Seated before the fireplace in their new home are, left to right: Lynn, Noel, Gail and Mrs. Riley. The black slate totem pole above the mantel is from Alaska. The drapes at the left, made by Mrs. Riley, cover the large plate glass window which affords a view of the patio.

Board of Regents Will Arrive March 10 For College, Samaritan Hospital Sessions

Members of the Board of Regents will arrive on the campus March 10 for their semi-annual meeting which will continue until Saturday, March 13. Among the activities of the board will be a discussion of financial plans and summer visitation by quartets.

There will be a joint faculty-regents dinner early Wednesday afternoon. Following this dinner, the group and members of the Student Council will meet at the president's home for dedication services.

At the conclusion of college business, the board will reconvene as the Board of Directors of Samaritan Hospital and School of Nursing.

Members of the board include Dr. B. V. Seals, chairman, Seattle, Wash.; Rev. E. H. Edwards, Boise; Mr. W. D. Parsons, Rev. L. R. Sturtevant, Rev. Carl Wooten and Rev. I. F. Younger, all of Nampa; Rev. Lester Braddock, Meridian, and Mr. T. W. Kolhoff, Litchfield, Minn.

Three NNC Teachers Attend Boise Meet

At the spring meeting of the Idaho Liberal Arts colleges, which is being held at the Hotel Boise March 5-6, problems of the various departments will be discussed.

Dr. Thelma Culver will meet with administrators of other colleges to discuss administrative problems this afternoon.

Mrs. Florence Aller and Miss Wanda Rhodes will accompany Dr. Culver to the Saturday sessions. Problems of home economic departments will be discussed.

Clackamas, Ore., Mr. Gordon Olson, Eugene, Ore., Rev. Alvin L. McQuay and Rev. Murray J. Pallet, Billings, Mont., Rev. Bill Davis, Mitchell, S. Dak., Rev. W. R. Wise, Camas, Wash., Mr. John E. Wordsworth and Rev. Joy J. Yeider, Seattle, Wash.

Rev. Eugene Dowd of Newport, Ore., is the alumni representative.

A Glance With Les At World Events

Late last week, one of the Middle East's "strong men"—Gen. Mohamed Naguib of Egypt—was dropped as president and premier of the young republic by Egypt's ruling revolutionary council, on charges that he was trying to pull Egypt "back to absolute dictatorship."

To replace him as premier, the council named hard-boiled Lt. Col. Gamal Abdel Nasser, the driving force behind the army "coup" that ousted King Farouk from the throne 19 months ago.

A council communique declared Naguib was suffering from "a psychological crisis" and reported unanimous acceptance of a resignation it said he had submitted.

Although the council picked Nasser who had served as Naguib's deputy premier, to take over the premiership, it left the presidency vacant.

Two days after Naguib's ouster, he returned to power as president of Egypt. Under the compromise agreement, Naguib will come back only as president. He will relinquish his old secondary title of prime minister to Nasser, the man who engineered his overthrow two days before.

British diplomatic sources said it was too early to speculate on what effect the change-over might have on British-Egyptian negotiations over the Suez Canal, a sore point in relations between the two countries.

Selective Service Deadline Is Mar. 8

Major General Lewis B. Hershey, director of Selective Service, today reminded college students that the deadline for submitting applications for the April 22 Selective Service College Qualification Test is midnight Monday, March 8, and that applications postmarked after that time cannot be considered.

Application blanks and information bulletins, with sample questions, may be obtained by students from the nearest local board. They do not have to write to their own local board to secure an application. Students are to mail their completed applications to Educational Testing Service of Princeton, N. J.

The April 22 test will be the twelfth administration of the test since the program was inaugurated in May, 1951. To date, more than 500,000 students have taken the test. Approximately 63% of this number made a score of 70 or better.

Notice

To those of you interested in summer school, the schedule is now being planned. A calendar will be available by the middle of March.

"Keeping in Touch With Nature" Is Seen Throughout Novel L-Shaped Residence

By Noreen DeJong

A beautiful example of "keeping in touch with nature" has been achieved by Dr. and Mrs. John E. Riley in the new NNC presidential home which will be dedicated March 10, following a faculty-regents dinner at 1:00 p. m.

