

## WOMEN PREPARE FOR AWS PAJAMA PARTY; BEARDS APPEAR AS STAG NIGHT APPROACHES

Two of the largest clubs on campus step into the spotlight this week-end as the AWS and Men's Club sponsor their traditional Pajama Party and Stag Night activities.

The Pajama Party is scheduled for Morrison Dining Hall at 8:00 P. M. Friday. Joann Wilcox, AWS president, says that all college women, high school girls and faculty women are invited. Prizes will be awarded for the loudest, prettiest and most unique pajamas displayed at the party.

Heading the program committee for the affair is LaDonna Nafziger who promises an interesting program for all who attend. The enter-

tainment committee has been working under the direction of Willadean Barber and Marilyn Lee who announce that plans are set for a variety of good entertainment. Other committee heads are: Virginia Horne and Vi Jahn, food committee and Wilma Hokanson and Bobbi Duke, decorations.

While the girls are meeting in Morrison, the fellows will be holding their annual Stag Night party in the gym. Men's Club prexy, Frank Wiley, has announced that in addition to an enjoyable program, prizes will again be given in the traditional beard and sweater contest. Dr. Thelma Culver and Prof. Rose Voget have been named

to judge the sweaters and beards this year.

The program committee—Byron Clark, Al Jones and Dan Hughes—have listed wrestling, boxing, numbers by a German band and selected films among other items planned for entertainment.

Wiley said that refreshments will be served with Cecil Campbell and Phil Fitch heading the refreshment committee. Wiley said that starting time for the Stag Night has been set for 7:30—a half hour ahead of the Pajama Party.

Both presidents have urged all men and women to attend their respective parties. "A lot of hard work has gone into the planning," said AWS Prexy Wilcox, "we hope that everyone who can will come and enjoy the fun."

Men's Club president, Frank Wiley, examines the beard being grown by Elvin Bartholomew in preparation for the Stag Night activities.

AWS program co-chairman, Virginia Horne, is showing AWS president, JoAnn Wilcox, a pair of typical pajamas that will be displayed this Friday night.

Vol. XVI — No. 4

NORTHWEST NAZARENE COLLEGE

Tuesday, November 6, 1956

## NINE PROMINENT SENIORS WIN NOMINATION TO WHO'S WHO

Nine seniors, Paul Freeberg, Bill Jackson, Deb Laws, Clayton Martin, Jim Ridgeway, Shirley Tindall, Pat Weigelt, JoAnn Wilcox and Mary Wing were recently elected by the student body to represent NNC in Who's Who in American Colleges and Universities for 1956-57.

Factors considered for election were scholarship, leadership and participation in extra curricular activities, citizenship, service to the school, promise of future usefulness to business and society and Christian character and influence.

### Senior President Chosen

Paul Freeberg, senior class president, is a music major from Portland, Oregon. Freeberg has been active throughout his college years in several of the music organizations on the campus. He is serving as president of the music club this year and has traveled for the school the past two summers. Freeberg is a member of the SLA society and has been active in that group.

Pat Weigelt, a speech major, is from Brainerd, Minnesota. She is doing an effective job this year as President of the Speech Club. As a member of the LSP society she has taken an active part in plays and intramural speech contests. Weigelt is planning a career in teaching.

Another speech major, Jim Ridgeway, was chosen for this honor. Ridgeway's home is in Roseburg, Oregon. He has held a long list of executive positions during his college days. He is the past president of the LSP society, CWB, dorm council, and this year is president of the Circle K. An intercollegiate debater, he is presently contemplating a career in law.

### Oasis Editor Selected

Shirley Tindall, editor of the school annual, the Oasis, is from Nampa. Miss Tindall is an English major and is planning to enter the teaching field. A member of the SLA she has been active in the intramural program.

JoAnn Wilcox, AWS president, is also from Nampa. Mrs. Wilcox is also president of the Scriblerus Club this year. A secondary education major, she is planning to teach. She has been very active in the intramural program and has

represented the LSP society well. Clayton Martin, a business major, comes from Portland, Oregon. A member of the OLY society, Martin has participated in the intramural music contests and plays. He has acted as a representative as a member of a traveling group two summers. Martin this year is doing a good job as treasurer of the ASB.

