## Crusader Choir Begins Ten Day Tour Today

Pictured above are members of the Crusader Choir who left this morning for a ten-day tour through Idaho, Washington and Oregon. Led by Director James Carkhuff, extreme right, and accompanied by Lyndol Pullen, left, the group will present a concert in thirteen cities. They are, left to right (row one): Darlene Gentry, Lillian George, Ruth Jensen, Joan Hamilton, Marlene Graves, Joyce Thun and Margie Clay; row two—Lydia Angier, Floradell McKay, Jessie Newman, Ardis Manley, Jennie Ray, Noreen DeJong and Virginia Poplin; row three—Harvey Farr, Howard Smith, Don Oleson, Al Nettleton, Gale Maxey, Bob Shafto and T. C. Leckie; row four—Phil Peterson, Winton Miller, Don Edwards, Leon Doane, Harold Stickney, Joe Michel and Ron Johnson.

### Twenty-Eight Voice Group Appears In 13 Cities, Three States

Early this morning the twenty-eight members of the Crusader Choir, directed by James Carkhuff, departed from Nampa, following a breakfast send-off, for a ten-day tour through Idaho, Washington and Oregon. Dr. John E. Riley, president, accompanied the group to speak and act as the general manager of the choir.

Arranged by Prof. Carkhuff, the program includes a group of favorite hymns of the church, introduced with an arrangement of "Onward Christian Soldiers" by Fred Waring and climaxed by Arthur Ward's arrangement of "All Hail the Power of Jesus' Name."

Also included in the program are three choral numbers by famous composers and a thirty-minute excerpt from Mendelssohn's dramatic oratorio, "The Elijah."

The itinerary which begins tonight and ends April 18, is as follows:

- April 9—Bend, Oregon.
- April 10—Klamath Falls, Oregon.
- April 11 (a. m.)—Ashland, Ore.
- April 11 (3 p. m.)—Medford, Ore.
- April 11 (p. m.)—Roseburg, Ore.
- April 12—Eugene, Ore.
- April 13—Salem, Ore.
- April 14—Portland, Ore.
- April 15—Seattle, Wash.
- April 16—Coeur d'Alene, Idaho.
- April 17—Millwood, Wash.
- April 18 (a. m.)—Spokane, Wash.
- April 18 (p. m.)—Walla Walla.

Committees for the trip consist of robes, Margie Clay, Noreen DeJong, Leon Doane and Al Nettleton; risers, Harold Stickney, Phil Peterson, Don Oleson and Winton Miller; accommodations, Ginny Poplin and Gale Maxey; literature, Joan Hamilton and Bob Shafto; and programs, T. C. Leckie. Treasurer Howard Smith will take care of finances.

- April 30—A. S. B. "People Are Funny."

### Business Students Receive Awards

Several business students received awards Wednesday from the Order of Gregg Artists. These awards were given on the basis of results from a contest which was entered by sending a written specimen of Gregg material to be judged.

Pin winners of superior merit were Helen Franklin and Sam Scammon. Winners of senior membership certificates were Glee Barnett, Bonnie McGraw, Colleen Wooten, Joan Lewis, Jean Wilson, Wanda Robertson, Fern Carroll and Joan Ferguson.

Certificates of membership were issued Janet Winkle, Joan Hamilton, Evelyn Jack, Pat Nine, Ramona Lloyd, Joy Tink, Ruth Hatlestad, Berta Jean Baird, JoAnn Wilcox and Donna Murray.

Daily prayers lessen daily cares.

### College Campus Day Set for April 22; Grounds Will Be Cleaned for Open House

Thursday, April 22 has been set aside by the calendar committee as the annual campus day at NNC. At this time all classes will be dismissed so that students may share in a "Campus Clean-Up Campaign."

### School of Music Undergoes Change; Effective in Fall

A revision of the music department, which will go into effect next fall, has been made according to an announcement recently released by the administration.

"The Division of Fine Arts," with Double E. Hill as chairman, will replace the "School of Music."

"In a study of colleges which was conducted before the revision was actually made, over 80 per cent of the colleges are doing away with such specialized branches and integrating them as a whole," according to Dr. Thelma Culver.

In the new setup the Bachelor of Music will no longer be offered; instead, there will be a Bachelor of Arts degree with a major in music.

