as his contribution to sports and he has a keen interest in photography. The study of his own religion is his greatest interest. In response to a question asking his favorite passage of scripture, his first reply was that there were many. Later he remarked that if he had any favorite verses they might be the following:

Phil. 4:6-7: "Be careful for nothing, but in every thing by prayer and supplication with thanksgiving let your requests be made known unto God. And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus."

Pslams 32:8: "I will instruct thee and teach thee in the way which thou shalt go: I will guide thee with mine eye."

Sports Shorts

By BOB LONGANECKER

With ole man winter tightening his cold grip around us, the fellows with the pigskin itch relinquish their grip and move to warmer quarters.

The final whistle ending the season sounded Nov. 21, when the champion Athenians defeated the second place Oly's 20-6. Fans watching the final classic saw the Athenian's Phil Fitch intercept a pass on the Oly 30-yard line in the opening minutes of play.

Fitch then scored on Larry Halter's new offensive wing-T play series making the score 6-0. Four plays later, after great defensive playing, the Athenians took over on the Oly 40 and once again moved to scoring position. Bob Longanecker then scored on a sneak across the middle. The extra point was good, making the score 13-0.

Oly's Score

Midway in the second quarter a long pass from Don Ogburn to John Wright went all the way for the Oly's to make the score 13-6. A good solid rock'em sock'em game followed for the next quarter and a half; then, with the backs on their own goal line, Athenian's Fitch raced 70 yards for a touchdown, making the final score 20-6. An earlier 60-yard run by Lauren Ellis was called back for being off-sides. Thus ended the '58 gridiron spectacles with the Athenians taking first place.

Athenian Line-up

The Athenian colossus was led by linemen Dave Jennings, John Thackeray, Phil Mason, George Jones, Larry Halter, Ron Van-Order, and Jack Wright. Behind this wall of behemoths streaked hard-running backs Lauren Ellis, Bob Parker, Phil Fitch, and Bob Longanecker. Stand out reserves included Rich Williamson, Dave Booth, Dale Beldon, Roweland Anderson, Chuck Hodges, Paul Bailey, and Ed Hosford.

Other games in the top division playoffs found the ADP's being conquerors twice and the Oly's losing twice. The lower division was dominated by the SLA's who won once and tied twice.

Scoring

This season witnessed much scoring as the four top teams each scored 100 points or more. The Athenians led with 138; Oly's, 136; ADP's, 100; Spartans, 113; SLA's, 83; and LSP's, 68. Coaches always have claimed that the best team has a rugged defense. The records bear this out as the Athenians had only 66 points scored against them, while the ADP's, the next lowest,

SPORTS

Missionaries Down Crusaders 69-59

Whitman's Missionaries handed the NNC Crusaders their first loss of the season Dec. 8 at Walla Walla, Wash., as they downed the Crusaders 69-59.

Several stray passes by the Crusaders all resulted in buckets for Whitman and gave the Missionaries their winning margin.

NNC was again led by Sam Willard, Bob Peppley and Tom Tracy, who scored 17, 16, and 11 points respectively.

Individual Honors

Individual scoring honors went to the following galloping ghosts: Don Ogburn, 69; George Harper, 65; Ernie Thompson, 56; Dan Etulain, 44; Lauren Ellis, 39; Phil Fitch, 38; Ken Ammerman, 25; Jerry Caven, 24; Laurence Mathis, 24; and Dave Jennings, 20.

Turning from the major interest we find these other areas in which the men have participated—badminton, tennis and horseshoes.

Badminton

In badminton, the Spartans, Dave Hanson and Jim Bateman, took first, with the Oly, SLA, ADP teams taking second, third and fourth places respectively. Participation was excellent with 34 fellows turning out to kill the birdie.

Tennis

No less successful was the tennis tournament in which the LSP's, Bud Wesche and Art Zellmer, were champs. The ADP, Oly and SLA teams followed in that order with success.

Horseshoes

Al Jones, LSP, had to throw accurately to beat out defending champion, Dean Morrow. Taking third place was SLA's Phil Stuchell and another LSP, Ralph Neil, gained the fourth berth.

Golf

This year's golf enthusiasts paired off for the doubles event with the results as follows: Bob Anderson-Phil Stuchell, SLA, first with 101; Jerry Caven-Don Thompson, ADP, second with 102; Elon Booker-John Wright, Oly, third with 103; and Dan Etulain-Ralph Neil, LSP, fourth with 113.

He who does not believe in others

ATHENIANS WIN VOLLEYBALL

Athenian women placed first in this semester's volleyball competition. This society had a total of 13 participants in the seven games played.

Second place ended in a tie between the Spartan and the Olympian societies. The Spartans had 12 participants and the Oly's 11.

Placing fourth was the ADP society. This society had the most women playing numbering 17. In fifth spot were the LSP's with seven women participating. Playing in the sixth place SLA society, were 11 women.