Bill Jackson, vice president of the student body, is an education major. Jackson has been an active participant in many activities throughout his college career. He is a member of the SLA society. Jackson is also planning to enter the teaching career.

### ABS President Wins

A religion major, Deb Laws, is climaxing his college career this year by wielding the gavel as student body president. Laws' home town is Kelso, Washington and he is a member of the LSP society. He is planning to enter the ministry.

Mary Wing, from Aumsville, Oregon, is an elementary education major. She also is a member of LSP society and has been active in the intramural program. Miss Wing is also an ASB officer and doing an excellent job as secretary. She, too, is planning to enter the teaching field.

The rung of a ladder was never ment to rest upon, but only to hold a man's foot long enough to enable him to put the other somewhat higher.—Thomas Huxley.

## DEBATERS PLAN FOR FIRST ROUND

The oldest intercollegiate activity at N.N.C. is well underway for its 1956 season. Since September about twenty students have been in training for the current debate season. The first round is scheduled for November 16 and 17 at Pullman, Washington, at Washington State College. Later tournaments will be held at Stockton and Pocatello.

Emphasis now is being placed upon the Pullman tourney. At the present time the prospects look encouraging with plans for five teams to attend. The two best male debaters in Idaho, the only veterans, Jim Ridgeway and Jim Martin, will again be bidding for top honors. Kitty White and Brad Saffell, both sophomores, should be a top team as both have had experience in public speaking. Al Rhodda, a sophomore, also experienced in public speaking, has joined with Al Jones, a freshman, to form a third team. The only female team this year includes Betty Richardson, junior, and Ann Knapp, senior. Both girls have excelled in speaking and dramatics at N.N.C. Two freshmen, Jack Wright and Dave Pettibone have been working together and should be very successful.

With the exception of Martin and Ridgeway all these students are enrolled in Rev. Stowe's debate class. The topic this year is: RESOLVED—"That the United States should abolish direct economic aid to foreign countries." This question will prove to be of great interest with the world conditions at the present crisis.

## SLA-ADP-Athenian Play Cast Chosen

Jen Shoemaker, Katherine Pershall and Joanne Horton, society play directors, have announced the cast chosen for "Love Is Eternal," SLA, ADP, and Athenian societies' play for this semester.

Written by Irving Stone, "Love Is Eternal" is the story of Mary Todd and her meeting with Abraham Lincoln. The play begins on the old Trace road, scene of the lucrative slave traffic and site of Mary's home. It is here that Mary views incidents which cause her to defy her father and friends in joining the abolition movement.

Chosen to play leading roles in the play are Marilyn Hartley and Claton Bonar, both new to the campus of NNC. Others in the cast include: Louise Weitman, Martha Hopkins, Gail Riley, Betty Haynes, Dave Mitchell, Anita Sparkman, Lorna Read, Tom Kegley, Wally Johnson, Bill Jackson, Shirlene Wallace, Larry Halter, Jackie Foster and Sharon Templeman.

## \$1561 Pledged For Missionary Project

Dr. Riley presented the General Missionary Society project for this year in chapel last Thursday.

The project as selected by the society officers is the building of a parsonage for a colored pastor in South Africa. In addition 10% will go to the World University Service.

According to Bill Armstrong, General Missionary Society treasurer, a total of \$1,561.00 was pledged by the ASB.

Ideals are like stars, you will not succeed in touching them with your hands . . . you choose them as your guides and follow them to reach your destiny.—Carl Schurtz.

## RARE COLLECTION BEING DISPLAYED

A collection of rare artifacts, ranging from 5000 to 1300 years old, is now on display at the R. T. Williams library at Northwest Nazarene College.

The collection has been on display at the College of Idaho for the past two weeks and arrived on the Nampa campus Thursday. Prof. Elwood Sanner, head of the department of theology at NNC, said today that the collection is on loan from the Palestine Institute Museum of the Pacific School of Religion at Berkeley, Calif.

Prof. Sanner said that the articles will be used in conjunction with the college religion courses and will also be open for viewing by the public.