This new division will also include the department of Art with Miss Dorothy Long as head. Extensive work has been done with the curriculum of the two departments to strengthen them academically. The new organization will open the way for some general education courses in the fine arts.

Prof. Hill, in connection with his doctoral work, has enriched the offerings in music so that the new degree will be stronger than the old. Areas of concentration available in music will be music theory, applied music, organ, piano, violin, wind instruments, voice, music literature and music education.

Heading the day's activities are Stan Kern and Ramona Lloyd. Under their supervision chairmen and committees will be chosen for each section of the campus.

Since the freshmen have already relieved the lawn of its leaves, work will be on a more constructive basis. With everyone's help, the campus will be in spick-and-span shape for the all-school open house May 2.

Dr. Riley stresses the urgency for each student to pitch in and work his one-half day.

### Annual Miller Lectures To Be Given By Dr. G. Coulter From California

Dr. George Coulter, superintendent of the Northern California District of the Church of the Nazarene, is scheduled to deliver the tenth annual series of the H. V. Miller Lectures this spring, April 26 through April 30, during the 9:45 a. m. chapel hour.

Set Up in 1944

Set up in 1944 by Dr. H. V. Miller, former theology professor of NNC, and at time General Superintendent, the lectures are a general aid and inspiration to ministerial students. Since Dr. Miller died, College Church has sponsored these lectures in memory of Dr. Miller. In 1944, Dr. H. Orton Wiley spoke on "The Preacher and His Bible"; 1945, Dr. J. B. Chapman, "The Practical Aspect of the Preacher's Work"; 1946, Rev. Paul Hill, "Holiness and Grace in the Plan of Redemption"; 1947, Bishop Leslie R. Marston; 1948, Dr. Paul S. Rees; 1949, Rev. E. O. Chalfant; 1950, Mertha Munro; 1951, Dr. Mendall Taylor; 1952, Dr. Paul Petticord; and 1953, Rev. Ernest C. Martin.

Dr. Coulter is a graduate of

DR. GEORGE COULTER

Northwest Nazarene College in the class of 1933. After several successful pastorates in California and Oregon he was elected to his present position in 1948. He has become one of the outstanding administrators of the denomination. It is expected that Mrs. Coulter will accompany him to Nampa.

### Election Fever Sweeps Campus; Stickney, Smith, Emrich, Anderson Are Up for Prexy

Once again this year election time has come around. The campus is littered with campaign signs and posters. Enthusiasm is mounting like wild fire, and each student is loyally boosting his candidate.

During the Tuesday chapel period, nomination and campaign speeches were given for the four seeking the office. Wendell Poole spoke in behalf of his candidate, Harold Stickney. "Sticks," a Nampa resident, is a junior majoring in history.

Nomination for Howard Smith was made by Mick Dean with Myron Finkbeiner making the campaign address. "Smitty" is a jun-

ior from Spokane, majoring in art. Big Marv Emrich of Laramie, Wyo., was nominated by Jim Lais. Business is "Red's" chosen field. Paul Anderson, a native of Backus, Minn., is the fourth candidate seeking the position. He was nominated by Don Morgan in the Tuesday chapel hour and gave his acceptance speech Wednesday morning. Paul is a religion major.

By the time this paper is circulated, the primary elections will be history. Two of the above four will be listed on the ballot for Monday's final election. Let's all turn out to vote at that time and select the best man.

## Prayer and Fasting Group Has Burden For Campus, Classmates; Meets Weekly

These are some of the students who faithfully attend Prayer and Fasting each Thursday noon. Not everyone present was included in the picture.

\* \* \* \*

By Geri Leih

Every Thursday noon a group of faculty members and students, with a burden on their hearts for the campus and classmates, gather in the chapel for a time of prayer and fasting.

To the ones who regularly attend this weekly session, it has become a highlight of the week—a time that wouldn't be missed.

Wayne Smith, a junior, enjoys this time of prayer because of the Christian fellowship, for the spiritual strength and because he feels that God is more pleased to answer his prayers when he denies himself. He thinks it is a good, healthy habit to form.

Not only is it a time of prayer for the campus, it is also a time when each individual can request prayer, either unspoken or written.

Dia Angier reports, "I have received many special blessings from the prayer and fasting hour. I appreciate the fact that when I have a special request, the entire group prays with me. Also, I enjoy the brief moments of testimony. I can see the needs of the campus so much better after an hour of prayer. I think this group is one of the most important on the campus."