Under the watchful eye of Mrs. Riley, the "green thumb" of NNC, a color scheme taken from nature—browns, bieges of sandstone and variations of green—has been carried out in the major portion of the spacious, L-shaped home.

From the large picture windows in the living room, one can view Kurtz Park, Samaritan Hospital, and the part of the campus including Morrison Hall to the gym. The Rileys chose this place to build their home because it was on the corner of the campus—a campus around which their lives are centered.

Designed mainly for all the entertaining a college president must do, this modern, ranch-style home can be housing various social functions at the same time.

Faculty Will Present Dull Arts Program

Tonight at 8:15 the faculty will present a talent program. It will be a "Dull Arts" program, featuring a side of the faculty generally not seen.

Mrs. Aller, Dr. Culver, and Miss Christianson will favor us with a trio. There will be a faculty choir directed by Dick Tame. Dr. Ford will give a humorous reading. Tom Kelly will present a skit and there will be a piano solo by Prof. Wilson.

Dr. Aller, Prof. Sanner, Dr. Corlett, and Dr. Hanson are working up a quartet. Prof. Reeves will play a baritone solo; there will be a reading by Miss Rhodes. Miss Bolerjack and Miss Washburn will sing a duet, and Prof. Finkbeiner will do some humorous cartooning. A skit will be presented by two unknowns. A trombone quartet will be presented by Mr. Harris and Dick Tame will give a reading.

Fr.-Soph. Chapel Program Features Student Oddities

A satire on students of NNC will be sponsored by the freshmen and sophomores during the March 17 chapel hour, according to Clarence Kinzler, freshman class president.

This friendly satire will precede the junior-senior program on the faculty. Those taking part are Don Edwards, Harvey Farr, Al Solts, John Prince, Don Morgan, Marjorie Clay, Gladys Fred, Mickey Dean, Duane Peppley, Clarence Kinzler, Dia Angier, Joan Cook, Clarice Harmon, Phil Younger, Clayton Martin, Florence Cook, Ron Johnson, Don Rosenbaum, Bob Cantonwine, Carolyn Long, Colleen Wooten, Wendell Poole and Bruce Larson.

While Dr. and Mrs. Riley may be entertaining in the front room, Noel, Gail, or Lynn may guide their friends through the kitchen entrance to the full basement which was constructed for recreational purposes only.

At the same time, another group may be enjoying an outdoor hamburger fry in the patio, located along the south wall.

Entertaining Is Hobby

Besides having a green thumb, Mrs. Riley's hobby is entertaining. She stated: "I have entertained the elite of heaven in my years of being a pastor's wife. I love the simple, sweet fellowship which can be enjoyed with Christian friends during a lunch or meal."

From the stone hall entry, the dining room floor, and the fireplace, matching colors were taken for the walls and the wall-to-wall carpet. An outdoor green in the upholstered furniture provides the necessary contrast.

Dining Room Attractive

Decorated in stone colors with coral accents, the dining room proves to be one of the most attractive rooms in the house. Mrs. Riley's collection of bone China is displayed on shadow shelves built into the north wall. The entire south wall, extending into the living room to the corner fireplace, is a long plate glass window giving a view of the patio.

Any woman could find her dreams some true in the Riley kitchen. This model of efficiency, spaciouly planned for storage, eating and cooking, is complete with storage cupboards, bakery file and utility slide.

Brown also finds its way into this room to accent the birch wood cupboards. The yellow breakfast bar and other yellow trimmings afford gaiety.

The family section contains a

Oregon-Pacific and Washington-Pacific Combined Motorcade Planned for Mar. 18

Plans are being made for the combined Oregon-Pacific and Washington-Pacific Motorcade which will arrive on the campus March 18 and will remain through March 20.

Motorcade activities will get underway with a parade from the meeting place on Highway 30 west of Nampa. The NNC band and a police escort will also be there.