The pieces on display were dug from buried cities and tombs in Palestine and other Bible lands. Most of them were excavated from a hill located seven miles north of Jerusalem along the Damascus road.

Prof. Sanner said that a Hebrew city located at this site is believed to have been Mizpah of the Bible. While many of the objects found were used in the daily life of the people who lived at the time of Samuel and the kings of Judah, Prof. Sanner pointed out that some of them dated from an even more ancient period and reveal something about life in Palestine as early as 3200 B.C. Others date from as late as the Byzantine period of history, which began during the fourth century, A.D., in the time of Constantine the Great.

The collection includes a wide variety of items ranging from a small goddess of fertility image to oil juglets and lamps believed to be the type Jesus referred to in the parable of the wise and foolish virgins. Cosmetic implements, sling stone, coins and cooking pots are among the articles on display. Prof. Sanner said that all items are identified by explanatory labels, and Bible texts which relate to them.

## Faculty Preaching Mission Scheduled

Next Monday will mark the opening of the annual Faculty Preaching Mission which features members of the college faculty as chapel speakers.

Prof. Elwood Sanner will be the first speaker and will also serve as leader of the mission. He will speak during the Monday morning chapel hour. L. Wesley Johnson will speak Tuesday followed by Prof. Sutherland on Wednesday. On Thursday the speaker will be Prof. Harvey Campbell with Dr. D. Shelby Corlett scheduled to speak Friday.

The Faculty Preaching Mission had its beginning some ten years ago. It is always presented during the first semester and is followed by a Student Preaching Mission in the spring.

Pictured above are cast members of "Lute Song" which will be presented November 16-17. They include, first row (left to right) Anna Rives, (OLY director), Bob Hughes, Margaret Tschiffley, Lynn Riley, Billy Messerly, Phil Frisk, D. Roy Franklin. Second row: Don Erickson, Carolyn Simons (LSP director), Harold Nevin (Spartan director), Jim Hilliard, Clayton Martin, Dave Jackson, Jan Johnson, Junella Finkbeiner, and Marjorie Clay. Not pictured: Jim Nevin, Roger Bohanan, Wilson Barber, and Kenneth Shen, technical director.

### Something to Think About . . .

NNC needs an Alma Mater Hymn!

We have an outstanding "fight" song which was written for us by the late Rev. E. E. Martin, former college pastor. All of us feel a heightening of the pulse and thrill of belonging when we hear "Bugles calling into line . . .". Yes, we have a top-notch song for games and contests.

But we do not have an alma mater song. We are one of the very few colleges who don't. Students at the University of Idaho cherish their "And Here We Have Idaho"; nine miles down the road at the C. of I. they sing "Hail, College of Idaho" at their more formal occasions.

So I repeat: NNC needs an alma mater hymn.

Some of the faculty members have been alert to this need. Elsewhere on this page you will find a proposed hymn for NNC written by Prof. Donald B. Tillotson. We suggest that you try it—see how you like it.

We appreciate our busy, aggressive student council. Because we believe in their ability we'd like to make a further suggestion to them. How about a campus-wide contest to select an appropriate alma mater song for NNC? We have a number of good musicians and writers. Let's put them to work on a task that will benefit all future NNC students.

NNC needs an alma mater hymn!

### AN NNC ALMA MATER

(Tune: All Through the Night)

Hail to thee, our alma mater  
 Northwest Nazarene!  
 Founded where the mountain waters  
 Make the desert green.  
 So the seeds of Truth's own sowing  
 Watered by the fountains flowing  
 Wisdom's fruits in youth are growing  
 For our age to glean

By Donald Tillotson

### "And Enoch Walked With God . . ."

By TOM NEES

All we know about the life of Enoch is that he walked with God. What would be of greater tribute to anyone than to be remembered as one who walked with God? Somehow Enoch reached that close relationship which many only experience during a short revival effort, a testimony service or a prayer meeting.