At the close of the prayer session, there is always a chance for testimony. It is wonderful to hear of prayers answered and help received.

Joe Michel likes prayer and fasting because "It comes in handy whenever a person has a special need. I feel that God will hear and answer my prayers. I personally go to prayer and fasting because from it I receive a special blessing and encouragement."

## from the... LIBRARIANS' DESK

Dr. Reginald S. Williams, attorney-at-law at Salem, Oregon, visited the campus on Saturday, Mar. 27. He looked over the R. T. Williams Library, which was named for his father, and also had lunch with his wife's uncle, Prof. M. A. Wilson and family.

There seems to still be some confusion about the entrance to the stacks. Students seem reluctant to pass through the swinging doors or newspaper room to reach them. Open stacks are still the policy of the library.

We have added several volumes of bound magazines to our shelves near the circulation desk. Each student should be familiar with the library magazines in his major field, as well as those that he needs for class assignments. There are many magazines of general interest.

The newspaper room has several magazines for casual reading, as well as several newspapers. IRC members may be interested in the box of miscellaneous pamphlets on the shelf in the magazine section.

## Three New Awards To Be Presented During Last Chapel

Among new awards which will be presented at the last Chapel service, May 31, are three given by the Chemical Rubber Publishing Company of Cleveland, Ohio.

To an outstanding student in three different fields—Chemistry, Physics and Mathematics—will be given copies of handbooks, imprinted with gold and colored in special plastic cases.

"Handbook of Chemistry and Physics" will be given to the outstanding student in first year chemistry and one to the outstanding one in first year physics.

A freshman mathematics student will receive "Mathematical Tables."

seems that they were out to Lake Lowell and they had it written in the soles of their shoes which were placed in the car window. Clever wasn't it?

A number also made mention of the excellent job the entertainment committee of the Student Council was doing in providing amusement on Friday night. One round of applause to Norm Stueckle and his group.

Enough of this rambling. I have other work to do. Thanks a lot, pupils, for informing me on the inside dope of the campus. I really appreciate it.

Yours for never,  
Phil Osopher.

## "Don't Gripe — Do Something"

A glance back through last semester would be of great benefit for most of you "supposedly loyal" society members. What kind of colors did you show? Just how much did you do? You have all heard of the term "introspection." Why not try it out and see what happens

At the beginning the school year our student body president, Dick Ivester, exhorted us not to gripe—but to do something. Evidently his words went through one ear and out the other. Why not follow his advice this semester?

Already several major intramural events are water under the bridge—basketball, volleyball, ping-pong singles, and the music contest—but there are still softball, tennis and golf activities.

Why not pitch in and do our best to help our individual societies. Let's practice the "Don't gripe—do something" slogan.

This attitude can be carried into other activities as well. The coming student body elections are excellent examples.

Already the presidential primary has been held, but the final voting will take place on Monday. How many of you will go to the polls on your own volition? Let's hope you are all mature enough to realize the importance of this duty.

## Coffee At Five Cents Per

Important in the diet of many NNC-ers is the product which comes from the small bean—coffee.

Since the opening date in the spring of 1948 the Coffee Shop, more commonly called "The Beanery", many, many gallons of this old American habit have gone across the counter.

With the recent price of coffee being so high, most students are wondering when the 5c on the menu will be changed to 10c.

We are happy to announce that there will be no change, unless the price per pound sky-rockets above the \$1.00 wholesale mark. As it is, the only limitation is "No more free refills." This, at least, will save shoe leather for those efficient waitresses.

### Quantity vs. Quality

Although many complain about the quality of the brown fluid, it is surprising to note just how much coffee is downed.

According to Mrs. E. J. Harper, Coffee Shop supervisor, the establishment purchases 25 pounds per week. An average of 44 cups is received from each pound which brings the weekly total to 1,100 cups. This total also includes the coffee consumed by boarding students who receive it with their evening meal.

### "No Refills"

When the "No refill" sign was posted, it was expected that many of the "chronic coffee guzzlers" would be converted to tea, because there was no restriction on hot water. However, this hasn't made a difference. The ratio still stands at 30 cups of coffee to one of tea.

While students in other colleges, according to school paper reports, and housewives throughout the nation wrestle with the problem, we students can still have our cup of the delicious beverage at 5c per. Lucky, aren't we?