Seventy-one women participated in the fall volleyball program. Twelve participated in every game. There were 45 women playing in three or more games.

The freshman class had more students participating than any other class. Their total was 28. They were followed by the junior class with 24, the seniors with 13, and the sophomores with 7.

SPORT TALK

By LOIS DRAPER

Basketball season is nearly over for the women this semester with only three games scheduled after vacation. At press time, the Athenians were leading the basketball competition.

Some of the new society members turning out for the games are Athenians: Joan Wigle and Darlene Rodeen; ADP's: Peggy Turner, Bonnie Klein, Sharon Gibson, and Trudy Dixon; LSP's: Wanda Simpson and Lucie Fisher; Oly's: Janet Bohl, Naomi Shawen, and Mary Lee Lester; SLA's: Glenius O'Neill, Penny Lisk, Millie Mason, and Billie Sumerall.

The society athletic program has been organized for the students. This is a time for relaxation and fun and a chance to get acquainted with those in your society and members from other societies.

Hoopsters Down Western Montana

By AL LEWIS

NNC's Crusaders added victories numbers two and three to their record as they dropped Western Montana twice by scores of 73-64 and 68-60.

The two contests provided two very different types of games for Crusader fans. NNC grabbed an early lead in the Friday night contest and held the upper hand the whole game. In the second night of play, the Crusaders had to stage a fourth period scoring drive to overtake and defeat the Montanans.

NNC 73, W. Mont. 64

Led by Bob Peppley, who scored 20 points and came up with 20 rebounds, NNC jumped to an early 25-19 lead and never relinquished it. Scoring well from the field, the Crusaders, whose percentage in the field goal department was .438, widened their lead to as much as 20 points at one stage of the game. The NNC squad then withstood a fourth quarter scoring rally by Western Montana for the victory. Besides Peppley's efforts, Sam Willard and Tom Tracy each contributed 12 points in addition to their fine defensive play.

NNC 68, W. Mont. 60

In contrast to the first meeting of the two clubs, the second contest was a hard fought affair. Western Montana, with Cooper and Nelson scoring consistently, exchanged the lead with NNC several times before finally pulling to a 43-35 lead in the fourth quarter. The reserves, Ben Clouser and Hank Savage, entered the game and sparked the Crusader drive to regain the lead, and NNC's third victory of the young season.

Peppley led the scoring with 15 points. Close behind him was Willard with 13, and Tracy with 11.

Crusader Team Faces C of I Squad Tonight

CEC CAMPBELL HEADS HS BALL

Acting as head football coach at College High this year was Cec Campbell, NNC senior. He is a secondary education major from Shelton, Wash.

Assisting Campbell was Dave Gardner, coaching the ends, and Phil Campbell, handling the line.

Regarded by Coach Campbell as the Trojans' best performance was the next to the last game of the season in which the Trojans tied a strong, once-beaten, Greenleaf Academy team, 14-14.

Coach Campbell says the final record of two wins, five losses, and one tie is little indication of the team's success.

This is the third year for Campbell to be at the helm of College High football squad. In his first year he assisted John Finkbeiner. Last year he had Don Boyd as his assistant, and this year, Phil Campbell and Gardner.

Individual Sports Winners Posted

Results of individual sports this semester have been posted. They are as follows:

Badminton

Badminton mixed doubles: 1st, Carmen Gilmore - Jim Bateman, Spartans; 2nd, Lois Gardner - Richard Benner, Oly; 3rd, Dan Etulain - Joan Ogburn, LSP.

Badminton women's doubles: 1st, Dorothy Mittleider - Lorna Read, Ath.; 2nd, Luella Daniels - Darla Lovett, Ath.; 3rd, Bev. Johnson - Marilyn Kelly, SLA; 4th, Martha Hopkins - Louise Weitman, ADP; 5th, Carolyn Eby - Darlene Cameron, LSP.

Tennis

Women's doubles: 1st, Mary Waller - Carmen Gilmore, Spartans; 2nd, Martha Hopkins - Connie Hill, ADP; 3rd, Marilyn Poole - Roberta Miller, Oly; 4th, Luella Daniels - Orrene Maurer, Ath; 5th, Sandy Coombs - Phyllis Hickerson, Ath.

Mixed doubles: 1st, Dave Hanson - Mary Waller, Spartan; 2nd, Connie Hill - Jerry Dirkse, ADP; 3rd, Martha Hopkins - Don Hoff, ADP; 4th, Carmen Gilmore - Richard Fisher, Spartan; 5th, Marilyn Poole - Elon Booker, Oly.

Golf

Women's doubles: 1st, Carmen Gilmore - Linda Maestretti, Spartan; 2nd, Edna Cramer - Martha Hopkins, ADP; 3rd, Millie Mason

By BOB ANDERSON

A much improved Crusader team will go after another win tonight as they go up against the College of Idaho Coyotes at Caldwell tonight in an early season game. The C of I team whose record is 2-0 will certainly not be a pushover for the Crusaders.