I like to think of Enoch as one who considered his religion not just a toy, but a power; a power that created in him a new heart, a power more than able to meet his own needs, a power that kept him in close contact with God. Enoch did not need a revival twice a year to renew his zeal or enthusiasm for his Lord. This situation has many times been the exception rather than the rule. In II Chronicles 7:14 we hear God saying to Solomon, "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then I hear from heaven, and will forgive their sin, and will heal their land." In our day we see that revivals lose their effectiveness because so many Christians have to be encouraged and revived before they can reach the unsaved. Religion can be a reality every day, a power rather than a toy, and it can be said of every Christian at N.N.C. that he "walked with God."

### English Lesson (Unlimited)

If you talk of the trip you have taken,  
 Would you boast of the bread you have baken?  
 If you sigh for the hopes you have lost,  
 Would you fight for the girl you have chost?  
 If you mention a thing you have seen,  
 Would you speak of your friends as agreen?  
 If you want your pet dog to be fed,  
 Do you wish your front yard to be wed?  
 You hear of a man who is shot,  
 Then why not a bank that is lot?  
 You gossip of folks you have known—  
 Do you cry, "Oh, how much it has snown?"

More examples? Don't be pedagogical—

Our language never is logical.  
 —William Eben Schultz  
 Illinois Wesleyan U.

Little drops of water, little grains of sand,  
 Make the mighty ocean and the pleasant land.  
 So the little moments, humble though they be,  
 Make the mighty ages of eternity.  
 —Julia Carney

"Don't fret over what you'd do with your time if you could live it over again—get busy with what you have left."—Martin Vanbee.

The longer you put off doing a job the harder it becomes to do.—Martin Vanbee.

## NEWS & VIEWS

By JIM HILLIARD

TODAY IS VOTING DAY! If you're of voting age, get down to the polls and vote, particularly if you are a Democrat.

Yesterday was student voting day on our campus. At press time, we had not voted so I will try to give my opinion as to the outcome on the elections here at NNC.

NNC outcome:

President—Eisenhower.  
 Vice-President—Nixon.  
 Representative—Shaddock.  
 Senator—Frank Church.

Here is my opinion of the state and national elections being held today.

U. S. and Idaho outcome:

President—Eisenhower.  
 Vice President—Nixon.  
 Representative—Pfof.  
 Senator—Welker.

In the last race, I hope I'm wrong. I believe, however, that Church will lose by a very small margin, for it is quite hard to defeat a man who is already in office. Also, the trouble stirred up by Glen Taylor, will lose some of Church's votes. As to Glen Taylor, I doubt if he will more than scratch the ballot.

Some of the candidates I listed are not necessarily my favorite candidates. I would pick both Gracie Pfof and Frank Church. I believe that one who would vote for Herman Welker is mistaken and doesn't pay much attention to politics. Frank Church is a young and vigorous man who has Idaho's welfare at heart, and would fight for his beliefs. If the voters use their heads, my poll will be way off. Here's hoping they do, so that Church can win.

What about the political clubs on the campus? The great big strong Young Republicans seem to have flunked out. They really did swell. They had one meeting, drafted officers, took pictures, threw balloons in chapel and dissolved. Meanwhile, the Young Democrats accomplished quite a bit. We too had speakers, only they were received in a dignified manner; we formed a caravan to Boise to hear Governor Stevenson, (which brought some interested Republicans also). Each Wednesday morning at 7:15 we had a Democratic breakfast, with no less than four political candidates present.

Republicans: You may be the majority around here, but you certainly aren't the most active.

With no jokes, I can say that I'm proud our college has sponsored political clubs this year. It proves that NNC can quickly adapt itself to a situation, and become very active in it. I'm sure that the clubs did nothing but good this year.

Again, don't forget to go to the polls today and VOTE! (Democratic.)

### FUTILITY

By RAY SPELL

Before writing this article I want to suggest that it is not meant necessarily to inform or influence, rather to induce thought.

By futile strife we are bound in life; 'tis so many tears harbored through the years in an ocean of doubt and fear. We feel today we've found our way but when the sun goes down and the storm clouds roll, it is evident that futility binds us. A melting thought, concerning life itself, becomes at once, although fading fast it leaves us empty and aghast. Why do we live with this high eternal hope, this hope of life beyond our scope? Is it to be happy and achieve high goals, or to be burdened for the hunger in a sinner's soul?