Campus tours are being planned which will be conducted by the men of Circle K according to the following schedule: 9 a. m., 10:30 a. m., 11:30 a. m., 1:30 p. m. and 2:30 p. m. The tours will begin at the li-

brary. All college and high school classes will be open to visitors.

The following committees are in charge of the motorcade activities: parade and welcome, Lamont Lee and Athletic Literary sports directors Lois Tracy and Darrel Reisch; reception, tours and publicity, Max Urwin and Circle K club; campus housing and registration, E. R. Tame and head residents; off campus registration, Mrs. J. E. Riley; meals, L. Wesley Johnson; programs, Thursday — Dick Ivester; Friday chapel—President Riley, and Friday evening—society plays.

Former ASB Prexy Graduates From Rhode Island Officer Candidate School

Howard Miller, last year's ASB president, was one of 770 newly commissioned Naval Reserve officers to be graduated from Officer Training Candidate School at Newport, R. I., January 29, according to a Navy press release.

The graduates, representing more than 280 different colleges and universities, have undergone an intensive 4-month course in Naval Science similar to that presented to NROTC students at colleges throughout the nation. Completing well-rounded courses in Engineering, Orientation, Naval Weapons, Seamanship, Navigation and Operations qualifies the new officer as a Junior Officer aboard any one of the Navy's floating or shore-based commands.

After a leave period, most of the new Ensigns will report directly to sea billets. However, many have been accepted in the Navy's Special Training program, both long range and short term officer courses. Approximately 98 officers have been ordered to Navy Flight School, Underwater Demolition, Salvage, Submarines and Explosive Ordinance training.

The officer candidate school also presents a separate two-month in-

HOWARD MILLER

doctrination course for officer candidates designated to enter the Navy's Supply, Medical Service and Civil Engineering Corps. All applicants for Officer Candidate School must be graduates of accredited colleges or universities with a baccalaureate degree.

Howard graduated last year with an A. B. in Business Administration.

Student Gospel Teams Represent NNC In Many Idaho and Oregon Churches

By Geri Leih

Throughout the school year, NNC is represented in many churches in Idaho and Oregon by student gospel bands. These groups provide either the music or a preacher, and many times both.

An active Christian Worker's Band on the campus is responsible for the majority of the services.

George Ferguson, student preacher, and a mixed trio, consisting of Ardis Manley, Noreen DeJong and Don Edwards, with Clayton Martin at the piano, conducted a youth revival for Rev. John Hulsey at Filer, Idaho, Jan. 27-31.

During the five day meeting, services were held at the grade schools and the high school. A Sunday afternoon concert of sacred music was also given by the trio and pianist.

Each service was blessed with the spirit of God and on Sunday evening an old-fashioned bread breaking service was held.

On Feb. 13-14 the above group conducted services in Twin Falls, Idaho. They appeared before the Magic Valley Youth for Christ on Saturday evening and presented a radio broadcast that afternoon. On Sunday morning they took over the morning church service at the First Church of the Nazarene, pastored by Rev. Elton Green.

The trombone quartet, consisting of Gale Maxey, Norm Crofford, Paul Freeburg and Les Hoyle, played and sang for services at Pendleton, Ore., Jan. 29-31. Speaker was Paul Anderson.

Sunday evening was climaxed with six young persons finding salvation.

Youth week services at the Boise First Church, Rev. E. H. Edwards, pastor, were conducted by Danny Pyles from Feb. 8-12. Various singing groups helped out.

Twin Falls South Park youth week services were held Feb. 10-14 by a gospel team made up of Dave Draper, Lloyd Eitzen, Jean Figg and Jean Lang.

A good spirit was felt among the people and the Lord blessed.

Rev. E. R. Tame conducted services at the Vale, Ore. Nazarene Church, February 9-14.

Various student and faculty members assisting were Velta Jones, Lillian George, Corrine Cunningham, Lydia Angier, Joy Tink, Ginny Poplin, Donna Murray, Betty Bradford, Pearl Wilcox, Margie Clay, Cliff Taylor, Jim Ridgeway, the trombone quartet, Mrs. Tame and Miss Bolerjack.

Attention, Palmquist

Dear Palmquist: How have you gotten along with your dating the last couple of weeks? Hope you are having great success.