The Coyotes, led by Rich Moreno, who has averaged 23 points in the last two games, and '68" Julien Laca on the boards, will put up a real battle.

Coach Hills is blessed with a team of which any player could be a top scorer. With Tom Tracy sparkling out front and Sam Willard and Bob Peppley rebounding on defense and "Pep" jump shooting from 25 feet out, the Crusaders may be able to stop C of I dead in their tracks. The Crusaders also have plenty of depth with the three giants: Al Freeman, Dave Hanson, Gene Oberg, and speedy guards: Wally Stewart and Phil White.

During the '57-'58 basketball season the Coyotes downed the Crusader team 2 out of 3 games during regular season play and one game during the NAIA tournament. The Crusader team could be a slight favorite tonight but past games have shown that anything can happen when these two teams meet.

Athenians Triumph In Jamboree Test

Last year's second place Athenians this year were victorious in the annual basketball jamboree held recently in the NNC gym. Total points accumulated by this society was 2,025.

All six societies were given 425 points in the sportsmanship division of the contest. Likewise, 425 points were awarded each society except the Spartan society for enthusiasm. The Spartans received 375 points.

Two societies, the Olympians and the Athenians, tied for first place in decorations with 800 points. The ADP's gained 650; LSP's and Spartans, 550; and the SLA society, 450 points.

Half-time entertainment counted 40 per cent of the sum total. Points were awarded as follows: ADP and Athenians, 375; Spartan, 350; LSP and Oly, 275; and SLA, 250.

Grand totals were Athenians, 2,025 points; Olympians, 1,925; ADP, 1,875; Spartan, 1,700; LSP, 1,675; and SLA, 1,550.

Judges for the jamboree were Mrs. Hope Reed, Mr. Phil Peter-

VERY MERRY CHRISTMAS

Booth, Dale Beldon, Rowland Anderson, Chuck Hodges, Paul Bailey, and Ed Hosford.

Other games in the top division playoffs found the ADP's being conquerors twice and the Oly's losing twice. The lower division was dominated by the SLA's who won once and tied twice.

Scoring

This season witnessed much scoring as the four top teams each scored 100 points or more. The Athenians led with 138; Oly's, 136; ADP's, 100; Spartans, 113; SLA's, 83; and LSP's, 68. Coaches always have claimed that the best team has a rugged defense. The records bear this out as the Athenians had only 66 points scored against them, while the ADP's, the next lowest, had 95 points scored on them.

champs. The ADP, Oly and SLA teams followed in that order with success.

Horseshoes

Al Jones, LSP, had to throw accurately to beat out defending champion, Dean Morrow. Taking third place was SLA's Phil Stuchell and another LSP, Ralph Neil, gained the fourth berth.

Golf

This year's golf enthusiasts paired off for the doubles event with the results as follows: Bob Anderson-Phil Stuchell, SLA, first with 101; Jerry Caven-Don Thompson, ADP, second with 102; Elon Booker-John Wright, Oly, third with 103; and Dan Etulain-Ralph Neil, LSP, fourth with 113.

He who does not believe in others finds they do not believe in him.

lene Rodeen; ADP's: Peggy Turner, Bonnie Klein, Sharon Gibson, and Trudy Dixon; LSP's: Wanda Simpson and Lucie Fisher; Oly's: Janet Bohl, Naomi Shawa, and Mary Lee Lester; SLA's: Glenius O'Neill, Penny Lisk, Millie Mason, and Billie Sumerall.

The society athletic program has been organized for the students. This is a time for relaxation and fun and a chance to get acquainted with those in your society and members from other societies.

test was a hard fought affair. Western Montana, with Cooper and Nelson scoring consistently, exchanged the lead with NNC several times before finally pulling to a 43-35 lead in the fourth quarter. The reserves, Ben Clouser and Hank Savage, entered the game and sparked the Crusader drive to regain the lead, and NNC's third victory of the young season.

Peppley led the scoring with 15 points. Close behind him was Willard with 13, and Tracy with 11.

Judges for the jamboree were Mrs. Hope Reed, Mr. Phil Peterson, and Mr. Dick Edwards.

Athenian Men Top Football

Football standings for this semester found the Athenians in first place with five wins, one loss, and one tie. They were followed by second place Olympians; ADP's, third; Spartans, fourth; SLA's, fifth; and LSP's sixth.

Participation in men's football this semester totaled 104 students. The junior class had the most participants with 26 men talking part. The ADP society had the most recruits with 21.

Class participation in all societies was seniors, 22; juniors, 26; sophomores, 27; and freshmen, 29.

The Athenian society numbered 18 participants; LSP, 19; Oly, 18; SLA 14; and Spartan, 14.

Before you flare up at anyone's faults, take time to count ten—ten of your own.