## Professor Campbell Discloses Interesting Details From the Past

By BETTY RICHARDSON

Doing the common thing uncommonly well characterizes Mr. Harvey Campbell of our NNC faculty. Mr. Campbell devotes his teaching time on the campus to English and the remainder of his time to his family—three boys and a girl. The oldest boy is eighteen and a freshman at George Fox College; his daughter is a senior at College High and the twin boys are eleven years of age. Mrs. Campbell teaches the fifth grade at Roosevelt School here in Nampa.

Prof. Campbell was born in Nebraska and has lived in several states. He received his A.B. degree from Pacific College, now George Fox College in Newburg, Oregon. On the day of his graduation from college—in fact just three hours later—Mr. Campbell took to himself a wife. "I certainly have no reason for forgetting my wedding anniversary," he comments upon reflecting upon that memorable day. While in college, track, football, deputation work for the college, and trying to interest that certain someone kept Mr. Campbell rather busy.

Upon receiving his A.B. degree he went to receive his M.A. from Colorado State College of Education in Greeley, Colorado.

Mr. Campbell enjoys woodworking, reading, and being with his family. Through his life and words Mr. Campbell gives us the admonition to do with God's help and assistance the best job possible no matter how small or trivial that job may seem. Thus, we may be ready to accept God's plan in every situation.

to be found in the undergraduate college.

President Riley has named Mr. Francis Reeves as the Liaison Officer to nominate to the Danforth Foundation two or not to exceed three candidates for these fellowships. These appointments are fundamentally "a relationship of encouragement" throughout the years of graduate study, carrying a promise of financial aid within prescribed conditions as there may be need. The maximum annual grant for single Fellows is \$1800; for married Fellows, \$2400 with an additional stipend for children. Students with or without financial need are invited to apply. A Danforth Fellow is allowed to carry other scholarship appointments, such as Rhodes, Fulbright, Woodrow Wilson, Marshall, etc., concurrently with his Danforth Fellowship, and applicants for these appointments are cordially invited to apply at the same time for a Danforth Fellowship. If a man receives the Danforth Appointment together with a Rhodes Scholarship, Fulbright Scholarship, or Woodrow Wilson Fellowship, he becomes a Danforth Fellow without stipend, until these other relationships are completed.

All Danforth Fellows will participate in the annual Danforth Foundation Conference on Teaching, to be held at Camp Miniwanca in Michigan next September.

The qualifications of the candidates as listed in the announcement from the Foundation are: men of outstanding academic ability, personally congenial to the classroom, and integrity and character, including serious inquiry within the Christian tradition.

All applications, including the recommendations, must be completed by January 31, 1957. Any student wishing further information should get in touch with our Liaison Officer.

### TO THE EDITOR:

This past week NNC held an election to choose cheer leaders for 1956-57. Without any explanation for the change, the student body was told to choose six cheerleaders instead of four as in times past, and as is customary among schools of comparable size. Many students feel that six cheerleaders are too many for a cheering section the size of ours if every student turned out for games.

Inquiries as to who was responsible for this change and why it was made elicited only such vague answers as "Most of the students seemed to want to make the change." If this be true it seems strange that the student body in general were so completely taken by surprise, and that there was such an undercurrent of murmured disapproval all over the auditorium. Now NNC students are mature enough and democratic enough to accept the will of the majority—but doesn't it seem logical that on matters of such general interest they be given a chance to express that "will" unmistakably by an official ballot instead of being TOLD what their wishes are?

This incident is just one of several of like nature. Rebellion at having a mere handful "railroad" something through is a perfectly natural and healthy reaction if a democratic policy is to survive here at NNC.