## "Revival Is Here" Atmosphere Is Prevalent On Campus Following Fisher Revival; 350 Are Helped

"Revival Is Here" was the expression heard in the dorms, around the coffee shop, in the class rooms, and over the whole campus as Rev. C. William Fisher, evangelist for the occasion, preached under the anointing of the Holy Spirit.

Over 350 souls bowed at the altar of prayer in the eight brief days of the revival. Numerous young people testified that for the first time in their lives they have been regenerated or sanctified. Rev. Stowe, pastor of College Church, commented, "To Evangelist C. William Fisher and his wife go our appreciation for their wonderful ministry in sermon and song. They are at the top among Nazarene evangelists. In God's providence we hope to have them with us again in a few years."

For every person that was saved, for each one that was sanctified, all

Christians now have the responsibility of following up their prayers with more prayers and action. The gains of the revival must be conserved and helped to grow in the hearts of those who received spiritual blessings.

To keep the spirit of "Revival Is Here" upon the campus there must be continued personal evangelism toward those who are still in need of spiritual victory. Encourage them to make the step toward salvation or sanctification now! Although the evangelist has left, the revival need not be over.

"Let everyone who has received spiritual help in the revival remember that as we 'walk in the light... the blood of Jesus Christ keeps on cleansing from all sin,'" counsels Rev. Stowe with all who have been to the altar during the past revival.

## SLA, ADP Boys Tie in Second Semester Volleyball Championship Race; 4-2 Record

Men's volleyball for second semester has ended in a tie between the defending champions, the ADPs and the SLAs. The SLAs defeated the ADPs in a very thrilling game to give them their first loss, and the LSPs rose up to wallop the ADPs in two straight games to hand them their second defeat. While the SLAs dumped the LSPs to insure themselves at least a part of the title, and ADPs and Olys fought it out for the other half. The ADPs pulled through with the win, however, to finish in the tie. In third place are the Olys, followed by the LSPs.

At the half-way mark of the season, it looked like the ADPs were again going to run away with the title, but they were suddenly upset, and had to rally to finish in a tie. The SLAs, co-champions, were

in third place half way through the race, but then came up by winning their last three games.

Final standings:	Won	Lost
ADP	4	2
SLA	4	2
Oly	3	3
LSP	1	5

## Beginning Golfers See Helpful Films

Varsity golf is well underway. In preparation for the coming meets, helpful films have been shown the prospective golfers.

Members of the men's golf team are George Briggs, Bob Cantonwine, Myron Finkbeiner, Wally Johnson, Les Chambers, Wally Brown, Dennis Messenger, Paul Anderson and Al Solts. Dick Tame is the faculty sponsor.

The girls are also being included in the golfing program, and Mrs. Rose Voget is forming a girls' golf team.

Those interested are Ardis Manley, Noreen DeJong, Bertie Graham, Ginger Phillips, Carolyn Long, Margie Clay, Donna Murray, Glee Barnett, Joan Embury, Mary McKenzie, Bonnie McGraw, Pearl Wilcox and Betty Waller.

Intercollegiate matches are being scheduled for both the men's and women's teams with Boise Junior College and the College of Idaho. The men, in addition, will compete with golfers from Mountain Home Air Force Base.

Mr. Tame emphasized that membership on either the men's or women's teams is not closed and any others wishing to come out would be welcome. Members of the teams will compete with each other for place and rank.

## CHS Trojans Rally To Edge Kuna 15-14

Rallying with nine runs in the bottom of the seventh inning, the College High School Trojans defeated Kuna 15-14 in a nip-and-tuck baseball game March 31 on the local field.

A home run by Roger Johnson, Trojan third baseman, tied the score. Then Phil Heidner walked, stole second and third and scored on Ray Ax's single to break up the game. The win evened the College High season record, 1-1.

Kuna had scored four runs in the top of the seventh inning and appeared on the way to an easy victory until the Trojan outbreak.

## Former Graduate, Orrin Hills, Will Be Director of Athletics

ORRIN HILLS

Orrin Hills, a teacher and coach at Boise High School, will be the new director of athletics next fall.

The administration has announced his selection to succeed LaMont Lee, who has resigned his position to go into private business here in Nampa.

Hills was graduated from NNC in 1946 with an A. B. in sociology. While at NNC he was a member of the varsity basketball team and coached some of the sports at College High. Since his graduation he has been a teacher and coach at New Plymouth; Crane, Ore.; Sutherland, Ore., and since 1951, in Boise.