It seems that I am in the wrong by addressing the article to you alone, Palmquist, for I am told that Marvin Emrich, Russ Miller and Dave Draper should also be included.

Here's the rest of the list I've promised you:

Morrison

Marjorie Clay, Janet Cummings, Lora Jane DeLashmutt, Dorothy Ewer, Jean Figg, Charlotte Girrard, Bertie Graham, Mary Jo Osterhout, Virginia Phillips, Della Mae Reed, Joan Schroeder, Janet Shemwell, Carolyn Simmons, Pat Somerville, Joan Hitchcock, Roxie Hull, Bettie Lawler, Carolyn Long, Ardith McCann, Donna Murray, Pat Nine, Mary Lou Oldenkamp, Lois Tracy, Barbara Walker, Joyce Wheeler and Muriel Witt.

Mangum

Grace Knapp, Ginny Volk, Colleen Wooten, Wanda Robertson.

Hadley

Marion Anderson, Helen Bogle, Olive Booram, Patty Burnett, Bonnie Coombs, Betty Dalen, Karen Evinrude, Miriam Faul, Glendoris French, Evelyn Good, Pat Habermehl, Ruth Hatlestad, Annie Humphrey, Lora Lee Klinetobe, Corine Lang, Margaret Nafziger, Patricia Potts, Kathy Ranum and Yvonne Stroup.

Off-Campus

Shirley Tindall, Ardis Manley, Noel Riley, Carol Russell, Sue Wentworth and Hannah Pittman.

One who's interested in your welfare—hope I have been some assistance to you.

IREG HIEL.

Engagements And Marriages

Mr. and Mrs. Walter Nichols of Nampa announce the engagement of their daughter, Dorine, of Bradley, Ill., a former CHS student, to Gerald Nichols, son of Mr. and Mrs. Carroll Nichols. A summer wedding is planned.

In a quiet ceremony on Feb. 19 in Seattle, Miss Shelia Marvin, daughter of Mr. and Mrs. Maynard Marvin, exchanged vows with Jack Powell. Shelia attended NNC during the first semester of the 1952-53 school session.

Miss Beryline Cain, daughter of Mr. and Mrs. William Cain of Pocatello, became the bride of Larry Koger in the Baptist Church in Pocatello, Feb. 26. College students taking part in the wedding were Betty Brown, Clayton Martin and Darrell Yeend.

Oasis Editor Extends Thanks To Staff for Meeting Final Deadline

BONNIE MCGRAW

A big thanks is being extended, via the CRUSADER, to Oasis staff members from Bonnie McGraw, editor.

This acknowledgement came after the completion of the March 1 final deadline. The complete book is now at Caxton's in Caldwell and at Western Engravers in Seattle.

A bigger, better book will be received by the students this year. Besides the 10-12 page addition, the annual also boasts a student index which has been omitted during the past few years.

"I would like to extend laurels to Jack McEvoy, my successful business manager," Miss McGraw said. "He has done an excellent job. The ads are comparable to those of last year."

"Credit is also due Art Manchester, literary editor, and special recognition should be given the photographers, Dick Tame and Ed Arnold. All photographic work was done on campus."

The students will be given a view of their college life largely in picture form rather than in writing.