Why should any group feel that they have a corner on the school spirit and loyalty? Who can say he has been endowed with the brains and ability to do the thinking for the student body as a whole? Were that the case, why should the Joe Does and the Mary Smiths of the campus "beat their brains" trying to learn to think for themselves? It's such a waste! Their thinking will be done for them! No need to be concerned about helping to set up policies and traditions for the old Alma Mater! That, too, will be done for them! WHY BROTHER? (Signed) Dissatisfied Students

### Seniors Invited to Apply for Grants

The Danforth Foundation, an educational trust fund in St. Louis, Missouri, invites applications for the sixth class (1957) of Danforth Graduate Fellows from college senior men and recent graduates who are preparing themselves for a career of college teaching, and are planning to enter graduate school in September, 1957, for their first year of graduate study. The Foundation welcomes applicants from the areas of Natural and Biological Sciences, Social Sciences, Humanities and all fields of specialization

**SOCIETY . . . .**

By  
**NEOLA  
LEINWEBER**

"Don't want the world to have and hold, just want a little band of gold," seems to have been the theme on campus these past few weeks. Four more engagements have been announced.

Mr. and Mrs. James F. Tindall announce the engagement of his daughter Shirley to Micky Dean, son of Mr. and Mrs. John Dean. Shirley is now attending N.N.C. enrolled as a Senior and Micky, an alumnus of "56", is taking post graduate work at Oregon State College.

Mr. and Mrs. Martin R. Ewer of Walla Walla announce the engagement of their daughter, Dorothy, to Ernie Hansen, U.S.A.F., son of Mr. and Mrs. A. J. Hansen, of Walla Walla. There has been no definite wedding date set.

From College High comes our last two engagements: Pat Hardcastle to Eldon Wilson and Phyllis Montgomery to John Dyer.

**AWS Takes Ladies Lounge As Project**

The AWS has taken for a project the redecoration of the ladies lounge in the Ad Building.

The new mirror will be appreciated by all the women, the bright dressing table, the new couch with its smart charcoal cover, even the sweet scent in the air makes the room more feminine. An inspirational picture was donated by the local AWS mothers.

JoAnn Wilcox and her committee, Lynn Riley and Barbara Urwin, have been working with Mrs. Riley toward the completion of the project which has been set for November 5. Mr. Harper assisted the girls with the painting.

**FBLA Holds First Meeting**

The first meeting of the Future Business Leaders of America was held last Tuesday evening in the dining hall. There are 50 charter members of this new organization.

A panel presentation of careers in business was the main feature of the meeting. Wilma Hokanson, club president, presided and discussed business education as a career. Other members who discussed their careers were Janice Klein, secretarial studies; Clayton Martin, business administration; and Wayne Rouse, pre-law.

Mr. Byers, the sponsor, gave a report on the proposed accounting courses which will have a total of 33 credits. Mrs. Voget gave a review of the last FBLA National Convention. She said that we hope to send several delegates to the 1957 national convention at Dallas, Texas.

**Music Club Plans Activities For Year**

Paul Freeberg, senior from Portland, Ore., was named president of the music club in its first meeting on Tuesday, October 16, in the music hall.

Chosen to serve with Freeberg were the following officers: Bob Faris, vice president; Jackie Watson, secretary-treasurer; Melva Cullens, program chairman; and Kathy Hicks, publicity chairman.

Freeberg said today that the purpose of the music club is to stimulate interest in music on the campus. The group meets once each month and Freeberg said that this year they plan to set aside one night each month to work on the rooms.

One of the study topics proposed for the club this year is stage deportment. Members of the group plan to have Miss Wilson and other faculty members meet with them to discuss the subject.

According to Freeberg music club members are also active in helping with recitals and concerts on the campus. They will be taking part in the Nampa Civic Music Association activities this year, also.

**Morrison Girls Take On Project**

Morrison Hall girls have enjoyed a variety of activities during the past few weeks. Last week a "Welcom Poppa" party was given in honor of Rev. Volk. Lora Jane DeLashmutt, dorm council president, reports that much interest is being evidenced in the dormitory prayer meetings.

The main project now in progress is the installation of a kitchenette. Workmen are now installing the built-ins and many fine gifts have been donated by interested people. These gifts include a combination stove, sink and refrigerator, a sandwich grill, coffee maker, dishes and other items. The girls of Morrison raised money for the paint and labor on the project.

Other Morrison Hall officers are: Claudetta Martin, secretary; Margaret Tschiffely, treasurer; Ruth Warnock, Marva Lund, Peggy Wood, Marilyn Lee and Virginia Horne, council members.