Coach Hills will receive his master's degree in physical education this summer at the University of Oregon.

The new athletic director will teach physical education and health courses and will be one of the two advisers of the intramural program. He and his family will move to Nampa this summer.

## Semester Volleyball Crown Is Taken By Alpha Delta Phi Gals

Last semester's girls' volleyball champs continued their undefeated record into this semester with six wins and no losses. The ADPs finished their volleyball season with a 46 to 14 win over the Olys last week.

All first place positions in girls' sports have been taken by the ADPs this semester. Second place in volleyball went to the LSPs who had a record of three wins and three losses. Third and fourth places were taken by the SLAs and Olys, respectively.

Mothers write on the hearts of their children, that which the rough hand of the world cannot rub out.

With revival, comps, and culture tests taking the limelight, horseshoes have taken a back seat for a few days. The tournament has proceeded quite well, however, and two participants have reached the quarter-finals. Eight men are in the running. These are Olys Ron Beech, Hal Stickney and Bill Gunter; ADPs Gerald Zellmer and Russ Miller; LSPs Phil Peterson and Les Hoyle and SLA Carl Bryson.

From present indications there will be a member of each society in the four final top spots in the tourney. Defending champion Les Hoyle is favored, but it won't be an easy ride.

## ADP Girls Place Three of Four In Ping-Pong Tourney

Miriam Faul placed first in the girls' ping-pong singles this semester for the ADPs. Wanda Robertson and Joan Ferguson, ADPs, captured third and fourth places. Joan Eaton moved to second place for the LSPs after losing to Miriam. The SLAs were first in participation points but did not place in the finals.

Tennis singles and doubles will start after Easter vacation. Other girls' sports this semester will include softball and the annual all-school track meet.

### A Glance With Les At World Events

By Les Chambers

A crisis has been developing since early this month when the British government presented Washington with a plan for a drastic overhaul and curtailment of the existing embargo list on East-West trade. Washington firmly opposed it and a direct exchange of messages between President Eisenhower and Prime Minister Winston Churchill failed to bring an agreement within reach. As Washington sees it, the British proposals mean giving the green light to all trade excepting "rockets, rifles and uranium."

#### Factors Opposed

U. S. opposition is based on two factors: (1) The Administration feels that to break up the embargo system would strengthen the Red world more than it would help the West. (2) It is afraid of stormy political repercussions at home.

Both the Americans and British feel that Churchill personally is responsible for the new British stand. He reportedly is convinced that opening the floodgates of East-West trade can bring the opposed systems closer together and would prove in time to have been the first step on the road to peace. The British support their case by pointing to the "new look" in Moscow, their own delicate trade balance, which is increasingly threatened by German, Japanese and other competition for export markets, and the "unrealities" of the existing embargo.

#### Feeling Is Widespread

The feeling is widespread that the U. S. will be forced to give ground. "The only question is how much can we salvage," as one American put it. If Stassen and his opposite numbers can come to terms on broad lines, the talks will continue between technicians. The agreed plan will then be supported by all parties at the next meeting of the Coordinating Committee in Paris, due in mid-April. If no agreement is reached by then, the British are sure to find plenty of supporters among other powers.—Newsweek Magazine, April 5, 1954.

### CRUSADER Circulation Hits 27 States

Issues of the CRUSADER are finding their way into many towns throughout the United States and Canada. They are mailed to a total of twenty-seven states.

Washington leads the circulation list with Idaho a close second.

The publication is sent to all of our sister colleges and is received by many journalism departments in universities and colleges in the north-west area.

Each of our General Superintendents and all District Superintendents on the educational zone receive a copy of each publication.

This bi-weekly paper is available for one dollar per school year. Many of our alumni are happy to receive this bit of news to help keep them abreast of our present school activities.

Circulation manager Russ Miller and his assistant, Colleen Wooten, are to be commended for the good job they are doing in the promptness of mailing.

### Preachers' Wives View Themselves As Others See Them

Members of the Shepherdess class "saw and heard themselves as others see and hear them" at the last meeting which was held April 6 in the Library Seminar room. Mrs. Nadine Stockett presided.

Several new members have been added to the class, but Mrs. Stockett, president, urges all ministerial students' wives to attend the last two sessions of the year.

Well arranged time is the surest sign of a well arranged mind.