10:00 A.M. — SUNDAY

COLLEGE CHURCH
vs.
NASHVILLE FIRST

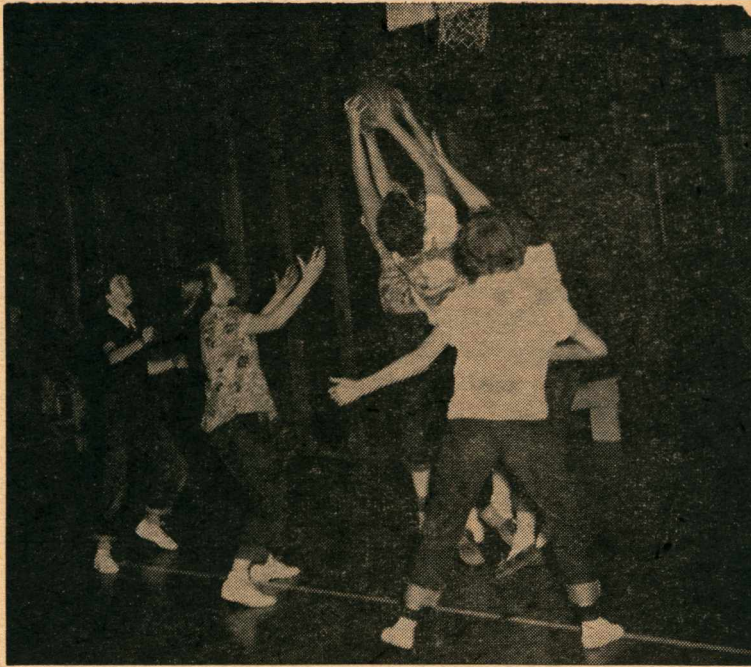

Floyd Johnson, Ed Manley, Russ Miller and Don Boyd fight for a rebound during the second game Saturday night. The ADPs walked off with the Mills-Cunningham trophy.

Track Squad Elects W. Aller As Captain

Members of the '54 track squad elected Wayne Aller as their captain in the opening meeting last Monday, called by Roy Butchart, track coach.

Expected to see action this year are Wayne Aller and Floyd Johnson in the sprints and hurdles; Dick Powers in the 440 and 330-yd. run; Winton Miller and Mick Dean, broad jump and weights, along with a host of newcomers.

Rick Hartley will be high jumping and has started the season off right with near six-foot jumps. Jim Harris is scheduled to hold down the mile run, having placed second in the Idaho state high school meet last year. Coach Butchart has several meets already lined up. A full schedule is expected.

A jump was called at this point in the game Saturday night, following a tie-up between Ardis Manley and Noreen DeJong. The LSPs won the game, 56-28, to take the Long-Hibbard-Wesche trophy.

Mills-Cunningham Trophy Is Taken By Scrappy ADPs

Alpha Delta Phis, champions of second semester men's basketball, proved their worth as, led by big Carlyle Dean, they won the annual Mills - Cunningham championship playoff. Carlyle dumped in 25 tallies to lead his team to a 64-38 victory over the SLAs, co-finalists.

The ADPs gained the finals by beating the Olys, 65-29. Jim Harris potted 18 counters to lead in that department. An interesting factor in this game was that, of the ADPs forward wall, Russ Miller was the shortest. With Russ were Carlyle Dean and Tom Lowry.

Earning the right to play in the finals by whipping the LSPs, 55-24, the SLAs were led by Cantonwine who rolled up 22 points. The SLAs allowed the LSPs only two points in the second quarter, both on free throws.

In the championship game, however, the SLAs main threat, Bob Cantonwine, was held to 13 points. This partly accounts for their downfall. Don Boyd tried to make up for it by collecting 12 points. Second high for the ADPs was Merv Gale with 20 points.

Dean was high scorer for the entire tourney, totaling 39 points. Cantonwine was second with 35 counters.

Alpha Delta Phi Boys Claim Semester Basketball Title

An undisputed first place in second semester basketball was taken by the ADP girls. With six straight victories to their credit, their closest contenders were the LSPs who had a 3-3 record. Martha Hopkins led the ADPs with an average of 20 points per game.

The SLAs came in third with two wins and four losses, while the Olys placed fourth.

ADP Girls Take Basketball Crown

The Alpha Delta Phis, reinforced through the addition of Carlyle Dean, and at times Tom Lowry, crushed all opposition to take second semester honors in men's basketball. The ADPs, second-place finishers last semester, rolled thru six straight games without a loss.

In second place were the SLAs who were helped considerably by

SPORTS... SLANTS

By Smitty

Spring has sprung, and a young man's fancies turns to thoughts of tennis and baseball, it seems. At least that's the case around this campus and every day finds more and more enthusiasts on the courts batting a little white ball back and forth. With the basketball boys checking in their tennis shoes for a pair of cleats and Darrel Reisch digging up the horseshoe pits, it seems certain that spring is here, at least temporarily.