**Music Drive Ends, Concerts Scheduled**

The 1956-1957 membership campaign of the Nampa Civic Music Association, which closed recently, enrolled enough members to fill the NNC auditorium for the series of concerts the association will present this season, Double E. Hill, president of the association announced.

Hill reported that the association will be able to present five concerts this season because of the large increase in the number of memberships.

Talent votes on the part of Civic Music members showed an overwhelming preference for vocal ensembles. The world famous Little Singers of Paris, a group of thirty voice, will be one of the outstanding attractions of this year's series.

In the piano category the association will present the young American artist, Spencer Browne. Other scheduled concerts will feature an instrumental group, a balladeer duo, and a vocal soloist.

**ASB BUDGET IS APPROVED**

In a recent election the following ASB budget for this semester was approved by the student body. A total of 286 votes were cast in favor of it and 22 were cast in opposition.

Last year when the Trojan football squad played Trojany-McCall they were entertained in Lakeview Village in McCall by LaMont Lee, former Crusader coach. This year the tables are turned. The combined teams from Donnelly and McCall will be here for a game. Plans are now under way to keep the boys entertained for the week end. Students will take the players into their homes and see that they are properly cared for.

Preparations have been started for the annual senior class play. The main problem seems to be securing a date to present the play. The class will be directed by senior class sponsor Rev. R. W. Jackson.

The "N" Club has set to work again this year. With tickets in hand and a whistle-happy frame of mind, these boys tag all college students' cars that happen to be in the high school parking lot.

As the "N" Club boys are patrolling the area, the Pep Club girls are digging up ways of making money in preparation for the eagerly-awaited homecoming game. We will always remember the "long shot" Jerry Hull took which was the deciding factor in last year's game.

## Basketball, Once A Fill-In Sport Develops Into National Acclaim

What was to have been only a stop-gap sport—one that would tide athletes over from fall to spring, keeping them in shape for "important" spring, summer, and fall sports—has become a monarch—basketball. It is difficult to realize that this relative newcomer to the sports scene has developed since shortly before the turn of the century into a top-ranking spectator event, leading baseball, football and all other major sports.

There are a number of reasons, the most outstanding being (1) the large number of teams participating; (2) the relative inexpensiveness from the standpoint of equipment and facilities, and (3) the speed of the game and the closeness of the spectators to the action. Another factor is the length of the schedule. While basketball is short compared to baseball, it is much more extensive than the schedules for other major sports.

Basketball is the only major sport of purely American origin. It was invented by Dr. James A. Naismith, then physical director of the YMCA in Springfield, Mass., in 1891. The first game was played January 20, 1892.

Thirteen simple rules, most of which are still in use, were drawn up. They were made to eliminate the roughness which body-contact encourages. Needless to say, however, the game still was extremely rough in its infancy. Mainly it was considered just good training for football. The players were primarily interested in football, not basketball. Thus, a stiff arm or block now and then was not uncommon.

The first equipment included a pair of old peach baskets, one hanging at each end of the gymnasium with the bottoms still in, and a soccer ball.

Basketball first was played with seven men on a side, then nine, then eight, and finally five. A joint committee, representing YMCAs, high schools, colleges, and AAU and independents, standardized basketball rules, a number of years ago. Today, except for a few shadings of interpretation and style, the game is the same.

## OLYs, SLAs Vie For First Place

	Won	Lost	P.S.	Opp.
SLA	3	0	60	31
OLY	3	0	66	6
ADP	1	2	38	52
ATH.	0	2	12	61
SPA.	0	1	0	6
LSP	0	2	25	45

At this point the team to beat is the SLAs, the OLYs are yet unbeaten but it must be remembered that twice the SLAs have defeated teams that could not field the full nine men. The Spartans are hardest hit by varsity sports and the ADPs next. Right now it looks like a toss up between the SLAs and OLYs for 1st place. The Spartans seem destined to fill the cellar position.

## CHS ROLLS OVER NAMPA SOPHS.

Last Thursday the CHS Trojans won their third game after two losses. The cold, rainy day didn't slow down the Trojan offense and they scored four touchdowns and two conversions against the Nampa Sophs.