Now that the home season for basketball is closed, it might be a good time to throw bouquets to a few of the people responsible for the fine year. First we should congratulate Monty and the boys for the fine record they have hung up and the fine attitude they've shown throughout the schedule. We're going to miss Monty next fall but he's not going to be entirely out of our thoughts, since he's going into real estate or something like that. He says he has a few choice lots on the west side of town.

Also, we should get Wilbur Harris, the band director, in on this receiving list. The fine way he handled the music at all the games and the cooperation he's shown the students with his time and effort, is greatly appreciated. As far as we're concerned, the band has been better this year than it has in a long time and we're looking forward to bigger and better bands in the future.

There's many others that have helped to make this a big year and we want to thank them all, such as G. N. G., the Boosters Club and the "N" club.

We want to clear up a little situation that occurred the other night at the Mills-Cunningham playoffs. It appeared that Russ Miller was all shaken up for some reason or other and couldn't seem to hit very well. Russ was under the pressure of a big blind date set up by "Flash" and couldn't play his usual brand of ball.

The LSPs were the surprise team for the men this season when they upset the Olys to tie them for third place in the intramural schedule. The ADPs easily took first by winning all six of their games, followed by the SLAs with 4-2.

The two intramural directors, Lois Tracy and Darrel Reisch, are doing the addition of Bob Cantonwine to their forward wall. The Olys, last semester champions, and the LSPs, tied for third place.

Finkbeiner Totals 1,076 Points During Four - Year Period

MYRON FINKBEINER

Myron Finkbeiner, Crusader captain, will hang up his basketball shoes for the fourth time with the closing of this year's season. In the four years that "Fink" has played for the Crusaders he has compiled 1,076 points in 92 games for a 11.7 game average. His best yearly average was in the 52-53 season when he hit 15.3 points per game in 14 contests. Myron's box scores are:

CHS Ends Season With Nine Wins

College High School Trojans, after getting off to a poor start, wound up their season with a 9-win and 12-loss record.

High point men for the season were Ron Kratzer, 248; Phil Younger, 176 and Roger Johnson, 89. The percentage for the 1953-54 season was .430 for the Trojans and .361 for their opponents.

ing a splendid job and have the program in fine shape for the spring sports which will be starting soon.

Pop Frazier and a few fellows who have been working on the baseball field have erected nets and bleachers for the convenience of the fans and are in the process of conditioning the playing field by leveling and dragging. Little by little NNC will have a ball field that will compare with any of the colleges in the area.

LSP Girls Trample ADPs To Take Coveted Long-Hibbard-Wesche Trophy

Big Bob Cantonwine Cops Scoring Honors

Although the ADPs wrapped up championship honors, Bob Cantonwine of the SLAs pulled in most of the scoring honors. Playing in five games, he hit on 56 field goals and 15 free throws for a total of 127 points, or 25.4 points per game. The number of field goals, the total number of points and his average were the best in the league.

SLAs Foul Most

Don Boyd, also SLA, was tied with Phil Peterson for the most free throw attempts, 39, out of which Don made 16 and Phil 17. The records show the SLAs could have played cleaner, for they had the most fouls, 79. They also were given 126 free throw attempts, and made 62. Three of the SLA players participated in all six games.

The champion ADPs led in four departments as a team, and two players had records for themselves. They led in field goals made with 154; free throw percentage, .516; total points with 369, and average points a game with 61.5. Merv Gale made the most free throws, 18, and Carlyle Dean showed the best free throw percentage, .653. Three ADPs also played in all the games.

Brown Leads Fouls

Wally Brown of the LSPs had the most fouls, 20, to lead all others in that department. They too had three players who participated in all six games.

Organization of 1954 Baseball Nine Begins

An appeal for baseball players was sent out the first day of this week by Coach Pop Frazier for the organization of the '54 squad. A few games are lined up as of this date and the rest of the schedule will be filled out soon.

Coach Frazier will have a host of veterans on hand for the first practice, along with a large group of promising freshmen.

At catcher will be three-year letterman Dick Ivester, who will be pressed by Fred Stuart, former Nampa High star. Len Back will be back at first, with second, third and short pretty well open between Peppley, Boyd, Gale, Thompson, Lais, Dean and others. The outfield is open. As usual the pitching staff will be short-handed, but what we have is good. Paul Ralphs will be back, along with Mickey Dean, excellent relief hurler.

Carlyle Dean will probably be returning to the mound and adding to the chucking staff after two years in the service.

Second place finishers in regular season play, the LSP girls, rallied in the post-season playoffs to win the coveted Long-Hibbard-Wesche trophy, Feb. 20. They beat the SLA girls in the first round and then soundly defeated the ADPs in the finals. The ADPs, regular champs, had gained the finals by defeating the Oly girls.

Sharon Finkbeiner and Geri Gray were the definite standouts as the LSPs rolled up score after score.

Ping Pong Singles Well Under Way

Men's ping pong for second semester is advancing as scheduled.

The new system of subtracting a participation point if the match is not played seems to be working. All first round matches have been played and a majority of the second rounders have gotten it out of the way. The race seems to be wide open, with several different participants, however, being the definite favorites.

This semester's girls' ping pong singles got under way last week with 51 girls signed up to participate in the tournament. First round was finished Wednesday and the second round will be finished tomorrow with the third round scheduled to be played off by next Wednesday.

KROK Delegates Enjoy California

KROK manager and his assistant have returned to the campus after attending the seventh annual Western States Radio-TV Conference which was held at San Francisco State College Feb. 18-20.

Manager Marvin Emrich says, "The conference was certainly a success! The panels, on which there were radio-TV editors and managers from commercial stations, have provided many ideas for the all-around improvement of KROK."

bedroom for each of the girls and one for Dr. and Mrs. Riley. The one large master bath is ample. It is divided so that three persons may use it in privacy at the same time. Pink fixtures and dark green tiling were used.

Layout Is Outstanding

An outstanding feature of the home is its layout. Dr. Riley's study is located off the front entry so that he may conduct interviews with visitors without disturbing the rest of the family.

This casual western home would not be complete, however, without plants, so Mrs. Riley made provisions in the plan. A beautiful stone planter serves as a division between the entry and the living room. Novel pieces of driftwood are entwined with philodendron, making a mass of greenery. Ivy is also planted in the window corner.

TATIONS from the Music Dept.

Members of the Music Club met Monday night to work on one of their projects for the year—that of re-organizing the Music Library.

Music—including choir, orchestra, band, vocal and instrumental selections—was sorted according to composer, was counted, alphabetized and a reference card made for each.

All this music will be transferred from the Music Hall to the library.

Refreshments were served following the working period.

Mrs. Lola Stout Reviews Shaw's Play At Scriblerus Meet

Scriblerus, the college literary club, had its regular monthly meeting March 1. A resume and critical analysis of George Bernard Shaw's play, "Androcles and the Lion," was presented by Mrs. Lola Stout.

Waltzing with lions is not some people's idea of good drama, but true to G. B. S.'s individualistic nature and dislike of the conventional, he has used lions and early paganism to point out the hypocrisy of superficial philosophies.

After the play analysis, Joe Keen and Art Manchester served refreshments. An informal social period followed.

NNC Entertains 107 At I. E. A. Teacher Recruitment and Standards Conference

One hundred and seven persons attended the Idaho Education Association Conference on Teacher Education and Professional Standards which was held on the NNC campus Feb. 24.

Dr. Thelma Culver was moderator for the afternoon group discussion. Miss Ethel Allison and Carl Bryson participated in a panel on provisional certification.

Several NNC music students presented a program at the State School and Colony Tuesday afternoon.

The program consisted of instrumental numbers, vocal ensembles, solos and readings.

The first student recital of second semester was given Wednesday afternoon in the chapel.

Several students in piano appeared.

Machines Display To Be March 11-12

Responses are being received each day from the invitations sent by the Business Club to business offices and supply stores for the Machine display.

March 11 and 12 are set as the dates for the three-ring circus of machines. The wheels of organization are now in full operation.