During the first quarter the Finkbeiner men received and drove down field to Nampa's 5 yard line whereupon Jerry Vevig smashed through the center of the line for a touchdown. The rest of the first half went by scoreless for both teams.

The Trojans started the second half off with a bang, by scoring two touchdowns in the opening minutes of the third period. The first one was made by Deo Holtry going through the right side of the line and Harold Stoner made an end sweep for the other.

The final touchdown was made on a pass from quarterback Stoner to halfback Holtry. PAT touchdowns were scored by Cook and Vevig.

Nampa managed to score only one touchdown which left the final score 26-6.

Linemen Patterson, Lair, and Wilson played a good game.

## SPLINTERS FROM THE BENCH

By JACK WRIGHT

Many schools are as noted for the enthusiasm displayed by the student body as for the ability of their athletic teams. Texas A & M for example, requires all freshmen to stand throughout every football game. The cheering sections of both West Point and Annapolis are traditionally among the finest in the nation.

There is no reason why NNC could not become known as possessing a basketball team with the most enthusiastic backing in the Northwest. Certainly, being a good rooter is within the reach of everyone. With all the hotrod automobiles we have running around and through the campus, we could have a terrific motorcade through town. Put the pep band on a trailer and wake up Nampa to the fact that basketball is here again.

Why coaches turn grey: after looking over the new crop of freshmen, Coach Hills found that guards at NNC are about as plentiful as politicians in November. With 6' 8"

Hanson ineligible until next semester, Bob Peppley stands as the only freshman so far to make the varsity. Anybody got a little brother over 6' 2"?

Bob Willard is taking over the duties of junior varsity coach and is currently keeping a watchful eye on 15 freshmen and sophomores.

One bright spot in the sports picture is NNC's triple-threat manager, Jerry Deathridge, who is earning his third letter in this capacity. Any freshmen boys interested in being understudy to Jerry may contact him in the catacombs of the gym dressing rooms.

The 1956-57 yell squad, reading from left to right: Jim Hilliard, Sally Whitcanack, LaDonna Nafziger, Willadean Barber, Marva Lund, and Jerry Hull.

## CRUSADER YELL SQUAD ELECTED

Try-outs for the Crusader Yell Squad were held on Wednesday, October 31. After the try-outs, polls were opened and students voted to select a yell king, yell queen, duke and three duchesses. The N Club with Clari Kinzler as president served as sponsors for the try-outs and election.

Announcement of the winners was made in chapel on November 1.

Others who participated in the try-outs were: Sharon Templeman, Paul Finkbeiner, Keith Wright, Wilson Barber, Dave Hain, Carmon Gilmore, Don Erickson, Dave Jackson, Lucille Cotner and Barbara Keen.

## Trojans Lose Heartbreaker

Donnelly - McCall defeated the College High Trojans in their last football game Friday 7-6.

College High's only touchdown was on a pass from Stoner to Deo Holtry in the third quarter. Failing to score the conversion this left the score 7-6.

The last play of the game found College High on the 1 yard line but time ran out.

## ADP Girls Capture Lead In Volleyball

Society	Wins	Losses
ADP	3	0
SPA	2	0
SLA	1	2
OLY	1	2
LSP	1	1
ATH	0	3

Again bringing out the fact that team play and cooperation can win, the ADPs are temporarily resting in first place. Overcoming the height advantage the ADPs defeated the LSPs in one of the best played games in recent history, by a score of 32 to 26. Using most all set-up plays and long volleys the ADPs controlled the game most of the way.

Getting the feel of team play the Spartans are looking good and promise to give all teams a real battle. The LSPs have the height advantage over the other five teams and also have several good spikers in Phyllis Martin, Mary Ellen Harmon, and Sally Whitcanack.

All teams are showing more interest this year than has been felt for several seasons. The outlook looks bright for a thrilling season.

## WILLARD COACHING JV CAGE DRILLS

Bob Willard, a senior, has been named as the coach for the junior varsity basketball squad.

Coming originally from Lambert, Minnesota, he now claims Nampa as his home.

Willard was active in sports during his high school days. He was a three-year letterman in baseball, football and basketball. He has also participated in college sports by playing baseball and basketball two years.

How long has it been since you carried a real burden for missions?
